FINANCING OPTIONS

Toyota Financial Services (TFS) has developed a number of ways to help you get behind the wheel of a new Scion. See below for highlights of some of our programs. For additional financing and lease options, as well as more information on those listed here, please visit www.scion.com and www.scion.com/purelease.

SCION PURE LEASE*

With a Scion Pure Lease, you may enjoy lower monthly payments than you would if you were financing the purchase of your vehicle. You also have the flexibility of driving a new vehicle every few years, without having to worry about selling your vehicle at the end of the lease.

RETAIL FINANCE PLAN*

If you plan to keep your Scion for awhile and drive more than 15,000 miles a year, the Scion Solutions Retail Finance Plan can be a great choice. With Competitive Annual Percentage Rates and flexible payment options, start clearing out a space in the garage.

SCION MILITARY REBATE PROGRAM*

In appreciation of all you do, Scion is offering a special rebate program to eligible active duty and reserve personnel who finance or lease a new Scion through a Scion dealer and Toyota Financial Services. Go to Scion.com for more information.

COLLEGE GRADUATE FINANCE & REBATE PROGRAMS*

Congratulations on graduating from college! To celebrate, if you finance or lease through a participating Scion dealer and TFS we're offering qualified recent grads a generous rebate towards the purchase of a new Scion, no money down, no monthly payments for the first 90 days on finance contracts. If you would prefer a lease, Scion Solution College Graduate Lease offers are also available towards the lease of a new Scion and a waived security deposit. Go to Scion.com for more information.

iFi RETAIL AND LEASE PROGRAM*

Don't let anything come between you and your Scion.

If you have limited credit history, you might think financing or leasing a new Scion isn't possible. But, you may still have options. TFS, through participating Scion dealers, has a program that allows individuals with limited credit history to take off in a new Scion, without a co-applicant.

Get on the road today!

Not only will the iFi program help put you behind the wheel of a new Scion—TFS finance or lease contracts may help qualified applicants start to build a healthy credit profile.

To benefit from the TFS iFi program, you must have the following:

- **Credit History.** A FICO score of 610 or above. No 90 day past due or more accounts, charge-offs, collections, repossessions or foreclosures in your credit history.
- **References.** Three personal and verifiable references.
- **Employment.** Verifiable proof of a full-time job for at least six months.
- **Sufficient Income.** Your income must be enough to cover ordinary living expenses and your Scion payments, and be consistent and verifiable. Your monthly payment may not exceed a certain percentage of your gross monthly income.
- **Minimum down payment.** Minimum down payment of 10% of MSRP or selling price, whichever is less.

* Other restrictions apply. For details, visit any participating Scion Dealer or go to Scion.com. Offer is valid only in the continental US and Alaska and is void where prohibited.
