NISSAN Commercial Vehicles[®]

BUILT FOR THE WAY YOU WORK.

Tough jobs call for tough vehicles. Welcome to the 2013 NV® Cargo. It's engineered for hard work from the bottom up – with a rugged, body-on-frame construction that's only available on two vehicles in its class. And that's just the beginning. These models were put through the wringer during development, logging over 7,000 quality and durability tests as well as over 800,000 miles of reliability testing on a track that simulates the world's toughest roads. Even the doors were opened and closed 7 million times during testing. Obsessive? We don't think so. Because we know that you need a commercial vehicle you can count on – today, tomorrow, and for years to come. Built in Canton, Mississippi, it's loaded with Nissan innovation that makes it a smarter drive and a better place to work. And to our competitors, we have one word – tough. **Nissan. Innovation that excites.™**

STAND TALL

Cargo-carrying flexibility and interior room are the reasons you buy a van. NV® Cargo High Roof maximizes your opportunities with stand-up room for someone 6' 3" tall and floor space that can carry up to two 40" x 48" pallets. Every NV® Cargo model also pays big dividends when loading, with forklift-friendly rear doors that swing 243 degrees wide open, a large sliding side door, and low step-ins and grab handles at all entry points.

1. Flat loading floor to maximize loading capacity.
2. Long enough to carry ten-foot piping under center console.
3. 54" between wheel wells fit 4' x 8' plywood sheets.
4. Rear doors open 243°, allowing forklift-friendly loading and room for two 40" x 48" pallets.

**HIGH
ROOF** 76.9"

OF SPACE¹

243°
OPENING REAR DOORS
WITH NON-INTRUDING HINGES

6 floor-mounted D-ring tie-downs rated to 1,124 lbs.

3 Available cargo lights make it easy to find what you need.

Magnets hold the cargo doors securely in their fully open position.

¹323 cu. ft. is for High Roof Model only.

POWER TO CHOOSE

NV® Cargo gives you two powerful choices to suit your needs. The 24-valve, 4.0-L V6 features an advanced Continuously Variable Valve Timing Control System that delivers seamless power with optimum fuel efficiency. Step up to the 5.6-L V8 and you'll find an aluminum block with a forged crankshaft and cast-iron cylinder liners for maximum strength. Both engines feature specially coated piston skirts and microfinishing of key components to help reduce friction for smooth response and less wear and tear. Backed up by a rugged 5-speed automatic transmission, the NV® is built for the long haul – and just about anything you need to bring along.

261 hp with 281 lb-ft of torque
7,000-LB. TOWING CAPACITY¹

¹With available tow hitch accessory. See Nissan Towing Guide and Owner's Manual for proper use. When towing at or near Maximum Trailer Weight, the allowable vehicle cargo is reduced because it is necessary to stay below the Gross Combined Weight Rating and the Gross Axle Weight rating. If the vehicle has cargo, the allowable Maximum Trailer Weight is reduced.

317 hp with 385 lb-ft of torque
9,500-LB. TOWING CAPACITY²

²Requires available Towing Package. See Nissan Towing Guide and Owner's Manual for proper use. When towing at or near Maximum Trailer Weight, the allowable vehicle cargo is reduced because it is necessary to stay below the Gross Combined Weight Rating and the Gross Axle Weight rating. If the vehicle has cargo, the allowable Maximum Trailer Weight is reduced.

UPFITTING

NV® Cargo's smart design helps you create a commercial vehicle that works especially hard for the unique needs of your business. Unlike most vans, the NV® Cargo starts with a unique flat-wall interior design. This maximizes all-important floor space, plus opens up room at the top of the cargo-containment system. It's an ideal canvas for upfitters – and your own ingenuity.

A. Multiple integrated reinforced cargo-mounting points. Smart and strong, the cargo area features 57 reinforced cargo-mounting points to reduce the possibility of shelving tearing out, and eliminating the need to drill into sheet metal, reducing the risk of corrosion. On the roof, up to 10 solid mounting points for roof racks help keep ladders and pipes securely fastened.¹

B. Electric power zones. Running the tools you need is easy with available 120-volt outlets in the center console and cargo area. NV® Cargo offers standard telematics pre-wiring, and the flexibility to accommodate specialized wiring scenarios required by upfitters.²

A variety of upfit packages are available from Adrian Steel to meet the unique needs of your business.

1. General Contractor Package
2. Electrical Contractor Package
3. HVAC Package

¹Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. ² 120-volt standard on 2500 HD SV and 3500 HD SV models.

THE NEW STANDARD

The NV® Cargo Standard Roof offers a big work area even in the tightest spaces. You've got easy access to the work site, with a truck-like design that improves visibility and maneuverability, and a roof height that fits easily into an eight-foot tall garage. Once you're there, you've got rear doors that open up to 243° and stay open thanks to magnetic door stops. You've also got an easy-sliding side door that opens nearly 3.5 feet wide. And with step-in heights under 20 inches front and rear, you've got easy access to 234 cubic feet of cargo space. Easy to get there. Easy to get at what you need. That's a standard every vehicle should be held to.

Cargo and load capacity limited by weight and distribution. Always secure all cargo.

THE INS AND OUTS

When designing the NV® Cargo, Nissan engineers looked at two kinds of wear and tear. The stuff that chews up an interior in no time and, equally important, the items that take their toll on the driver. To help keep your cabin looking new, there are durable materials, including water-repellent seat cushions and backs and wear-resistant seat bolsters. To make things easier on you, you'll find low step-in heights, convenient grab handles and a truck-like interior with real room to stretch your legs, all working to keep both NV® Cargo – and driver – looking good for years to come.

WEAR-RESISTANT

Constant ingress and egress are exceptionally tough on the outside portion of the seats. To help minimize the seats from fraying, a seat wear patch on both the upper and lower bolsters is made of heavy-duty vinyl. Another high-contact area, the center console, is also specially treated.

INCREASED VISIBILITY

With its truck-like interior, the NV® Cargo gives a sweeping exterior view, with good sightlines in front and a B-pillar that's farther back for enhanced visibility (and more comfort) on the sides. Traditional work vans hinder visibility with poorly defined corners and a B-pillar next to the driver's ear.

PERSONAL COMFORT

By minimizing engine intrusion into the cabin, NV® Cargo's truck-like interior pays huge dividends in stretch-out room, especially leg and foot room (check out the deep footwell). The wide front seats feature a supportive low-fatigue design, so you'll find NV® Cargo is a comfortable place to spend long hours on the road.

VIDEO

Your vehicle is your office. Why not make it as efficient as possible? NV[®] Cargo is extremely innovative, with big items like the only available center console in its class.¹ Lockable, with room for hanging files or a laptop computer and a top that slides forward to be a convenient work desk, it's a master multi-tasker. The entire console is even removable. You'll also find a dedicated space for your clipboard and an available driver's under-seat storage area ideal for invoices. High Roof models feature convenient overhead storage.

¹Ward's Light Vehicle Market Segmentation. 2013 NV[®] Cargo vs. 2013 Large Van Class. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Do not place sharp objects or store objects in the front of the overhead compartment that exceed height of shelving lip. See Owner's Manual for details.

STAY CONNECTED

Business is all about connections, and in NV® Cargo, the available Technology Package keeps you in touch and on the move. Nissan navigation with live traffic updates helps you find the best route through a crowded city, while Bluetooth® Hands-free Phone System connectivity lets you conduct business while keeping your hands on the wheel.^{1,2,3} The RearView Monitor helps negotiate tight parking spaces, while SiriusXM Satellite Radio and an iPod®-friendly USB input let you enjoy your drive even more.^{2,4,5}

STEERING WHEEL-MOUNTED CONTROLS

Available steering wheel-mounted controls keep NV® Cargo's phone and audio controls at your fingertips.

USB INPUT

With the available USB input, you can enjoy your favorite tunes from your iPod® and control it through the audio system or steering wheel-mounted controls.⁵

CONVENIENT 120-V ACCESS

On 2500 HD SV and 3500 HD SV models, you'll find a 120-volt outlet inside the center console and in the cargo area, perfect for charging a cordless drill.

REAR SONAR

The available Rear Sonar System beeps when it senses an object up to six feet away, and increases in frequency the closer you get.⁶

PLAY VIDEO

Red, yellow and green lines display relative traffic speed.²

¹Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. ²Required SiriusXM Satellite Radio and NavTraffic subscriptions sold separately after trial period. Installation costs, one-time activation fee, other fees and taxes will apply. NavTraffic available in select markets. Services available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. ©2013 Sirius XM Radio Inc. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. ³Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. ⁴Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ⁵Driving is serious business and requires your full attention. Do not operate any devices connected to the USB or auxiliary audio input jack while driving. iPod® is a registered trademark of Apple, Inc. All rights reserved. iPod not included. ⁶The optional Rear Sonar System is a convenience, but is not a substitute for proper backing procedures. Always turn and check that it is safe to do so before backing up. The Rear Sonar System may not detect every object behind you.

BOXING IN THE COMPETITION

HEAVY-DUTY TO THE CORE

A fully boxed full-length ladder frame is at the core of every NV[®] Cargo. Some of our competitors use 3-sided open “C” rails instead. But you don’t need to be a structural engineer to know the obvious – when building, four walls are stronger than three.

14 INCH DISC BRAKES

While the ability to carry a big load is important, being able to stop quickly and under control is just as vital. For outstanding day-in, day-out performance, the NV[®] Cargo features the largest brakes in its class:¹ 4-wheel disc brakes with massive 14” front ventilated discs to provide maximum contact area for rapid heat dissipation, long-lasting durability and confident towing.

To make the most of the brakes, advanced technologies are always there to help protect you. An Anti-lock Braking System (ABS) rapidly pumps the brakes during hard braking to help keep your wheels from locking up, helping you to maintain steering control. Electronic Brake force Distribution (EBD) senses additional weight, whether it’s a loaded cargo area or a full tank of gas, and sends extra force to the rear brakes.

6 AIR BAGS – SERIOUS PROTECTION

NV[®] Cargo’s comprehensive safety strategy uses smart technology to help protect your most valuable assets. The air bag system incorporates dual-stage supplemental front air bags which inflate according to crash severity and seat belt usage. Available side-impact supplemental air bags are built into the seats, so they move with you and your passenger. In addition, available roof-mounted curtain supplemental air bags help provide head protection in the event of a side impact or rollover.²

**BUMPER SET AT PASSENGER CAR HEIGHT
IMPROVES CRASH COMPATIBILITY. BETTER PROTECTION FOR ALL.**

¹Ward’s Light Vehicle Market Segmentation. 2013 NV[®] Cargo vs. 2013 Large Van Class. ²Air bags are only a supplemental restraint system; always wear your seat belt. Do not use rear-facing child restraints in this vehicle. All children 12 and under should be properly secured in child restraints, booster seats, or seat belts, according to their size. Air bags will only inflate in certain accidents. See Owner’s Manual for details. Inflated air bags shown for illustration purposes only; actual coverage area may differ. Air bags deflate after deployment.

COMMITMENT AND BENEFITS

Your vehicle is more than just basic transportation, it's what makes your business run efficiently. At Nissan Commercial Vehicles, we understand our part in making your business run cost-effectively. That's why we've partnered with our commercial certified parts and service dealers to ensure we are there for you when you need us. As part of our parts and service commitment to you, you will experience the following at every certified Nissan Commercial Vehicles Dealer:

Roadside Assistance and Trip Interruption. Our commercial vehicles come with the confidence of Roadside Assistance, offering lockout support, towing services, emergency fuel delivery, tire changes and dead-battery jump-start service. Our Trip Interruption benefits offer assistance if your vehicle becomes disabled more than 100 miles from your company's location.¹

Service and maintenance plans. Developed specifically for Nissan Commercial Vehicles and backed by Nissan, a wide variety of service plans are available to you, including high-mileage options. Your authorized Nissan Commercial Vehicles dealer has all the details, and will be glad to help you find the plan that best fits your business needs.

We've got you covered. Every Nissan is backed by a 36-month/36,000-mile (whichever occurs first) limited vehicle coverage and a 5-year/60,000-mile (whichever occurs first) limited powertrain coverage. (See your Nissan Commercial Vehicles dealer or reference the Nissan Owner's Manual for details). For extra protection, you can also add Security+Plus®, the only extended service agreement approved by Nissan.

Commercial Benefits. As a committed business partner, we're here to help. To get you going, the Nissan Commercial Incentive Program offers qualified commercial customers substantial benefits, including your choice of one of the following complimentary packages:²

NV® CARGO: 5 COMPLIMENTARY INCENTIVES TO CHOOSE FROM

With the Nissan Commercial Vehicle Incentive Program, qualifying NV® Cargo buyers can enhance their purchase with five exciting choices to help them get down to business:

- 1. Complimentary Utility Package.** Package offers a cargo partition and a 3-bar utility rack (utility rack on Standard Roof models, interior ladder keeper on High Roof models) built by Adrian Steel. Package MSRP: \$1,860
- 2. Complimentary EZ LOAD Ladder Rack Package.** Offered exclusively on Standard Roof models, this package offers a cargo partition and EZ LOAD Ladder Rack built by Adrian Steel. Package MSRP: \$1,950

- 3. Complimentary Cargo Management System.** System offers a cargo partition and three 44" wide Adrian Steel AD Series shelving units. Package MSRP: \$2,270
- 4. Complimentary NCV Graphics Package.** Package includes 70 square feet of custom-designed, professionally installed graphics by 3M. MSRP: \$1,300
- 5. Commercial Cash Incentive.** This option allows eligible customers to take advantage of a cash incentive. See your local Nissan Commercial Vehicles Dealer for complete guidelines surrounding the cash-incentive amounts.

NV® CARGO: VOCATIONAL UPGRADE PACKAGES:

Nissan Commercial Vehicles is now offering six additional upgrade packages for both Standard Roof (SR) and High Roof (HR) models as an alternative to the complimentary offerings.² The new packages are offered at a significant discount to the customer. Customer participation will vary based on package selected.

- 1. General Service Package.** Package offers a cargo partition, three 44" wide Adrian Steel AD Series shelving units, six drawers and parts bin system. SR/HR MSRP: \$3,075/3,165 – Customer Responsibility: \$625
- 2. Electrical Contractor Package.** Package offers a cargo partition, three 44" wide Adrian Steel AD Series shelving units, eight drawers and parts bin systems, wire reel holder and literature rack. SR/HR MSRP: \$3,800/3,890 – Customer Responsibility: \$1,121
- 3. Security Package.** Package includes a cargo partition, three 44" wide Adrian Steel AD Series shelving units, seven drawers and parts bin system and literature rack. SR/HR MSRP: \$3,465/3,555 – Customer Responsibility: \$882
- 4. Cable Package.** Package offers a cargo partition, three 44" wide Adrian Steel AD Series shelving units, seven drawers and four hook bar. SR/HR MSRP: \$2,970/3,060 – Customer Responsibility: \$549
- 5. HVAC Package.** Package includes a cargo partition, three 44" wide Adrian Steel AD Series shelving units, ten drawers and parts bin system, three tank racks and literature rack. SR/HR MSRP: \$3,625/3,715 – Customer Responsibility: \$992
- 6. Locksmith Package.** Package includes a cargo partition, drawer and cabinet module, workbench and literature rack from the Adrian Steel AD Series. SR/HR MSRP: \$4,925/5,495 – Customer Responsibility: \$1,900/2,400

¹Roadside Assistance and Trip Interruption available during the first four years after initial new vehicle delivery. Restrictions apply. See Owner's Manual for details. ²The Commercial Incentive Packages are products designed, manufactured, tested and installed by an independent supplier, Adrian Steel Company or 3M, specifically for NV® Cargo or NV® Passenger vans. Adrian Steel Company and 3M products are not covered by the Nissan New Vehicle Limited Warranty. Nissan is not responsible for the safety or quality of the installation or alterations made by Adrian Steel Company or 3M to your NV® Cargo and NV® Passenger van. See your local dealer for details. The wraps application is a nongenuine Nissan affiliate product available through 3M, Inc. Nissan does not warranty NCV Graphics Package; instead, warranty is provided by 3M, Inc. Offer valid for 2012 or 2013 model-year Nissan NV® Cargo and NV® Passenger vans. Please see your local NCV dealer for more details on the Commercial Incentive Program. To find your local NCV dealer, reference the dealer locator at www.NissanCommercialVehicles.com.

GENUINE NISSAN ACCESSORIES. IMPRESS. CONNECT. PROTECT. ORGANIZE.

Every Genuine Nissan Accessory is: custom-fit, custom-designed and durability-tested; backed by Nissan's 3-year/36,000-mile (whichever occurs first) limited warranty; and can be financed when installed by dealer at time of purchase.¹

A. Interior Wall Panels

Help preserve and protect your vehicle interior.

B. Weight-distributing Hitch Ball Mount, Class IV²

Makes for a safer ride when towing heavy loads.

C. Telescoping Tow Mirrors³

Telescoping mirrors slide outward for improved visibility.

D. Hood Protector

Give your hood a fighting chance against bugs and road grime.

E. In-mirror RearView Monitor³

Helps you see what is directly behind the vehicle.

F. Auto-dimming Rearview Mirror

Don't let bright headlights get in your way.

G. All-season Floor Mats

Because the weather outside isn't always delightful.

H. Body Side Moldings

Just say no to parking lot dings, dents and scratches.

Additional Accessories:

- Nissan Fleet Tracker⁴
- Nissan VTRS (Vehicle Tracking and Recovery System)^{4,5}
- Splash Guards
- Side-window Deflectors
- Tow Hooks
- Towing Accessories²
- Shelving Support Brackets
- And More

¹Covered by Nissan's Limited Warranty on Genuine Nissan Accessories for the longer of 12 months/12,000 miles (whichever occurs first) or the remaining period under the 3-year/36,000-mile (whichever occurs first) Nissan New Vehicle Limited Warranty. Terms and conditions apply. See Warranty Information Booklet for details. ²See Nissan Towing Guide and Owner's Manual for proper use. ³Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ⁴Dealer-installed only. ⁵VTRS requires owner registration, a constant 12-volt source, and cellular and GPS satellite availability to function properly.

For more information and to shop online for Genuine Nissan Accessories, go to **parts.NissanUSA.com.**

Nissan. Innovation that excites.™

NISSAN NV® CARGO

Shouldn't what you drive help drive your business? Absolutely. And that's what inspires our innovation. We look at every part of your drive and ask how can we make this better, smarter and more productive. So when you get down to business in your new Nissan Commercial Vehicle, you'll feel how hard-working the answers can be:

Mobile office. You're ready to work with a full-size center console that doubles as a convenient slide-out work desk.

Built for the long haul. NV® Cargo has been proven by over 800,000 miles of reliability testing and 7,000 quality and durability tests.

Big choices. NV® Cargo is offered in both standard and high roof configurations, letting you custom-tailor your vehicle to your business needs.

Open for anything. NV® Cargo features forklift-friendly rear doors that swing 243° wide and stay open thanks to powerful magnets.
