It just makes sense: Our vehicles are different than any on the road, so why shouldn't our warranties be a cut above as well? At Mitsubishi, we're so confident in the quality, reliability and durability of the Eclipse that we back it with one of the best Powertrain Limited Warranties in the business: 10 years or 100,000 miles. It's just one in a number of extensive warranties that come with Eclipse – a list that includes a 5-year/60,000-mile fully transferable bumper-to-bumper New Vehicle Limited Warranty, a 7-year/100,000-mile Anti-Corrosion/Perforation Limited Warranty, and 5 years/unlimited miles Roadside Assistance⁴. All aimed at giving drivers the security of knowing their Eclipse is engineered for the long-term. Bumper-to-bumper, mile-after-mile, we've got it covered.

² Airbags are part of a Supplemental Restraint System (SRS). To decrease the risk of injury from a deploying airbag, always wear your seatbelt, sit upright in the middle of the seat and do not lean against the door. Always place children 12 and under in the rear seat and use appropriate child restraints. Never place a rear facing infant restraint in the front seat. See your owner's manual and instructions provided with your child restraint for additional information.

³ EPA mileage estimate. Actual mileage may vary.

⁴ All coverage terms are from the original in-service date. The 10-year/100,000 mile Limited Powertrain Warranty applies only to the original owner of new, retailed 2012 models purchased from an authorized Mitsubishi retailer. Subsequent owners receive the balance of the New Vehicle Limited Warranty of 5 years/60,000 miles. See retailer for limited warranty and roadside assistance terms and conditions.
