Uconnect[®]

1 Based on latest available competitive information. Class based on light-duty pickups. 2 Based on Standard Pickup class. EPA estimated 29 highway mpg based on EcoDiesel V6 4x2. Actual results may vary. 3 Based on latest available competitive information. Class based on 250/2500 and 350/3500 pickups. 4 Based on IHS Automotive VIO registration data for all brands of GVW 1 - 3 pickup trucks continuously sold in the U.S. since 1988. Dodge and Ram have the highest overall percentage still on the road. 5 The Advanced Front Air Bags in this vehicle are certified to the new U.S. Federal regulations for advanced air bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 6 No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. 7 Always look before proceeding, electronic drive aid is not a substitute for conscientious driving; always be aware of your surroundings. 8 Transferable. See dealer for complete details and a copy of the 5-Year/60,000-Mile Gas Powertrain Limited Warranty. 9 Transferable. See dealer for complete details and a copy of the 5-Year/100,000-Mile Diesel Powertrain Limited Warranty.

THE RIGHT TRUCKS AT THE RIGHT TIME.

You need a pickup that combines durability and reliability with exceptional capability. You've come to the right place. From the full-size Ram 1500 to Ram 5500, our Heavy Duty, these trucks are ready for the toughest jobs out there.

Ram 1500. Ride confident, with over 45 standard and available Safety and Security features, along with class-exclusive¹ suspensions delivering fantastic ride and handling. Add best-in-class² 29 mpg highway¹ from the available 30L EcoDiesel V6 with its 420 lb-ft of torque. Factor in the convenience of class-in-class available RamBox[®] Cargo Management System and user-friendly technology including the largest available 8.4-inch touch screen media center.

Ram 2500/3500. These workhorses go far beyond delivering supreme towing and hauling capability. The proven 28-year partnership of Ram Heavy Duty and the available Cummins[®] Turbo Diesel puts remarkable torque at your fingertips—up to 900 lb-ft, for max towing up to 31,510 lb¹ with the 6.4L HEMI[®] V8; max payload reaches 7,390 lb¹. Further Ram Heavy Duty advantages? Count on it. Available class-exclusive³ Auto-Level Rear Air Suspension System and available class-exclusive³ RamBox Cargo Management System. And the most capable off-road full-size pickup³—Ram Power Wagon[®]. See more at **RAMTRUCKS.COM**
