

IMMINENT ARRIVAL. INSTANT DEPARTURES.

The Pontiac G8 performance sedan. Its standards could hardly be higher: rear-wheel drive, performance-tuned independent suspension, 256-hp aluminum V6 and a five-speed automatic with Driver Shift Control (DSC). With Active Fuel Management on GT models, four cylinders shut down during highway cruising to enhance fuel economy.¹ G8 GT manages to raise the bar with a 6.0L V8 that produces 361 hp, a six-speed DSC automatic and 0–60 launch times in the low 5s. G8 is the sedan that delivers performance.

G8 GT shown in Panther Black Metallic with available equipment; 19-inch wheels included in available Sport Package.
