

The Subaru Crosstrek. Love is out there. **Find it in a Crosstrek.**

Adventure: its second coat of paint.

Meet the new 2021 Crosstrek.

When you drive a new Crosstrek off the lot, it will be clean—alarmingly clean. But not for long. With the ability to travel over 500 miles on a single tank,¹ a spontaneous adventure suddenly seems well within reason. Soon your Crosstrek will get those mud accents it deserves.

Capable

In the Crosstrek, “hard to get to” becomes “easy to reach” with standard Subaru Symmetrical All-Wheel Drive and 8.7 inches of ground clearance. For even further capability, newly available features include dual-function X-MODE^{®2} and a 182-hp SUBARU BOXER[®] engine.³

Durable

A Subaru lasts because of its engineering. The SUBARU BOXER[®] engine’s horizontal design offers better balance than other engine types and creates less vibration, which can lead to less wear and tear. It’s one of the reasons why 99% of Subaru Crosstrek vehicles sold in the last 5 years are still on the road today.⁴

Connected

For adventures and commutes alike, you have simple, intuitive access to your music and apps through SUBARU STARLINK[®] Multimedia with standard Apple CarPlay[®] and Android Auto[™] integration. You can even use your phone to set the perfect temperature before you get in, thanks to available Remote Engine Start with Climate Control.^{3,5}

Safe

The Crosstrek is designed to heighten all-around awareness. Subaru EyeSight[®] Driver Assist Technology^{3,6} now features Advanced Adaptive Cruise Control with Lane Centering to help you stay within lane markings and keep a safe distance from the car in front of you. There’s also available SUBARU STARLINK[®] Safety and Security^{3,7} to connect you to help when you need it most.

Crosstrek Premium in Ice Silver Metallic with optional and accessory equipment.

Far never
felt so close.

There's a moment when you realize there are no other cars in sight—it's bound to happen when you have standard Subaru Symmetrical All-Wheel Drive and up to 34 highway MPG.¹ An adventure has begun and you're going to need all 8.7 inches of ground clearance, more than the Jeep Compass offers.² Terrain might get steep and slippery, but the Crosstrek has X-MODE® with Hill Descent Control.³ You'll hold your ground.

1 EPA-estimated fuel economy for 2021 Crosstrek Sport and Limited trims with Lineartronic® CVT at 34 highway MPG. Actual mileage may vary. See your retailer for details. 2 Comparison based on information from manufacturer website for 2020 Jeep Compass and is accurate at time of printing. 3 Requires Lineartronic® CVT.

Looks don't always deceive.

The all-new Crosstrek Sport

With its bold styling, the Crosstrek Sport looks capable. But that's also how it's built. Thanks to its new 182-hp SUBARU BOXER® engine, the Crosstrek Sport delivers more power than the Honda HR-V.¹ In adverse conditions, its engineering offers the unyielding traction of dual-function X-MODE,® a system that includes terrain-specific settings designed to take on snow and dirt or deep snow and mud.

Crosstrek Sport in Plasma Yellow Pearl with optional and accessory equipment.

Your outdoor home base.

Inside the Crosstrek Sport, conveniences come in all sizes. A high-powered LED rear-gate light is a welcome convenience when car camping, and StarTex® water-repellent upholstery is easy to clean if the adventure gets muddy.

¹ Comparison based on information from manufacturer website for 2020 Honda HR-V and is accurate at time of printing.

Ready for what you are.

Crosstrek Limited in Horizon Blue Pearl with optional and accessory equipment.

Cargo Versatility

The Crosstrek takes the process out of packing up. You have up to 55.3 cubic feet of cargo room and a host of versatile features to work with, including a wide rear gate opening, standard roof rails and a cargo-area tray¹—in case your gear gets wet or muddy. There's also a 60/40-split flat-folding rear seatback to accommodate longer items and a passenger or two on the same trip.

¹ Availability varies by trim level. See your retailer for details. ² Accessory equipment shown.

Small just got **spacious.**

Make a **connection.**

Simple, intuitive, road-trip ready.

Your music and apps are always along for the ride with SUBARU STARLINK® Multimedia, featuring standard Apple CarPlay® and Android Auto™ integration. An available 8.0-inch screen¹ makes it all easily accessible, while a 432-watt-equivalent Harman Kardon® premium audio system gives your playlist a clear, detailed polish as it sings through eight speakers.¹ Thanks to Remote Engine Start with Climate Control,^{1,2} you can use your phone to set the perfect temperature even before you step in.

Crosstrek Limited with Black Leather and optional equipment.

EyeSight® reduces rear-end
crashes with injuries by

85%¹

An extra set of eyes **every time you drive.**

Pre-Collision Braking

A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight^{®2,3} warns you, applies brakes to help avoid impact and, at lower speeds, can even help you stop your Crosstrek.

Advanced Adaptive Cruise Control with Lane Centering

This system helps keep you centered in your lane, at a safe distance behind the car in front of you—even in traffic and around curves.

Lane Departure and Sway Warning with Lane Keep Assist

You accidentally drift to the edge of your lane and begin to cross into another. EyeSight^{®2,3} watches for lane markers and can alert you with visual and audible warnings before you leave your lane. And when activated, Lane Keep Assist can even help steer you back into your proper course.

Pre-Collision Throttle Management

This system reduces power to your engine to help you avoid accidentally accelerating into the car in front of you while merging, or if you unintentionally put your Crosstrek in Drive instead of Reverse.

¹ Based on IIHS reporting data as of January 2017 from MY2013–2015 Subaru models equipped with EyeSight[®] through 2014. ² Availability varies by trim level. See your retailer for details. ³ EyeSight[®] is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. Advanced Adaptive Cruise Control and Brake Light Recognition are designed to assist the driver and are not substitutes for safe and attentive driving. Lane Keep Assist operates only when the lane markings are visible, and system effectiveness depends on many factors. Lane centering function operates only when used in conjunction with Advanced Adaptive Cruise Control. See Owner's Manual for complete details on system operations and limitations.

Protect **what you love.**

Safety is more than a duty for us—it’s a passion. That’s why every Crosstrek is built on the Subaru Global Platform with a strong Ring-shaped Reinforcement Frame. To help improve driver visibility, available LED Steering Responsive Headlights¹ can help you see around corners, and High Beam Assist can automatically dim and activate your high beams as needed.¹

Blind-Spot Detection

Using radar sensors, Blind-Spot Detection warns you with a visual indicator on your exterior mirror if it senses a vehicle in your blind spot. Another feature of this system, Lane Change Assist, alerts you with a flashing indicator on your exterior mirror if it senses a vehicle approaching at a higher speed in a neighboring lane and you signal for a lane change.^{1,2}

Rear Cross-Traffic Alert

Rear Cross-Traffic Alert uses radar sensors to help warn you of traffic approaching from the side as you are backing up, utilizing a flashing visual indicator on your exterior mirror and Rear-Vision Camera display as well as an audible warning.^{1,2}

Reverse Automatic Braking

Reverse Automatic Braking can detect objects directly behind your vehicle when backing up at a low speed and can help bring the Crosstrek to a stop if it detects an object within its range and the brakes have yet to be applied. There’s also the Rear-Vision Camera to help you keep an eye out.^{1,3}

SUBARU STARLINK® Safety and Security

The Crosstrek features the latest STARLINK® Safety and Security^{1,4} system, which can alert a first responder in an emergency, help police locate your vehicle if it’s stolen and more. To get you started, new Crosstrek drivers enjoy a free three-year STARLINK® Safety Plus trial, which includes Advanced Automatic Collision Notification, Enhanced Roadside Assistance, SOS Emergency Assistance and more.

1 Availability varies by trim level. See your retailer for details. 2 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 3 The Reverse Automatic Braking System is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner's Manual for complete details on system operation and limitations. 4 Activation with subscription required. Includes a 3-year trial subscription to Safety Plus services and a 6-month trial subscription to Safety and Security Plus services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. See your retailer for details.

The 2020 Subaru Crosstrek **retains its value** better than any other vehicle in its class.¹

Highest Brand Loyalty in the Automotive Industry, 2 Years in a Row.²

Subaru is Kelley Blue Book's **Most Trusted Brand** for six years running.³

“The Crosstrek faithfully lives up to Subaru’s reputation of off-road excellence.”

MotorTrend

Subaru is a four-time **lowest 5-Year Cost to Own** Brand winner, according to Kelley Blue Book.⁵

2021 Crosstrek | Trim Levels

Crosstrek

- 152-hp 2.0-liter 4-cylinder SUBARU BOXER® engine with direct-injection
- Subaru Symmetrical All-Wheel Drive
- 6-speed manual transmission
- Optional Lineartronic® CVT (Continuously Variable Transmission) with X-MODE® featuring Hill Descent Control with auto start-stop technology and SI-DRIVE Engine Performance Management System
- Optional Eyesight® Driver Assist Technology⁶
- Active Torque Vectoring
- 17-inch alloy wheels
- Roof rails in black finish
- Cloth upholstery

- Black carbon-fiber-patterned interior accent trim
- 6-way manually adjustable driver seat and 4-way manually adjustable front-passenger seat
- SUBARU STARLINK® 6.5-inch Multimedia with Apple CarPlay® and Android Auto™ integration, high-resolution LCD touchscreen display, 4 speakers, AM/FM stereo, USB input port, Bluetooth® audio streaming and hands-free phone connectivity, and auxiliary jack
- Driver and front-passenger auto up/down power windows
- Automatic climate control system with air filtration
- Electronic cruise control
- Rear-Vision Camera

Crosstrek Premium

Includes Crosstrek key features and adds:

- Auto-on/off headlights
- Fog lights
- Body-color exterior mirrors
- Cloth upholstery with orange stitching
- Leather-wrapped steering wheel with orange stitching
- Leather-wrapped shifter handle
- All-Weather Package: Heated exterior mirrors, dual-mode heated front seats, windshield wiper de-icer
- Welcome lighting

- SUBARU STARLINK® 6.5-inch Multimedia Plus with Apple CarPlay® and Android Auto™ integration, STARLINK® cloud-based applications, SiriusXM®⁷ and SiriusXM Travel Link,^{®7} 6 speakers, AM/FM/CD player, HD Radio,[®] dual USB input ports, Bluetooth® audio streaming and hands-free phone connectivity, and auxiliary jack
- STARLINK® Safety and Security enabled⁸: Includes features and services such as Advanced Automatic Collision Notification and Concierge Services
- Cargo-area tray and cover

Crosstrek Sport

Includes Crosstrek Premium key features and adds:

- 182-hp 2.5-liter 4-cylinder SUBARU BOXER® engine with direct-injection
- Lineartronic® CVT (Continuously Variable Transmission) with manual-mode paddle shifters with auto start-stop technology and SI-DRIVE Engine Performance Management System
- Dual-function X-MODE® with Hill Descent Control
- EyeSight® Driver Assist Technology⁶
- 17-inch alloy wheels in dark gray finish

- Gunmetal exterior mirrors with integrated turn signals
- Gunmetal exterior accents and badging
- Sport front and rear wheel arch cladding
- Gray StarTex® water-repellent upholstery with yellow contrast stitching
- Keyless Access with Push-Button Start
- Sport instrument cluster with color LCD display
- Dual rear center console USB charge ports
- LED rear gate light
- Rear-seat reminder

Crosstrek Limited

Includes Crosstrek Premium key features and adds:

- 182-hp 2.5-liter 4-cylinder SUBARU BOXER® engine with direct-injection
- Lineartronic® CVT (Continuously Variable Transmission) with manual-mode paddle shifters with auto start-stop technology and SI-DRIVE Engine Performance Management System
- X-MODE® with Hill Descent Control
- EyeSight® Driver Assist Technology⁶
- 18-inch alloy wheels
- LED Steering Responsive Headlights
- LED fog lights
- Body-color exterior mirrors with integrated turn signals
- 6-way power-adjustable driver seat
- Leather-trimmed upholstery with orange stitching
- Shifter handle with leather boot, orange stitching and gloss black trim

- Silver and gloss carbon-fiber-patterned interior accent trim
- SUBARU STARLINK® 8.0-inch Multimedia Plus with Apple CarPlay® and Android Auto™ integration, STARLINK® cloud-based applications, SiriusXM®⁷ and SiriusXM Travel Link,^{®7} 6 speakers, AM/FM/CD player, HD Radio,[®] dual USB input ports, Bluetooth® audio streaming and hands-free phone connectivity, and auxiliary jack
- Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert⁹
- Reverse Automatic Braking¹⁰
- Keyless Access with Push-Button Start
- 6.3-inch color multifunction display
- High-grade instrument cluster with color LCD display
- Dual rear center console USB charge ports
- Rear-seat reminder

Body Side Molding. Attractive color-matched moldings coordinate with the styling of the vehicle while helping to protect the doors from unsightly dings.

Splash Guards. Helps protect vehicle paint finish from stones and road grime. Engineered to help reduce wind noise and aerodynamic drag. Splash Guards undergo a series of durability tests to help withstand weather and driving conditions. Set of four.

All-Weather Floor Liners. Custom-fitted, high wall design floor liners help protect the vehicle carpet from accidental spills, snow, sand, mud, dirt and moisture. All-Weather Floor Liners are precision-engineered to ensure a precise fit and withstand a series of functional and durability evaluations to help ensure the liners will not warp, fade or tear.

Rockford Fosgate® Audio Upgrade. Enhance your Crosstrek audio system to a new level of sound quality so you not only hear the music but feel it. This upgrade consists of an amplifier, upgraded speakers and an integrated digital signal processor tuned to align the system to the listener's preference.

Crossbar Set – Aero. Increase your vehicle's cargo-carrying capabilities by adding a crossbar set. These aero-style crossbars may be used in conjunction with Genuine Subaru roof attachments and carriers.

Rear Seatback Protector. Provides additional protection to the rear seatbacks when lowering the seats to transport larger cargo.

LED Upgrade – Map and Dome Lights. Enhance the illumination of your standard interior map and dome lights with brighter, whiter and crisper LED lighting. The LED Upgrade accessory is developed and tested to vigorous Subaru standards for seamless operation, uninterrupted functionality and to help ensure the safety of your vehicle's electrical infrastructure.

Auto-Dimming Mirror with Compass and HomeLink. This upgraded Auto-Dimming Mirror detects glare and darkens automatically to protect your vision while featuring an 8-point digital compass. Three backlit HomeLink® buttons can be programmed to operate most garage doors, security gates, home lighting and more. Can also provide you with the last status of your garage door (open or closed) if programmed to a compatible opener featuring two-way communication.

Trailer Hitch. Rated at 200 lbs. tongue weight with 1,500 lbs. of towing capacity. Engineered to the same rigorous standards as the rest of the Crosstrek.

Hitch ball not included. Ball mount sold separately. Trailer brakes may be required.

Rear Bumper Cover. Helps protect the upper surface of the painted bumper from scratches and dings.

Remote Engine Starter. Allows vehicle to start from the convenience of home or the office (up to 400 feet away depending on obstructions) so that the vehicle interior temperature is more comfortable upon entry.

Auto-Dimming Exterior Mirrors with Approach Light. Enhance nighttime driving safety by adding the Auto-Dimming Exterior Mirrors with Approach Light. Upon approaching the vehicle or unlocking your doors with the keyless entry system, LED lights located behind the Subaru logo in each exterior mirror will illuminate the ground next to and towards the rear of the vehicle. During nighttime driving, the Auto-Dimming Exterior Mirrors will reduce headlight glare by dimming in unison with the Auto-Dimming (Interior) Mirror, creating a safer driving experience. Dimming level is regulated by the level of light detected from the Auto-Dimming (Interior) Mirror.

Let nothing hold you back.

2021 Crosstrek | Owner Benefits

Once you're part of our family, we'll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru retailer and other services are just a phone call away. And to protect you over the long haul, we offer Added Security® (ask for it by name). It includes extended service agreements and maintenance plans to help protect your car for up to 10 years or 100,000 miles. They're the only mechanical and maintenance plans backed by Subaru, and because we've been backing them for more than 30 years, they're agreements you can trust. Your retailer has full coverage details.

At Subaru, we're committed to building a lasting, rewarding relationship with you and the world we share. We start by building our vehicles to last—in fact, 99% of Subaru Crosstrek vehicles sold in the last 5 years are still on the road today.¹⁴ We also share your desire for a cleaner, greener world. In 2004, Subaru of Indiana Automotive, Inc. (SIA) became the first manufacturing facility in the U.S. to reach zero-landfill status—nothing from its manufacturing efforts ever goes into a landfill. Subaru is also headquartered in a zero-landfill office in Camden, N.J.
