Pre-production model shown. Production model may vary. ¹Manufacturer's Suggested Retail Price (MSRP) excludes destination and handling charges, tax, title, license, and options. Dealer sets actual price. ²Ward's Large Cross/Utility Market Segmentation. MY13 Pathfinder vs. 2012 Large Cross/Utility Class. ³Ward's Large Cross/Utility segment. '13 Pathfinder vs. '12 and '13 competitors. '13 Pathfinder 2WD EPA fuel economy estimate 20 city and 26 highway MPG. Actual mileage may vary with driving conditions — use for comparison purposes only. ⁴Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ⁵Slide function should not be performed with the CRS occupied. ⁶See Nissan Towing Guide and Owner's Manual for proper use. ⁷Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. ⁸Do not ride in a moving vehicle when the seatback is reclined. See Owner's Manual for details. ⁹Tri-Zone operation requires compatible auxiliary media system. See Owner's Manual for details. ¹⁰Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. ¹¹Vehicle must be on for Easy-Fill Tire Alert to operate. ¹²Driving is serious business and requires your full attention. Do not operate any devices connected to the USB or auxiliary audio input jack while driving. ¹³Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents. See your Owner's Manual for more details. ¹⁴VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. ¹⁵Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ¹⁶The optional Rear Sonar System is a convenience, but is not a substitute for proper backing procedures. Always turn and check that it is safe to do so before backing up. May not detect every object behind you. ¹⁷Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. ¹⁸Required SiriusXM Satellite Radio, NavTraffic and NavWeather subscriptions sold separately after trial period. Installation costs, one-time activation fee, other fees and taxes will apply. NavTraffic available in select markets. Services available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. ©2012 Sirius XM Radio Inc. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. ¹⁹Remote Engine Start System will turn on your vehicle, including the climate control system based on your last setting. ²⁰Covered by Nissan's Limited Warranty on Genuine Nissan Accessories for the longer of 12 months/12,000 miles or the remaining period under the 3-year/36,000-mile Nissan New Vehicle Limited Warranty. Terms and conditions apply. See Warranty Information Booklet for details.

Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the SUV with cargo, especially on the roof, will affect handling and stability of the vehicle. PRINTED IN USA.

STARTING AT \$28,270.¹

The world has changed. It's time your SUV did, too. Welcome to the Next Gen SUV, with the capability to help you take on whatever the day brings. You've got Intuitive 4-Wheel Drive to help you handle the most challenging conditions. And a class-exclusive Xtronic CVT[®] transmission to ride a wave of V6 power and pass the pumps with a best-in-class 26 MPG.^{2,3} A class-exclusive Around View[®] Monitor to help you grab those challenging parking spaces.^{2,4} How about an innovative 2nd row that tilts and slides forward for easy access – even with a child seat installed?⁵ And there's also best-in-class passenger room so everyone gets a great seat.² That's an SUV for the real world. Introducing the all-new 2013 Nissan Pathfinder. The most innovative Pathfinder ever.

Nissan. Innovation that excites.[™]

For over 25 years, Pathfinder has been your trusted guide, leading the way for all other SUVs to follow.

1986–1995 1ST GEN
RUGGED
BODY ON FRAME
TRUCK-LIKE DESIGN

1996–2004 2ND GEN
UNIBODY DESIGN
BRINGS RIDE COMFORT
TO OFF-ROAD SKILLS

2005–2012 3RD GEN
3RD-ROW SEATS
WITH ROOM FOR 7

2013 4TH GEN
THE NEXT GEN SUV. INTUITIVE
4WD, DUAL PANORAMA MOONROOF,
AROUND VIEW[®] MONITOR⁶

YOU'VE GOT THE CAPABILITY TO SEE MORE WORLD.

Intuitive 4WD. With Pathfinder's All-Mode 4x4-i, you've got a system that's capable on-road and off. And it's the only vehicle in its class with driver-selectable modes.² All it takes is a turn of the knob. Choose full-time 2WD for maximum efficiency. Auto Mode constantly monitors conditions and adjusts the balance of power between front and rear wheels for best traction. And 4WD Lock Mode is your choice when you encounter terrain where you'd feel more confident with full-time 4WD. When you're on steeper paths, Pathfinder also features hill start assist to help give you control when starting and driving away on an incline.

AND THE SMARTS TO SEE FEWER GAS STATIONS.

Efficiency, brought to you by a Next-Generation Xtronic CVT[®] Transmission. With Pathfinder's class-exclusive Xtronic CVT,² you have a virtually gearless wonder that can hold the engine at the ideal rpm for the job, giving you a wave of power when you need it – for towing, passing – and quiet, efficient running when you don't. Proof? Pathfinder returns a best-in-class 26 MPG highway.³

Power, courtesy of a 3.5-L V6 engine. Seven on board, a big beautiful boat in tow. This is the stuff that tests what an SUV is made of. Pathfinder takes it on with 260 hp of 3.5-L V6 muscle, and with the highest standard towing rating in its class, you can bring along 5,000 lbs. of toys.^{2, 6}

Scan this with your QR code reader app to see a short video on Pathfinder's next-generation CVT. Or go to bit.ly/smoothcvt

NOW YOU'RE DRIVING AT A HIGHER ELEVATION.

Welcome to first class. The most comfortable Pathfinder ever beckons you with premium comforts, including standard Tri-Zone Automatic Temperature Control, available heated and cooled front seats, heated 2nd-row seats, and even a class-exclusive heated steering wheel.² With the available Nissan Navigation System⁷ featuring *Zagat Survey*[®] restaurant recommendations and live weather updates, plus available dual driver's seat memory system and Bose[®] premium audio system, you may never want to ride in any other SUV again.

THE FEELING YOU CAN

What good is a spacious 3rd row if you can't get to it? With the innovative EZ Flex™ Seating System, the 2nd row glides and tilts forward for easy access. Thanks to LATCH AND GLIDE™ technology, you can even move the 2nd row with a child seat securely installed.⁵ Add in a class-exclusive reclining 3rd row^{2,8} and Pathfinder may just be the favorite SUV for everyone from kids to grandparents.

BRING EVERYONE.

Nissan Pathfinder Platinum shown in Almond Leather with optional equipment.

In the Next Gen SUV, it's not just seating for seven. It's seating for seven with best-in-class passenger room,² including a 2nd row that slides over 5 inches for stretch-out room and the only 3rd-row reclining seat in its class.^{2,5,8} And with the available dual panorama moonroof, you can be sure everyone also has a great view.

HANDLE ANYTHING.

When it comes to carrying cargo, Pathfinder makes easy work of it, with folding 2nd- and 3rd-row seats that create a virtually flat floor and up to 79.8 cubic feet of cargo space. There's also an under-floor storage area that keeps valuables out of sight. It's easily accessed whether the 3rd row is folded or upright, giving added cargo room even when you carry seven passengers.

SEE THINGS YOU'VE NEVER SEEN BEFORE.

▼ **Tri-Zone Entertainment.** If you've ever taken a trip with a few kids, you probably know it's hard to please everyone. With Pathfinder's available Tri-Zone Entertainment System, you've got a fighting chance. The rear monitors can play individually, giving a choice of DVD, video games, photos and more, while those in the front seats can enjoy their own choice of entertainment.⁹

▼ **Around View[®] Monitor.*** A rearview camera is great when you're maneuvering into a tight space. Now, with Pathfinder's class-exclusive Around View[®] Monitor, you have not one, but four wide-angle cameras as your helpful spotters. Which helps make you a parallel parking ace. So quit circling the block – that space is yours.^{2,4}

▲ **Tire Pressure Monitoring and Alert.** Smart and smarter. Pathfinder's Tire Pressure Monitoring System not only tells you that a tire is low – it tells you which one. Even better, when you're inflating the tire, Pathfinder's class-exclusive Easy-Fill Tire Alert System will give you a friendly beep of the horn when you've reached the correct pressure.^{2,10,11}

▼ **Advanced Drive-Assist[™] Display.** With so much going on around you, it's easy to lose sight of what's most important: driving. From trip computer to 4WD torque distribution, the new Advanced Drive-Assist[™] Display serves up info right in front of you – helping to minimize time looking away. Plus, its intuitive 3-D depth and tilt design improves cognition, helping you take it all in quicker. So you can focus on what really matters.

CHOOSE THE PATHFINDER THAT’S PERFECT FOR YOU.

S

3.5-liter V6 engine with 260 hp and 240 lb-ft of torque • Xtronic CVT® (Continuously Variable Transmission) • Available All-Mode 4x4-i intuitive 4WD system • 18" Aluminum-alloy wheels • 7-passenger seating capacity • EZ Flex™ Seating System with second-row 60/40 split fold-flat bench seat featuring LATCH AND GLIDE™ technology and third-row 50/50 split fold-flat reclining bench seat^{5,*} • Tri-Zone Automatic Temperature Control (ATC) • Advanced Drive-Assist™ Display • Remote keyless entry • Push Button Ignition • Power windows • AM/FM/in-dash 6-CD audio system • MP3/WMA CD playback capability • Auxiliary audio input jack¹² • Illuminated steering wheel-mounted audio controls • Nissan Advanced Air Bag System¹³ • Vehicle Dynamic Control (VDC)¹⁴ with Traction Control System (TCS) • Tire Pressure Monitoring System (TPMS) with Easy-Fill Tire Alert^{10,11}
