

2020

FORESTER

Introducing the Subaru Forester. The SUV for all you love.

When it comes to love, go all-in.

The 2020 Forester is an SUV that can't be summed up in three letters. It offers room for long weekends, reliability for daily drives, and a wide range of safety innovations—so wherever you go, peace of mind will follow. Because 97% of Subaru Forester vehicles sold in the last 10 years are still on the road today,¹ this SUV is built to last.

Safe

Every Forester is equipped with standard EyeSight[®] Driver Assist Technology² which includes Advanced Adaptive Cruise Control with Lane Centering. There's also the DriverFocus[™] Distraction Mitigation System,^{3,4} a safety innovation designed to reduce distracted or drowsy driving. You can also opt for the latest SUBARU STARLINK[®] Safety and Security system^{4,5} and a host of advanced technologies, including Blind-Spot Detection^{4,6} and Rear Cross-Traffic Alert.^{4,6}

Versatile

The Forester offers comfortable room for everyone and up to 76.1 cubic feet of cargo space.⁷ Its extra-wide rear gate opening helps you load with ease, and a 60/40-split flat-folding rear seatback ensures the Forester can adapt to however your day is shaping up. A full life demands nothing less.

Connected

Wherever you go, you should be able to take your music and apps with you. That's why the Forester features standard SUBARU STARLINK[®] Multimedia with Apple CarPlay[®] and Android Auto[™] integration. It also offers built-in Wi-Fi capability^{4,8} to keep you connected while on the road. Further convenience is provided by available STARLINK[®] Concierge Services^{4,5} and Remote Engine Start with Climate Control,⁹ which lets you set the perfect temperature from your smartphone.

Efficient

It's fun to make stops along the way—but not if you're constantly refueling. On a single tank, the Forester can go over 530 miles¹⁰ and combines 33 highway MPG¹¹ with the all-road confidence of standard Subaru Symmetrical All-Wheel Drive. Thanks to its 182-hp, direct-injection SUBARU BOXER[®] engine and auto start-stop technology, you'll keep the journey going and the extra stops to a minimum.

Forester Limited in Ice Silver Metallic with optional equipment.

Forester Limited with Gray Leather and optional equipment.

Fits your life.
And wherever you
want to take it.

Extremely adaptable

With up to 76.1 cubic feet of cargo space,¹ the Forester is designed to leave your options open—especially when you consider its extra-wide rear gate opening. With just the touch of a button, the available Power Rear Gate² gives you easy access to the vast cargo area. For more space, you can quickly adjust the 60/40-split flat-folding rear seatback, and you can also easily secure extra cargo to the raised roof rails.² Once you're all packed, your passengers will still have plenty of room.

Expertly capable

The Forester lets nothing get in the way of an out-of-the-way place. With 8.7 inches of ground clearance and standard Subaru Symmetrical All-Wheel Drive, you'll take on different driving conditions with confidence. You can also count on its direct-injection SUBARU BOXER[®] engine for increased power without sacrificing fuel economy. The Forester maximizes control with standard SI-DRIVE, which lets you custom-tailor engine performance to your driving needs. When it comes to tougher roads, the available dual-function X-MODE[®] system with Hill Descent Control includes two specifically engineered settings: one for snow and dirt; one for deep snow and mud.²

An extra set of eyes every time you drive.

Every Forester includes standard Subaru EyeSight®
Driver Assist Technology.¹

Equipped with a comprehensive suite of innovative
safety features, EyeSight® looks ahead, alerts you to
potential dangers and can even intervene to help you
avoid a collision.

EyeSight® reduces rear-end
crashes with injuries by

Pre-Collision Braking

Can help slow and bring your Forester to a full
stop if necessary.

Lane Departure and Sway Warning

Can alert you if you drift to the edge of your lane
and begin to cross into another.

Advanced Adaptive Cruise Control with Lane Centering

Automatically helps keep you centered in your lane,
at a safe distance behind the car in front of you—
even in traffic and around curves.

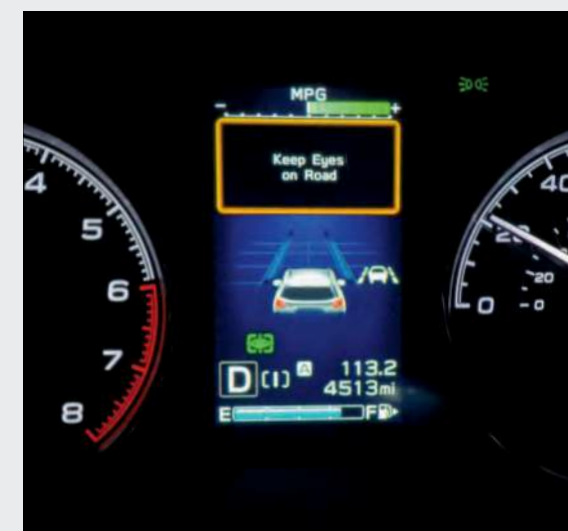

Pre-Collision Throttle Management

Can reduce your engine power to help give you more
time to react and to help minimize the possible
impact force and frontal impact damage.

Subaru Ascent shown.

¹ EyeSight® is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. The Pre-Collision Braking System is designed to provide automatic braking that either prevents a collision or reduces the severity of a frontal impact. Pre-Collision Throttle Management is designed to reduce acceleration and minimize the severity of certain frontal impacts. Advanced Adaptive Cruise Control and Brake Light Recognition are designed to assist the driver and are not substitutes for safe and attentive driving. Lane centering function operates only when used in conjunction with Advanced Adaptive Cruise Control. The Lane Departure and Sway Warning, and Lane Keep Assist operate only when the lane markings are visible and its effectiveness depends on many factors. See Owner's Manual for complete details on system operation and limitations. ² Based on IIHS reporting data as of January 2017 from MY2013–2015 Subaru models equipped with EyeSight® through 2014.

Every day in the U.S., more than 1,000 people are
injured in crashes reported to have involved a
distracted driver.¹ As an industry leader in safety,
Subaru developed the DriverFocus™ Distraction
Mitigation System,^{2,3} one of the first technologies of
its kind. Engineered for both new and experienced
drivers, it works together with Subaru EyeSight®
to help detect distracted or drowsy driving. If the
driver's attention strays from the road for too long,
DriverFocus™ can deliver visual and auditory alerts
to bring attention back to the road.

¹ Centers for Disease Control and Prevention, citing National Center for Statistics and Analysis. Distracted Driving: 2015, in Traffic Safety Research Notes. DOT HS 812 381. March 2017, National Highway Traffic Safety Administration: Washington, D.C. ² The DriverFocus™ Distraction Mitigation System is a driver recognition technology designed to alert drivers if their attention to the road wavers or if the driver's face appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See Owner's Manual for complete details on system operation and limitations. ³ Availability varies by model. See your retailer for details.

Our best trait is our most important one, too.

Safety that meets the highest expectations.

To help protect you and your passengers, the Forester is equipped with our latest safety innovations. Standard LED headlights with available steering responsive functionality help you see better around corners.¹ High Beam Assist¹ can automatically dim and activate your high beams as needed. At the core of the Forester is the Subaru Global Platform, providing a rigid body structure for high crash-energy absorption. Every time you head out, your confidence will follow.

Blind-Spot Detection

Using radar sensors, Blind-Spot Detection^{1,2} warns you with a visual indicator on your side mirror if the system detects a vehicle in your blind spot. Another feature of this system, Lane Change Assist, alerts you with a flashing indicator on your side mirror if it senses a vehicle approaching at a higher speed in a neighboring lane.

Rear Cross-Traffic Alert

Rear Cross-Traffic Alert^{1,2} uses radar sensors to help warn you of traffic approaching from the side as you are backing up, utilizing a flashing visual indicator on your side mirror and standard Rear-Vision Camera display as well as an audible warning.

Reverse Automatic Braking

Reverse Automatic Braking^{1,3} can detect objects directly behind your vehicle when backing up at a low speed and can help bring the Forester to a stop if it detects an object within its range and the brakes have yet to be applied. There's also the Rear-Vision Camera to help you keep an eye out.

SUBARU STARLINK® Safety and Security

The Forester features the latest STARLINK® Safety and Security^{1,4} system, which can alert a first responder in an emergency, help police locate your vehicle if it's stolen and more. And to get you started, new Forester drivers enjoy a free three-year STARLINK® Safety Plus subscription, which includes Advanced Automatic Collision Notification, Enhanced Roadside Assistance, SOS Emergency Assistance and more.

¹ Availability varies by model. See your retailer for details. ² Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. ³ The Reverse Automatic Braking System is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner's Manual for complete details on system operation and limitations. ⁴ Activation with subscription required. Includes a 3-year trial subscription to Safety Plus services and a 6-month trial subscription to Safety and Security Plus services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. See your retailer for details.

A cabin space filled with intelligence, comfort and convenience.

Even before you step into your Forester, you can start it up and set the perfect temperature right from your smartphone via newly available Remote Engine Start with Climate Control.^{1,2,3} The moment you're in, the driver's seat, side mirrors and climate settings can automatically adjust to your pre-set preferences, thanks to the available DriverFocusTM^{1,4} system. You can easily connect to your music and apps with standard SUBARU STARLINK[®] Multimedia with Apple CarPlay[®] and Android Auto[™] integration. Built-in Wi-Fi capability lets your passengers stream their favorite content, browse the internet and more.^{1,5} And with available STARLINK[®] Concierge Services, you can search for points of interest, make reservations and even find event tickets—all while on the go.^{1,2}

Engineered for
every day and every dream.

You can always look forward to the destination, but in the interior of the Forester, you can also look forward to the whole way there. High-quality soft-touch materials and up to 111.9 cubic feet of passenger space⁶ ensure a comfortable ride with no shortage of legroom. Up front, you'll find thoughtful details, including standard automatic climate control, an available 8-way power passenger seat¹ and an available heated steering wheel.¹ The second row offers available heated seats, air vents and USB charge ports.¹ Wherever you're sitting, you can enjoy the available panoramic moonroof overhead and the Harman Kardon[®] premium audio system, bringing music to life through 9 speakers and a 576-watt-equivalent amplifier.¹

1 Availability varies by model. See your retailer for details. 2 Activation with subscription required. Includes a 3-year trial subscription to Safety Plus services and a 6-month trial subscription to Safety and Security Plus services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. See your retailer for details. 3 Keyless Access with Push-Button Start required. 4 The DriverFocus[™] Distraction Mitigation System is a driver recognition technology designed to alert drivers if their attention to the road wavers or if the driver's face appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See Owner's Manual for complete details on system operation and limitations. 5 Activation and subscription required. Internet access is purchased separately through AT&T with monthly, per gigabyte, and unlimited data options available. Existing AT&T customers have the option to add a line to their AT&T Mobile Share plan. See your retailer for details. 6 Without available power moonroof.

Wear it on your sleeve.
And on your **SUV**.

The Forester Sport

It's hard to miss the distinctive styling of the Forester Sport. Orange and Crystal Black Silica accents characterize its unique interior and exterior, while 18-inch alloy wheels help to make its presence known. Step in, and you'll notice its vibrant LED interior lighting and a helpful rear gate light. Get going, and you'll discover how easily the Forester Sport meets the demands of the drive, thanks to its enhanced SI-DRIVE system and dual-function X-MODE® with Hill Descent Control. Wherever the road takes you, roof rail tie-down points help keep your cargo tight and secure.

Parents Magazine has named the Subaru Forester a **Best Family Car** of 2019.

Subaru has the **lowest 5-Year Cost to Own** of all brands for 2019, according to Kelley Blue Book.¹

97% of Subaru Forester vehicles sold in the last 10 years are still on the road today.²

IHS Markit

Subaru has the **highest automotive brand loyalty** among the mainstream brands for 2019, according to J.D. Power.³

Subaru is Kelley Blue Book's **Most Trusted Brand** for five years running.⁴

A 2019 IIHS Top Safety Pick+ with Steering Responsive Headlights.⁵

2020 Forester | Models

Forester

- 182-hp 2.5-liter 4-cylinder SUBARU BOXER® engine with direct injection and auto start-stop technology
- EyeSight® Driver Assist Technology⁶
- Subaru Symmetrical All-Wheel Drive
- Lineartronic® CVT with Active Torque Vectoring
- SI-DRIVE Engine Performance Management
- 17-inch steel wheels with covers
- Auto-on/off LED headlights
- Cloth upholstery
- 6-way manually adjustable driver seat, 4-way manually adjustable front-passenger seat.
- SUBARU STARLINK® 6.5-inch Multimedia Plus with Apple CarPlay® and Android Auto™ integration, STARLINK® cloud-based applications, SiriusXM® All Access Radio⁷ and Travel Link^{®7} 4 speakers, USB port/iPod® control, Bluetooth® audio streaming and hands-free phone connectivity
- Dual USB input ports
- Automatic climate control system
- Rear-Vision Camera
- Rear-seat Reminder

Forester Premium

- Includes Forester key features and adds:**
- X-MODE® with Hill Descent Control
 - 17-inch aluminum-alloy wheels
 - Panoramic moonroof
 - Raised roof rails: black finish
 - Rear spoiler
 - Body-color exterior mirrors
 - Privacy glass
 - Premium cloth upholstery
 - 10-way power-adjustable driver seat
 - Leather-wrapped steering wheel
 - Rear-seat center armrest with dual cup holders
 - Center console rear vents
 - STARLINK® Safety and Security enabled⁸: includes features and services such as Automatic Collision Notification, Remote Engine Start⁹ and Concierge Services
 - 6 speakers
 - All-Weather Package: Heated exterior mirrors, front seats and windshield wiper de-icer
 - Cargo-area cover

Forester Sport

- Includes Forester Premium key features and adds:**
- Dual-function X-MODE® with Hill Descent Control
 - SI-DRIVE with Sport Sharp (S#) mode
 - LED fog lights
 - 18-inch aluminum-alloy wheels
 - Roof rails with integrated tie-downs
 - Front, rear and side underguards with orange accents
 - Body-color exterior mirrors with integrated turn signals
 - Orange and Crystal Black Silica exterior accents
 - Gray Sport Cloth with leather shifter
 - Orange stitching and interior trim accents
 - Sport gauges with color LCD display
 - 6.3-inch color multifunction display
 - Keyless Access with Push-Button Start
 - Dual rear USB charge ports
 - LED dome, cargo and rear gate lights
 - 4G LTE Wi-Fi capability¹⁰
 - Cargo-area tray

Forester Limited

- Includes Forester Premium key features and adds:**
- Dual-function X-MODE® with Hill Descent Control
 - 18-inch aluminum-alloy wheels
 - LED Steering Responsive Headlights with High Beam Assist
 - Halogen fog lights
 - Body-color exterior mirrors with integrated turn signals
 - Power Rear Gate
 - Keyless Access with Push-Button Start
 - Leather-trimmed upholstery
 - SUBARU STARLINK® 8.0-inch Multimedia Plus with Apple CarPlay® and Android Auto™ integration, STARLINK® cloud-based applications, SiriusXM® All Access Radio⁷ and Travel Link^{®7} 6 speakers, dual USB ports/iPod® control, Bluetooth® audio streaming, hands-free phone and text messaging connectivity
 - 6.3-inch color multifunction display
 - Dual rear USB charge ports
 - Dual-zone automatic climate control system
 - Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert¹¹
 - Cargo-area tray

Forester Touring

- Includes Forester Limited key features and adds:**
- LED fog lights
 - Touring 18-inch aluminum-alloy wheels
 - Roof rails with silver accents and integrated tie-downs
 - Silver metallic finish front, side and rear underguards
 - Satin chrome exterior mirrors with integrated turn signals and automatic reverse tilt
 - Available Saddle Brown Leather upholstery
 - 2-position driver seat memory
 - Heated steering wheel and outboard rear seats
 - SUBARU STARLINK® 8.0-inch Multimedia Navigation System with Apple CarPlay® and Android Auto™ smartphone integration, STARLINK® cloud-based applications, SiriusXM® All Access Radio⁷ Traffic^{®12} and Travel Link^{®12} dual USB ports/iPod® control, Bluetooth® audio streaming, hands-free phone and text messaging connectivity
 - Harman Kardon® 576-watt-equivalent premium audio system with 9 speakers
 - DriverFocus™ Distraction Mitigation System¹³
 - Reverse Automatic Braking¹⁴
 - One-touch folding rear seatbacks
 - LED dome, cargo and rear gate lights

System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner's Manual for complete details on system operation and limitations.

(continued)

LED Upgrade - Dome Light. Upgrade your interior dome light with our new LED upgrade accessory. The upgrade offers brighter, whiter and crisper interior lighting of the dome light than the standard equipment lighting.

Cargo Net. Neatly holds cargo and prevents it from sliding while the vehicle is in motion. The Cargo Net can be used two ways: Anchor it to the sides of the cargo area to help prevent shifting from front to back, or lay it across the floor to help keep things from rolling around.

Seat Cover - Rear. Keep your back seat tidy with the custom-fitted rear seat cover. Machine-washable, water-resistant and latch-accessible, this seat cover is great for kids, pets and life on the go. Made with a polyester front and polyurethane-coated back.

All-Weather Floor Liners. Custom-fitted, high-wall-design floor liners help protect the vehicle carpet from accidental spills, sand, snow, mud, dirt and moisture.

Not intended for use on top of Carpeted Floor Mats.

Rockford Fosgate® Audio Upgrade. The Rockford Fosgate® Audio Upgrade consists of an amplifier, upgraded speakers and an integrated digital signal processor tuned to align the system to the listener's preference.

SUBARU STARLINK® Entertainment Anywhere.¹ The STARLINK® Entertainment Anywhere package is available to make every trip in your Forester even more enjoyable. With two Apple iPad® 32GB Wi-Fi models, you and your passengers have endless opportunities to stay connected, engaged and entertained. Passengers can also utilize the built-in 4G LTE Wi-Fi capability to stream their favorite content or search the web. This premium entertainment experience—which includes two sets of Harman Kardon® Bluetooth® Headphones and two OtterBox Defender Series iPad Cases—is a great value and can be enjoyed in the rearseat of your Forester or wherever else your travels take you.

¹ Please see your local retailer for details on how to purchase. Components of the Entertainment Anywhere Kits are not Genuine Subaru Accessories and are not covered under any Subaru limited warranties. Any service or warranties on those components are extended by their individual manufacturers. Apple and iPad are registered trademarks of Apple Inc. All sales are final. No returns will be accepted. Headphones shown are prototype.

Cargo Tray. Helps protect the trunk area from stains and dirt while providing a surface that helps reduce the shifting of cargo while driving.

Door Edge Guards. Help protect your door edges from dings and chips with custom-fit, body color-matched Door Edge Guards. They help preserve the appearance of your Subaru while seamlessly blending into the door design.

Body Side Molding. Color-matched molding helps protect vehicle doors from parking lot dings while attractively blending with the lines of the car.

Auto-Dimming Exterior Mirror with Approach Light. Enhance nighttime driving safety by adding the Auto-Dimming Exterior Mirrors with Approach Light.* Upon approaching the vehicle or unlocking your doors with the keyless entry system, LED lights located behind the Subaru logo in each exterior mirror will illuminate the ground next to and towards the rear of the vehicle. During nighttime driving, the Exterior Auto-Dimming Mirrors will reduce headlight glare by dimming in unison with the Auto-Dimming (Interior) Mirror, creating a safer driving experience. Dimming level is regulated by the level of light detected from the Auto-Dimming (Interior) Mirror.

*Requires Auto-Dimming (Interior) Mirror.

Rear Bumper Cover. Helps protect the upper surface of painted rear bumper from scratches and dings.

Trailer Hitch. Rated at 176 lbs. tongue weight with 1,500 lbs. of towing capacity. Engineered to the same rigorous standards as the rest of the Forester.

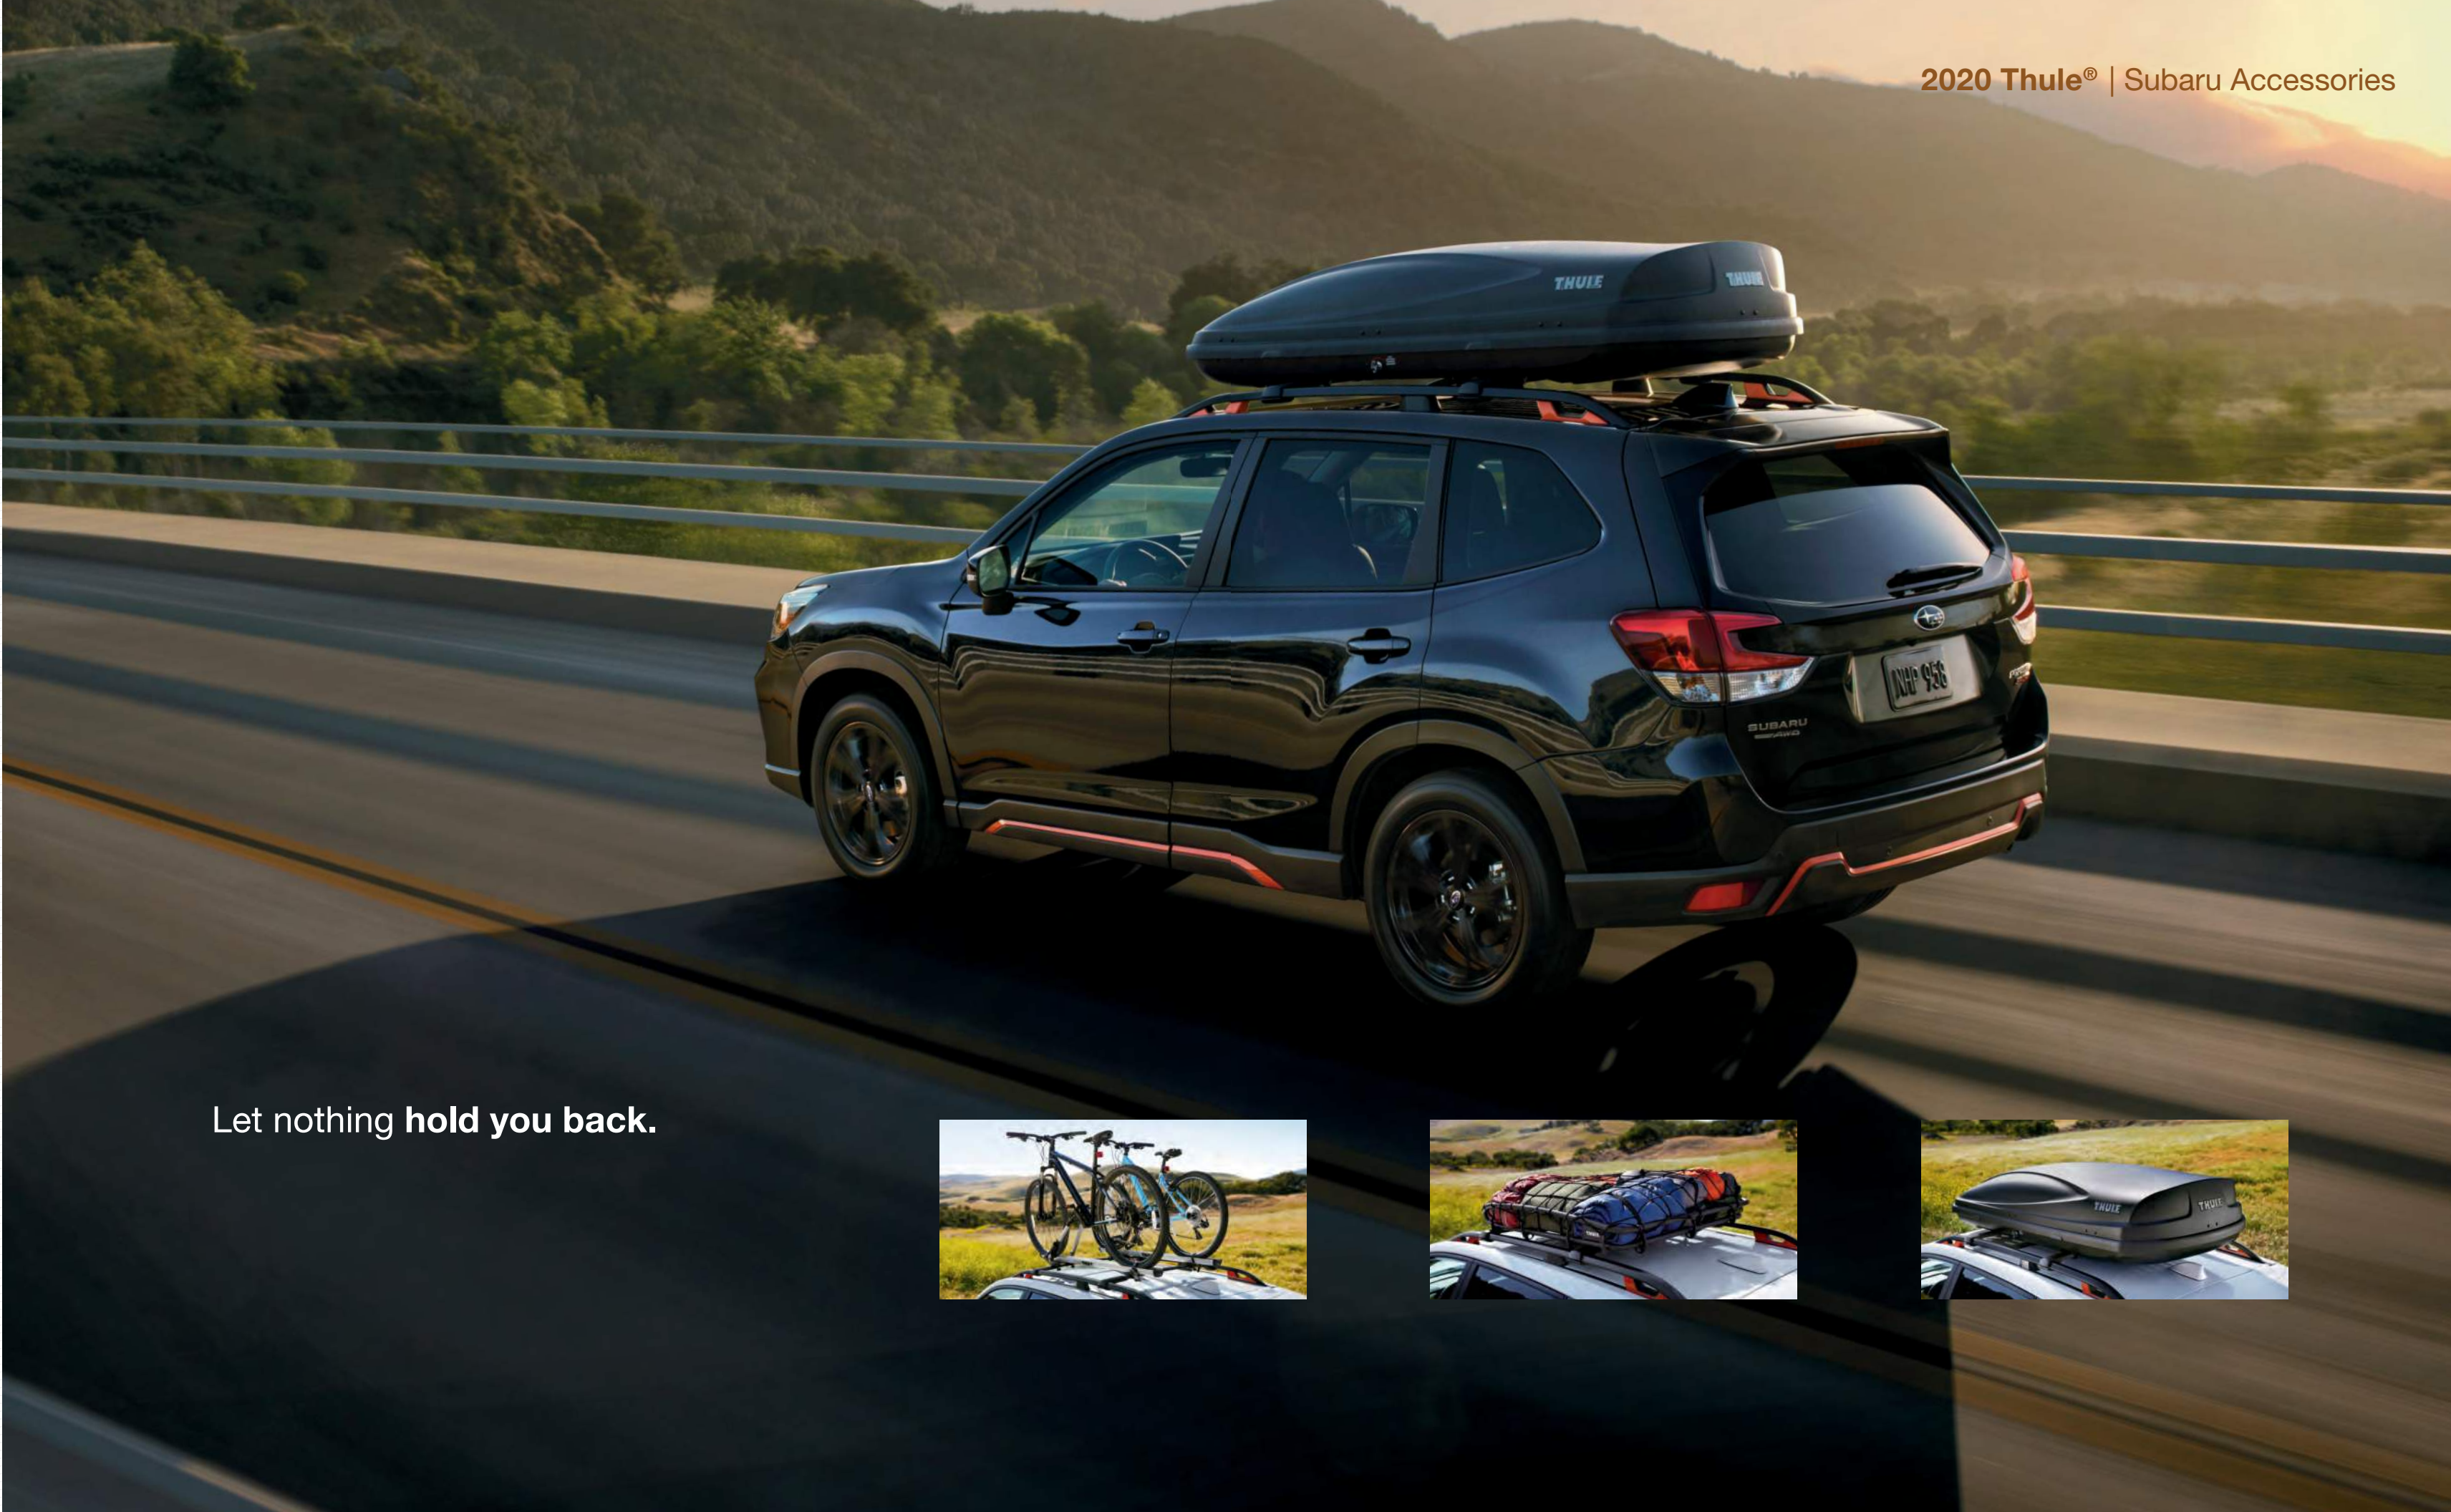

Ball mount sold separately. Hitch ball not included. Trailer brakes may be needed.

Rear Seatback Protector. Provides additional protection to the rear seatbacks when lowering the seats to transport larger cargo. Use in conjunction with the Cargo Tray.

Auto-Dimming Mirror with Compass and HomeLink® This upgraded auto-dimming mirror detects glare and darkens automatically to protect your vision while featuring an 8-point digital compass. Three backlit HomeLink® buttons can be programmed to operate most garage doors, security gates, home lighting and more. Can also provide you with the last status of your garage door (open or closed) if programmed to a compatible opener featuring two-way communication.

Let nothing hold you back.

2020 Forester | Owner Benefits

Once you're part of our family, we'll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru retailer and other services are just a phone call away. And to protect you over the long haul, we offer Added Security® ...ask for it by name—extended service agreements and maintenance plans that will help protect your car for up to 10 years or 100,000 miles. They're the only mechanical and maintenance plans backed by Subaru, and because we've been backing them for more than 30 years, they're agreements you can trust. Your retailer has full coverage details.
