

Titan King Cab PRO-4X shown in Red Alert.

2009 NISSAN TITAN

PURPOSE-BUILT. FOR ANY PURPOSE. Nissan's full-size truck is powered by a standard 5.6-liter V8 churning out 317 hp and 385 lb-ft of torque, giving you the brute strength to pull up to 9,500 lbs¹ of just about anything. But there's more to Titan than power. A lot more. Its available Utili-track Bed Channel System, which includes tie-down cleats you can position where you need them most. Its rugged, fully boxed all-steel frame that delivers greater load-bearing ability and improved ride quality. Not to mention its available 4-wheel Limited Slip (ABLS) and switch-on-demand electronic locking rear differential for more confident traction. Titan is available as a King Cab, with revolutionary Wide Open rear doors that open a full 168°, or Crew Cab, with the Longest Crew Cab Bed in its class.² See for yourself why size matters. Ask for a test drive today.

¹King Cab with Max Utility Package.

²2009 Titan Crew Cab vs. 2008 full-size crew cabs (Ford F-150 Super Crew, Chevy Silverado Crew Cab, GMC Sierra Crew Cab, Dodge Ram 1500 Mega Cab, Toyota Tundra Crew Max).

MULTIPLE RUGGED NISSAN TITAN KING CAB AND CREW CAB MODELS TO CHOOSE FROM.

¹The optional rear sonar system is a convenience, but is not a substitute for proper backing procedures. Always turn and check that it is safe to do so before backing up. The rear sonar system may not detect every object behind you. ²Driving is serious business and requires your full attention. Do not operate any devices connected to the auxiliary audio input jack while driving. ³XM[®] Satellite Radio requires subscription sold separately after first three trial months. All fees and programming subject to change. Subscriptions subject to Customer Agreement available at xmradio.com. XM service only available in the 48 contiguous United States and Canada. The XM name is a registered trademark of XM Satellite Radio. ⁴VDC cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. [®] HomeLink is a registered trademark of Johnson Controls, Inc. [®] The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license.

 Chrome outside mirrors and door handles (SE only – standard on LE)
 Chrome billet front grille
 Chrome step rails
 Available on SE King Cab, SE Crew Cab and LE Crew Cab Standard Bed models.

< A standard 317-horsepower 5.6-liter V8 churns out 385 lb-ft of torque to pull up to 9,500 lbs of just about anything.

> Configure even the most complex, cumbersome loads. Titan's bed has more usable cargo space and load-carrying versatility than the average half-ton, thanks to five C-channel rails running the length of the bed's floor and walls.

> For heavy-duty hauling and towing, Titan's steel-reinforced ladder frame is made with full-length box-section rails enclosed on four sides.

< The 5-speed automatic transmission features gear ratios that can take full advantage of Titan's massive low-end torque and optimize fuel economy in higher gears.

WARRANTY

Every Nissan is backed by a 36-month/36,000-mile limited vehicle coverage and a 5-year/60,000-mile limited powertrain coverage. (For complete information, see your Nissan dealer and read the actual limited warranty.) For extra protection, you can also add Security+Plus® the only extended service agreement approved by Nissan.
