

RAM

2018 **RAM 1500**

CLASS-EXCLUSIVE^{1*} FOUR-CORNER AIR SUSPENSION SYSTEM | CLASS-EXCLUSIVE¹ LINK COIL REAR SUSPENSION

CLASS-EXCLUSIVE¹ AVAILABLE RAMBOX[®] CARGO MANAGEMENT SYSTEM | BEST-IN-CLASS¹ ENTRY V6 HORSEPOWER

FOR A TRUCK THAT GOES THE DISTANCE, YOU DON'T HAVE TO LOOK VERY FAR. **RAM 1500**

► **THE GUTS TO TACKLE BIG JOBS. THE GLORY OF DOING THEM RIGHT.**

One look, and you know: from the off-road dominance of Ram Rebel[®] to the refined Ram Limited to the new editions for 2018, there's a Ram 1500 that's right for you. Put uncompromising comfort and superb capability to work, and the rest is all pleasure and play—thanks to an impressive list of best-in-class assets and class-exclusive advantages. There's a half-ton more at RAMTRUCKS.COM

*A note about this catalog: all disclaimers and disclosures can be found on the inside back cover.

PREMIUM WOOD/LEATHER-WRAPPED STEERING WHEEL | PREMIUM CENTER CONSOLE WITH TAMBOUR DOOR

PREMIUM LEATHER INTERIOR IN FROST/INDIGO | PREMIUM CLUSTER WITH 7-INCH DRIVER INFORMATION DISPLAY

IT RULES IN THE CITY, THE FARM, THE MOUNTAINS AND THE RANCH. **LIMITED TUNGSTEN**

► MAKE AN ELOQUENT STATEMENT ABOUT SOPHISTICATION.

Meet the new Ram Limited Tungsten: leather interior with seats in Frost and Indigo, plus a Light Graystone headliner, Active-Level™ Four-Corner Air Suspension System and more Uconnect® features than ever—like the new SiriusXM Guardian®² app—all riding on authoritative 20-inch wheels.

PREMIUM WOOD/LEATHER-WRAPPED STEERING WHEEL | PREMIUM CENTER CONSOLE WITH TAMBOUR DOOR

PREMIUM LEATHER INTERIOR IN CANYON BROWN/FROST | PREMIUM CLUSTER WITH 7-INCH DRIVER INFORMATION DISPLAY

A WORLD OF COMFORT AWAITS YOU. **LARAMIE LONGHORN® SOUTHFORK EDITION**

► **WELCOME TO THE GEOGRAPHY OF REFINEMENT.** The new Laramie Longhorn Southfork Edition subtly telegraphs sophistication with its distinctive tailgate badging and two-tone or monotone exterior—but it's the interior touches that show true character. The Laramie Longhorn signature appears as a badge on the glove box and on the Canyon Brown/Frost floor mats with metal treatment, all complementing the Natura Plus Canyon Brown/Frost leather (with optional filigree) seats, Light Graystone suede headliner and leather-wrapped A- and B-pillar grab handles. To that, add galvanized metal accents and Walnut-colored ash wood touches on the steering wheel, doors, center stack and console, and more Uconnect® features than ever—like the new SiriusXM Guardian®2 app.

A STEP-BY-STEP INTRODUCTION TO RAM 1500 CAPABILITY AND COMFORT.

More and more, Ram is taking the rationale behind full-size pickup ownership—unyielding capability based on both brains and brawn—and adding touches engineered to put Ram 1500 in top-tier consideration. Here's Ram 1500 at a glance: outstanding powertrain choices that enable excellence in towing and hauling. Breakthrough suspension technology to ramp up handling and passenger comfort. Impressive and user-friendly phone technology. And interior designs that deliver exceptional comfort. For more, click over to **RAMTRUCKS.COM**

TOUGH FRAME. If you're going to build on anything, build on strength. In the case of Ram 1500, we're talking high-strength steel core, eight ultra-tough crossmembers and a hydroformed tubular front frame unit, also of high-strength steel. Some areas simply don't require heavy steel, so we employ down-gauged yet stronger steel—a smart move that further contributes to the fuel-sipping performance.

THE CARGO BOX. Also made from high-strength steel, the Ram cargo area features a standard CHMSL cargo light with available rear LED bed lighting. Of course, what sets Ram apart is the available class-exclusive¹ RamBox[®] Cargo Management System, a solution that completely changes the rules about hauling and storing.

SUPER-CAPABLE TOWING.

Expect remarkable capability here—because Ram 1500 was designed to deliver. The Ram 1500 structural rear bumper is rated for Class III towing, so right off the line, your Ram 1500 will fluently handle trailers up to 5,000 lb, when properly equipped. Fortunately, it can get much better.

The next step dramatically ramps up your towing capability. Opt for the factory-installed Class IV hitch receiver, which bolts directly to the high-strength steel frame; when properly equipped, you'll take on trailers up to 10,620 lb. The trailer connector is easily accessible, with an adjacent lamp making night connections a breeze, and all models provide a 4- and 7-pin connector as standard equipment.

FUEL EFFICIENCY. Your Ram 1500 was designed to deliver tens of thousands of miles over the years; that puts an emphasis on getting the most from every drop of fuel.

Which is why fuel-efficient touches are evident in virtually every aspect of Ram 1500, from the sculpted aerodynamic body that glides through air to available assets like wheel-to-wheel side steps and the Active Grille Shutters.

As with towing, powertrain performance is definitive. Ram offers the available 3.0L EcoDiesel V6 and the gas-powered workhorses: the 3.6L Pentastar[®] V6, and available 5.7L HEMI[®] V8, with its fuel-saving Multi-Displacement System (MDS) turning the V8 into a gas-sipping 4-cylinder during highway cruising.

INTERIOR COMFORT. No matter which Ram 1500 you're choosing, driver and passenger comfort is key to the ride. Anticipate the unexpected here.

Every interior is the result of thoughtful and intuitive design. From window controls and door handles to the dashboard-mounted Rotary Shifter for the TorqueFlite[®] 8-speed automatic, buttons and controls are easily operated. Storage in every model is abundant; fold-flat cargo load floors are available, and Crew Cab models up the convenience and security with in-floor storage bins.

From the unique tire-tread pattern on the seats of Ram 1500 Rebel[®] to the premium leather interior of Ram 1500 Limited, this is where style and comfort never take a back seat.

ONGOING INNOVATION.

Our commitment to innovation proves that creative thinking is one of many pillars contributing to the success of Ram 1500.

Fact: this pickup pioneered a raft of innovations that have changed how people think about trucks. Ram stands alone with its class-exclusive¹ link coil rear suspension and the class-exclusive¹ available five-mode Active-Level[™] Four-Corner Air Suspension System. The class-exclusive¹ available RamBox[®] Cargo Management System remains a Ram pickup advantage, and Ram 1500 was the first to introduce a light-duty diesel option—the groundbreaking available 3.0-liter EcoDiesel V6 powerplant.

The best way to see Ram 1500 innovation first-hand? Simply experience it for yourself—in a test drive.

THE CLASS-EXCLUSIVE¹ LINK COIL REAR SUSPENSION Without exception, our competition still employs leaf-spring technology. Ram lets you leave it where it belongs—namely, in your rearview mirror. The Ram 1500 link coil rear suspension offers a degree of strength and durability others just can't match. The upshot? More lateral stiffness and greater vehicle control. Fact: the ride quality is so good, this engineering is the long-preferred spring configuration for rail cars.

THE FRONT FRAME/SUSPENSION The hydroformed tubular front frame employs high-strength steel; with our long-proven short-/long-arm front suspension with coil springs and stabilizer bar, the technology ensures exemplary handling and road manners.

THE FRAME Less weight contributes to fuel efficiency. Where heavy steel isn't required, we opted for down-gauged but stronger steel in the frame—with its eight crossmembers augmenting the structural integrity. This full-size pickup delivers fuel-sipping performance.

THE ACTIVE GRILLE SHUTTERS This available asset has proven itself beyond doubt. The shutters instantly adapt to speed, load and engine needs to provide ideal engine cooling—while simultaneously reducing aerodynamic drag to help improve the fuel-efficiency numbers.

THE STEEL BED No question about it: aluminum definitely plays a part in truck design—but not here. Ram 1500 utilizes high-strength steel where you really need it—in back, where cargo is loaded onto resilient and uncompromising steel.

THE ACTIVE-LEVEL™ FOUR-CORNER AIR SUSPENSION SYSTEM

KEEP IT ALL ON THE LEVEL. ACTIVE-LEVEL ENSURES IT. Available for Ram 1500—and class-exclusive,¹ helping deliver improved fuel efficiency, responsive road manners, and fantastic ride and handling. Detailed at right, the driver-selectable modes include two Off-Road modes, the people- (and cargo-) friendly Entry/Exit Mode, and the automatic Aero Mode when cruising.

► Dashboard-mounted for fingertip access; integrated switchbank for instant control of the modes.

► Active-Level technology at work: it automatically kicks in when weight is added to the bed, maintaining a constant and level profile.

INVINCIBLE

+2.0 in.

OFF-ROAD 2 MODE Provides generous ground clearance for the path or trail, with expansive angles for approach, departure and breakover.

Properly secure all cargo.

CAPABLE

+1.2 in. front; +0.9 in. rear

OFF-ROAD MODE Outstanding ride balance combines with extra clearance when your off-road scenarios are less severe than those warranting Off-Road 2 Mode.

STREAMLINED

-0.6 in.

AERO MODE Automatically lowers the vehicle during highway speeds; aerodynamic drag is mitigated, "body roll" is reduced—and fuel efficiency is measurably improved.

COMFORTABLE

-2.1 in. front; -1.7 in. rear

ENTRY/EXIT MODE Lowers the vehicle when stopped for easier entry/exit, loading/unloading and convenient trailer hooking/unhooking.

5 YEAR/100,000 MILE³
POWERTRAIN LIMITED WARRANTY

A PROVEN DESIGN DELIVERS BIG DRIVING RANGE AND IMPRESSIVE TORQUE. Available for select Ram 1500 models, this groundbreaking diesel stands out in two critical areas: impressive torque for pulling and hauling, and exceptional fuel efficiency. B20-compliant, with one of the best warranties in the industry.

240 HORSEPOWER | 420 LB-FT OF TORQUE

3.0L ECODIESEL V6 CAPABILITY (WHEN PROPERLY EQUIPPED)

REGULAR CAB 8' BOX
9,210-LB MAX TOW CAPACITY
1,500-LB PAYLOAD CAPACITY

1,880-LB PAYLOAD CAPACITY

CREW CAB 5' 7" BOX
7,500-LB MAX TOW CAPACITY
1,820-LB PAYLOAD CAPACITY

STANDARD ON EVERY RAM 1500. This sophisticated 8-speed automatic delivers dual-purpose capability. Start with impeccable performance in conditions that range from highway cruising to heavy hauling. Now balance that strength with these three powerplants that contribute to outstanding fuel efficiency. Top it all off with ease of operation; the transmission engineering provides ideal driver control with manual gear selection via steering wheel-mounted buttons.

*EPA estimated 15 mpg city/22 mpg hwy based on Ram 1500 V8 4x2. Actual results may vary. [†]2017 EPA estimated 17 mpg city/25 mpg hwy based on Ram 1500 3.6L V6 4x2. Actual results may vary.

EFFICIENCY AT THE FOREFRONT: **THE 3.0L ECODIESEL V6**

ITS NAME SAYS IT ALL.

Ram 1500 led the way when we pioneered EcoDiesel technology. This powerhouse delivers all the torque you'd expect from diesel fuel, plus a B20 calibration that ups the ecological contribution.

► Ram 1500 Laramie Longhorn® Southfork Edition shown in Brilliant Black with RV Match Walnut Brown lower.

ELIMINATE LIFE'S UPS AND DOWNS. Boost capability and convenience. The class-exclusive¹ available Active-Level™ Four-Corner Air Suspension System delivers five modes of operation. Crucially, it makes trailering a breeze, simplifying ball/hitch alignment. The bigger picture? The system counteracts weight from trailering/hauling, maintains an even and level profile when loaded, and keeps constant the rake from the front end to the rear of the trailer.

SUSPENSION MANAGEMENT is at your fingertips. The dash-mounted integrated switchbank lets you raise or lower the vehicle through the available Active-Level Four-Corner Air Suspension System, and also lets you control the available trailer brake gain while towing.

STAY AHEAD OF THE GAME. LOOK BACK. Make towing a cinch. Standard ParkView® Rear Back-Up Camera⁵ with available Active Grid Lines is a natural for aligning the trailer ball with the hitch.

DOZENS OF MENU OPTIONS include data about the available trailer brake controller. This reading signals that the brake is at 50% of total operation with a 3.5% gain. You'll control the gain that's right for the terrain with the center stack-mounted trailer brake controller.

COVER EVERY ANGLE. Monitoring your trailer is critical. Extra-wide available trailer-towing mirrors on each side are the answer. Measuring a substantial 7 x 11 inches, they offer a maximum view, with a wide-angle mirror for peripheral traffic.

*When properly equipped. Properly secure all cargo.

THE BENCHMARK FOR CARGO VERSATILITY.

► THE AVAILABLE RAMBOX® CARGO MANAGEMENT SYSTEM.

Ram 1500 pioneered it, and it's still class-exclusive! The super-versatile bins and rails are designed to accept many convenient Accessories from Mopar®.

AVAILABLE PREMIUM KEYLESS ENTER 'N GO!™ Count on multiple conveniences in one small package: keyless (bladeless) Remote Start; control of the AllSecure® Locking System (including both RamBox System bins, if so equipped); control of the panic button; and operation of the Entry/Exit Mode of the available Active-Level™ Four-Corner Air Suspension System.

4x8 SHEETS FIT.

Even with the RamBox System, full 4x8 sheets of building material are accommodated.

STOW YOUR GEAR

STOW IT, STORE IT, SECURE IT. Lockable, drainable and illuminated, the two side boxes carry it all: tools, sports equipment—even iced beverages. They also accommodate numerous Mopar® Accessories for work and play. Available.

LIGHT THE BED

TWO POINTS OF ILLUMINATION. Augmenting the CHMSL cargo bed light, these two bed-mounted LED lights are perfect for night loading—now with a convenient bed-mounted on/off light switch.

EXTEND & DIVIDE

MULTIFUNCTIONAL VERSATILITY: THE BED EXTENDER/DIVIDER. Create compartments for specific cargo, or extend space to the open tailgate. With a smart, thin profile, it's easily stored at the head of the bed when not in use.

SECURE THE LOAD

CARGO RAIL SYSTEM WITH ADJUSTABLE TIE-DOWN CLEATS. Make sure it's all safe and secure. Cargo rails also accommodate numerous Accessories from Mopar, while the four movable cleats ensure that your cargo stays where it's supposed to.

▶ **Air Bag* Technology**
Ram surrounds you with protection, including advanced multistage front air bags, supplemental front-seat side-mounted air bags, and side-curtain air bags.

▶ **Side-Impact Door Beams**
Designed with forgiveness in mind, these door beams are engineered to absorb impact force from every angle.

▶ **Dynamic Front Crumple Zones**
These crumple zones are engineered to bear the worst of any impact, helping keep cab passengers safe and secure.

▶ **ParkSense Front and Rear Park Assist⁵—Available**

▶ **Hydraulic Boost Compensation**

▶ **Hill Start Assist**

▶ **ParkView® Rear Back-Up Camera⁸**
Displays the rear image in the rearview mirror (with Radio 3.0) or on-screen with dynamic grid lines.

▶ **Auto High-Beam Headlamp Control—Available**

▶ **Rain-Sensitive Windshield Wipers—Available**

▶ **Trailer Sway Damping⁹**

▶ **All-Speed Traction Control**

▶ **Rain Brake Support**

▶ **Antispin Rear Differential—Available**

▶ **Electronic Brake-Force Distribution**

▶ **Ready Alert Braking**

▶ **Antilock Brake System (ABS)**

▶ **Uconnect® Navigation and SiriusXM® Travel Link⁶** keep you in the know, with detailed weather maps and info on traffic delays and road dangers—Available

A 2018 Ram 1500 embraces road manners, comfort and capability with the same fervor that it welcomes safety and security. Standard on every model is the indispensable Electronic Stability Control (ESC)⁶ system. Attributes of ESC⁶ are comprehensive:

- ▶ Help regulate wheelspin, with **All-Speed Traction Control**. If slippage occurs during acceleration, automatic throttle control will reduce torque; in extremes (like accelerating from pavement to ice), it will apply the brakes and reduce the engine power to maintain control.
- ▶ Tow with confidence, using **Trailer Sway Damping⁹**, which detects yaw and applies selective brake pressure on the tow vehicle's opposite side to counteract and reduce the sway.

The Ram 1500 braking system features optimized pedal travel to provide quick power assist. Rear wheel-speed sensors are positioned for protection against road elements. ESC⁶ features multiple assets for braking, and it even includes vehicle control when stationary. Most notable are:

- ▶ Stop securely, with **Antilock Brake System (ABS)**. Monitoring each wheel's speed, the Ram 1500 ABS design also incorporates back-up braking should one of the two braking circuits be compromised.
- ▶ Balance the braking. **Electronic Brake-Force Distribution** regulates brake pressure from front to rear to minimize stopping distances.

- ▶ Anticipate potential trouble. **Ready Alert Braking** senses when the driver's foot is lifted from the accelerator; it applies an imperceptible brake force to ensure that pads and discs are lined up should an emergency stop be required.
- ▶ Factor in the weather. **Rain Brake Support** automatically and seamlessly activates when the driver turns on the windshield wipers; all brake calipers gently pulse against their respective rotors to remove water from the pads.
- ▶ Make it home, with **Hydraulic Boost Compensation**. Should a failure occur in the vacuum brake booster or any related line (say, a rupture occurred from tough off-roading), the brake controller will run the ABS pump; our system is so sophisticated, it conveys the problem to the driver. The brakes perform as normal until the failure is serviced.
- ▶ Stay still, with **Hill Start Assist**. When the vehicle is angled on an incline, this system keeps your Ram stationary for two seconds after the brakes have been released or until the accelerator is depressed.
- ▶ Indispensable protection: **ParkSense® Front and Rear Park Assist⁵**. This available feature uses integrated sensors with ultrasonic waves to detect objects as far as 47 inches away from the bumpers. Read-outs located in the gauge cluster display team up with audible chimes to notify the driver of proximity to front and/or rear objects.

NAV ASSIST | REAL-TIME VEHICLE INFO | VEHICLE SYSTEMS MONITORING | CUSTOMIZABLE

TECHNOLOGY DESIGNED
FOR THE REAL WORLD.

RADIO. When SiriusXM® Satellite Radio® meets Uconnect®, they really sing— with exclusive entertainment, sports, comedy, news and commercial-free music. We've got what you need, including 150 channels of the best satellite radio content. Additionally, stream from your desktop or download the free SiriusXM app® on your smartphone or tablet and enjoy SiriusXM All Access® when out of your vehicle. It's all included for a full first year as part of your one-year trial subscription.

PHONE. Prioritize different phones so multiple drivers can connect and call. Uconnect syncs with your compatible phone allowing you to drive safely with hands-free¹⁰ phone capability. Route all incoming calls to voice mail and suppress text message notifications by enabling the Do Not Disturb feature so you can keep your full attention on the road.

APPLE CARPLAY™¹¹ A smarter, safer way to use an iPhone® inside your vehicle and seamlessly integrate it with the Uconnect touchscreen and

Siri® Eyes Free.¹² You can make calls, access music, send and receive messages,¹³ get directions optimized for traffic conditions and more, while staying focused on the road.

ANDROID AUTO™¹¹ Automatically provides a safer way to use Android™ while driving. Share information, place phone calls or send and receive messages,¹³ while you easily access the best of Google: maps with voice-guided navigation, music, and Google Search, which lets you ask any question by voice command!¹⁰

INTEGRATED VOICE COMMAND¹⁰ WITH BLUETOOTH®. Access a favorite playlist on your music player or USB drive with simple voice commands.¹⁰ Ask for directions to a certain address. Or make a call. No problem. Siri Eyes Free¹² responds to natural language commands, so controlling your compatible iPhone and your vehicle's sound system and entertainment options is easy and effortless.

Android Auto™ screen shown.

CONNECTED. The Uconnect® mobile app with SiriusXM Guardian®¹² lets you control your truck from virtually anywhere and receive Monthly Vehicle Health Reports to keep an eye on every aspect of its performance.

- Remote Vehicle Start¹⁴
- Remote Horn & Lights¹⁴
- Vehicle Finder¹⁶
- Remote Door Lock/Unlock¹⁴
- Send & Go™¹⁵
- SOS Call¹⁷

NAV. Enter your destination with just your voice¹⁰—the route is calculated in seconds and displayed on the spacious 8.4-inch touchscreen. Then get turn-by-turn audio directions, so your eyes can stay devoted to the road. SiriusXM® Traffic Plus® will inform and reroute you at your choosing. You can even look up local fuel prices and weather using SiriusXM Travel Link®.

WiFi!¹⁸ Expand your options by turning your vehicle into an on-demand WiFi Hotspot¹⁸—with new 4G LTE WiFi¹⁸ making connections faster than ever. Purchase by day, month or year, after you register for Uconnect Access.¹⁹ Simply turn on your signal, connect your devices and go.

CONTROLS. Via the touchscreen, you can adjust your seat or cabin temperature, select a new music station or make a call. So sit back, get comfortable, and experience all the ways Uconnect makes the ride more enjoyable.

HOW ICONOCLAST BECOMES ICON. **REBEL®**

► **LETS YOU SCOFF AT THE COMMONPLACE AND HONOR THE OFF-ROAD.**

This customized and award-winning Crew Cab pickup is all about taking on roads less traveled and making weekends more appealing. Ram 1500 Rebel features a unique tire-tread embossed treatment on the standard seats—a designer's nod to the monster 33-inch Toyo® Open Country tires. Mounted on 17-inch aluminum wheels with Matte Black pockets, they let you ride with the standard Active-Level™ Four-Corner Air Suspension System with one-inch height increase—ideal technology when concrete appears only in the rearview mirror. Behind the tow hooks and aggressive Ram centric grille is your choice of power: the 3.6L Pentastar® V6 for 4x4 models, and 5.7L HEMI® V8, standard on 4x2 and available for 4x4 Rebel. It gets even better when you spec out your own Rebel at RAMTRUCKS.COM

Properly secure all cargo.

SIT DOWN, AND STAND OUT. **REBEL®**

► **EVEN THIS INTERIOR DEFIES CONVENTION.** Ram 1500 Rebel distinguishes itself with those Toyo® Open Country tread-inspired seats—and for 2018, the unconventional continues. Standard is an eye-catching interior finished in vinyl/cloth, in your choice of all-Black, or a Red/Black combination. Topping things off is the new available interior that leans toward the upscale: all-Black with leather-trimmed seats and distinctive stitching. All interiors feature a 10-way power driver's bucket seat and heated steering wheel with remote audio controls for the standard Uconnect® 4C with Bluetooth®.

► Multi-toned vinyl/cloth interior and available power sunroof.

► Shown here and right: all-Black vinyl/cloth interior.

UNLIMITED POTENTIAL. LIMITED TUNGSTEN

► **TUNGSTEN PUTS ELEGANCE INTO A WHOLE NEW LIGHT.**

The new Limited Tungsten exterior: think sharp Tungsten Chrome treatment for the grille and bodyside/tailgate moldings, with body-color employed for the bumpers, mirrors and door handles, plus bold RAM tailgate lettering—all contrasted with Black projector headlamps and LED taillamps.

► All photos: new Ram 1500 Limited Tungsten.

TOP OF THE LINEAGE. **LIMITED**

► HOW LUXURY AND CAPABILITY WORK HAND IN HAND.

The 2018 Ram 1500 Limited: if there's any pickup that reflects success, it's this one. The all-Black interior spares no expense in creature comforts, delivering premium leather, heated/ventilated front seats and heated rear seats, premium wood/leather-wrapped and heated steering wheel, Platinum Chrome accents and the top-of-the-line Uconnect® 8.4-inch touchscreen radio that includes Navigation.

► All photos: Ram 1500 Limited.

THOROUGHbred SLEEK. **LARAMIE LONGHORN® SOUTHFORK EDITION**

► **WE TREAT SOPHISTICATION AS A BREED APART.** And Ram 1500 Laramie Longhorn Southfork would rule. Shown here in two-tone paint with RV Match Walnut Brown lower and 20-inch aluminum wheels with accent-color inserts. The crowning touch? That distinctive tailgate lettering. Shown with available chrome wheel-to-wheel side steps.

Numbers in **Black boxes** reflect max ratings. 1. Payload and Max Trailer Weights are estimated values. 2. All weights are shown in lb unless otherwise stated. 3. Payload and Max Trailer Weight values are rounded to the nearest 10 lb. 4. Payload = GVWR – Base Weight. 5. Trailer Weight Rating and Tow Vehicle Trailing Weight are calculated as specified in SAE J2807. 6. Payload and Trailer Weight Rating are mutually exclusive. 7. GAWRs, GVWRs and GCWRs should never be exceeded. 8. The recommended tongue weight for a conventional hitch is 10 percent of the gross trailer weight. The maximum tongue weight for Class IV hitch receiver is limited to 1,100 lb. 9. Weight-distributing hitch is recommended for trailers over 5,000 lb. *When properly equipped.

Ram 1500 Rebel® in Flame Red with Brilliant Black lower with available Mopar® accessories, including Sport Performance Hood Decal Kit, Black Tubular Side Steps, Off-Road Wheel Flares, 17-inch Beadlock Wheels and Tonneau Cover.

CUSTOMIZE YOUR RAM 1500.

Authentic Ram Parts and Accessories by Mopar go far beyond simply giving you a means to personalize your Ram 1500—they give you nearly unlimited potential to ramp up comfort, convenience and performance.

Mopar Accessories cover it all. You can enhance towing capability, ease getting in or out, select from a variety of protective devices, and add flair to both the interior and exterior. Conceived and engineered by the same experts who designed your Ram truck, Mopar Accessories ensure perfect fit, function and finish.

Further advantages of Mopar are wide-ranging. Our Mopar Express Lane Service minimizes waiting and downtime, while Mopar Vehicle Protection® plans are the only extended protection backed by the manufacturer. The online record-keeping of your service records is a click away, through the Mopar Owner Site—and it's also where you'll get additional vehicle information and exclusive money-saving offers as a preferred Ram owner. Check it out.

Mopar support. It's all about keeping you happy and keeping your Ram 1500 in top-notch looks and condition. Get into all of it at **MOPAR.COM**

Sport Performance Hood Decal Kit

Black Tubular Side Steps

Off-Road Wheel Flares

17-inch Beadlock Wheels

Properly secure all cargo.

RAM OUTFITTER

DRIVE HOME THE POINT:
YOU'RE TOTALLY INTO RAM.
RAM OUTFITTER

► **BORN UNDER THE RAM SIGN.** Drive a pickup with ultra street cred—and then take it with you. It's all at RAMTRUCKS.COM/OUTFITTER

1 Based on latest available competitive information. Class based on light-duty pickups. 2 All SiriusXM Guardian-equipped vehicles come with a 12-month complimentary trial effective on the date of purchase or lease of a new vehicle. Enrollment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States, Puerto Rico and Canada. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. 3 Transferable. See dealer for complete details and a copy of the 5-Year/100,000-Mile Diesel Powertrain Limited Warranty. 4 Transferable. See dealer for complete details and a copy of the 5-Year/60,000-Mile Gas Powertrain Limited Warranty. 5 Always look before proceeding, electronic drive aid is not a substitute for conscientious driving; always be aware of your surroundings. 6 No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESC warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. 7 The Advanced Front Air Bags in this vehicle are certified to the new U.S. Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 8 SiriusXM audio and data services each require a subscription sold separately or as a package by Sirius XM Radio Inc. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. **If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations or on all receivers. 9 SiriusXM audio and data services each require a subscription after the trial included with the new vehicle purchase, sold separately or as a package, by Sirius XM Radio Inc. **If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. 10 Requires a mobile phone equipped with the Bluetooth Hands-Free Profile. Visit UconnectPhone.com for system and device compatibility. 11 Apple CarPlay requires a compatible mobile device connected via USB cable to the Uconnect system. To use Android Auto on your car's in-dash display, you'll need an Android Auto compatible vehicle or aftermarket stereo, an Android phone running 5.0 (Lollipop) or higher and the Android Auto app. Data plan rates may apply. Visit UconnectPhone.com for system and device compatibility. 12 Siri Eyes Free requires an iPhone equipped with Siri. Certain features not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. 13 Voice Text Reply and Voice Texting features require a compatible mobile device enabled with Bluetooth Message Access Profile (MAP). iPhone and some other smartphones do not currently support Bluetooth MAP. Visit www.UconnectPhone.com for system and device compatibility. Ensure MAP is ON and incoming message notification is enabled. Vehicle must be registered for Uconnect Access and you must fulfill minimum subscription requirements. Also requires the use of a compatible smartphone that supports text messaging and Bluetooth. Check UconnectPhone.com for device compatibility. 14 Vehicle must be within the United States, have network coverage and must be registered with Uconnect Access with an active subscription that includes the applicable feature and you must fulfill minimum subscription requirements. It must also be equipped with features that enable remote commands, such as keyless entry, and must be in active and usable cellular range. The Uconnect Access App must be installed and launched on your mobile device to use these remote commands. Remote features are available only on vehicles that are properly equipped. Check state and local laws regarding the use of remote start systems. 15 Send & Go requires a vehicle equipped with a Uconnect 8.4 Navigation unit. To use Send & Go, you must have the SiriusXM Guardian mobile app installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. 16 To use Vehicle Finder, you must have the SiriusXM Guardian mobile app installed on a compatible smartphone and have an active subscription to SiriusXM Guardian. 17 In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's location. 18 WiFi subscription required. Vehicle must be properly equipped and in active and usable cellular range for WiFi usage. WiFi Hotspot does not enable direct communication between multiple in-vehicle devices. Factors affecting the performance of WiFi Hotspot include: cellular network, signal strength and quality, time of day, number of channels used by the service provider, type of connection, number of clients using WiFi Hotspot and client device. This feature is not intended for use by the driver while the vehicle is in motion. Always drive safely. 19 Uconnect Access Via Mobile uses your smartphone's existing data plan to access information online. To use Via Mobile, you must have a compatible smartphone (with the Uconnect Access app installed and launched, visit UconnectPhone.com for compatibility) and you must fulfill all Uconnect Access registration and subscription requirements. Some applications must be configured on Mopar Owner Connect and may require an account. Via Mobile is included for five years and begins the day you take delivery of your vehicle. Register as soon as possible. Must be within the 48 contiguous United States, plus Alaska, and within active and usable cellular range.
