

Subaru Life & Vehicles

Love. It's what makes a Subaru, a Subaru.

SUBARU

Confidence in Motion

Trust every mile.

There's no telling where life will take you, but it's reassuring to know you can count on your Subaru to be there. Because Subaru is Kelley Blue Book's Most Trusted Brand for four years running,* you can be confident every vehicle is built for the long haul. And with Subaru Symmetrical All-Wheel Drive,¹ you know it's up for the challenge. Plus, you'll have the peace of mind that our award-winning safety features and technologies provide. So go ahead. Live the life you love. It's why we hear again and again, "I love my Subaru."

Love. It's what makes a Subaru, a Subaru.

*2015-2018 Kelley Blue Book Brand Image Awards are based on the Brand Watch™ study from Kelley Blue Book Strategic Insights. Award calculated among non-luxury shoppers. For more information, visit www.kbb.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc.

THE SUBARU LOVE PROMISE

We're devoted to the idea that every interaction with Subaru is a chance to make the world a little better. That's why we're actively working with our retailers to make real impacts in the lives of those around us. We call it the Love Promise. And it starts with our communities and our customers.

Committed to improving the lives around us.

We believe in being a positive force in the communities where we live and work, not just with donations but with actions that set an example for others to follow.

Dedicated to providing our customers with exceptional service.

We believe in building lifelong relationships with our customers, earning their trust and exceeding their expectations by providing customer service with integrity and compassion.

THE SUBARU
LOVE PROMISE

Our Causes and Passions

It's our aim to spread the Love Promise Community Commitment as far as possible. That's why we work with a diverse range of organizations. Many of them fall under one of these areas of focus.

Subaru and many of our retailers across the nation have partnered with TerraCycle® to help cut down on waste. Consumers can drop off select, hard-to-recycle waste so it can be recycled into usable items, like park benches, tables and chairs that can be donated back to local communities.

We should all have a chance to lead a healthy life. Since 2015, Subaru and many of our retailers have partnered with The Leukemia & Lymphoma Society (LLS) to donate over 105,000 blankets, 12,465 arts & crafts and thousands of messages of hope to those fighting cancer at hospitals and treatment centers nationwide.

In a perfect world, hunger would be history and hope would be commonplace. Subaru is dedicated to supporting organizations that help neighbors and community members in need. Over the past ten years, Subaru and many of our retailers have partnered with Meals on Wheels to deliver nearly 2 million meals to seniors across the country.

It's our goal to foster the pursuit of knowledge as much as possible. Since 2015, Subaru and many of our retailers have partnered with the American Association for the Advancement of Science (AAAS) to donate over 187,000 award-winning science books, along with school supplies, to schools nationwide to help engage and inspire K-12 students.

Subaru is committed to the health and welfare of wild and domesticated animals. Since 2008, Subaru has donated nearly \$22 million to American Society for the Prevention of Cruelty to Animals® (ASPCA®) and has supported over 1,500 animal welfare related events, to assist in the rescue, transport, and adoption of more than 50,000 animals nationwide.

2019 Subaru Life | Share the Love

SUBARU share the love® EVENT

The Subaru Share the Love® Event has been helping those in need since 2008. Each year, for every new Subaru vehicle purchased or leased during the event, we donate \$250 to the customer's choice of participating charities. In 2018, we supported ASPCA® Make-A-Wish®, Meals On Wheels, National Park Foundation and over 670 hometown charities selected by local Subaru retailers.

Since we began the Subaru Share the Love Event 11 years ago, Subaru and our participating retailers have donated over \$140 million dollars to national and local charities across the country.

These donations have helped charities serve thousands of people, communities and animals in the areas of health/medical, animal welfare, community service, food banks, education, environment, abuse support, disaster relief, senior care and the military. We're thrilled this event has been able to help so many causes that we, and our owners, care very much about.

It's inside Subaru.

The Subaru lifestyle embraces the spirit of being outdoors. Through events and partnerships, we share our passion for being outside with as many as we can. Here are just a few of the events and partnerships we have in the works.

See you there!

badgeofownership](https://subaru.com/badgeofownership)

Enthusiasm is contagious.

The love for a Subaru goes way beyond a wave to a fellow owner on the road. All over the world and all over the internet, loyal enthusiasts—united by their passion for life and for Subaru—gather for rallies and events or just to talk about their favorite subjects.

STI Enthusiast events:

Boxerfest – Washington, DC
Wicked Big Meet – Stafford, CT
Subiefest Midwest – Chicago, IL
Big Northwest Subaru Festival – Portland, OR
Rocky Mountain Subaru Festival – Denver, CO
Subiefest – Los Angeles, CA

Victory is continuous.

Whether it's the American Rally Association National Championship, the Mt. Washington Climb to the Clouds, or the Americas Rallycross Championship, there's no more punishing—and exciting—way to prove our engineering than by testing it in the heat of competition. Subaru Rally Team USA, together with Vermont SportsCar, empowers drivers to win with confidence and outstanding performance—helping them win an astounding 12 national rally championships overall.* It's a racing pedigree that you can literally feel behind the wheel of every WRX and WRX STI. That's because our engineering instills the confidence and precision that drivers need, whether in a race or on the road.

For the latest rally news,
[visit subaru.com/rally](http://visit.subaru.com/rally)

*The Subaru Rally Team USA has won overall Rally America and American Rally Association championships twelve times between 2006-2017. WRX STI rally vehicles have been modified for rally competition.

Trust earned, mile after mile.

Owners like Terry Prine see a lot of value in a car they can trust. Since 97% of Subaru vehicles sold in the last 10 years are still on the road today,² we're pleased to have met many just like him. Terry remembers the day he brought his new 2003 Subaru Forester home, and all the great moments he's had with it by his side.

A memory in every mile.

000475

Going on tour with my band in '03, the Forester was my bus. I was able to load in all of my buddies and gear and still had room to pick things up on the way. An amazing time.

038000

Packing up the family and taking our first road trip. I tried never to take the same road twice, and the kids loved it. They especially enjoyed seeing all the different landscapes through the big windows and giant moonroof.

102000

The joy of having two healthy kids is only surpassed by having our third. With a growing family, I know that they're always safe in my Subaru, and that one day, my son Miles (yes, that's really his name) will get the Forester to make his own memories.

135500

In search of California's state fish, the golden trout, the kids and I car-camped with friends near Mono Pass and day-hiked into this incredible string of lakes known as Little Lakes Valley. We caught 25 fish within 3 hours. Rainbows, brookies and yes, the elusive golden trout! The kids were in heaven.

157000

The family keeps growing, and the Forester keeps going! The fourth Prine kid was born this summer, and Miles is now old enough to take the Forester out for his first spin. Another mile, another memory.

The most important thing a Subaru can do is protect the people in it. We're always looking for better ways to do it, and that is why we developed EyeSight® Driver Assist Technology.^{3,4} Like a second pair of eyes for the road ahead, EyeSight® warns you when there's potential danger and can even apply brakes to help you avoid it. It's added comfort and peace of mind you can count on in your daily drive.

EyeSight® reduces rear-end
crashes with injuries by

Crosstrek Limited in Quartz Blue Pearl with optional equipment.

every time you drive.

Every day in the U.S., more than 1,000 people are injured in crashes reported to have involved a distracted driver.⁶ As an industry leader in safety, Subaru developed the DriverFocus™ Distraction Mitigation System,^{3,7} one of the first technologies of its kind, now available on the 2019 Forester Touring. Engineered for both new and experienced drivers, it works together with Subaru EyeSight® to help detect distracted or drowsy driving. If the driver's attention strays from the road for too long, DriverFocus™ can deliver visual and auditory alerts to bring attention back to the road.

on very little.

MPG & AWD

Capable and fuel-efficient, Subaru vehicles are proof that you can have fun and get great mpg, too. Most models achieve 30 mpg or more,¹² and with standard Subaru Symmetrical All-Wheel Drive on most models,¹ you can go just about anywhere. Now more than ever, Subaru vehicles help you do more with less impact on your wallet.

Subaru Symmetrical All-Wheel Drive

With Subaru Symmetrical All-Wheel Drive, you can count on having more traction and control than just about anyone else on the road, in all conditions.¹ That's because it's no ordinary all-wheel drive system, and Subaru has been perfecting it for decades.

SUBARU BOXER® Engine

There's a lot more to the SUBARU BOXER® engine than just great performance and high fuel efficiency. Its unique design gives every Subaru a low center of gravity, which translates into better handling and control.

Love comes back.

Forester Limited in Ice Silver Metallic with optional equipment.

Subaru vehicles hold their value better than any other brand for 2019, according to ALG.³¹

The **best-selling all-wheel drive cars in America** for the past 10 years.¹⁴
