

PLYMOUTH

SUNDANCE

THE PLYMOUTH ADVANTAGE: SPORTY, FUN-TO-DRIVE, AFFORDABLE FAMILY TRANSPORTATION. THE 1992 FRONT-WHEEL-DRIVE SUNDANCE CARRIES ON THE PLYMOUTH TRADITION OF VALUE WITH AN IDEAL BLEND OF CONTEMPORARY AEROSTYLING AND DRIVING RESPONSIVENESS, PLUS COMFORTABLE SEATING FOR FIVE, AND LIFTBACK VERSATILITY. THE SUNDANCE AMERICA MODEL IS ONE OF THE WORLD'S LOWEST-PRICED CARS WITH A STANDARD DRIVER-SIDE AIR BAG. SUNDANCE SAFETY ENGINEERING ALSO INCLUDES A STANDARD UNIBELT RESTRAINT SYSTEM FOR FRONT AND OUTBOARD REAR PASSENGERS, CHILD-PROTECTION REAR-DOOR LOCKS ON FOUR-DOOR MODELS, AND A VARIETY OF OTHER SAFETY ADVANTAGES DESCRIBED THROUGHOUT THIS CATALOG. FOR ADDED SECURITY AND CON-

Sundance Highline

Sundance America

VENIENCE, ADVANCED PORTABLE CELLULAR TELEPHONE TECHNOLOGY IS AVAILABLE FROM YOUR DEALER. WITH 44 STANDARD FEATURES, THE TWO-DOOR OR FOUR-DOOR SUNDANCE DELIVERS DOWN-RIGHT EXCEPTIONAL VALUE. GETTING MORE FOR YOUR MONEY IS MORE FUN THAN EVER, IN A PLYMOUTH SUNDANCE.

Sporty, energetic Sundance Highline looks and feels like fun on the go. Its agility will impress you.

On the Chrysler test track, Plymouth Sundance has demonstrated its ability to handle twisty roads and quick lane-changing maneuvers. Excellent roadholding characteristics are engineered into Sundance from the ground up.

Fourteen-inch Sport wheel covers add a special styling flair. They're standard on Sundance Highline.

Sundance's "hidden" hatchback exterior design is sporty-looking, and provides excellent cargo versatility.

Computerized Mopar Diagnostic equipment means quick, accurate dealer service. (Late availability.)

SPORTY PERFORMER

Some of the equipment shown or described throughout this catalog is available at extra cost.

About this catalog. Since the time of printing, some of the information you'll find in this catalog may have been updated. Ask your dealer for details.

Plymouth Sundance Highline two-door, shown in Light Blue Satin Glow Clear Coat.

Anticorrosion protection: All body panels, except roof, are two-side galvanized/galvannealed, then three layers of primer, paint and clear antichip coatings are applied to create an environmentally resistant mirror finish.

Power-assisted front disc brakes are ventilated to help prevent brake fade. Standard on all Sundance models.

Plymouth engine designs are tested for durability and endurance in 800-hour runs at up to 5,400 rpm.

Vehicle collision tests measure the crash characteristics of vehicle body parts and other components. Computer simulation is a companion technique for achieving the same goal — maximum occupant safety.

CONTEMPORARY ENGINEERING

ADVANTAGE: PLYMOUTH

ADVANTAGE: SAFETY

*Driver-side air bag.
Simulated deployment shown.*

Three-point lap/shoulder restraint system.

Side door beams.

Cellular-compatible handheld telephone.

Child-protection rear-door locks.

Energy-absorbing front and rear bumpers.

A full center console is an optional feature of Sundance Highline's convenience-oriented cabin. It provides a storage compartment, floor shifter, dual slide-out cup holders, cubby bin, and a center armrest with covered storage area.

New seat belt-cinching latchplate firmly secures the driver and passengers, or a child safety seat.

COMFORT CENTER

SUNDANCE HIGHLINE GIVES YOU SATISFYING COMFORT. SUPPORTIVE, RECLINING LOW-BACK PREMIUM CLOTH WITH VINYL TRIM FRONT BUCKET SEATS OFFER EXCELLENT FORWARD VISIBILITY FOR FRONT AND REAR PASSENGERS. ADJUSTABLE HEAD RESTRAINTS ARE STANDARD. THE STANDARD FOLD-DOWN REAR SEATBACK PROVIDES ADDED SPACE AND ALLOWS FOR LONG CARGO. FOR EXTRA CONVENIENCE, AN AVAILABLE OVERHEAD CONSOLE PROVIDES ELECTRONIC COMPASS, READING LIGHTS, AND OTHER AMENITIES.

Sundance Highline interior, shown in Crimson Red.

Tilt-up removable sunroof, with tinted glass panel, provides overhead ventilation and an open-air feeling. For wide-open ventilation, remove it completely and store in the cargo area with a protective bag and tie-downs. Optional on Sundance Highline.

The standard Sundance driver-side air bag has proved its outstanding reliability in extensive crash testing.

DRIVING FUN

SUNDANCE HIGHLINE IS POWERED BY A STANDARD 2.2-LITER SOHC (SINGLE OVERHEAD CAM) EFI (ELECTRONICALLY FUEL INJECTED) ENGINE, COUPLED WITH A FIVE-SPEED MANUAL OVERDRIVE TRANSAXLE. A 2.5-LITER SOHC EFI ENGINE AND A THREE-SPEED TORQUEFLITE AUTOMATIC TRANS-

AXLE ARE AVAILABLE. THE ATTRACTIVE INSTRUMENT PANEL (SHOWN ABOVE) OFFERS A FULL COMPLEMENT OF EASY-READING ANALOG GAUGES. AN AM/FM STEREO RADIO AND THE ADDED SAFETY OF A DRIVER-SIDE AIR BAG ARE STANDARD.

Plymouth Sundance Highline four-door, shown in Black Cherry Pearl Coat.

Simulated air bag deployment shown.

A built-in self-diagnostic feature continuously checks the readiness of the air bag restraint system while you drive.

Optional AM/FM stereo radio/cassette tape player includes a two-speaker sound system and integral digital clock.

Standard mini floor console features a handy front storage bin, floor shifter, and rear cubby bin.

AFFORDABILITY LEADER

PLYMOUTH SUNDANCE AMERICA IS ONE OF THE WORLD'S LOWEST-PRICED CARS WITH A STANDARD DRIVER-SIDE AIR BAG. THIS VALUE-PACKED INFLATION FIGHTER (TWO-DOOR, SHOWN RIGHT), OFFERS 39 OTHER STANDARD FEATURES INCLUDING FRONT-WHEEL DRIVE ENGINEERING, A 2.2-

LITER SOHC EFI ENGINE, FIVE-SPEED MANUAL OVERDRIVE TRANSAXLE, POWER-ASSISTED STEERING AND BRAKES, BLACK BODYSIDE MOLDINGS, AND MORE. SUNDANCE AMERICA IS YOUR SMART ALTERNATIVE TO THE HIGH-PRICED IMPORTS.

Plymouth Sundance America four-door, shown in Electric Blue Metallic Clear Coat.

SUNDANCE AMERICA'S INTERIOR PROVIDES COMFORTABLE STANDARD CLOTH WITH VINYL TRIM LOW-BACK RECLINING FRONT BUCKET SEATS, AND A REAR BENCH SEAT WITH THE ADDED CONVENIENCE OF A FOLD-DOWN SEATBACK. THE WIDE LIFTBACK OPENS ONTO 30.8 CUBIC FEET OF CARGO SPACE, WITH THE REAR SEATBACK DOWN. ALSO STANDARD ARE CLOTH-AND-VINYL DOOR TRIM PANELS, AND FULL CARGO COMPARTMENT CARPET TRIM.

SUNDANCE AMERICA'S INTERIOR PROVIDES COMFORTABLE STANDARD CLOTH WITH VINYL TRIM LOW-BACK RECLINING FRONT BUCKET SEATS, AND A REAR BENCH SEAT WITH THE ADDED CONVENIENCE OF A FOLD-DOWN SEATBACK. THE WIDE LIFTBACK OPENS ONTO 30.8 CUBIC FEET OF CARGO SPACE, WITH THE REAR SEATBACK DOWN. ALSO STANDARD ARE CLOTH-AND-VINYL DOOR TRIM PANELS, AND FULL CARGO COMPARTMENT CARPET TRIM.

Sundance America interior, shown in Medium Quartz.

Optional three-speed automatic transaxle includes a new floor-shifter park/ignition interlock for added safety. This engineering refinement prevents the ignition key from being removed unless the shift selector is in the "Park" position.

Noise and vibration reduction testing is conducted in a special laboratory by engineers using the latest sound-level measuring equipment. Power train, chassis, body, and interior systems are scientifically analyzed to achieve continuing improvements that ensure the quietest possible ride.

The air bag module is hidden inside the steering wheel hub. When impact sensors detect a front-end collision requiring air bag deployment, the air bag inflates in 50 milliseconds (about 1/10th of a second) to help protect the driver's head and chest, then partially deflates immediately.

The 2.5-liter and 2.2-liter engines on Sundance models feature newly improved, acoustically dampened oil pans for even quieter operation.

Kinematic occupant computer modeling is a vehicle interior-safety design technique. It enables Chrysler engineers to study and evaluate the various impact forces acting upon drivers and passengers during a collision. The goal is to achieve maximum safety and a "soft ride-down" of the impact.

Computer-controlled suspension simulator is used to test the suspension designs of all Plymouth vehicles. This sophisticated machine simulates and evaluates the effects of road harshness and vibration on a suspension system and other vehicle components.

Powerful epoxy adhesive is applied by a robotic arm. A continuous bead bonds vehicle door frames to their outer skins. Benefits include structural strength, superior corrosion resistance, and noise reduction.

Front and rear bumper reinforcements are made from high tensile-strength steel which provides up to twice the strength of conventional steel bumpers. The energy-absorbing design allows the fascias to perform as they react to impacts, and then return to their original appearance.

SUNDANCE DIMENSIONS¹

Front Track: 57.6"
Overall Width: 67.3"

POWER TRAINS²

2.2-LITER SOHC EFI ENGINE

Sundance America and Highline's standard 2.2-liter single overhead cam (SOHC) EFI four-cylinder engine features electronic fuel injection for efficient, dependable fuel metering. Engineering features include a fastburn cylinder head, overhead cam and roller tappets for smooth, consistent performance.

2.5-LITER SOHC EFI DUAL BALANCE-SHAFT ENGINE

A responsive 2.5-liter single overhead cam (SOHC) electronic fuel injection (EFI) engine is optional on Sundance Highline. It delivers greater torque for performance, electronic fuel injection for precise fuel metering, and counterrotating dual balance shafts that dampen engine vibration.

¹There are special engine cooling requirements for field-installed air conditioning. Failure to follow these requirements may invalidate warranty. See your dealer for details.

²Required on all passenger vehicles registered in California. Not available otherwise.

³Required on all passenger vehicles registered in New York State.

⁴Must have power door locks.

⁵Must have power windows, power mirrors, power door locks.

⁶Must have power mirrors, power door locks.

⁷Includes four speakers.

⁸Must have tilt steering column.

SAFETY FEATURES

- Air bag, driver-side
- Antitheft trunk lock
- Backup lights
- Brake fluid pressure loss warning light (also serves as indicator when parking brake is applied)
- Child-protection rear door locks (four-door only)
- Double ball-joint rearview mirror mount
- Dual braking system with separate brake fluid reservoirs in the master cylinder
- Electric windshield washers
- Energy-absorbing front and rear bumpers.
- Energy-absorbing front seatbacks
- Energy-absorbing instrument panel and sun visors
- Energy-absorbing steering column
- Fade-resistant front disc brakes
- Front seat head restraints
- Glare reduction measures for instrument panel, steering wheel, and windshield wipers
- Hazard warning flasher system
- Ignition and steering column lock
- Impact-actuated fuel supply shutdown relay
- Inside rearview mirror
- Interlocking door latches
- Key-left-in-ignition reminder
- Non-override door locks (except driver's door)
- Recessed inside door release handles
- Reinforced windshield header and roof
- Resilient window crank knobs
- Safety-Rim wheels
- Seat belt reminder system
- Seatback inertia latches on folding front seats (two-door only)
- Shatter-resistant glass
- Side door beams
- Side marker lights and reflectors
- Turn signals with lane-change feature

Chrysler Corporation Limited Warranty Protection

Every Chrysler Corporation vehicle comes with the protection of a Chrysler Corporation Limited Warranty. See your dealer for details.

MOPAR parts. Used by professional automotive technicians worldwide.

Chrysler Cellular Systems OKI[®] Telecom manufactures, services and is the warrantor of the Visorphone[®], Mobile phone and Portable phone products that are available on selected Chrysler Corporation vehicles. See your dealer for a copy of the limited warranties. Restrictions apply.

[®]Visorphone is a registered trademark of Cartell, Inc.

Consider Leasing More consumers are considering leasing as an alternative to buying. Leasing a new Plymouth Sundance usually involves a small security deposit and a first month's lease payment. Monthly payments frequently are less than financing a new car purchase. Ask your dealer for details.

Chrysler Credit Financing Chrysler Credit offers a variety of finance programs that can help make your new Plymouth Sundance even more affordable. These flexible finance and lease programs can be tailored to suit your budget and your lifestyle. They include Advantage: Gold Key Lease, Gold Key Plus, College Graduate Plans, Retail Financing, and other special payment plans. Ask your salesperson for details.

Chrysler Purchase Assistance Program for the Physically Challenged Cash reimbursements of up to \$500 are available for qualified adaptive driving devices on 1992 Chrysler Corporation cars and trucks. For further information, contact your dealer or the PHYSICALLY CHALLENGED RESOURCE CENTER at 1-800-255-9877.

All product illustrations and specifications are based upon current information at the time of publication approval. Although descriptions are believed correct, complete accuracy cannot be guaranteed. Chrysler Corporation reserves the right to make changes from time to time, without notice or obligation, in prices, specifications, colors and materials, and to change or discontinue models. See your dealer for the latest information.

Plymouth and MOPAR are registered trademarks, and Sundance is a trademark of Chrysler Corporation.

Buckle up for safety.

ADVANTAGE: PLYMOUTH
