

1989 Plymouth Horizon & Reliant

AMERICA SERIES

IF IT'S IMPORTANT TO YOU,
IT'S IMPORTANT TO PLYMOUTH.

A photograph of two cars, a white hatchback and a blue sedan, driving on a wet, reflective asphalt road. The road is flanked by green grass and a dark, wooded area in the background. The cars are positioned in the lower half of the frame, moving towards the viewer. The wet pavement creates clear reflections of the vehicles and the surrounding environment.

Discover the Americas!
Two great cars with one money-saving
philosophy.

*Horizon America, shown in Bright White Clear Coat.
Reliant America four-door sedan, shown in Ice Blue Clear Coat.*

About this catalog. We have tried to make this catalog as complete as possible. However, since the time of printing, some of the information you'll find here may have been updated. Your dealer has details, and you should ask him for current information before ordering.

Some of the equipment shown or described throughout this catalog is available at extra cost.

Customer satisfaction is built into every 1989 Plymouth. It's part of our corporate philosophy, which represents a solid commitment to teamwork, quality, *and* listening to our customers...and it shows. It shows in our products, our employees, our dealers, and our sales professionals.

The America Series demonstrates our commitment to your satisfaction. By simplifying our Reliant and Horizon production process, we've increased savings through increased efficiency...more for your money. Customer satisfaction is driving Plymouth. And it shows.

Lee A. Iacocca

With Plymouth Reliant America, you'll discover more value, comfort, and standard features than you would have thought possible.

A spacious five- or six-passenger interior...standard 2.2-liter EFI engine or the available 2.5-liter dual balance-shaft EFI engine*...front-wheel drive...power-assisted brakes...stainless steel exhaust system...and much more.

Reliant America two-door sedan, shown in available Dark Cordovan Pearl Coat.

RELIANT AMERICA.
High value choices designed and equipped for your satisfaction.

Reliant America four-door interior with convenient passenger side visor vanity mirror and no-charge optional front center armrest bench seat, shown in Cordovan.

Reliant America four-door sedan, shown in available Dark Cordovan Pearl Coat.

*Automatic transaxle only. Basic Equipment Package or Popular Equipment Discount Package required.

With standard low-back bucket seats, Horizon America's wide liftgate opens to 33 cubic feet of load space with the rear seatback folded down.

Standard 2.2-liter electronically fuel-injected engine with Phase II Quiet Idle features delivers dependable performance. Underhood service items are labeled for ease of maintenance.

HORIZON AMERICA.
An American success story of
economy and customer satisfaction.

Interior with available high-back sport bucket seats features reclining seatbacks and dual-latch seat track adjusters.* Also includes standard passenger side visor vanity mirror. Shown in Crimson Red.

*Late availability.

More than a million car buyers* have already enjoyed the value, standard features, and customer satisfaction of the Plymouth Horizon America.

The perfect choice for first-time buyers and smart shoppers, Horizon America provides many unexpected standard equipment and safety features, such as a 2.2-liter EFI engine with Phase II Quiet Idle features, deluxe intermittent windshield washer/wiper, rear window defroster and wiper, stainless steel exhaust system, and four-door comfort and convenience.

Horizon America, shown in Bright White Clear Coat.

*Based on January 1978 to current 1988 sales of Horizon, Turismo and Turismo TC3.

OPTIONS

The America Series comes equipped with almost everything you need. You may choose to add the extra value and convenience of these options. (See Technical Guide in the back of this catalog for complete option details and optional packages.)

(A) Electronic speed control reduces driver fatigue and helps improve fuel economy. (Available on Reliant America.)

(B) Floor-mounted console three-speed automatic transaxle is available with Reliant America.

(C) Tilt steering column allows just the right driving position. (Available on Reliant America.)

(D) Center console puts convenience at your fingertips. (Available on Horizon America.)

(E) Bi-level air conditioning* system with manual controls available on Reliant only.

(F) Fourteen-inch sport wheel covers (set of four; available on Reliant America).

(G) Air conditioning* with manual controls keeps you cool. (Available on Horizon America.)

(H) AM stereo†/FM stereo radio with electronic tuning and Dynamic Noise Reduction‡; cassette tape player. Four-speaker sound on Reliant America. Two-speaker sound on Horizon America.

*Tinted glass required. There are special engine cooling requirements for field-installed air conditioning. Failure to follow these requirements may invalidate warranty. See your dealer for details.

†Some AM stereo broadcasting may not be compatible with this radio.

‡Dynamic Noise Reduction is a trademark of National Semiconductor Corporation.

Certain models, packages, and options are subject to specific restrictions, requirements, and late availability. Consult your dealer for current ordering information.

Reliant America offers you a choice of interior trim: Standard Kincaid/Classic cloth with vinyl trim low-back front bucket seats with adjustable head restraints and reclining seatbacks. Or no-charge optional Kincaid/Classic cloth with vinyl trim front bench seat with folding center armrest and adjustable head restraints. (Not available with manual transaxle.)

*Available at extra cost.

2.2-LITER EFI ENGINE

Reliant America's standard 2.2-liter four-cylinder engine includes electronic fuel injection for optimal fuel metering and usage. Engineering includes an overhead cam, roller tappets, and a fast-burn cylinder head that help provide smooth, consistent operation.

2.5-LITER EFI DUAL BALANCE-SHAFT ENGINE

The available 2.5-liter EFI dual balance-shaft engine (Popular Equipment Discount Package or Basic Equipment Package required) produces increased torque for stronger performance, electronic fuel injection ensures optimum fuel use, and the dual balance shafts dampen engine vibration.

HORIZON AND RELIANT AMERICA STANDARD SAFETY FEATURES

■ Backup lights ■ Brake fluid pressure loss warning light (also serves as indicator when parking brake is applied) ■ Combination lap-shoulder belts for the driver and right front passenger; lap belts for all other passengers ■ Double ball-joint rearview mirror mount ■ Dual braking system with separate brake fluid reservoirs in the master cylinder ■ Energy-absorbing front seatbacks ■ Energy-absorbing steering wheel ■ Energy-absorbing sun visors ■ Fade-resistant front disc brakes ■ Front seat head restraints ■ Hazard-warning flasher system ■ Ignition and steering column lock ■ Inside and outside rearview mirrors ■ Key left in ignition warning ■ Non-override door locks (except driver's door) ■ Safety glass ■ Safety-Rim wheels ■ Seat belt reminder system ■ Seatback latches on folding front seats ■ Side door beams ■ Side marker lights and reflectors ■ Supplemental center high-mounted stoplight ■ Turn signals with lane-change feature

Corrosion Protection

Plymouth Reliant and Horizon Americas' design and manufacture include some of today's most comprehensive anticorrosion measures.

Galvanized steel body panels are coated with zinc-rich primer even before the metal is formed; and every America vehicle receives a seven-step full-immersion treatment that cleans and prepares the metal surface to help paint adhesion.

The body is then fully submerged and electrocoated with highly corrosion-resistant epoxy base coat paint primer, followed by a coat of high-gloss acrylic enamel, oven-baking, and sanding. Then come two coats of colored acrylic enamel, and another two coats of acrylic Clear Coat enamel.

The result? A beautiful, durable high-gloss finish with deep, vivid color, and a "just-waxed" look that resists chipping, fading, weathering and corrosion.

Additional corrosion-fighting features include fiberglass, plastics, and construction design that prevent the corrosive electrolytic action caused by contact between different metals.

Quality manufacturing and design. That's why Plymouth backs the America Series with the powerful protection of a seven-year/100,000-mile Anticorrosion Limited Warranty.

Quality Worth Backing

All Chrysler Motors automobiles and light trucks now have the 7/70 Limited Warranty. Upon expiration of the basic 12-month or 12,000-mile limited warranty, coverage is extended on power train components to seven years or 70,000 miles.* This represents one of the most comprehensive original limited warranties available on cars and trucks built and sold in the United States, and points out Chrysler Motors' pride in building and backing its products the right way.

In addition to the 7/70 Limited Warranty described above, all Chrysler Motors automobiles have the 7/100 Anti-corrosion Limited Warranty. Your dealer will repair or replace at no charge outer body sheet metal panels found to have developed perforation (rust-through) in normal use up to seven years or 100,000 miles. See your dealer for a copy of the warranty.

*A deductible applies. See your dealer for a copy of the warranty.

Chrysler Purchase Assistance Program For The Physically Challenged.

Cash reimbursements of up to \$500 are available for qualified adaptive driving devices on 1989 Chrysler Motors cars and trucks. For further information, contact your dealer or the PHYSICALLY CHALLENGED RESOURCE CENTER AT 1-800-255-9877.

Optional Service Contract Coverage

Chrysler Service Contracts provide you with additional peace of mind protection for your new vehicle. Chrysler Motors offers a variety of plans to meet your needs. Plan coverage begins after your vehicle's basic warranty expires. A deductible applies. Allowances for car rental and towing are also included.

MOPAR parts are engineered by Chrysler Motors for use in your new Plymouth Reliant America or Horizon America. When replacement is necessary, be sure to specify MOPAR parts. Used by professional mechanics all over the world.

Consider Leasing

More consumers are considering leasing as an alternative to buying. Leasing a new Plymouth Reliant America or Horizon America usually involves a small security deposit and a first month's lease payment. Monthly payments are usually less than financing a new car purchase. Ask your dealer for details.

Making the Best Even More Affordable.

Chrysler Credit offers a variety of finance programs that will help make your new Plymouth even more affordable. These special finance and leasing programs are designed to meet the needs of today's automotive buyer. They include Gold Key Lease, America's Choice Payment Plan, College Graduate Plans, Retail Financing, and more. Ask your salesperson for details.

All product illustrations and specifications are based upon current information at the time of publication approval. Although descriptions are believed correct, accuracy cannot be guaranteed. Chrysler Motors reserves the right to make changes from time to time, without notice or obligation, in prices, specifications, colors and materials, and to change or discontinue models. See your dealer for the latest information.

Plymouth and MOPAR are registered trademarks, and Reliant America and Horizon America are trademarks of Chrysler Motors Corporation.

Buckle up for safety.
