Love. It's what makes a Subaru, a Subaru.

Legacy

Legacy. It's not just a sedan. It's a Subaru.

trust can take you.

The All-new 2015 Subaru Legacy

Confidence and trust are their own kind of freedom in the all-new 2015 Legacy, the longest-lasting sedan in its class.¹ Considering that 95% of all Subaru Legacy vehicles sold in the last 10 years are still on the road today,¹ it's no surprise that this is a car that was built to last. What makes it so different? It's the capability of standard Subaru Symmetrical All-Wheel Drive (AWD), the efficiency of 36 highway MPG² and the assurance of an outstanding safety reputation. Legacy. It's not just a sedan. It's a Subaru.

More Efficient

AWD + 36 MPG² The all-new Legacy gets better fuel economy and is the most capable it's ever been, with standard Subaru Symmetrical AWD. Its retuned Lineartronic[®] CVT also ensures you'll get optimal MPG out of its SUBARU BOXER[®] engine.

More Engaging

Not much stands in your way with Subaru Symmetrical AWD. The ride feels confident, controlled and definitely more engaging. Its new **Active Torque Vectoring** delivers sharper handling and its retuned steering and suspension makes for a more responsive ride.

More Room

With its **class-leading passenger room**,³ the 2015 Legacy is more comfortable for all aboard. Plus an all-new interior with upgraded technology will give you plenty to enjoy. It's also quieter inside, thanks to improved aerodynamics, insulation and a stiffer frame.

More Protection

The available **EyeSight[®] Driver Assist System** warns you of trouble and can intervene to help you avoid it,⁴ while the new Rear Cross-Traffic Alert helps in parking situations. There's also new Blind-Spot Detection to help alert you to approaching vehicles⁵

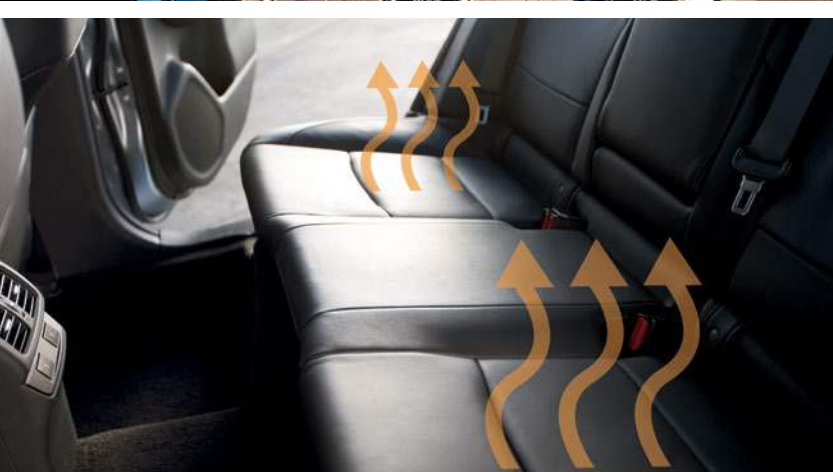

Engineered

In control.

is anything but settling.

Class-leading Interior Room¹

All-new, Upgraded Interior

From richer materials to new technology, this inviting interior keeps you comfortable and well connected. A new available 576-watt equivalent premium audio system with 12 Harman Kardon speakers will keep you entertained in the now quieter cabin. There's also connected services like Aha™, Pandora® and iHeartRadio® via the SUBARU STARLINK™ infotainment system with safe access to podcasts, internet radio, apps and more via an available touchscreen, steering-wheel-mounted controls or voice commands.¹ Available rear climate control vents and new rear heated seats keep things cozy in back, while driver's seat memory offers added convenience up front.

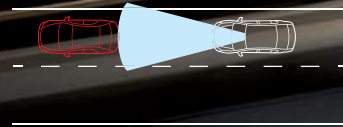

gives peace of mind to every drive.

Pre-Collision Braking

A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight^{®1} warns you, applies the brakes, and at lower speeds, can even help you stop your Subaru.

Adaptive Cruise Control

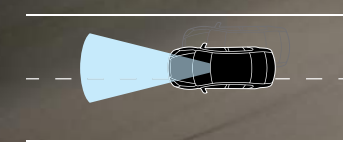

Traffic doesn't always flow, so EyeSight[®] doesn't only keep a set speed. The system looks ahead and helps the Subaru automatically adjust to keep your distance, even in stop-and-go highway traffic.

Pre-Collision Throttle Management

If you put the car in Drive instead of Reverse and EyeSight[®] sees an object in your path, it cuts power to help you avoid accelerating into it.

Lane Departure and Sway Warning

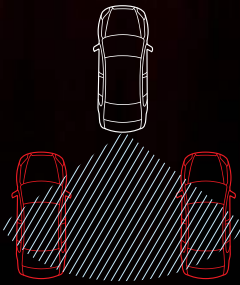

You accidentally drift to the edge of your lane and begin to cross into another. EyeSight[®] watches for lane markers and chimes to warn you before you leave your lane.

Subaru does best.

2 Compatible smartphone and applications required. For applications to operate, latest version of each application is required. Data provided by smartphone is displayed on the audio system screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier's rates may apply.
3 Activation and required monthly subscription sold separately. Includes 4-month trial subscription. See your retailer.

EQUIPMENT CONTENTS

Power Moonroof Package: Power tilt/sliding-glass moonroof and auto-dimming rearview compass mirror with HomeLink®

Navigation Infotainment System: Voice-activated 7-inch multi-touch gesture high-resolution GPS navigation system with integrated audio system, SiriusXM® Satellite Radio,® NavTraffic®; NavWeather®; USB port/iPod® control, Bluetooth® audio streaming, voice-activated controls, hands-free phone and text messaging connectivity, 3.5-mm auxiliary jack and SUBARU STARLINK™ system with iHeartRadio®, Aha™ infotainment and Pandora® smartphone integration.⁵ Voice activation for Navigation, Phone, Audio System, and Climate Control system

EyeSight® Driver Assist System⁷: Pre-Collision Braking System, Pre-Collision Throttle Management, Lane Departure and Sway Warning, Adaptive Cruise Control

1 2015 Legacy 2.5L models achieving a Partial Zero Emission Vehicle (PZEV) rating by the California Air Resources Board are available in all 50 states. Only those registered in California, Connecticut, Maine, Maryland, Massachusetts, New Jersey, New York, Rhode Island and Vermont will be eligible for the 15 years/150,000 mile emission warranty. Delaware, Oregon, Pennsylvania and Washington vehicles are not covered under PZEV emissions control warranty. See your warranty maintenance booklet for additional information. 2 2015 EPA fuel economy estimates. Actual mileage may vary. 3 The glass information listed represents calculated reference values, and may not represent actual values determined by testing. 4 Requires additional features. See Optional Equipment listing. 5 Compatible smartphone and applications required. For applications to operate, latest version of each application is required. Data provided by smartphone is displayed on the audio system screen. Some state laws prohibit the operation of handheld electronic devices while operating a vehicle. Smartphone apps should only be launched when vehicle is safely parked. Your wireless carrier's rates may apply. 6 Activation and required monthly subscription sold separately. Includes 4-month trial subscription. See your retailer. 7 EyeSight is a driver assist system which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. Pre-Collision Braking System is designed to provide automatic braking that either prevents a collision or reduces the severity of a frontal impacts. Pre-Collision Throttle Management is designed to reduce acceleration and minimize the severity of certain frontal impacts. Adaptive Cruise Control and Brake Light Recognition are designed to assist the driver and are not substitutes for safe and attentive driving. The Lane Departure and Sway Warning operates only when the lane markings are visible and its effectiveness depends on many factors. See Owner's Manual for complete details on system operation and limitations. Please remember to turn off EyeSight when going through a carwash. Available on select models beginning Fall 2014. 8 The Supplemental Restraint System (SRS) (airbags) affords the driver and the front passenger additional protection in moderate to severe frontal and side-impact collisions and outboard 2nd-row passengers additional protection in moderate to severe side-impact collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in one of the rear seats. See Owner's Manual for recommended seating position.

Rear Cargo Net. Neatly holds cargo upright and helps prevent it from sliding while the vehicle is in motion.

Trunk Tray. Helps protect trunk area from stains and dirt while providing a surface that helps reduce shifting of cargo while driving.

All-weather Floor Mats. Custom-fitted, heavy-gauge protective mats. Helps protect vehicle's carpet from sand, dirt and moisture.

Not intended for use on top of carpeted floor mats.

Body Side Moldings. Attractive color-matched moldings coordinate with the styling of the vehicle, while helping to protect doors from unsightly dings.

Moonroof Air Deflector. Helps to reduce wind noise and sun glare.

Side Window Deflectors. Let the fresh air in while helping to keep the weather out. Deflector design includes integrated chrome insert to match window frame trim.

Side Window Deflectors may not be legal in all states. Please check the laws of your state.

Fog Lights. Cast a low and wide beam of light to enhance vision in inclement weather.

Rear Bumper Appliqué. Clear, scratch-resistant vinyl film helps to protect the bumper upper surface and leading edge when loading or unloading cargo.

Splash Guards. Help protect the vehicle's paint finish from stones and road grime.

This accessory reduces vehicle ground clearance.

Auto-dimming Mirror with Compass and HomeLink®. Mirror darkens when headlights are detected from behind the vehicle. Includes a compass and three HomeLink® buttons that are programmable for most garage-door openers and other HomeLink®-compatible devices.

Remote Engine Starter. Allows vehicle to be started by pushing a button from the convenience of home or office (up to 400 feet away depending on obstructions) so that the vehicle interior is more comfortable upon entry. The start/stop button blinks to confirm the engine has started.

A/T only.

Remote Engine Starter—Smart Engine Start. Allows the vehicle to be started at the push of a button from outside the vehicle. Preset the heating or air conditioner controls to help bring the interior temperature to a more comfortable level prior to entry. Smart Engine Start works in conjunction with the Keyless Access with Push-button Start system. Operating distance is up to 75 feet depending on obstructions.

A/T only.
