America's Best Commercial Van Warranty 5 YEARS/100,000 MILES¹ BUMPER-TO-BUMPER LIMITED WARRANTY

Going above and beyond is the Nissan way. After passing all of the brutal quality and durability testing we can think of, we're sure you'll have a van you can count on. To prove our confidence and our commitment, we are pleased to introduce America's Best Commercial Van Limited Warranty. A bumper-to-bumper limited warranty for 5 years or 100,000 miles, whichever comes first. And that means we've got your back, so you can keep moving forward. For more details of the warranty, please go to www.NissanCommercialVehicles.com or ask your Nissan Business Certified Dealer.¹

¹Claim based on years/mileage (whichever occurs first) covered under the 2015 New Vehicle Limited Warranty basic coverage. NV200[®] Taxi is covered under a separate limited warranty with a different level of coverage. Comparison based on *Ward's* Light Vehicle Segmentation: 2015 Nissan NV[®] Cargo, NV[®] Passenger vs. 2014 and 2015 Large Van Class; 2015 Nissan NV200[®] vs. 2014 and 2015 Small Van Class. Comparison based on publicly available information on manufacturers' website. Nissan's New Vehicle Limited Warranty basic coverage excludes tires, powertrain coverage, corrosion coverage and federal and California emission performance and defect coverage (applicable coverage is provided under other separate warranties). The powertrain coverage is 5 years or 100,000 miles (whichever occurs first). Other general exclusions and terms and conditions also apply. For complete information concerning coverage, conditions and exclusions, see your Nissan dealer and read the actual New Vehicle Limited Warranty booklet. Warranty claim is current at time of printing.

The Nissan Arizona Testing Center. Think your drive is tough? Welcome to one of the most challenging places on earth. We test day and night, in scorching heat, freezing cold, on high-speed ovals and in torturous road conditions. But the results are worth it – the most rugged commercial vehicles you can buy.

OVER 800,000 MILES AND 8,000 QUALITY AND DURABILITY TESTS.

ONE UNSHAKABLE COMMITMENT. Fanatical? Maybe. But when it comes to making the toughest commercial vans you can buy, we go the extra distance for you, and it's no Sunday drive. We simulate years of corrosion where we soak a vehicle with salt, bake it, and pound it around a test track. We wreak havoc with suspension and body components by driving through potholes, dips, and over 4 x 4 beams. Special chambers crank up the heat to 140 degrees and humidity to 95% to break down seals and age interiors.

We even have machines that can simulate nearly any road in the world, and we run our vehicles on them non-stop for 12 hours, 24 hours, or even more. Do we really need to go to such extremes, just to make a Nissan Commercial Van the best you've ever owned? Yes, because every day, you depend on it to do your job. That's the motivation for us to do ours.

WHAT IF...

YOUR COMMERCIAL VEHICLE WAS A PERFECT FIT FOR YOUR BUSINESS?

Whether you run a single van operation or manage an entire fleet, it's important to have the right vehicle for the job. And with the 2015 NV® Cargo High Roof and NV® Cargo Standard Roof, you've got a great range to choose from. These are the kinds of vehicles you need to do business today: smarter, tougher, and more comfortable, with state-of-the-art technology and safety. Try one on for size – we think you'll find it a perfect fit.

NV[®] CARGO HIGH ROOF THE STANDOUT THAT LETS YOU STAND TALL.

Cargo-carrying flexibility and interior room are the reasons you buy a van. The NV[®] Cargo High Roof maximizes your opportunities with a huge 323 cubic feet of cargo capacity, stand-up room for someone 6'3" tall, and floor space that can carry up to two 40" x 48" pallets.¹

Every NV[®] Cargo model also pays big dividends when loading, with low step-in heights all around, a large sliding side door, and forklift-friendly rear doors that swing 243° wide with powerful magnets to help them stay open. Once you're inside you'll appreciate big items like an upfit-friendly design that lets you customize your NV[®] Cargo to your needs, and smart touches like available rear cargo door storage.

¹Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Do not place sharp objects or store objects in the front of the overhead compartment that exceed height of shelving lip. See Owner's Manual for details.

OPEN FOR BUSINESS

With NV® Cargo, you've got an all access pass. The rear doors feature a double-hinged design, stopping first at 90 degrees to let you grab what you need. A low step-in height and assist grips help you get in more easily. Need more space? Just pull the release lever and swing the doors open to an impressive 243 degrees. The rear cargo area was specifically flattened and widened for easy access by a forklift. Another smart idea – you'll find the back of the center console is notched out, making it easy to carry 10-foot long pipes.¹

With a 6'3" ceiling height, you can comfortably stand up – a real back saver.

The available rear door storage compartment keeps important items within easy reach.

Powerful magnets help hold the cargo doors securely in their fully open position.

- Flat walls designed for upfits
- Available cargo mat protects floor
- Stand-up room for someone 6'3"
- Box-friendly flat wheel wells

¹Cargo and load capacity limited by weight and distribution. Always secure all cargo. Do not place sharp objects or store objects in the front of the overhead compartment that exceed height of shelving lip. See Owner's Manual for details.

MAKING IT EASY TO CHOOSE SIDES.

323 cu. ft. cargo volume¹
43.31" wide opening side door
76.9" maximum cargo height
(High Roof model)¹
28.5" cargo floor height¹
6 D-rings with 1,124-lb.
holding strength
Available rear cargo floor protector

NV® Cargo's easy-opening side door is equally smart. A low step-in height and grab handle make for easy access. And with an opening over 40" wide, you can load a pallet from the side as well. Six heavy-duty D-rings built into the floor help make sure your load stays secure.

¹Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Do not place sharp objects or store objects in the front of the overhead compartment that exceed height of shelving lip. See Owner's Manual for details.

NISSAN UPFIT ENGINEERING

INNOVATION THAT YOU CAN BUILD ON.

With Nissan Upfit Engineering, NV® Cargo has been designed to let you create a commercial vehicle that works especially hard for the unique needs of your business. Unlike most vans, the NV® Cargo starts with a unique flat-wall interior design. This maximizes all-important floor space, plus opens up room at the top of the cargo-containment system. Add in integrated reinforced cargo-mounting points that ensure upfitting is easy and durable, and impressive interior space and you'll find the NV® Cargo is an ideal canvas for upfitters – and your own ingenuity.¹

Integrated roof rack-mounting points help secure racks and reduce likelihood of rusting caused by drilling into sheet metal.

Three available cargo lights make it easy to find what you need.

Available 120-volt power outlet is easily accessible when you're outside.

NV® Cargo's flat-wall design helps racks and bins fit securely and provides greater floor space.

¹Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Do not place sharp objects or store objects in the front of the overhead compartment that exceed height of shelving lip. See Owner's Manual for details. ²The Sonar System is a convenience, not a substitute for proper parking and/or backing procedures. Always check that it is safe to do so before moving vehicle. May not detect every object.

NV[®] CARGO STANDARD ROOF

RAISING COMMERCIAL VEHICLES TO A NEW STANDARD.

With NV[®] Cargo Standard Roof, you've got easy access to the work site, with a truck-like design that helps improve visibility and maneuverability, and a roof height that fits easily into an eight-foot-tall garage. Once you're there, you've got rear doors that open up to 243° and stay open thanks to magnetic door stops. You've also got an easy-sliding side door that opens nearly 3.5 feet wide. And with step-in heights under 20 inches front and rear, you've got easy access to 234 cubic feet of cargo space.¹ Easy to get there. Easy to get what you need. That's a standard every commercial vehicle should be held to.

¹Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Do not place sharp objects or store objects in the front of the overhead compartment that exceed height of shelving lip. See Owner's Manual for details.

A MOBILE OFFICE THAT KNOWS HOW TO GET WORK DONE.

Your van is your office. And with long days on the road, you need a workspace that's as comfortable as it is smart. And unlike many competitors, NV® Cargo's truck-like design places the engine out front, giving plenty of leg room and foot space for driver and passenger. Helping keep your business moving are an available under-seat driver's storage tray that's perfect for invoices, and available 12-V and 120-V power outlets in the center console.

Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo.

¹Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Do not place sharp objects or store objects in the front of the overhead compartment that exceed height of shelving lip. See Owner's Manual for details. ²Ward's Light Vehicle Segmentation. 2015 NV® Cargo vs. 2014 and 2015 Large Van Class.

High Roof models feature durable overhead storage compartments to keep things within easy reach when you need them.¹

DESIGNED FOR THOSE WITH BIG PLANS.

NV® Cargo gives you the room you need to grow your business, with a class-exclusive available multitasking center console and a class-exclusive standard fold-down front passenger seat that creates a convenient work desk.^{1, 2} And with wear- and spill-resistant seats, while you're working hard today, you'll be looking good for years to come.

NV® Cargo's available center console is a major multitasker, with room for a laptop computer and hanging files. The console also features a cover that slides, creating a convenient work desk.¹

NissanConnectSM

BECAUSE BUSINESS IS ALL ABOUT CONNECTIONS.

Never miss a beat with the available Technology Package. Featuring NissanConnectSM with Navigation and Mobile Apps,¹ you've got a suite of high-tech features to help you keep you in business, easily accessed through a 5.8" touch-screen with Voice Recognition. The package also includes the hands-free text messaging assistant,² Bluetooth[®] hands-free calling and a convenient RearView Monitor.^{3, 4}

Available on the
App Store

ANDROID APP ON
Google play

For the full story on NissanConnectSM with Navigation and Mobile Apps,¹ go to bit.ly/nv200connect15

¹Driving is serious business. Only use NissanConnectSM services when safe to do so. Subscription Agreement required. Compatible smartphone required. Not all app features are available for all models. Some apps have late availability. May require dealer service visit or software upgrade to activate. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Cellular network not available in all areas. Cellular network, apps, and services, including Google[®] services, are provided by independent companies not within Nissan's control and may require subscription and owner consent to activate. Should provider terminate/restrict service, service may be terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment or app replacement/upgrades, or associated costs, that may be required for continued operation. Terms and conditions of Subscription Agreement apply. 36-month trial period starts on vehicle sale date; subsequently a paid subscription is required at the then current rate (excludes Pandora[®]). Standard text rates and/or data usage may apply. See retailer and check www.NissanUSA.com/connect for details. ²Use the text messaging feature after stopping your vehicle in a safe location. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. Compatible smartphone required. Standard text rates and/or data usage may apply. ³Availability of specific features is dependent upon the phone's Bluetooth[®] support. Please refer to your phone Owner's Manual for details. Bluetooth[®] word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by Nissan is under license. ⁴Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ⁵Required SiriusXM[®] Satellite Radio, SiriusXM[®] Traffic and Travel Link[®] subscriptions sold separately after trial period. Installation costs, one-time activation fee, other fees and taxes will apply. SiriusXM[®] Traffic available in select markets. Services available only to those 18 or older in the 48 contiguous states and D.C. Fees and programming subject to change. Subscriptions governed by Customer Agreement available at siriusxm.com. ©2014 Sirius XM Radio Inc. Sirius, XM, Travel Link[®] and all related marks and logos are trademarks of Sirius XM Radio Inc. ⁶Points of Interest and/or Send-to-Car may require subscription and owner consent to activate. Certain services, including Google[®] Points of Interest and/or Send to Car, provided by independent companies not within Nissan's control. Should service provider terminate/restrict service, service may be suspended or terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment replacement or upgrades, or associated costs, that may be required for continued operation due to service changes. ⁷Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. The App Store[®] logo is a registered trademark of Apple, Inc. All rights reserved. Google[®] and the Google[®] Play logo are registered trademarks of Google Inc.

Text-to-speech – A notification on the screen appears when a text message is received. Touch the prompt on the screen, and the message is read to you through the audio system.²

Navigation⁷ – Real-time traffic updates help keep you clear of traffic jams,⁵ while 3-D viewing makes it easy to find your way. Need more? Key Points of Interest, include ATMs, restaurants, and gas stations.⁶

SiriusXM[®] Weather⁵ — Knowledge is power, and with SiriusXM[®] Weather you're in the loop with forecasts and on-screen severe weather alerts that could affect your drive.⁵

RearView Monitor⁴ – Helps negotiate tight parking situations. Helps driver place vehicle close to unloading points.⁴

POWER TO CHOOSE

NV® Cargo gives you two powerful choices to suit your needs. The 24-valve, 4.0-L V6 features an advanced Continuously Variable Valve Timing Control System that delivers seamless power with optimum fuel efficiency. Step up to the 5.6-L V8 and you'll find an aluminum block with a forged crankshaft and cast-iron cylinder liners for maximum strength. Both engines feature specially coated piston skirts and microfinishing of key components to help reduce friction for smooth response and less wear and tear. Backed up by a rugged 5-speed automatic transmission, NV® Cargo is built for the long haul – and just about anything you need to bring along.

V6

261 horsepower / 281 lb-ft of torque
NV® Cargo: up to 7,000-lb. towing capacity¹

V8

317 horsepower / 385 lb-ft of torque
NV® Cargo: up to 9,500-lb. towing capacity²

Optional equipment shown. ¹Requires accessory tow hitch receiver. See Nissan Towing Guide and Owner's Manual for proper use. ²Standard on V8 models. See Nissan Towing Guide and Owner's Manual for proper use. ³Air bags are only a supplemental restraint system; always wear your seat belt. Do not use rear-facing child restraints in this vehicle. All children 12 and under should be properly secured in child restraints, booster seats, or seat belts, according to their size. Air bags will only inflate in certain accidents. See Owner's Manual for details. Inflated air bags shown for illustration purposes only, actual coverage area may differ. Air bags deflate after deployment. ⁴Ward's Light Vehicle Segmentation. 2015 NV® Cargo vs. 2014 and 2015 Large Van Class. Based on rotor size. ⁵VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. ⁶Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to be in control of the vehicle at all times.

ENGINEERED TO PROTECT

When a collision is unavoidable, advanced technology helps minimize injury and keep you safe. Nissan's Zone Body construction further strengthens that line of defense, helping to absorb impact and protect everyone on board.

Six Air Bags³

- (2) Dual-stage supplemental front air bags³
- (2) Available seat-mounted driver and passenger side-impact supplemental air bags³
- (2) Available roof-mounted curtain side-impact air bags with rollover sensor for front outboard occupant head protection³

EQUIPPED TO RESPOND

Whether you need to hit the brakes hard or maneuver around an unexpected obstacle, the largest brakes in its class⁴ and these standard technologies help you respond in a potentially harmful situation.

- Vehicle Dynamic Control⁵
- Traction Control System (TCS)
- Anti-lock Braking System
- Brake Override Technology
- Brake Assist⁶

GENUINE NISSAN ACCESSORIES.

Every Genuine Nissan Accessory is custom-fit, custom-designed and durability-tested. Each one is backed by Nissan's 5-year/100,000-mile (whichever occurs first) limited warranty (if installed by dealer at the time of purchase),¹ and can be financed when installed by dealer at time of purchase.

A. Interior Wall Panels

Help preserve and protect your vehicle's interior.

B. Shelving Support Brackets

Helps reinforce walls for heavily loaded shelves.

C. Telescoping Tow Mirrors²

Telescoping mirrors slide outward for enhanced visibility.

D. Weight-distributing Hitch Ball Mount, Class IV²

Makes for a safer ride when towing heavy loads.

E. In-mirror RearView Monitor³

Helps you see what is directly behind the vehicle.

F. Auto-dimming Rearview Mirror

Don't let bright headlights get in your way.

G. All-season Floor Mats

Because the weather outside isn't always delightful.

H. Emergency Road Kit

Everything you need for life's little uncertainties.

Additional Accessories:

- Nissan Fleet Tracker⁴
- Nissan VTRS (Vehicle Tracking and Recovery System)⁵
- Hood Protector
- Side-window Deflectors
- Tow Hooks²
- Towing Accessories²
- Body Side Moldings
- Splash Guards
- And More

¹Genuine Nissan Accessories are covered by Nissan's Limited Warranty on Genuine Nissan Replacement Parts, Genuine NISMO® S-Tune Parts, and Genuine Nissan Accessories for the longer of 12 months/12,000 miles (whichever occurs first) or the remaining period under the 5-year (100,000-mile) (whichever occurs first) Nissan New Vehicle Limited Warranty. Terms and conditions apply. See Warranty Information Booklet for details. ²See Nissan Towing Guide and Owner's Manual for proper use. ³Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ⁴Basic plan is complimentary for first 3 years starting from accessory purchase date; subsequently a paid subscription is required at the then current rate. Terms, conditions, and limitation apply. ⁵VTRS requires owner registration, a constant 12-volt source, and cellular and GPS satellite availability to function properly.

NISSAN COMMERCIAL VEHICLES

¹Payload rating represents maximum allowable weight of people and cargo, and can be reduced by the weight of optional equipment. ²See Nissan Towing Guide and Owner's Manual for proper use. ³With available tow hitch accessory for V6 and V8 models. See Nissan Towing Guide and Owner's Manual for proper use. ⁴Roadside Assistance and Trip Interruption available during the first four years after initial new vehicle warranty. Restrictions apply. See Owner's Manual for details. ⁵The Commercial Incentive Packages are products designed, manufactured, tested and installed by an independent supplier, Adrian Steel® Company or Modagraphics,™ specifically for vans. Adrian Steel® Company and Modagraphics™ products are not covered by the Nissan New Vehicle Limited Warranty. Nissan is not responsible for the safety or quality of the installation or alterations made by Adrian Steel® Company or Modagraphics™ to your NV® Passenger van. See your local dealer for details. The wraps application is a nongenuine Nissan affiliate product available through Modagraphics, Inc. Nissan does not warranty NCV Graphics Package; instead, warranty is provided by Modagraphics. Offer valid for 2014 or 2015 model-year NV® Passenger vans. Please see your local NCV dealer for more details on the Commercial Incentive Program. To find your local NCV dealer, reference the dealer locator at www.NissanCommercialVehicles.com.

TAKE THE NEXT STEP

One of the most attractive features about NV® Cargo is its ability to fit the needs of your business. Simply click on the links below and you can design a vehicle – inside and out – that's perfect for you.

Build and price your own upfit package. Design a space that makes sense for your day-to-day business. Go to www.nissancommercialvehicles.com, and you can browse partitions, shelving units, and accessories and start building from the floor up.

Visualize your logo on an NV® Cargo. Ready to put your advertising strategy on wheels? Go to www.nissancommercialvehicles.com, and see how great your new vehicle looks with your logo.

WHAT IS A BUSINESS CERTIFIED DEALER? It's a Nissan Commercial Dealer that specializes in selling and servicing the entire NV lineup. Only Business Certified Dealers offer exclusive commercial incentive packages, while providing dedicated Commercial Vehicles Account Managers and Priority Service. We offer complimentary upfit packages as part of our exclusive commercial incentive program. We also offer Commercial Lending Programs, and much more.

Here are just some of the key benefits you will discover when using a Business Certified Dealer:

- Priority Service with Next Available Bay and Next Available Technician
- Special Commercial Lending programs, including available lines of credit
- Dedicated Commercial Vehicles Account Manager to handle commercial customer transactions at your location
- Fleet Pricing available for qualified accounts
- 24-hour towing with Roadside Assistance, including Trip Interruption reimbursement on select models⁴
- A commercial sales and service experience that fits your schedule

- Complimentary shuttle service
- Available Demonstrator Vehicles
- Mailings with notice of special offers and incentives
- Access to Commercial Vehicles inventory
- Commercial service advisors to get you on the road quickly and minimize downtime
- Qualifying customers will receive support from the Commercial Upfit Incentive Program, and will be able to choose from the following complimentary options: cargo management equipment, graphics packages, or cash back – offers vary by model:

NV® Cargo = 5 options to choose from⁵

NV® Passenger = 2 options to choose from⁵

NV200® Compact Cargo = 5 options to choose from⁵

CUSTOMER COMMITMENT

Your vehicle is more than just basic transportation, it's what helps make your business run efficiently. At Nissan Commercial Vehicles, we understand our part in helping to make your business run cost-effectively. That's why we've partnered with our commercial certified parts and service dealers to ensure we are there for you when you need us. As part of our parts and service commitment to you, you will experience the following at every Business Certified Dealer:

Roadside Assistance and Trip Interruption. Our commercial vehicles come with the confidence of Roadside Assistance, offering lockout support, towing services, emergency fuel delivery, tire changes and dead-battery jump-start service. Our Trip Interruption benefits offer assistance if your vehicle becomes disabled more than 100 miles from your company's location.⁴

Service and maintenance plans. Developed specifically for Nissan Commercial Vehicles and backed by Nissan, a wide variety of service plans are available to you, including high-mileage options. Your authorized Business Certified Dealer has all the details, and will be glad to help you find the plan that best fits your business needs.

We've got you covered. Every Nissan Commercial Van is backed by a 5-year/100,000-mile (whichever occurs first) limited vehicle coverage and a 5-year/100,000-mile (whichever occurs first) limited powertrain coverage. (See your Business Certified Dealer or reference the Nissan Owner's Manual for details). For extra protection, you can also add Security+Plus,[®] the only extended service agreement approved by Nissan.

At NissanUSA.com, you'll find virtual product demonstrations, a way to "build your own Nissan," a dealer locator, and more information about key Nissan support services. Or if you'd prefer, call **1-800-NISSAN-3** for answers to specific questions about NV® Cargo or any other Nissan vehicle.
