SHOWN IN GRANITE CRYSTAL.
RAM 1500 REBEL® QUAD CAB® SHOWN
IN TWO-TONE FLAME RED WITH
DIAMOND BLACK CRYSTAL LOWER.

NO COMPROMISE

THE STRONGEST RAM 1500 EVER

All-new Ram 1500: 98 percent of the steel used in the frame is high-strength steel, as is 38 percent of the steel used in the cab and box. The result is a reduction in weight without the sacrifice of durability and toughness Ram truck drivers depend on. Aluminum is used in the hood and tailgate to further reduce weight while maintaining structural integrity.

HARDCORE CAPABILITY

The all-new 2019 Ram 1500 was built to pull heavy loads, haul supplies over gravel roads and plow through the elements. Count on it to haul up to 2,300 lb* max payload or tow up to 12,750 lb* which is best-in-class** V8 towing with complete confidence. The Pentastar® V6 and the available HEMI® V8 offer eTorque technology to help improve both performance and fuel efficiency. Opt for the Ram Rebel® or the available Off-Road Group for next-level off-road performance. The available class-exclusive* Active-Level™ Four-Corner Air Suspension offers automatic load leveling to help improve stability and maintain exceptional drive quality.

*When properly equipped. **All disclaimers and disclosures can be found on page 38. Properly secure all cargo.

TECHNOLOGY AT THE TOUCH OF YOUR FINGER

Truck owners demand the best technology and the all-new Ram 1500 delivers, including SiriusXM® with 360L, the most amazing listener experience ever, the class-exclusive¹ available 12-inch touchscreen media center, and the most powerful audio system in its segment¹ from Harman Kardon®—with a 900-watt amplifier and 19 speakers.

LUXURY DEFINED BY COMFORT, SPACE AND SILENCE

Luxury means having a quiet, smooth and supremely comfortable ride. All-new Ram 1500 achieves it with a class-exclusive¹ multilink coil spring rear suspension, a new Crew Cab that adds 4 inches to the interior length and provides both best-in-class¹ rear leg room and available class-exclusive³ reclining rear seats—all topped off with best-in-class¹ interior background noise dampening.

THE 5.7L HEMI® V8 395HP 410LB-FT

AVAILABLE WITH eTORQUE TECHNOLOGY
And a supplemental 130 lb-ft eTorque

THE TECHNOLOGY OF eTORQUE

The Ram Brand is known for technological leadership, and the addition of eTorque proves it. This mild hybrid system incorporates a number of technologies with the 3.6L Pentastar® V6 or the 5.7L HEMI V8, including regenerative braking, Stop/Start capability, a 48-volt lithium-ion battery pack and an on-board 12kw motor/generator. The electric motor serves to provide more supplemental power during acceleration and passing. Stop/Start helps improve fuel efficiency with seamless engine on/off operation, while regenerative braking recovers and converts energy during braking.

THE ADVANTAGES OF eTORQUE

The incorporation of available eTorque and its components offers significant advantages across the board. The electric motor enables longer 4-cylinder operation of the HEMI V8 Multi-Displacement System (MDS)/Fuel Saver Technology for additional fuel-efficiency benefits. Stop/Start capability also contributes to improved fuel efficiency, by up to 3.3 percent. Regenerative braking utilizes the on-board electric motor as a generator, converting energy to recharge the battery system. The Stop/Start System is completely transparent, and a dash-mounted system-disable switch lets the driver turn it off if desired.

THE LEGEND EVOLVES INTRODUCING eTORQUE TECHNOLOGY

THE TORQUEFLITE® 8-SPEED TRANSMISSION

Two exceptional 8-speed automatic transmissions help churn out the power in the all-new 2019 Ram 1500. New for Ram 1500, powered by the Pentastar V6, is the B50RE transmission; torque capacity is rated at 369 lb-ft. 2019 Ram 1500 models employing the legendary 5.7L HEMI V8 utilize the new TorqueFlite BHP75 transmission, with a torque capacity of 545 lb-ft.

Characteristics of both components point to resilient strength. Among them: fully electronic performance. On-the-fly shift map changing. More than 40 individual maps to address performance, drivability and fuel efficiency. Wide ratio spreads to help improve fuel efficiency with reduced RPM—which help reduce emissions by nearly 11 percent.

THE NEW 3.6L PENTASTAR V6
WITH eTORQUE TECHNOLOGY
305HP 269LB-FT
And a supplemental 90 lb-ft eTorque

BEST-IN-CLASS WHERE IT COUNTS

The better the air management, the more efficient the pickup—and Ram 1500 rules. The class-exclusive¹ Active Front Air Dam, a new roofline that better directs airflow and a new aluminum tailgate with spoiler work together to deliver best-in-class² aerodynamics.

ALL-AROUND EFFICIENCY

ACTIVE GRILLE SHUTTERS Standard on all models, Active Grille Shutters instantly adapt to speed, load and engine needs to provide the ideal engine cooling—while simultaneously reducing aerodynamic drag.

AERO ROOF SHAPE An all-new exterior design starts with a longer Crew Cab wheelbase, muscular fenders and a revised roofline that better directs airflow back to the rear spoiler. The larger aero roof makes way for the all-new available dual-pane sunroof.

NEW TAILGATE DESIGN An all-new aluminum tailgate with integrated spoiler not only makes Ram 1500 more aerodynamic, but also gives it a seamless, unbreakable appearance. The new available "Tailgate-ajar" notification system alerts you if the tailgate is not completely closed. Opening the tailgate is also easier thanks to available dampening and key fob control.

ACTIVE AIR DAM This class-exclusive¹ asset automatically deploys at 30 mph to reduce the amount of aerodynamic drag, which simultaneously improves handling while contributing to reduced fuel consumption.

THE STRONGEST RAM 1500 EVER

NEW ELECTRONIC PARKING BRAKE

Five operational modes, including Safe Mode and Drive-Away Release.

STRONGER ALL AROUND

Extensive use of high-strength steel makes this the toughest Ram 1500 ever.

HEAVY-DUTY SHOCKS

Twin-tube, with Frequency Response Damping to enhance ride quality for both on- and off-road driving.

SIDE-IMPACT DOOR BEAMS

Reinforce the protection against potential side impacts.

A STRONG FOUNDATION

98% of the steel used in the frame is high-strength steel.

DYNAMIC FRONT CRUMPLE ZONES

Redesigned to handle greater impact load and absorb more energy.

PROGRESSIVE-RATE REAR SPRINGS

Adapt to handle payload while maintaining a level ride and excellent ride quality.

REAR AXLE THERMAL MANAGEMENT SYSTEM

This new available technology manages viscosity to help enhance fuel efficiency.

TIRE BLOCKER

Offers further protection in the event of a frontal crash. Driver and passenger side.

LARGER BRAKE ROTORS

The largest standard brakes in the segment! Front and back, they fully measure up—nearly 15 inches.

SPLAYED FRAME RAILS

Direct impact energy away from the cabin and to the frame rails.

THE START: A HIGH-STRENGTH STEEL FRAME

Tough starts with the foundation, and the all-new 2019 Ram 1500 is built to last, with 98 percent of the steel used in the frame comprised of high-strength steel—while still achieving a 100-lb weight reduction.

Frame construction permits notable secondary improvements. Tow hooks attached to the front are outwardly mounted, with a weight-efficient, closed-loop design for improved strength. A tow hitch receiver mounted to the rear of the frame is standard on all models.

NEW AXLES SHOWCASE STRENGTH AND TECHNOLOGY

Ride strong. Ram truck axles take capability to the next level.

Ram truck engineers refused to compromise, choosing a new 6-lug wheel design that enables up to 7,100-lb* GVWR, a 9.25-inch (235-mm) rear axle with a GAWR of up to 4,100 lb* and a GCWR of up to 17,000 lb*. The new electronic parking brake relies on axle modifications for integrated caliper ears, along with new viscosity lube. Opt for the Max Tow Package with the upgraded 9.75-inch (256-mm) rear axle and GCWR vaults up to 18,200 lb*. More stunning: select 4x2 models with the 235-mm rear axle receive a new thermal management system, which helps keep axle fluid temps at their peak.

THE CLASS-EXCLUSIVE! FOUR-CORNER AIR SUSPENSION SYSTEM

Completely unique to the light-duty segment, the automatic or driver-operated Active-Level™ Four-Corner Air Suspension System is available on all trim levels (except Ram HFE). The system has been modified for 2019 Ram 1500, now with a redesigned air supply unit in a single unit to increase capability and reduce weight. It's also been retuned for the new, lighter-weight frame and chassis components.

The five operational modes include two Off-Road heights, Aero Mode, Normal Ride height, and the Entry/Exit Mode.

FRONT AND REAR SUSPENSIONS

A new common front suspension between 4x2 and 4x4 configurations. Among the features: a repositioned heavy-duty stabilizer bar; new heavy-duty bearings for available 22-inch wheels; a new lightweight aluminum lower control arm and new low-drag 4x2 and 4x4 bearings.

The class-exclusive* multilink coil spring rear suspension stands apart with its coil springs and multiple trailing links, progressive-rate rear springs, a heavy-duty stabilizer bar and lightweight aluminum rear shocks. Taken together, the suspensions on Ram 1500 deliver complete comfort and confidence.

*When properly equipped.

12,750-LB MAX TOWING*

TOW WITH CONFIDENCE

This is a full-size truck with full-size towing capability. Outfit your Ram truck with the available legendary 5.7L HEMI® V8 powerhouse with available eTorque and the available Max Tow Package; the package includes a 9.75-inch axle with 3.92 axle ratio, rear stabilizer bar, trailer-tow mirrors and LT18-inch All-Terrain tires mounted on stylish 18-inch 6-lug/5-spoke cast-aluminum wheels. The result is towing capability that delivers best-in-class¹ V8 towing: 12,750 lb* of unbraked power that takes on the toughest towing assignments.

THE AVAILABLE AIR SUSPENSION SYSTEM SIMPLIFIES BALL/HITCH ALIGNMENT, COUNTERACTS WEIGHT FROM TRAILERING/HAULING, MAINTAINS AN EVEN AND LEVEL PROFILE WHEN LOADED, AND KEEPS RAKE CONSTANT FROM THE FRONT END TO THE REAR OF THE TRAILER.

ACTIVE-LEVEL TECHNOLOGY AT WORK: IT AUTOMATICALLY KICKS IN WHEN WEIGHT IS ADDED TO THE BED, MAINTAINING A CONSTANT AND LEVEL PROFILE.

2,300-LB MAX PAYLOAD*

BUILT TO DO THE JOB RIGHT, EVERY TIME

The reduced weight of the all-new Ram 1500 helps to increase payload capacity, which allows you to make every load count. The 2019 Ram 1500 puts stunning hauling capability at your fingertips, delivering up to 2,300 lb* of brute carrying strength along with a ride that puts comfort in the same league as capability. Add further hauling assets—like the class-exclusive¹ available RamBox® Cargo Management System, shown here—and you've got what it takes to get the job done.

ALL AROUND YOU

AVAILABLE LANESENSE® LANE DEPARTURE WARNING (LDW)†

Ram 1500 can read the road. Mounted on the external sideview mirrors, cameras can identify road lines, determine where the vehicle is and monitor motion. Should movement onto either line occur without use of the turn indicator, the system will warn the driver and apply torque to the steering wheel to correct the movement. If no action corrects the drift, the system will even automatically align the vehicle back into its correct lane position.

NEW ADAPTIVE CRUISE CONTROL (ACC) WITH STOP AND GO‡

Think cruise control that's smarter than ever. When the lanes ahead are clear, this available system maintains the set speed of travel. When traffic slows, it will automatically adjust to a safe distance selected by the driver. And, while most ACC‡ systems operate only down to 20 mph, our system operates down to 0 mph, virtually stopping the vehicle—then reengaging back to safe-range speeds as traffic begins to move again. (Note that the system does not perform "panic stops" at speed.)

FORWARD COLLISION WARNING (FCW) PLUS®

This available asset incorporates Grade Braking to control the transmission and automatically downshifts to maintain selected speed and distance. The system operates independent of the ACC‡ system, notifies the driver if the vehicle is too close to a preceding vehicle, uses audible/visual warnings and will brake the vehicle to 0 mph if the driver does not respond.

AVAILABLE REAR CROSS-PATH DETECTION† When in Reverse and vehicles and/or other objects are in perpendicular relationships to your Ram pickup, dual wide-band radar sensors let you know, using illuminated icons in the outside mirrors and driver-selected chimes.

BLIND SPOT MONITORING (BSM)™ WITH TRAILER DETECTION†

This available asset monitors the "blind spots" on each side of the vehicle, utilizing sensors in each of the side mirrors. The system provides audible chimes and/or visual icons, informing the driver when changing lanes, passing others or being passed. Trailer Detection† automatically senses and accounts for the length of the trailer.

AVAILABLE: THE NEW 360° SURROUND-VIEW CAMERA† Depending on the model and the options and packages selected, you can bring 360-degree awareness to the drive. Credit the smart combination of strategically positioned sensors that work with cameras mounted in the grille, side mirrors and rear.

AVAILABLE PARK ASSIST† Ever-more sophisticated sensors give all-new Ram 1500 superb capability. Available and new for 2019: Parallel and Perpendicular Park Assist†, welcome additions to the ParkSense® Front and Rear Park Assist† platforms.

THE LARGEST STANDARD BRAKES IN THE SEGMENT† Confident stopping power comes from a new brake system. The new brakes have the largest standard rotors in the segment†, measuring nearly 15 inches in diameter fore and aft, sharply reducing 60-0 mph stopping distances and improving performance.

AVAILABLE SMARTBEAM HEADLAMPS† This advanced system provides the maximum amount of light possible, automatically switching headlamps from high- to low-beam when oncoming headlamps or forward light is sensed, or when taillamps are detected in front of the vehicle.

YOUR RAM 1500

CHROME APPEARANCE PACKAGE

Available on Tradesman® and Laramie®, packages vary slightly by model. Exterior highlights include: chrome grille, chrome bumpers and 18-inch aluminum wheels for Tradesman. Chrome tow hooks, chrome window moldings and chrome wheel-to-wheel side steps for Laramie. Requires Equipment Groups by model. See Buyer's Guide in the back of this catalog or visit RAMTRUCKS.COM for further details.

4x4 OFF-ROAD PACKAGE

Available on most trim levels. When your urge to explore is uncompromising, nothing should hold you back. The protection and power from this tough, available package lets you master the unexplored.

Included: standard 1-inch lift, available 2-inch lift with Active-Level™ Four-Corner Air Suspension, LT18-inch OWL On-/Off-Road or P20 OWL All-Terrain tires*, electronic locking rear axle (eLocker), off-road calibrated shocks, Hill Descent Control, tow hooks, multiple skid plates protecting the front suspension, transfer case, fuel tank and power steering unit, and 4x4 off-road decal.

*Tire selection depends on wheel size.

BLACK APPEARANCE PACKAGE

Available on Lone Star®/Big Horn® and Laramie. Exterior highlights include: Black body-color grille surround, Black body-color bumpers, Black monotone paint, Black badges, Black headlamp and taillamp bezels, Black RAM grille badge and 20- or 22-inch wheels. Interior highlights include: monotone Black interior treatment. Requires Equipment Groups by model. See Buyer's Guide in the back of this catalog or visit RAMTRUCKS.COM for further details.

SPORT APPEARANCE PACKAGE

Available on Lone Star®/Big Horn® and Laramie®, packages vary slightly by model. Exterior highlights include: body-color grille surround, body-color bumpers, body-color door handles and mirror caps on Lone Star®/Big Horn and Laramie. Sport performance hood on Laramie, and monotone paint treatment. Interior highlights include: monotone Black interior trim and seating. Requires Equipment Groups by model. See Buyer's Guide in the back of this catalog or visit RAMTRUCKS.COM for further

RAM 1500

LIMITED

MORE ROOM

OUTSTANDING CARGO MANAGEMENT

Overflowing with new features from the available class-exclusive¹ RamBox[®] Cargo Management System with 115-volt outlet to the new available power and assisted tailgate. Inside, you'll find a larger space that's more sophisticated than ever with best-in-class¹ available interior storage volume.

BEST
CLASS

**THE MOST LUXURIOUS TRUCK
IN ITS SEGMENT^B**

A NEW LEVEL OF LUXURY

This Ram pickup can be defined by both its capability and its sophistication. There are bold new interior themes and extensive use of genuine wood, metal and leather throughout. Available features include a new class-exclusive¹ reconfigurable center console, a new largest-available 12-inch touchscreen media center¹ with split-screen capability, a 7-inch reconfigurable electronic cluster and class-exclusive¹ features like a rear-seat fold-down center console.

Opt for premium trim levels with soft, upscale leather trim and available features like heated/ventilated front and rear seats. Select Crew Cab models can also be equipped with new class-exclusive³ reclining rear seats featuring 8° recline.

COMMAND CENTRAL

FULLY CONFIGURABLE DRIVER INFORMATION DISPLAY

Depending on the trim level, the Driver Information Display measures in with either a 3.5- or 7-inch display. In select models, this color display telegraphs reams of information, from speed to numerous in-motion data concerning mechanical operation. On premium models, the display offers high-definition quality, animated 3D graphics, with five display themes and

distinctive illuminated RAM identity. For 2019, the 7-inch display is also model-specific. On Ram Rebel® models, there's a Rebel only theme with Red-lit badge contrasting with the Gray and Dark Ruby Red accents. The Ram Laramie Longhorn® display carries the Laramie Longhorn theme in subtle Gold tones against a dark background, while the Ram Limited display keeps the Limited theme: muted Violet and Light Gray on a darker background.

Properly secure all cargo.

EASY-ACCESS CONNECTIVITY. WIRELESS CHARGING. FAST USB CONNECTIONS

Ditch the inconvenience of wires and opt for wireless phone charging. Simply set your phone on the console-mounted pad to begin charging.

Two sets of USB/Type-C USB ports are located on the front of the center console. The new Type-C USB ports enable charging up to four times faster than standard USB outlets, as well as faster data downloads. An auxiliary port is positioned between the USB outlets. An integrated phone shelf can carry as many as three smartphones vertically and is sized to carry most tablets.

THE HIGHEST NUMBER OF SPEAKERS IN THE SEGMENT.¹

Only Harman Kardon® could do it—and only the all-new 2019 Ram 1500 offers it: a custom-tuned, available system that makes every drive more enjoyable. Technology never sounded so good.

With 18 premium speakers plus premium subwoofer strategically engineered within the cabin, the Harman Kardon Audio System also features available Active Noise Cancellation, a refinement that uses the system to cancel out unwanted noise—and which contributes to a superb audio experience when music is played. It's all powered by a 900-watt multi-channel Class-D amplifier made even better with 360° surround-sound and Digital Signal Processing.

Apple CarPlay™¹⁸ screen shown.

SMARTER, FASTER AND MORE ADVANCED CONNECTIVITY KEEPS YOU IN TOUCH WITH THE PEOPLE AND JOBS THAT MATTER MOST

CUSTOMIZED BY YOU

This is powerful, user-friendly technology that delivers a premium and all-new level of entertainment, communications, comfort and convenience—and which brings together a wealth of technologies. The latest generation of the award-winning Uconnect® system encompasses everything from built-in cellular connectivity to personalized settings for available features like heated/ventilated seats, Keyless Enter 'n Go™ and more.

Properly secure all cargo.

CENTER CONSOLE

REIMAGINED FRONT CENTER CONSOLE

Drivers of Ram 1500 models equipped with bucket seats will enjoy a next-generation level of convenience and technology—with a center console designed around occupant comfort and need.

Now more than 50 percent larger than the previous generation, this dynamic piece of equipment offers dozens of functions and conveniences, starting with numerous different storage combinations. In the center, our engineers have designed a wider docking area with optional wireless charging—ideal for cell phones. A three-position sliding cup holder tray can be stowed under the center armrest, revealing a deep storage bin that can hold a 15-inch laptop. Lifting the lid of the center armrest also reveals an additional rubber-lined storage bin, perfectly sized to fit a tablet. At the rear of the console, you'll find two additional cup holders, media outlets and the ability to mount an iPad® for convenient rear-seat viewing.

COUNT ON RAM 1500 TO GIVE YOU THIS MUCH TOUCHSCREEN. THIS MUCH VERSATILITY. THIS MUCH TECHNOLOGY. THIS MUCH CAPABILITY.

Available features, see dealer for complete details.

CUSTOMIZE THE DISPLAY TO BEST SERVE YOUR NEEDS. INTUITIVE UCONNECT™ TOUCHSCREEN LETS YOU COMMUNICATE, NAVIGATE AND STAY ENTERTAINED.

LISTEN to music, talk shows and sports. Access all genres, favorite artists, winning teams—all the time with SiriusXM® Radio featuring the all-new 360L² experience.

DISCOVER new places, the best shopping, entertainment and restaurants from the Uconnect smartphone app, then easily send the address to your vehicle.

SPEAK UP and be heard, send and receive calls and texts⁹ while driving safely with hands-free phone capability.¹⁰

NAVIGATE to every adventure, get turn-by-turn directions so you don't get lost on the way (unless you want to).

START your car from afar, get your engine running, unlock your door or flash your headlamps from almost anywhere using your smartphone¹¹ with SiriusXM Guardian¹² and the Uconnect app.

SMART drivers receive weather and traffic reports* with a five-year trial subscription to SiriusXM Travel Link³ and SiriusXM Traffic Plus².

THE NEW SIRIUSXM WITH 360L² EXPERIENCE delivers more content variety, and a personalized experience that allows for easy content discovery. More variety—most live channels in a vehicle plus 5,000 hours of On Demand shows and performances. Personalized listening—delivering recommendations that get smarter the more you listen. More control of your listening experience with voice search, listener profiles and easy-to-use categories lets you quickly and easily find and hear whatever, whenever and however you want. We put the most amazing content in front of you, and you're in the driver's seat of it all.

APPLE CARPLAY™ COMPATIBILITY

 This is smarter iPhone® integration, so you'll experience your favorite features through your dashboard. With Siri® all you have to do is ask—catch up on calls and messages, get directions from Apple Maps, or request a song through Apple Music. The system lets you browse music, or discover nearby gas stations, parking, restaurants and more. Plus, Maps help predict where you're headed.

ANDROID AUTO™¹² INTEGRATION

 For those who know and love Android™ Google™ goes with you: AUTO with navigation and "OK Google" voice detection, you'll hear your favorite Google Play music and get voice-guided navigation from Google Maps. Stay focused and productive while on the road with voice controls¹³ that allow you to make calendar appointments, set timers, reply to emails and messages, and more.

Uconnect®

FOR THE REAL WORLD

REBELLION

RAM REBEL® ON FLAME
RED WITH DISCARDING
BLACK CRYSTAL LUMINOUS
AND STANDARD 18-INCH
ALUMINUM WHEELS.

HONOR THE OFF-ROAD

This is your path to epic off-road experiences. Ram Rebel® doesn't just look fierce, it is fierce. Black powder-coated steel bumpers, aggressive approach angles, tow hooks and factory lift give you the brute force needed to find new trails.

New and available for both Quad Cab® and Crew Cab configurations: a new electronic locking rear axle (eLocker), 18-inch aluminum off-road wheels and On-/Off-Road 33-inch tires with outlined white lettering (OWL).

Power is up to you: the 3.6L Pentastar® V6 with eTorque is standard. A 5.7L HEMI® V8 is available. Standard Rebel features include a 1-inch ride height increase, Bilstein® off-road shocks, Class IV hitch receiver, tow hooks, wheel flares, Sport performance hood, powder-coated bumpers and unique grille.

See more at RAMTRUCKS.COM

REBEL

THIS INTERIOR REBELS AGAINST THE ORDINARY

While the new Ram Rebel® is built for off-road action, this interior definitely takes the high road. Features include unique laser-engrained Dark Ruby Red accents, all-new Black/Dark Ruby Red premium seats that feature the Rebel tire tread as cloth inserts, Rebel themed floor mats and leather-wrapped steering wheel. The available 8.4-inch touchscreen and gauge cluster showcase a new "smoked" appearance, while the 7-inch Driver Information Display cluster screen is divided into separate digital gauges to better organize content. Passengers will appreciate the new 4-way headrests and new 12-way power seats.

READY FOR ANY DESTINATION ON THE MAP

The all-new 2019 Ram 1500 Laramie Longhorn speaks with authority with a standard 3.6L Pentastar® V6 with eTorque or available 5.7L HEMI® V8. The redesigned exterior includes refinements like a shark's fin antenna, new flush fuel-fill door, taller pickup box and chrome side steps, all riding on 20-inch aluminum wheels. Shown above with optional two-tone Ivory White upper and RV Match Walnut Brown lower, and running boards.

The Laramie Longhorn interior is premium all the way, with leather-upholstered bucket seats with power/12-way memory, new sliding console storage, premium 6-gauge cluster, 7-inch Driver Information Display, three USB ports and new reclining rear seats.

LUXURY IS JUST AROUND THE CORNER

With its all-new exterior and interior, Ram 1500 Laramie makes a statement like no other. Outside, look for a new raised aluminum hood, LED headlamps, pushed-to-the-corner LED fog lamps, chrome billet grille with chrome surround, chrome front bumper, aluminum tailgate with dampened opening assist and a standard Class IV hitch receiver.

The redesigned interior features all-new technology and premium materials, including leather-trimmed and suede-accented seats with standard front bench or available bucket front seats, a 6-gauge reconfigurable color cluster, leather-wrapped steering wheel, wood accents, a premium overhead console and new available reclining rear seats.

SURE-FOOTED. FROM LAKE TO MOUNTAIN

You choose, you go. Ram 1500 Lone Star¹/Big Horn, with standard Pentastar[®] V6 with eTorque or available HEMI[®] V8, in Quad Cab[®] or Crew Cab. Now with a new raised aluminum hood, improved illumination from new quad-halogen headlamps, a bright-surround billet grille and an aerodynamic spoiler integrated into the tailgate. The completely redesigned interior features four color combination options with cloth seating, painted bezels, three USB ports, standard 40/20/40 bench or optional bucket seats with center console.

¹Lone Star model available only in Texas.

VALUE AND CAPABILITY AT YOUR SERVICE

You don't put in half effort and neither does your Ram truck. The all-new Ram 1500 Tradesman boasts a robust 3.6L Pentastar® V6 with eTorque, no-nonsense 18-inch wheels and a ParkView® Rear Back-Up Camera.* The interior sports a standard 5-inch Uconnect® touchscreen radio with Voice Command,** manual tilt/telescoping steering wheel and clean vinyl seating. Numbers in Black boxes reflect max ratings. 1. Payload and Max Trailer Weights are ESTIMATED values. 2. All weights are shown in pounds unless otherwise stated. 3. Payload and Max Trailer Weight values are rounded to the nearest 10 lb. 4. Payload + GWR = Base Weight. 5. Trailer Weight Rating (TWR) and Tow Vehicle Trailering Weight are calculated as specified in SAE J2807. Passenger Weight + 300 lb. Options Weight is option content above 33 percent of sales volume. Trailer equipment weight + Class IV receiver hitch is 11.1 lb (if not already included in options weight). Trailer hitch is 10 lb if TWR is less or equal to 5,000 lb and 65 lb if TWR is greater than 5,000 lb. 6. Payload and Trailer Weight Rating are mutually exclusive. 7. GVWRs, GVWs and GOWs should never be exceeded. 8. The recommended tongue weight for a conventional hitch is 10 percent of the gross trailer weight. The maximum tongue weight for Class IV receiver hitch is limited to 1100 lb. 9. Weight-Distributing Hitch is recommended for trailers over 5,000 lb. *When properly equipped.

DRIVE HOME THE POINT:
YOU'RE TOTALLY INTO RAM.
RAM OUTFITTER

► BORN UNDER THE RAM SIGN. Drive a pickup with total street cred—and then take it with you. Ram Outfitter is where you'll find the useful, the cool and the stylish—from clothing and caps to luggage and tools. Make the Ram identity part of your everyday lifestyle. It's all at RAMTRUCKS.COM/OUTFITTER
