

FINANCING OPTIONS

Toyota Financial Services (TFS) has developed a number of ways to help you get behind the wheel of a new Scion. See below for highlights of some of our programs. For additional financing and lease options, as well as more information on those listed here, please visit www.scion.com and www.scion.com/purelease.

SCION PURE LEASE*

With a Scion Pure Lease, you may enjoy lower monthly payments than you would if you were financing the purchase of your vehicle. You also have the flexibility of driving a new vehicle every few years, without having to worry about selling your vehicle at the end of the lease.

RETAIL FINANCE PLAN*

If you plan to keep your Scion awhile and drive more than 15,000 miles a year, the Scion Solutions Retail Finance Plan can be a great choice. With Competitive Annual Percentage Rates and flexible payment options, start clearing out a space in the garage.

In appreciation of all you do, Scion is offering a special \$1000 rebate to eligible active duty and reserve personnel who finance or lease a new Scion through a Scion dealer and Toyota Financial Services.

COLLEGE GRADUATE FINANCE & REBATE PROGRAMS*

Congratulations on graduating from college! To celebrate, if you finance or lease through a participating Scion dealer and TFS we're offering qualified recent grads \$1000 towards the purchase of a new Scion, no money down, no monthly payments for the first 90 days on finance contracts. If you would prefer a lease, Scion Solution College Graduate Lease offers \$1000 towards the lease of a new Scion and waived security deposit.

iFi RETAIL AND LEASE PROGRAM*

This retail and lease program is specifically designed for customers with limited credit histories.

The iFi Program features:

- 110% Retail Advance and 100% MSRP Advance for Lease
- \$25,000 Maximum Amount Financed or Net Capitalized Cost
- Down Payment or Cap Cost Reduction is the lesser of 10% of MSRP or Selling Price of Vehicle
- Tiers/Zones 1+ thru 5 are eligible (depends upon FICO score)

Please contact your local Scion Dealership for details.

* For details, visit any participating Scion Dealer. Offer is valid only in the continental US and Alaska and is void where prohibited.

PURE PRICE® TAKES THE HAGGLE AND HASSLE OUT OF BUYING A NEW SCION.

THE ADVERTISED PRICE IS THE PRICE YOU PAY. WHEN THE DEALER TELLS YOU HOW MUCH THE CAR COSTS, THAT'S WHAT THE CAR COSTS.

DEALERS HAVE A MENU OF OPTIONS FOR PARTS, ACCESSORIES, FINANCING, AND SERVICE WITH CLEAR PRICING.

SAVES TIME — NO BACK AND FORTH.

YOU KNOW ALL THE PRICING UP FRONT

For more information on Scion's Pure Price® Experience, contact your local Scion dealer.

SCION SERVICE BOOST

Proper vehicle maintenance is important to help ensure the dependability of your vehicle. That's why all new Scions now feature a standard 2-year or 25K-mile complimentary, worry-free maintenance plan with 24/7 roadside assistance.**

**Covers normal factory scheduled service. Plan is 2 years or 25K miles, whichever comes first. The new Scion vehicle cannot be part of a rental or commercial fleet, or a livery or taxi vehicle. See plan for complete coverage details. See participating Scion dealer for details or call 1-866-707-2466.

1. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions. **2.** Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, and driver steering input can affect whether VSC will be effective in preventing a loss of control. Please see your Owner's Manual for further details. **3.** 2013 EPA-MPG estimates. Actual mileage will vary. **4.** Do not allow passengers to ride on the fully reclined front seat while driving. This feature is intended for use only when the vehicle is parked. While the vehicle is being driven, all vehicle occupants should have the seatback upright, sit well back in the seat and properly wear the seat belts provided. In the event of a collision, the more the seat is reclined, the greater the risk of death or personal injury. See Owner's Manual for additional information. **5.** Displays range, fuel consumption, and average speed. **6.** iPod and iPhone are registered trademarks of Apple Inc. iPod and iPhone not included. **7.** The Direct Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See your Owner's Manual for details. **8.** All the airbag (AB) systems are Supplemental Restraint Systems. All ABS (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABS at a severe tilt degree, roll or lateral G-Force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an AB or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating AB may cause serious injury or death. See your Owner's Manual for further information/warnings. **9.** Smart Stop Technology operates only in the event of certain simultaneous brake and gas pedal applications. When engaged, the system will reduce engine power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. Please see your Owner's Manual for further details. **10.** Does not include service required under "special operating conditions." The new Scion can not be part of rental, delivery, taxi or commercial fleet.
