DIAMANTE

ECLIPSE SPYDER

For over forty years, we've put thoughtful engineering to the test on the international rally circuit. In addition to the obvious thrill of winning, competing against our peers helps us develop and refine new ideas. Ideas that find their way into all our vehicles. Ideas that look good sitting in your driveway. mitsubishicars.com/heritage

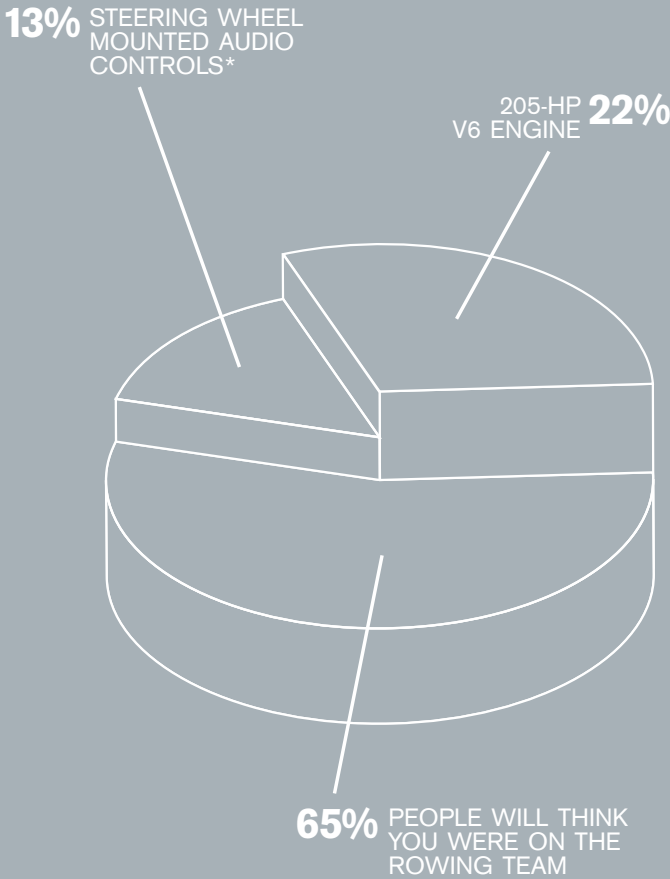

We are Mitsubishi. We build quality cars. Yet we also offer something more. Because while a car should answer your needs, it should also stir your emotions. Like it or not, cars are a window through which the world views us. Through that window we can appear dull and lifeless—sensible to the point of boring. Or we can show the world that our hearts beat strong, and our minds are quick. Mitsubishi takes pride in building cars that ignite the vital spark which often lies sleeping just beneath the surface in each of us. Cars that challenge us to **wake up and drive.**

DIAMANTE

Combine Ivy League styling with a flare of individual spirit and you'll see where we're going with this vehicle. The '03 Diamante. The luxury car that gives you all the status, without any of the stagnation.

*Standard equipment for LS

VR-X

Concealing a 210-hp V6 engine, the VR-X is the black sheep of the luxury car market. Especially since this vehicle's 3.5-liter, 24-valve engine rests on the shoulders of a specially tuned, performance-tightened sport suspension system. Dressed in a chrome-tipped exhaust system, aerodynamically sculpted rear spoiler and wearing the VR-X's unique Tuscany Red, this luxury sedan gives you the perfect cover to wreak havoc while charading as a contributing member of society.

Not all features standard on every Diamante model. See specifications for details on optional equipment and accessories.

VR-X STYLING

What good is the VR-X's power without prestige? Front leather-faced, power-adjustable VR-X embossed Sport seats make sure we don't have to answer that question. The leather wrapping on the steering wheel and shift knob second that motion. And the exclusive white-faced VR-X gauges and platinum-finish interior trim accents make sure that motion carries. This is all without mentioning the standard one-touch power sunroof and the 8-speaker 210W Infinity® audio system. It doesn't stop there either. The side ground effects, wheel well trim and charcoal black mesh grill do their part to sweeten the vision on the outside. All while the specifically designed 16", 6-spoke alloy wheels top it off by attracting enough attention to make a fishing lure jealous.

Not all features standard on every Diamante model. See specifications for details on optional equipment and accessories.

STYLING

If you're reading this book – congratulations. You already know there's more to luxury car design than a European logo. However, Diamante's streamlined front hood and distinctive chiseled lines aren't taking any chances. The rear end's understated sophistication echoes this strategy as it contributes to one of the best drag coefficients in its class. In other words, if you don't notice your Diamante in the parking lot – it's probably been stolen.

**LIKE A BRAT IN
CHURCH CLOTHES**

PERFORMANCE

With the 3.5L, 24-valve V6 resting on the 4-wheel independent suspension, you get the feeling this car rode an athletic scholarship through school. The 4-speed adaptive shift control transmission, that learns and adapts to your shifting patterns, makes sure of it. Especially by churning this muscle into enough torque to embarrass a crescent wrench. Despite its power, the rack-and-pinion steering helps you expertly guide this car around any corner. However, you'll still find details like the side air dams that give the Diamante the ability to go its own way. Even when it's standing still.

mitsubishicars.com/performance

Not all features standard on every Diamante model. See specifications for details on optional equipment and accessories.

INTERIOR

Offering a heated 14-way adjustable driver's seat with two-position memory, you'd expect the Diamante's leather-trimmed interior to have a mint waiting in it. Not that the 210W, 8-speaker CD system isn't sweet enough. In fact, with steering wheel-mounted audio controls, automatic climate control, one-touch power sunroof and a HomeLink® remote system, you may think you've just found the candy jar.

SECURITY

This car doesn't conform to many traditions, however, the laws of physics happen to be the exception. But in true Diamante form, with the help of ABS, 4-wheel disc brakes and optional automatic traction control, it bends them as far as it can. Unfortunately, not all vehicles are built to be so liberal. That's why underneath the 2003's luxury coating lies Mitsubishi's rugged RISE chassis. With side-impact door beams and energy-absorbing crumple zones, this resilient unibody construction helps to provide greater protection in the event of a collision. Add this to the standard security system with remote keyless entry, and we think you'll find the beauty of the 2003 Diamante is much more than skin deep.

ACCESSORIES

Make it your own. There's no better way than with Mitsubishi Genuine Accessories. Add them at time of purchase and they'll not only be installed, but covered under a 3yr/36,000-mile limited warranty. And even better, you may be able to work them into your monthly car payment. Look like the bandit of your country club with the front nose mask. Will people talk? Absolutely. Just use the sunroof wind deflector to ward off any hot air that might be coming your way. And if you're still getting any flak, don't sweat it. You've always got the rear cargo net to store it in.

*Always place an infant in a rear-facing infant seat in the rear seat. Always transport children 1 to 12 years old in the rear seat and use appropriate child restraints. Always buckle your safety belt. Keep 10" between the center of the front air bag cover and your breastbone. Sit well back and upright without leaning against the window or door.

WARRANTIES* Every 2003 Mitsubishi comes with a 3-year/36,000-mile New Vehicle Limited Warranty, a 5-year/60,000-mile Powertrain Limited Warranty, and a 7-year/100,000-mile Anti-Corrosion/Perforation Limited Warranty.
DIAMOND CARE™ DELIVERY Your new Mitsubishi will be prepared, inspected and explained to you prior to delivery.
DIAMOND CARE PROTECTION PLAN Extended service coverage is available for up to seven years or 100,000 miles after your purchase.
LEASING AND FINANCING Many leasing and financing programs are available through Mitsubishi Motors Credit of America, Inc. (MMSA) will authorize your vehicle to be towed to the nearest Authorized Retailer or Service Center at no charge.** Towing beyond the three-year or 36,000-mile limit for Diamond Care Road Service is covered and reimbursable if the problem that caused the need for the tow is still covered under warranty.
CONCIERGE SERVICE Available 24 hours a day, 365 days a year for the first three years or 36,000 miles. We'll do everything to help get you back on the road and take care of you if you're stranded.

We will assist you in making arrangements such as rental car and hotel reservations. We will also call your home or office to advise family members or colleagues of your inconvenience.
NOTE Technical data, features, options and other equipment shown in this brochure are based on the latest information available at the time of printing and are subject to change without notice. Headlights, parking lights, fog lights and instrument panel lights on vehicles may be illuminated for illustration purposes only. Some vehicles may be shown with optional equipment and accessories.
SAFETY Safety is a two-way street. It requires your attention and cooperation. Please fasten your safety belt, drive responsibly and obey all local traffic laws.
OPTIONAL EQUIPMENT Availability of vehicles with specific features may vary. For further information contact your Retailer. For the Retailer nearest you, call 1-888-MITSU2003 or visit our website at mitsubishicars.com.

*See your Mitsubishi Motors Retailer for all Limited Warranty details.
**Towing will not be covered if your vehicle is drivable and driving would not pose a safety problem or cause further damage to your vehicle; or if vehicle is inoperable as a result of an accident, owner abuse, lack of maintenance, or driver error. Diamond Care Road Service towing coverage applies only to vehicles within the continental US, Alaska and Hawaii.
