

Nissan Intelligent Mobility moves you one step ahead. In cars that feel like an extension of you, helping you see more and sense more, reacting with you, and sometimes even for you. Nissan Intelligent Mobility is about a better future – moving through life with greater confidence, excitement and connection to the world around you.

ROGUE SPORT™
2022

Availability of features vary by vehicle, driving conditions, road level, configuration, and options. Please see Owner's Manual for important feature information. ¹Intelligent All-Wheel Drive cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions. ²Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ³ProPILOT Assist cannot prevent collisions. It is the driver's responsibility to be in control of the vehicle at all times. Always monitor traffic conditions and keep both hands on the steering wheel. ⁴Intelligent Around View® System operates only when lane markings are detected. Does not function in all weather, traffic and road conditions. System has limited control capability and the driver may need to steer, brake or turn at any time to maintain safety. See Owner's Manual for safety information. ⁵Intelligent Around View® Monitor cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. ⁶Nissan Safety Shield technologies can't prevent all collisions or warn in all situations. See Owner's Manual for important safety information. ⁷Automatic Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ⁸Rear Automatic Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ⁹Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. ¹⁰Lane Departure Warning and Intelligent Lane Intervention only operate when lane markings are able to be detected. See Owner's Manual for safety information. ¹¹Blind Spot Warning cannot prevent collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. ¹²Use feature only when safe and legal. Compatible device and service required. Subject to third party service availability. For more information see nissanusa.com/connect/learn. ¹³Use Hands-Free Text Messaging when parked in a safe location. If you must use while driving, monitor traffic conditions and keep both hands on the steering wheel to prevent collisions. Compatible device required. Message and data rates may apply. ¹⁴Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ¹⁵Extra location services and appointments. ¹⁶Intelligent Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. ¹⁷Rear View Monitor may not detect every object and does not eliminate blind spots or warn of moving objects. See Owner's Manual for safety information. ¹⁸Isolator System may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. ¹⁹Rear Door Alert System does not detect people or cargo. Always check rear seat before exiting. See Owner's Manual for safety information. ²⁰Intelligent Brake Control cannot prevent collisions or loss of control. Driver should remain in control of vehicle at all times. See Owner's Manual for safety information. ²¹Information displayed is dependent on how vehicle is equipped. Driving conditions, road levels and requires your full attention. If you have to use the feature while driving, exercise extreme caution at all times. Actual results may vary. ²²Vehicle operation is limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the vehicle's handling and stability. ²³Vehicle's available load capacity cannot be used in conjunction with other loads to bring total load to about 1,000 lbs. Careless or dangerous driving techniques should remain on when driving, except when using the vehicle in mud or snow. See Owner's Manual for safety information. ²⁴Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. See Owner's Manual for safety information. ²⁵Vehicle must be on for the Easy-Fill Tire Alert to operate. ²⁶Air bags are only a supplemental restraint system. Always wear your seat belt. Rear-facing child restraints should be installed in the front-passenger's seat only for children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents. See Owner's Manual for safety information. ²⁷Remote Engine Start System to be used only in accordance with any laws or rules in effect in your vehicle's location. ²⁸Traffic Sign Recognition - Driver should always obey all traffic signs and obey the law. ²⁹Driver should always obey all traffic signs and obey the law. ³⁰Driver should always obey all traffic signs and obey the law. ³¹Driver should Make every trip downtown exhilarating

Cross over to progressive style and a commanding view of the city. Commute with the confidence of driver assist technology.¹ Rain? Snow? Available Intelligent All-Wheel Drive is ready to react.² And of course, seamless connectivity is a given.³ This is the Nissan Rogue Sport.™

Nissan Rogue Sport™ SL AWD shown in Brilliant Silver Metallic with optional equipment.

Nissan Safety Shield® 360

Nissan Intelligent Mobility reinvents the way you move. You'll drive with greater awareness, and even get an assist when you need it. Standard on every Rogue Sport, these advanced safety features help monitor in front, behind, and all around you for 360° of confidence.^{1, 6}

Intelligent Around View® Monitor

The available Intelligent Around View Monitor helps you squeeze into that spot with your pride and wheels intact. It also gives you an on-screen alert when it detects moving objects near your vehicle.⁵

Standard smartphone connectivity

Apple CarPlay® integration People to see? Places to be? Just ask Siri®. Apple CarPlay® (shown on left) brings on board to your Rogue Sport your contacts, favorite messaging apps, Apple Music® playlists, Apple Maps, and more. Simply plug in your compatible iPhone® and go.^{3, 12}

Android Auto™ Talk to Google on Android Auto and get things done with your voice. Easily send messages, get directions, control media and more. Just say, "Hey Google" or, in compatible cars, long-press the voice control button on your steering wheel to get started.^{3, 12, 13, 14}
