

Nissan NV2500 HD SV models shown in Radiant Silver

2012 NISSAN NV LINEUP

INNOVATION THAT WORKS. More than a van, it's a new way of doing business. We started by asking you what current vans do right, and what they don't. We listened. We learned. And then we really went to work. The result is the groundbreaking NV Lineup, with a choice of Standard and High Roof models and three different grades to match your needs. With powerful and reliable drivetrains and fully boxed full-length ladder frames, it's up for any job. With up to 323 cubic feet of cargo space and loaded with innovation from the biggest idea to the smallest detail, getting the job done has never been easier. It's time to rethink the way you do business, and time to put the Nissan NV Lineup to work for you.

DESIGNED FOR THE WAY YOU WORK

Nissan knows that your commercial vehicle is your business. Advertise on the road with vehicle graphics from Original Wraps. Organize your NV's cargo space to fit your needs with racks and bins from Adrian Steel. From the inside out, Nissan has all of the tools you need online.

Go to nissancommercialvehicles.com to build your own.

¹See Nissan Towing Guide and Owner's Manual for proper use.

²With available tow hitch accessory. See Nissan Towing Guide and Owner's Manual for proper use.

³Requires available Towing Package. See Nissan Towing Guide and Owner's Manual for proper use.

Cargo and load capacity limited by weight and distribution. Always secure all cargo. Do not place sharp objects or store objects in the front of the overhead compartment that exceed height of shelving lip. See Owner's Manual for details.

SPECIFICATIONS (CONT.)

ENGINE

VQ40DE – 4.0-liter DOHC 24-valve V6 engine

Standard on NV1500, NV2500 HD

Horsepower – 261 hp @ 5,600 rpm

Torque – 281 lb-ft @ 4,000 rpm

VK56DE – Endurance 5.6-liter DOHC 32-valve V8 engine

Standard on NV3500 HD, Optional on NV2500 HD

Horsepower – 317 hp @ 5,200 rpm

Torque – 385 lb-ft @ 3,400 rpm

Emissions – 50 State Emissions

Continuously Variable Valve Timing Control System (CVTCS)

Nissan Direct Ignition System

Electronic drive-by-wire throttle

Alternator (130 amps)

Iridium-tipped spark plugs

Heavy-duty battery (Part of )

DRIVETRAIN

5-speed automatic transmission

Final gear ratio – V6 (3.36:1)

Final gear ratio – V8 (3.54:1)

2-wheel Active Brake Limited Slip (ABLS)

WHEELS AND TIRES

17" x 7.5" steel wheels – Standard on NV1500 (S)

17" x 7.5" styled steel wheels – Standard on NV1500 (SV), NV2500 HD, NV3500 HD

LT245/70R17 all-season tires – Standard on NV1500, NV2500 HD

LT245/75R17 all-season tires – Standard on NV3500 HD

Full-size spare tire

BRAKES

14.2" Front vented disc brakes

14.4" Rear vented disc brakes

4-wheel Anti-lock Braking System (ABS)

Electronic Brake force Distribution (EBD)

Brake Assist

SUSPENSION AND STEERING

Front: Independent double-wishbone

Rear: Multi-leaf with solid axle

Front and rear stabilizer bars

Engine-speed-sensitive hydraulic recirculating ball steering

Full-length, fully boxed ladder frame

< Innovation that works.

The NV's truck-like design provides greater legroom, easier engine access and increased visibility. To help minimize the seats from fraying, a seat wear patch on both the upper and lower bolsters is made of heavy-duty vinyl.

< NV's 57 integrated reinforced mounting points combine with flat interior walls to help securely attach shelving and maximize cargo space. You can upfit specific to your needs without having to drill holes in your vehicle's body.

A fully boxed full-length ladder frame is at the core of every NV. Some of our competitors use 3-sided open "C" rails instead. You don't need to be a structural engineer to know the obvious: when building, four walls are stronger than three.

Largest brakes in its class. >

The NV Lineup features 4-wheel disc brakes with 14" front ventilated discs to provide maximum contact area for rapid heat dissipation, long-lasting durability and confident towing.

< Stay connected. The

NV features available technological solutions that integrate seamlessly with your workday including hands-free Bluetooth®, navigation, 120v outlets and USB inputs. Available steering-wheel-mounted controls keep phone and audio at your fingertips.

< The NV is your mobile office, with the only available center console in its class. Lockable, with room for hanging files or a laptop computer and a top that slides forward to be a convenient workdesk, it's a master multi-tasker.

PACKAGES

T TOWING PACKAGE (V8)

Power heated chrome extendable tow mirrors

2 Front tow hooks with Tow Mode A/T

Class IV tow hitch receiver

7-pin connector pre-wiring

Brake controller pre-wiring

Heavy-duty battery
