

NISSAN INTELLIGENT MOBILITY™

Nissan Intelligent Mobility guides everything we do. We're using new technologies to transform cars from mere driving machines into assistants. Together the journey is more confident, connected, and exciting. Whether it's cars that assist in the driving task, or highways that charge your EV as you go along, it's all in the very near future. And it's a future already taking shape in the Nissan you drive today.

SEE GT-R® COME TO LIFE

Go to NissanUSA.com and find an interactive brochure for GT-R and every Nissan in the lineup. Available on desktop, smartphone, or tablet, it's the full product story – including demos, videos, and complete info on trims, colors, and accessories.

¹Available services/features may be shown. Compatible connected device may be required. Only use services/features and device when safe and legal to do so. Subject to GPS and wireless network availability and connection, and system/technology limitations. Text rates/data usage/subscription may apply. Some services/features provided by companies not within Nissan or its partners' or agents' control and may be discontinued at any time. For more information, see dealer, Owner's Manual, or NissanUSA.com/connect/important-information. Terms and conditions of Subscriber Agreement apply. NissanConnect EV features are provided by Nissan North America. Sirius XM Connected Vehicle Services Inc. ("Sirius XM") partners with Nissan North America to provide NissanConnect Services powered by SiriusXM. All stated terms, disclosures and limitations of liability associated with connected vehicle services extend to Sirius XM and its affiliate, Sirius XM Radio Inc. SiriusXM is a registered trademark of Sirius XM Radio Inc. ²Extra cost option. ³Driving is serious business and requires your full attention. At all times, obey traffic laws. Not intended for unpaved off-road use. Always wear your seat belt, and please drive responsibly. ⁴Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving techniques. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. ⁵Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ⁶Driving is serious business and requires your full attention. Obey all traffic laws, always drive safely and wear your seat belt. Damage resulting from racing, competitive driving, track and/or airstrip use not covered by warranty. See your New Vehicle Limited Warranty and Owner's Manual for proper vehicle operation and complete warranty details. ⁷Dry carbon-fiber requires specific maintenance. Please see your Owner's Manual for details. ⁸Professional driver. Closed course. Obey all traffic laws, always drive safely and wear your seat belt. Damage resulting from racing, competitive driving, track and/or airstrip use not covered by warranty. See your New Vehicle Limited Warranty and Owner's Manual for proper vehicle operation and complete warranty details. ⁹Genuine Nissan Accessories are covered by Nissan's Limited Warranty on Genuine Nissan Replacement Parts, Genuine NISMO® S-Tune Parts, and Genuine Nissan Accessories for the longer of 12 months/12,000 miles (whichever occurs first) or the remaining period under the 3-year/36,000-mile (whichever occurs first) Nissan New Vehicle Limited Warranty. Terms and conditions apply. See dealer, Warranty Information Booklet, or parts.NissanUSA.com for details. ¹⁰Always use appropriate tires for weather conditions. See Owner's Manual for details. Failure to use appropriate tires could cause an accident resulting in serious injury or death. ¹¹RearView Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. ¹²Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. ¹³Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ¹⁴Air bags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents. See Owner's Manual for safety information. ¹⁵Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. ¹⁶Actual mileage may vary with driving conditions – use for comparison only. 2018 EPA fuel economy estimates shown. 2019 EPA estimates not available at time of printing. ¹⁷For a period of 36 months/36,000 miles from the date the vehicle is delivered to the first retail buyer or otherwise put into use, whichever is earlier. The one stands apart from the many. Dares to be bold. Radical. Unique. Breaking rules, defying description, confounding competitors. No other supercar looks like it or performs like it. Because no one else is willing to ask the questions – and fearlessly go where the answers lead. But that's how you create a legend. The 2019 Nissan GT-R®. Tech that moves you.

Nissan GT-R® Premium shown in Solid Red.

HANDCRAFTED PERFORMANCE

Each GT-R® engine is assembled by a single craftsman – called “Takumi” – renowned for their dedication and mastery. And with only five Takumi in the world entrusted with the honor, the plaque on the engine bearing their name has true significance. As one of the Takumi says, “We put our souls into each engine, hoping to deliver that excitement to customers.”

NISSAN INTELLIGENT MOBILITY™

MASTERY AT EVERY TOUCHPOINT

The GT-R's interior is a masterful blend of premium materials, from hand-stitching in the cabin to a dashboard pad created from a single, hand-selected Nappa leather hide. Subtle etching on the aluminum bezels enhance their feel, while sport seats provide comfort and support, creating an ideal place to take it all in.

Apple CarPlay™¹

Staying connected is easy in the GT-R. Apple CarPlay™ and NissanConnect® put everything important to you on the 8" touch-screen display!

AERODYNAMIC ALCHEMY

Rather than being confined by the demands of aerodynamics, the Nissan GT-R sculpts the air to its needs – becoming a force of nature, as much as a force to be reckoned with. Every aerodynamic detail was considered. A 1% energy loss around the C-pillar was enough for the GT-R's fanatical engineers to redesign the pillar to create a cleaner design.

A SHARPER FOCUS ON DRIVING

Taking advantage of the capabilities of Nissan GT-R requires your attention, but it should never feel like information overload. The GT-R's intuitive dashboard design makes access and use simpler, giving you more time to focus on what's important – the pure enjoyment of the drive.

NISSAN GT-R® NISMO

THE ULTIMATE GT-R

600_{HP}

nismo®

Pure. Undiluted. Awe-inducing. 600 horsepower of fury combined with exceptional control. From its high-capacity turbos to its specially tuned suspension, this is the ultimate GT-R.

On the outside, aggressive aerodynamic design adds a unique rear spoiler and carbon-fiber bumpers, trunk lid, and side sills. Subtle yet special, contrasting dark gray mirrors feature a red accent stripe. The entire body sits poised over unique front and rear alloy wheels, wearing specially developed Dunlop® tires.

Inside is just as focused, with Recaro® seats, an Alcantara®-wrapped steering wheel with red leather stripe at 12 o'clock, and a signature NISMO red throughout the cabin, including the seatbacks, tachometer face, shift lever, and door handle pulls.

481 lb-ft of torque

0.26 coefficient of drag

NISMO unique 6-spoke wheels

NISMO carbon-fiber body kit
