

Nissan Intelligent Mobility moves you one step ahead. In cars that feel like an extension of you, helping you see more and sense more, reacting with you, and sometimes even for you. Nissan Intelligent Mobility is about a better future – moving through life with greater confidence, excitement and connection to the world around you.

MAXIMA®
2022

¹Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ²Available feature(s). ³Zero Gravity seats for outboard passengers only. ⁴Heated rear seats for outboard passengers only. ⁵Remote Engine Start System to be used only in accordance with any laws or rules in effect in your vehicle's location. ⁶Leather appointments. ⁷Use feature only when safe and legal. Compatible device and service required. Subject to third-party service availability. For more information see [NissanUSA.com/connect/legal](https://www.nissanusa.com/connect/legal). ⁸Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ⁹Use Hands Free Text Messaging when parked in a safe location. If you must use while driving, monitor traffic conditions and keep both hands on the steering wheel to prevent collisions. Compatible device required. Message and data rates may apply. ¹⁰Availability of features vary by vehicle model year, model, trim level, packaging, and options. Please see Owner's Manual for important feature information. ¹¹Nissan Safety Shield technologies can't prevent all collisions or warn in all situations. See Owner's Manual for important safety information. ¹²Automatic Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ¹³Rear Automatic Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should always turn and check surroundings before driving and brake as needed to prevent collisions. See Owner's Manual for safety information. ¹⁴Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. ¹⁵Blind Spot Warning cannot prevent collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. ¹⁶Lane Departure Warning and Intelligent Lane Intervention operate only when lane markings are detectable. See Owner's Manual for safety information. ¹⁷Extra cost option. ¹⁸Brake Assist cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ¹⁹Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ²⁰Intelligent Driver Alertness cannot provide a warning in every situation. See Owner's Manual for safety information. ²¹Intelligent Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. ²²RearView Monitor may not detect every object and does not warn of blind spots or warn of moving objects. See Owner's Manual for safety information. ²³Solar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. ²⁴Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or improper driving techniques. It should remain on when driving on slippery surfaces to help free the vehicle from mud or snow. See Owner's Manual for safety information. ²⁵Intelligent Trace Control cannot prevent collisions or loss of control. Driver should remain in control of vehicle at all times. See Owner's Manual for safety information. ²⁶Traffic Sign Recognition may not detect and read all traffic signs in all conditions. Driver should monitor all traffic signs and obey all traffic laws. See Owner's Manual for details. ²⁷Rear Door Alert System does not detect people or cargo. Always check rear seat before exiting. See Owner's Manual for safety information. ²⁸Information displayed is dependent on how vehicle is equipped. Driving is serious business and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ²⁹Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. ³⁰Vehicle must be on for the Easy-Fill Tire Alert to operate. ³¹Intelligent Around View® Monitor cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. ³²Genuine Nissan Accessories are covered by Nissan's limited warranty on Genuine Nissan Replacement Parts, Genuine NISMO® S-Tune Parts, and Genuine Nissan Accessories for the longer of 12 months/12,000 miles (whichever occurs first) or the remaining period under the 36-month/36,000-mile (whichever occurs first) new vehicle limited warranty. Terms and conditions apply. See dealer, warranty information booklet, or [parts.nissanusa.com](https://www.nissanusa.com) for details. ³³Cargo and load capacity limited by weight and distribution. Always secure cargo. ³⁴Air bags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should not be placed in the front-passenger's seat. All children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents. See Owner's Manual for safety information. ³⁵2021 EPA Fuel Economy Estimates. 20 City MPG / 30 Highway MPG / 24 Combined MPG for Maxima. 2022 EPA estimates not available at time of publication. Actual mileage may vary with driving conditions. Use for comparison only. ³⁶Roadside assistance coverage period varies by model-year model. For complete information concerning warranty coverage, conditions and exclusions, see your Nissan dealer and read the warranty information booklet for the model-year model. The 4-Door Sports Car®

Welcome to exhilaration. A high-tech powerhouse that changes from premium ride to canyon carver at the touch of a button. Loaded with available advanced driver assist features and seamless connectivity with your compatible smartphone.¹ This is what it's like to drive a living legend.

Nissan Maxima® SR shown in Sunset Drift ChromaFlair®

Pure ambiance

Technically, the term is “Wow.” There’s no better way to describe it — the perfect execution of driving function with elegance and style. The quality of materials and the ideal placement of controls are made for your touch. The long list of luxuries you expect — and a few you hadn’t even thought of — make every moment feel special. It’s just your every day inside of the Nissan Maxima.®

Premium Ascot Leather-appointed seats²

Zero Gravity Front Seats³

Maxima® SR

Start with 19" gloss black aluminum-alloy wheels, a Dual Panel Panoramic Moonroof, and a unique sport-tuned suspension with advanced dynamic technologies. Add in a special interior with Premium Ascot Leather appointments, Alcantara® inserts on the seats and steering wheel, and Satin Dark Chrome faceted interior trim. The result — a driving experience that's exhilarating in every sense of the word.

Smartphone connectivity

Apple CarPlay® integration People to see? Places to be? Just ask Siri.® Equipped with Siri® voice control, Apple CarPlay® brings on board to your Maxima your contacts, favorite messaging apps, Apple Music® playlists, Apple Maps, and more. Simply plug in your compatible iPhone® and go.^{1,7}

Android Auto™ Talk to Google on Android Auto and get things done with your voice so you can keep your focus on driving. Easily send messages, get directions, control media and more. Just say, "Hey Google" or, in compatible cars, long-press the voice control button on your steering wheel to get started.^{7, 8, 9}

Nissan Safety Shield® 360

Imagine being surrounded by confidence on every drive. Part of Nissan Intelligent Mobility, Safety Shield 360 includes features that monitor in front of you, behind you, and on either side, and can step in to help keep you safe. The following features come standard on every 2022 Nissan Maxima.^{10, 11}

Automatic Emergency Braking with Pedestrian Detection ¹²	Rear Automatic Braking ¹³	Rear Cross Traffic Alert ¹⁴	Blind Spot Warning ¹⁵	Lane Departure Warning ¹⁶	High Beam Assist
---	--------------------------------------	--	----------------------------------	--------------------------------------	------------------

Customized performance

With legendary VQ V6 power under your right foot and an Xtronic CVT® (Continuously Variable Transmission) to keep you in the meat of the powerband, Maxima is a driver's dream come true. And with the standard Drive Mode Selector, you can switch between sport sedan and luxurious cruiser at the touch of a button.
