It just makes sense: Our vehicles are different any other on the road, so why shouldn't our warranties be a cut above as well? At Mitsubishi, we're so confident in the quality, reliability and durability of the Lancer Sportback GTS that we back it with a great Powertrain Warranty: 10 years or 100,000 miles.⁴ It's just one in a number of extensive warranties that come with Lancer Sportback—a list that includes a 5-year/60,000-mile fully transferable bumper-to-bumper New Vehicle Limited Warranty, a 7-year/100,000-mile Anti-Corrosion/Perforation Limited Warranty and 5 years/unlimited miles Roadside Assistance. All designed to give drivers the security in knowing that their Lancer Sportback is engineered for the long-term, with a warranty designed to keep it on the road long into the future.
