

NISSAN INTELLIGENT MOBILITY™

Nissan Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into assistants. Together the journey is more confident, connected, and exciting. Whether it's cars that assist in the driving task, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

SEE ALTIMA® COME TO LIFE

Go to **NissanUSA.com** and find an interactive brochure for Altima and every Nissan in the lineup. Available on desktop, smartphone, or tablet, it's the full product story – including demos, videos, and complete info on trims, colors, and accessories.

Innovation
that excites

2019
ALTIMA®

¹World's first production variable compression turbo engine launched by Nissan Motor Co., Ltd. in 2018. ²Availability of features vary by vehicle model year, model, trim level, packaging, and options. ³ProPILOT Assist cannot prevent collisions. Always monitor traffic conditions and keep both hands on the steering wheel. See Owner's Manual for safety information. ⁴Available feature. ⁵Automatic Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ⁶Rear Automatic Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ⁷Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. ⁸Blind Spot Warning cannot prevent collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. ⁹Lane Departure Warning and Intelligent Lane Intervention operate only when lane markings are able to be detected. See Owner's Manual for safety information. ¹⁰Intelligent Around View® Monitor cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. ¹¹Virtual composite 360° view. ¹²Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ¹³Available services/features may be shown. Compatible connected device may be required. Only use services/features and device when safe and legal to do so. Subject to GPS and wireless network availability and connection, and system/technology limitations. Text rates/data usage/subscription may apply. Some services/features provided by companies not within Nissan or its partners' or agents' control and may be discontinued at any time. For more information, see dealer, Owner's Manual, or **NissanUSA.com/connect/important-information**. ¹⁴Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ¹⁵VC-Turbo™ engine horsepower and torque ratings: 248 hp and 273 lb-ft of torque ratings when using 93-octane fuel; 236 hp and 267 lb-ft of torque ratings when using 87-octane octane fuel. ¹⁶2019 EPA Fuel Economy Estimates 28 City/39 Highway/32 Combined for Altima® S, SV, SL FWD; 26 City/36 Highway/30 Combined for Altima S, SV, SL AWD; 27 City/37 Highway/31 Combined for Altima SR, Platinum FWD; 25 City/35 Highway/29 Combined for Altima SR, Platinum AWD; 25 City/34 Highway/29 Combined for Altima SR, Platinum, VC-Turbo FWD. Fuel economy estimates based on 87-octane fuel. Actual mileage may vary with driving conditions. Use for comparison only. ¹⁷Extra cost option. ¹⁸Intelligent Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. ¹⁹Automatic Emergency Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ²⁰RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. ²¹Intelligent Trace Control cannot prevent collisions or loss of control. Driver should remain in control of vehicle at all times. See Owner's Manual for safety information. ²²Intelligent Driver Alertness cannot provide a warning in every situation. See Owner's Manual for safety information. ²³State laws may apply. Review before using. ²⁴Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ²⁵Information displayed is dependent on how vehicle is equipped. ²⁶The optional Rear Sonar System is a convenience, but is not a substitute for proper backing procedures. Always turn and check that it is safe to do so before backing up. May not detect every object behind you. ²⁷Genuine Nissan Accessories are covered by Nissan's Limited Warranty on Genuine Nissan Replacement Parts, Genuine NISMO® S-Tune Parts, and Genuine Nissan Accessories for the longer of 12 months/12,000 miles (whichever occurs first) or the remaining period under the 3-year/36,000-mile (whichever occurs first) Nissan New Vehicle Limited Warranty. Terms and conditions apply. See dealer, Warranty Information Booklet, or **parts.NissanUSA.com** for details. ²⁸Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. ²⁹FWD models only. ³⁰AWD models only. ³¹Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ³²Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ³³Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving techniques. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. ³⁴Use Hands Free Text Messaging when parked in a safe location. If you must use while driving, monitor traffic conditions and keep both hands on the steering wheel to prevent collisions. Compatible device required. Message and data rates may apply. ³⁵Air bags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents. See Owner's Manual for safety information. ³⁶Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. ³⁷Vehicle must be on for the Easy-Fill Tire Alert to operate. ³⁸For a period of 36 months/36,000 miles from the date the vehicle is delivered to the first retail buyer or otherwise put into use, whichever is earlier. The All-New 2019 Nissan Altima® Impossibly Smart

This isn't just a sedan, this is our latest technology, built to unlock the pure joy of driving. With the world's first engine that feels like two in one.¹ And Nissan Intelligent Mobility™ that responds to the world around you in real-time.² Confidence from available Intelligent All-Wheel Drive. Surprising connectivity before you even reach the driver's seat. The All-New 2019 Nissan Altima. Tech that moves you.

Nissan Altima® Platinum shown in Scarlet Ember Tintcoat with accessory Splash Guards.

ProPILOT ASSIST

Welcome to a whole new highway commute. With Nissan ProPILOT Assist, you can let go of driving stress while Altima® takes care of the little things – like following the car ahead at a preset distance or helping keep you centered in your lane. It can even bring your Altima to a full stop based on the traffic flow, and hold you there. Now even your typical morning drive can be the best way to start the day.^{3, 4}

Warning⁹

High Beam
Assist

INTELLIGENT AROUND VIEW® MONITOR

Parking will never be the same. Intelligent Around View Monitor uses four cameras to give you a virtual composite 360° bird's-eye view of your Altima, with selectable split-screen closeups of the front, rear, and curbside views, so you can get a better look. It can even give you an on-screen heads-up when it detects moving objects near your vehicle. We're looking at you, shopping cart.^{4, 10, 11}

NISSAN INTELLIGENT MOBILITY™

SMARTPHONE CONNECTIVITY

Plug in a compatible iPhone® and Apple CarPlay® gives you access to your favorite apps and Siri.®^{12, 13}

If you use a compatible Android phone, Android Auto™ puts what's important to you, like the Google Assistant, at your fingertips, directly on your Altima®'s NissanConnect® 8" touch-screen display.^{12, 13}

- Apple CarPlay® compatibility¹³
- Android Auto™ compatibility¹³
- Available Nissan Door to Door Navigation¹⁴
- Available NissanConnect® Services with Amazon Alexa and Google Assistant^{4, 13}

INTELLIGENT ALL-WHEEL DRIVE

Altima gives you peace of mind you never thought you could get from a sedan. Part of Nissan Intelligent Mobility, available Intelligent All-Wheel Drive continuously monitors road conditions, and responds in an instant, sending power to the wheels that need it most.

THE WORLD'S FIRST PRODUCTION VARIABLE COMPRESSION TURBO ENGINE¹

Imagine an engine so smart it seems to anticipate what you want. Whether it's turbocharged power that pushes you back in your seat or impressive fuel efficiency, even in city streets,¹⁶ Altima's all-new shape-shifting VC-Turbo™ engine lets you have both – without compromise.¹
