2013 FRONTIER®

BROCHURE REFLECTS MY13 PRODUCT INFORMATION. Please check back soon for the MY14 Brochure.

THE FEELING OF INNOVATION.

Got a major to-do list? No problem. With Frontier,[®] you've got a partner that's up to the biggest challenges. It's a mid-size truck with full-size attitude. 261 hp of 4.0-L V6 muscle and up to 6,500 lbs. of towing capacity to get the job done.¹ A fully boxed ladder frame and advanced off-road technology help get you there with ease. King Cab or Crew Cab, there's room for work or play. And with the new Desert Runner,[™] you can cut a trail from the highway to the hills. The 2013 Nissan Frontier.

Nissan. Innovation that excites.[™]

Nissan Frontier SL Crew Cab shown in Night Armor with optional equipment.

¹King Cab 4x2 models with V6. 7-pin connector trailer wire harness and tow hitch receiver required. See Nissan Towing Guide and Owner's Manual for proper use.

**THE FEELING OF GETTING
WHERE YOU NEED TO BE.**

Nissan Frontier PRO-4X[®] Crew Cab shown in Night Armor with optional equipment.

SHAKE UP SOME SAND.

Looking for some major attitude? The new Desert Runner™ trim serves it up with looks that thrill. Amp up your cool factor with 16" 6-spoke alloy wheels, a satin chrome grille and details like fog lights and a painted rear bumper. Bilstein® off-road performance shocks and 265/75R16 BFGoodrich® Rugged Trail T/A® tires maximize your potential. And a unique bedside decal tops it off – just before you leave them in the dust.

DESERT RUNNER™

Dialed in. Get a new perspective inside as well, with high-visibility, white-faced gauges and unique embroidered sport cloth front seats, including an 8-way adjustable driver's seat. Endure even the longest trek with a standard Bluetooth® Hands-free Phone System, along with a USB input for your iPod® and steering wheel-mounted audio controls.^{1,2}

¹Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. ²Always give your full attention to driving. Avoid operating your iPod® in such a way that you can be distracted during vehicle operation. See dealer for details. iPod® is a registered trademark of Apple, Inc. All rights reserved. iPod® not included. BFGoodrich® is a registered trademark of Goodrich Corporation. Bilstein® is a registered trademark of ThyssenKrupp Bilstein GmbH. Rugged Trail T/A® is a registered trademark of Uniroyal Goodrich Licensing Services, Inc.

Nissan Frontier Desert Runner King Cab shown in Glacier White with optional equipment.

TREAT 'EM LIKE PEBBLES.

The ultimate off-road Frontier, the PRO-4X.[®] Exhibit championship form with unrivaled gear, including Bilstein[®] off-road performance shocks, an electronic locking rear differential, 4-wheel Active Brake Limited Slip (ABLS), skid plates and 265/75R16 BFGoodrich[®] Rugged Trail T/A[®] tires. Add in unique 16" 6-spoke alloy wheels, halogen fog lights and an exclusive interior, and you've got a winning combination, inside and out.

PRO-4X[®]

Hill start assist. When starting on steep hills from a stop, hill start assist will help keep you from rolling backwards. It holds brake pressure for a few seconds, allowing you time to switch from the brake pedal to the accelerator.¹

Hill descent control. When driving down a steep grade in 4WD, hill descent control can help. Just flip the switch, ease your foot from the accelerator, and this system automatically maintains speed and brake pressure to help provide a controlled descent.¹

Electronic locking rear differential. When 4x4 mode just isn't enough, flip the switch to activate the electronic locking rear differential. This ultimate off-road feature delivers equal power to both rear wheels to boost traction and help keep your truck moving forward. When engaged, it works in conjunction with the 4-wheel Active Brake Limited Slip (ABLS). So while the locking rear differential keeps the rear wheels powered to move you ahead, ABLS helps give you the traction you need up front to help maintain steering control.

¹Automatic transmission only. Bilstein[®] is a registered trademark of ThyssenKrupp Bilstein GmbH. BFGoodrich[®] is a registered trademark of Goodrich Corporation. Rugged Trail T/A[®] is a registered trademark of Uniroyal Goodrich Licensing Services, Inc.

FULLY BOXED. FULLY CAPABLE.

Four walls are stronger than three. That's why Frontier features a full-length, fully boxed ladder frame instead of the 3-sided, open C-shape rails found on some other trucks. The frame is built with super-high-tensile-strength steel in strategic areas for improved structural rigidity. This rugged material is stronger than conventional steel, for increased torsional stiffness that ultimately helps deliver enhanced performance, on- and off-road. And it's the perfect foundation to build upon with our advanced technology.

FULLY BOXED FRAME

CONVENTIONAL C-RAIL

Anti-lock Braking System (ABS) rapidly pumps the brakes during hard braking to help keep your wheels from locking up, thus helping you to steer around an obstacle.

Electronic Brake force Distribution (EBD) senses additional weight, whether it's a full cargo bed or a full tank of gas, and sends extra force to the rear brakes.

Brake Override Technology. Standard on every Frontier, it's designed to help slow down your vehicle and bring it to a safe stop in an emergency. It works by overriding accelerator input and reducing engine power when the accelerator and brake pedals are applied simultaneously.

- 1 Overslung rigid leaf-spring rear suspension
- 2 Available heavy-duty Dana® rear axle

- 3 4-wheel vented disc brakes with Anti-lock Braking System (ABS)
- 4 Steel double-wishbone front suspension

Vehicle Dynamic Control (VDC).¹ Also known as electronic stability control, VDC monitors driver inputs and vehicle motion and helps compensate for oversteer or understeer to help keep you on your steered path.²

Active Brake Limited Slip (ABLS). To help keep your wheels from spinning, Frontier offers ABLS. This system senses when a wheel begins to slip, then automatically brakes the slipping wheel (or wheels) and sends additional power to the wheels with the best traction.²

Some components have been chrome-plated or painted for display purposes only. ¹VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. Always drive safely. ²Standard on all models. Dana® is a registered trademark of Dana Corporation.

THE FEELING THAT THE CAR CAN COME, TOO.

Power – either you’ve got it, or you don’t. And with Frontier, you’ve got it in a big way. With a 4.0-liter engine packing 261 horsepower, you won’t find a more powerful V6 in its class.¹ And with a massive 281 lb-ft of torque, you can tow or haul just about anything you need to bring along. Maybe it’s because we’re a company that loves to compete – off-road, on the racetrack, even in the showroom. But wherever we win, we’re happy to share the prize with you.

V6 power. The 24-valve 4.0-L V6 works its magic with advanced technology, including a lightweight aluminum engine block, advanced valve timing system, variable intake and race-bred friction-reducing technology.

A 4-cylinder that feels like a 6. Frontier also offers a 2.5-L 4-cylinder that pumps out 152 horsepower, 171 lb-ft of torque and features a compact balancer system to deliver the smoothness of a V6.

Gear up. You can harness the 4-cylinder's power through a 5-speed manual transmission or an available 5-speed automatic. The V6 is available with either a 6-speed manual or 5-speed automatic transmission.

¹Ward's Light Vehicle Market Segmentation. 2013 Frontier vs. 2012 Small Pickup Class. Cargo and load capacity limited by weight and distribution. Always secure all cargo. ²King Cab 4x2 models with V6. 7-pin connector trailer wire harness and tow hitch receiver required. See Nissan Towing Guide and Owner's Manual for proper use.

PUT ON THE SUBMISSION HOLD.

The Utili-track® Channel System on Frontier gives you choices few other trucks can match. Just about any type of cargo you can think of, this available system is fully equipped to help keep it secured tightly. Five channels, four cleats and a lot of thought about how people really use their trucks have created a system that's simple, rugged and offers near-infinite possibilities.

4 CLEATS

Frontier's four heavy-duty forged aluminum cleats easily slide in the channels for unmatched flexibility to tie things down – and the strength to hold them.

5 CHANNELS

Unmatched versatility comes in the form of five channels – including two channels in the floor, a feature few competitors can match. And since you can lock the cleat anywhere along the rail, Frontier makes sure you find the best position to secure whatever you bring along.

SPRAY-ON BEDLINER

Adding to the incredible versatility of the bed, the available spray-on bedliner is applied at the factory – so you know it's done right. Fade- and weather-resistant, it's a rugged, non-skid surface that adheres directly to the bed to help prevent rusting.

LOADS OF ACCESSORIES

There's also a full line of accessories to help you get even more out of Utili-track®, including a Sliding Tool Box,* a Sliding Bed Divider and a Sliding Bed Extender.

BRING THE MAN CAVE WITH YOU.

Comfort? Entertainment? Cup holders? Check, check and check. Whether you're on the job or on the go, Frontier gives you everything you need to make your space, well, yours. A great-looking interior plus an available sporty, leather-wrapped steering wheel with controls to operate the cruise control and audio – all the better to crank up the available Rockford Fosgate-powered audio system. Available Dual Zone Automatic Temperature Control (ATC) so you and your passenger can set your own climates. And with the new available Nissan Navigation System with 5.8" touch-screen display, you can plan your next adventure without ever leaving the driver's seat.¹ If only everything were so convenient.

Your tunes sound better through an available Rockford Fosgate-powered audio system, featuring 10 speakers including subwoofers, and SiriusXM Satellite Radio.²

What if you could see objects behind you when parking? The available RearView Monitor automatically activates whenever you're in reverse, making it ideal for lining up your approach to a trailer. Now that's handy.³

The available Bluetooth® Hands-free Phone System lets you make and take calls with your hands on the wheel and listen to calls through the audio system's speakers.⁴

Nissan Frontier PRO-4X® Crew Cab shown in Graphite Leather with optional equipment.

¹Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. ²Required SiriusXM Satellite Radio, NavTraffic and NavWeather subscriptions sold separately after trial period. Installation costs, one-time activation fee, other fees and taxes will apply. NavTraffic available in select markets. Services available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. ©2012 Sirius XM Radio Inc. Sirius, XM and all related marks and logos are trademarks of Sirius XM Radio Inc. ³Parking aid/convenience feature. Cannot completely eliminate blind spots or warn of moving objects. May not detect every object. Always check surroundings before moving vehicle. Not a substitute for proper backing procedures. Always turn to check what is behind you before backing up. ⁴Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license.

BLUETOOTH¹

IPOD²

¹Certain remote functions require compatible phone, not included with vehicle. Cellular network and vehicle services provided by independent companies not within Nissan's control. Cellular network not available in all areas. Certain connected vehicle services, including but not limited to Points of Interest and Send-to-Car, may require subscription and owner consent to activate. Should service provider terminate/restrict service, service may be suspended or terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment replacement or upgrades, or associated costs, that may be required for continued operation due to service changes. Standard text rates, voice minutes, roaming charges and/or data usage may apply. ²Availability of specific features is dependent upon the phone's Bluetooth[®] support. Please refer to your phone Owner's Manual for details. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. ³Driving is serious business and requires your full attention. Do not operate any devices connected to the USB or auxiliary audio input jack while driving. ⁴Never

NISSAN

CONNECT^{SM 1}

YOUR WORLD

HOWEVER YOU WANT IT.

Why settle for just the radio? By putting the latest technologies right at your fingertips, Frontier gives you all you need for hours of endless entertainment. Rock on.

Streaming audio via Bluetooth.^{*} Want to let your passengers play DJ? Just connect a Bluetooth[®]-enabled audio device to stream music wirelessly, from any seat in the cabin.²

Pandora[®] radio capability. Looking for something new? Explore music based on your hand-picked favorites using Pandora[®] radio capability. Connect your Pandora[®]-equipped iPhone[®] through the audio system to listen to Pandora[®] free internet radio and use the 'thumbs up' or 'thumbs down' icons to rate songs – all right in the display.

iPod[®]/USB input. Wouldn't you like to listen to your own playlists or podcasts? With the available iPod[®]/USB input, you can. Plug in your iPod[®] or other portable MP3 player through the USB port and control it through Frontier's audio controls.³

WHEREVER YOU ARE.

Navigate your way through the concrete canyons, or call up some friends. The NissanConnectSM system is compatible with Google[®] services and can even help you find that new restaurant. Now that's smart.¹

Nissan Navigation System. Frontier's available 5.8-inch touch-screen display offers NavTraffic and NavWeather for real-time advisories to keep you on the move. Plus over five million points of interest, so you'll always have something new to discover.^{4,5}

Points of Interest powered by Google.^{*} Find that new restaurant in a snap. NissanConnect's compatibility with Google[®] Points of Interest lets you search for a location, even without knowing the name or category. Once you find it, select it and you're on your way.¹

Google[®] Send-To-Car. NissanConnect's compatibility with Google[®] Send-To-Car lets you send any address to your Nissan Navigation System using your favorite connected device, like a smartphone or computer. When you start the truck and connect to the network, the directions will be delivered and loaded into your navigation system.^{1,4}

Hands-free text messaging assistant. Now you can receive and respond to text messages without ever touching your phone. With a press of a button, have your text messages read to you and answer with pre-loaded responses, all via voice recognition.⁶

program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. ⁵Required SiriusXM Satellite Radio, NavTraffic and NavWeather subscriptions sold separately after trial period. Installation costs, one-time activation fee, other fees and taxes will apply. NavTraffic available in select markets. Services available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. ©2012 Sirius XM Radio Inc. NAVIGATION MAP

WEATHER

LOAD IT ALL IN.

Frontier Crew Cab. Space, or comfort? Why not both? Forward-hinged doors make for easy entry, while a 60/40 split rear bench allows seating for five and folds easily to create a large, flat surface. Or you can flip up the rear seat cushions for more storage room. There's also an under-seat storage tray that's removable for even greater flexibility.

FOLDS FLAT

FLIPS UP

Safety. First and foremost. In Frontier, making your protection our priority starts with 6 standard air bags, including seat-mounted side-impact supplemental air bags and roof-mounted curtain side-impact supplemental air bags. The advanced front seat belts on every Frontier feature pretensioners that automatically help tighten the belts when the front air bags deploy.¹ And if your body puts too much force on the belt, load limiters give a bit. During a rear-end impact, front-seat Active Head Restraints move up and toward you to meet your head part of the way, helping close the gap and reducing the chance of whiplash.

Nissan Frontier SL Crew Cab shown in Steel Leather.

¹Please keep in mind that air bags are a supplemental system and must always be used in conjunction with a seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. And please see your King Cab Owner's Manual for specific information about the safest way to secure a child restraint in a Frontier King Cab. Inflated air bags shown for illustration purposes only; actual coverage area may differ. Air bags deflate after deployment.

Nissan Frontier PRO-4X® King Cab shown in Graphite Steel Cloth.

OPEN UP WIDE.

Frontier King Cab. Smart design means rear doors that give your passengers easy access to the cabin. And with no B-pillars, you also get a huge opening for larger-than-life items. The two rear seats face forward, or flip up and out of the way to reveal a large open space for cargo.

FLEXIBLE STORAGE FOR ALL.

The front-passenger seat folds down* to carry larger items or to make a flat surface for writing checks other trucks can't cash. Storage options, including (1) removable storage under the rear seats, (2) a multi-level center console and (3) a dual-level glove compartment, make sure your gear is safe and out of sight of prying eyes.

*See Specifications section for availability. Cargo and load capacity limited by weight and distribution. Always secure all cargo.

**GENUINE NISSAN ACCESSORIES.
IMPRESS. CONNECT. PROTECT. ORGANIZE.**

Every Genuine Nissan Accessory is: custom-fit, custom-designed and durability-tested; backed by Nissan's 3-year/36,000-mile limited warranty; and can be financed when installed by dealer at time of purchase.¹

A. Fog Lights

Help light your way in rain, sleet or snow.

B. Side-window Deflectors

Wind is great, but not in your face.

C. Tow Hook

Extra strength for sticky situations.

D. Body Side Moldings and Step Rails (sold separately)

Protect your doors and get a lift.

E. Hood Protector

Give your hood a fighting chance.

F. PRO-4X® Carpeted Floor Mats

Stylish. Plush. Protected.

G. All-season Floor Mats

Don't let the muck mess up your truck.

H. Splash Guards

Show that puddle who's boss.

For more information and to shop online for Genuine Nissan Accessories, go to **parts.NissanUSA.com**.

Nissan Frontier PRO-4X® Crew Cab with PRO-4X Luxury Package shown in Brilliant Silver with Fog Lights (standard on PRO-4X), Tow Hook (standard on 4x4 models), Splash Guards (standard on PRO-4X), Step Rails, Body Side Moldings, Hood Protector and Side-window Deflectors.

¹Covered by Nissan's Limited Warranty on Genuine Nissan Accessories for the longer of 12 months/12,000 miles or the remaining period under the 3-year/36,000-mile Nissan New Vehicle Limited Warranty. Terms and conditions apply. See Warranty Information Booklet for details. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the truck with cargo, especially on the roof, will affect handling and stability of the vehicle.

S

KING CAB

CREW CAB

- 2.5-liter 4-cylinder engine
- 5-speed manual transmission
- Active Brake Limited Slip (ABLS)
- 4-wheel Anti-lock Braking System (ABS)
- Full-length, fully boxed ladder frame
- Rear access doors
- Fold-flat front-passenger seat
- Second-row under-seat storage
- Vehicle Dynamic Control (VDC)
- Tire Pressure Monitoring System (TPMS)
- Six standard air bags

Crew Cab adds:

- 261-hp 4.0-liter DOHC 24-valve V6 engine
- 6-speed manual transmission
- Four full-size doors with seating for five
- AM/FM/CD audio system and air conditioning
- Tilt steering column

Always wear your seat belt, and please don't drink and drive.** ©2013 Nissan North America, Inc.

Buying and owning a Nissan is like driving one: quick, convenient, confidence-inspiring.

Nissan Motor Acceptance Corporation. Whether you're buying or leasing, you'll find attractive rates and flexible terms to make your purchase more accessible.

New Vehicle Limited Warranties. Protection for your new Nissan includes 3-year/36,000-mile basic coverage and 5-year/60,000-mile powertrain coverage. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

Security+Plus.* For additional peace of mind, a variety of extended service plans lets you tailor the coverage to your driving habits.

Maintenance+Plus.* This extended plan ensures your Nissan will receive up to 17 different services and over 33 different inspection items at each visit, using the most up-to-date diagnostic equipment available.

Genuine Nissan Parts. When it comes time for service, any necessary replacement parts will be made using Genuine Nissan new or remanufactured parts, or Nissan-approved parts. And they're the only parts to carry Nissan's factory-backed limited warranty.

-  Part of PRO-4X Luxury Package

¹Crew Cab. ²King Cab.

Nissan. Innovation that excites.[™]

NISSAN FRONTIER[®]

Shouldn't you drive something you love? Absolutely. And that's what inspires our innovation. We look at every part of your drive and ask how can we make this better, smarter and more fun. So when you get in your new Frontier, you'll feel how exciting the answers can be:

Start with strength. A full-length, fully boxed ladder frame means full-size toughness in a mid-size truck. Go ahead and dish it out. Frontier can take it.

Lock it down. The first of its kind, Frontier's available Utili-track[®] system has five channels and four heavy-duty cleats to put your cargo on lockdown. And keep it there.¹

Get a grip. Frontier's available electronic locking rear differential is ultimate off-road technology that takes you to the next level of 4x4 capability.

Proceed with power. 261 hp. 281 lb-ft of torque. Tow it, carry it, move it out. You won't find a more powerful V6 in a mid-size truck.
