

[illegible]

Take on the universe

Get after it with the all-new, totally redesigned 2025 Nissan Kicks.[®] From the chiseled grille and sleek LED headlights to the bold two-tone colors,¹ Kicks is styled to turn heads. The available Intelligent All-Wheel Drive system lets you handle the elements with greater grip and control.² An impressive 141-hp engine and up to 35 highway mpg make every trip powerful and efficient.³ And the available Bose Personal[®] Plus Audio System brings solid entertainment to every mile of the journey.

Nissan Kicks[®] SR AWD shown in Two-tone Deep Blue Pearl / Gun Metallic with optional equipment.¹

Get into the action

The cool factor starts the second you step inside. The dual 12.3" displays are customizable, so everything important stays front and center.^{4, 5, 6} Available soft-touch Automatic Temperature Control switches keep the dash clean and the controls easy to access. With Kicks,[®] you might question whether you're searching for action or already centered in it.

--	---	--	-----------------------------------

Nissan Kicks[®] SR shown in Charcoal Leatherette with Sport Cloth inserts, Apple CarPlay[®] integration,⁴ and optional equipment.

Cool, calm, and collected

Before you even step into Kicks,[®] get the temperature inside just right with the available Remote Engine Start System with Intelligent Climate Control.[®]

Immerse yourself in the high-tech sound of the available Bose Personal[®] Plus Audio System with 10 rocking speakers and next-level PersonalSpace[®] technology that optimizes the acoustics inside. Up front, two Bose UltraNearfield™ speakers are built into the headrests and can be adjusted to fit any mood and genre.

If you're looking for clarity and serenity, look up. The available Panoramic Moonroof lets light in from sunrise to sunset and even shows starlight on clear nights.

Nissan Kicks[®] SR shown in Charcoal Leatherette with Sport Cloth inserts and optional equipment.

Today's forecast: adventure

Don't let a few rain showers deter you. Kicks® will get you to the fun with an available Intelligent All-Wheel Drive system that adjusts grip depending on the weather conditions and helps you stay in control in poor weather.² The available unique multi-link rear suspension means more grip to handle the corners and the adventures to come.

Even more powerful and efficient than before,³ the all-new Kicks is powered by an impressive 2.0L 4-cylinder engine that pumps out up to 141 horsepower and 140 lb-ft of torque. Engage one of up to four available Drive Modes to handle the unexpected conditions that might stand between you and Cloud 9.

Four Drive Modes — countless possibilities

Snow Mode Snow on the horizon? Kicks has an available Snow Mode to help. This advanced system helps give confidence at every turn. Engineered to help you make fresh tracks, it knows to back off the throttle and shift to a higher gear ratio, helping you stay in control.⁶

Sport Mode For some people, driving is a sport. In Kicks, let it be yours. Give Sport Mode a try for higher revs and a tighter feel that can still get you straight to the finish line.

Eco Mode Running low on fuel? Switch it to Eco Mode, and the engine adjusts acceleration and throttle response to increase fuel economy.³

Normal Mode Your daily commute is made easier with Normal Mode. It has the power and agility you need to easily handle city streets and narrow alleys and brave even the worst congestion.

The streets are about to get safer

Consider Kicks® your neighborhood superhero. Nissan Safety Shield® 360 comes standard and includes six features that monitor in front of you, behind you, and on either side and can step in to help keep you safe.^{9, 10}

- Automatic Emergency Braking
with Pedestrian Detection¹¹
- Rear Automatic
Braking¹²
- Blind Spot
Warning¹³
- Rear Cross
Traffic Alert¹⁴
- Lane Departure
Warning¹⁵
- High Beam
Assist

Traffic, meet your match

Gridlock up ahead, and you're smiling. Why? Because available ProPILOT Assist gives you a hand with the little things, such as helping keep you centered in your lane and maintaining a preset distance from the vehicle ahead. All so you get a little more "go" out of your stop-and-go.^{6, 16}

See the big picture

There's no view more comprehensive than a 360° view. And Kicks has it with the available Intelligent Around View® Monitor. It makes parking easier by giving you a virtual composite 360° birds-eye view of your ride. Select from split-screen close-ups of the front, rear, and curbside views to get the best fit possible.^{6, 17, 18}

NISSAN KICKS® ACCESSORIES

Build to your beat

Every Genuine Nissan Accessory is custom-fit, custom-designed, and durability-tested. Each one is backed by Nissan's 3-year/36,000-mile (whichever occurs first) limited warranty (if installed by the dealer at the time of new vehicle purchase) and can be financed when installed by the dealer at time of new vehicle purchase.²⁷ Nissan-affiliated Yakima® accessories are not warranted by Nissan. Refer to product manufacturer for warranty details. Nissan limited warranty does not cover damages or failures to the vehicle caused by improper installation or alterations of any Nissan-affiliated accessory or component. Contact your dealer/retailer for details.²⁸
