Thumbs Off Your Phone While Driving!

Every year, too many people die because we can't put our phones down while driving. That's why Nissan is supporting the Red Thumb Movement as part of our ongoing commitment to help reduce fatalities on the road. So paint your thumbnail red as a reminder not to pick up your phone when you're behind the wheel. Find out more at NissanUSA.com/redthumb

¹The Commercial Incentive Packages are products designed, manufactured, tested and installed by an independent supplier, Adrian Steel® Company or Modagraphics™ specifically for NV200® Compact Cargo vans. Adrian Steel Company and Modagraphics™ products are not covered by the Nissan New Vehicle Limited Warranty. Nissan is not responsible for the safety or quality of the installation or alterations made by Adrian Steel Company or Modagraphics™ to your NV200® Compact Cargo van. See your local dealer for details. The wraps application is a nongenuine Nissan affiliate product available through Modagraphics,™ Inc. Nissan does not warranty Cargo Graphics Package; instead, warranty is provided by Modagraphics,™ Inc. Offer valid for 2013–2016 model-year Nissan NV200® Compact Cargo vans. Please see your local NCV dealer for more details on the Commercial Incentive Program. To find your local NCV dealer, reference the dealer locator at NissanCommercialVehicles.com.

OVER 100,000 MILES AND 6,600 QUALITY AND DURABILITY TESTS.

ONE UNSHAKABLE COMMITMENT.

Fanatical? Maybe. But when it comes to making the toughest commercial vans you can buy, we go the extra distance for you, and it's no Sunday drive. We simulate years of corrosion where we soak a vehicle with salt, bake it, and pound it around a test track. We wreak havoc with suspension and body components by driving through potholes and dips, and over 4 x 4 beams. Special chambers crank up the heat to 140° and humidity to 95% to break down seals and age interiors.

We even have machines that can simulate nearly any road in the world, and we run our vehicles on them nonstop for 12 hours, 24 hours, or even more. Do we really need to go to such extremes, just to make a Nissan Commercial Van the best you've ever owned? Yes, because every day, you depend on it to do your job. That's the motivation for us to do ours.

America's Best Commercial Van Warranty **5 YEARS/100,000 MILES*** BUMPER-TO-BUMPER LIMITED WARRANTY

Going above and beyond is the Nissan way. After passing all of the brutal quality and durability testing we can think of, we're sure you'll have a van you can count on. To prove our confidence and our commitment, we are pleased to introduce America's Best Commercial Van Warranty – a bumper-to-bumper limited warranty for 5 years or 100,000 miles, whichever comes first.⁴ And that means we've got your back, so you can keep moving forward. For more details of the warranty, please go to NissanCommercialVehicles.com or ask your Nissan Business Certified Dealer.⁴

³Roadside Assistance and Trip Interruption available during the first four years after initial new vehicle delivery. Restrictions apply. See Owner's Manual for details. ⁴Claim based on years/mileage (whichever occurs first) covered under the 2016 New Vehicle Limited Warranty basic coverage. NV200® Taxi is covered under a separate limited warranty with a different level of coverage. Comparison based on Wards Light Vehicle Segmentation: 2016 Nissan NV200® v. 2015 & 2016 Small Van Class. Comparison based on publicly available information on manufacturers' website. Nissan's New Vehicle Limited Warranty basic coverage excludes tires, powertrain coverage, corrosion coverage and federal and California emission performance and defect coverage (applicable coverage is provided under other separate warranties). The powertrain coverage is 5 years or 100,000 miles (whichever occurs first). Other general exclusions and terms and conditions also apply. For complete information concerning coverage, conditions and exclusions, see your Nissan dealer and read the actual New Vehicle Limited Warranty booklet. Warranty claim is current at time of printing.

NISSAN NV200® COMPACT CARGO

INNOVATION THAT YOU CAN BUILD ON.

With Nissan Upfit Engineering, NV200® Compact Cargo has been designed to let you create a commercial vehicle that is small on the outside but offers lots of room on the inside. ²Driving is serious business. Only use features when safe to do so. App availability is dependent upon vehicle model, trim level, packaging, and/or options. See **NissanUSA.com/connect** for complete app availability details. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Compatible smartphone required. Cellular network and GPS signals not available in all areas and/ or at all times. Technology is evolving, and changes by independent companies are not within Nissan's control. Nissan is not responsible for associated costs that may be required for continued operation due to cellular network termination (including equipment upgrades, if available, or roaming charges on alternative networks) or other third party changes. Should a third party provider terminate/restrict service, service may be terminated without notice and with no liability to Nissan and its agents or affiliates. Subscription Agreement required and terms and conditions of Subscription Agreement apply. See **NissanUSA.com/connect** for details. Thirty-six (36) month trial period begins on your date of vehicle purchase or lease of a new Nissan; subsequently a paid subscription is required (excluding Pandora,® if Pandora® app via NissanConnect™ is equipped on vehicle) at the then current rate to continue to receive services. Text rates and/or data usage may apply. ³Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ⁴Required monthly subscriptions sold separately for each available SiriusXM® feature after trial period, and are continuous until you call SiriusXM to cancel. Installation costs, one-time activation fee, other fees and taxes will apply. Each SiriusXM® feature availability is dependent upon vehicle model, trim level, packaging, and/or options, and may only be available in select markets. Satellite Radio U.S. service, NavWeather® service, and SiriusXM Travel Link® services (if any of the foregoing features are equipped on vehicle) available only to those 18 or older in the 48 contiguous states and D.C.
