

The Subaru Impreza. More than a car. It's a Subaru.

Getting there is important.
Being there is everything.

Every part is the fun part.

0 0 0 0 1

Long-Lasting

The Impreza is built to inspire trust. You can count on the Subaru Global Platform, built with high-strength steel for high crash-energy absorption. You also have the reliable SUBARU BOXER® engine with standard Subaru Symmetrical All-Wheel Drive. Because 95% of Subaru Impreza vehicles sold in the last 10 years are still on the road today, you can be confident that your Impreza is ready for every twist and turn ahead.

Safety-Focused

To help keep you and your passengers protected, the Impreza features advanced safety systems, including standard EyeSight® Driver Assist Technology, Blind-Spot Detection and Rear Cross-Traffic Alert. You can also add LED Steering Responsive Headlights with High Beam Assist to help maximize visibility. For even greater peace of mind, SUBARU STARLINK® Safety and Security offers a host of systems to connect you to help when you need it most.

Fuel-Efficient

Responsive power and exceptional fuel economy deliver extra fun without added cost. The Impreza achieves up to 36 highway MPG with standard Subaru Symmetrical All-Wheel Drive, thanks to its direct-injection SUBARU BOXER® engine. Plus, it can go more than 450 miles on a full tank, making it that much easier to roam as you please.

Well-Connected

Take your favorite content almost anywhere you go. The Impreza features SUBARU STARLINK® Multimedia with standard Apple CarPlay® and Android Auto™ integration. For added convenience, available features include Remote Engine Start with Climate Control and STARLINK® Concierge Services.

Impreza Limited Sedan in Ocean Blue Pearl with optional equipment.

Hi-Tech Cabin

Come on in and play. The Impreza makes it easy to bring along your music and apps, thanks to SUBARU STARLINK® Multimedia with standard Apple CarPlay® and Android Auto™ integration. For even greater possibilities, there's an available voice-activated navigation system powered by TomTom®, featuring an easy-to-use 8.0-inch touchscreen¹ along with SiriusXM® Radio,² SiriusXM® Traffic®³ and SiriusXM® Travel Link.⁴ There are also conveniences designed to make life easier even before you get in—from Keyless Access with Push-Button Start¹ to Remote Engine Start with Climate Control, which lets you set the perfect temperature from your smartphone.¹,⁴ STARLINK® Concierge Services can help with tasks like navigation, restaurant reservations and service appointments.⁵ With the available 8-speaker 432-watt-equivalent Harman Kardon® premium audio system, you can hear how your music was intended to sound¹.

Room to **push limits.**

The 2021 Impreza is a 2020
IIHS Top Safety Pick¹

An extra set of eyes **every time you drive.**

Pre-Collision Braking

A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight[®] warns you, applies the brakes and, at lower speeds, can even help you stop your Impreza.

Adaptive Cruise Control

Traffic doesn't always flow smoothly. EyeSight[®] can keep a set speed, look ahead and help your Impreza automatically adjust to keep your distance, even in stop-and-go traffic.

Lane Departure and Sway Warning with Lane Keep Assist

You accidentally drift to the edge of your lane and begin to cross into another. EyeSight[®] watches for lane markers and chimes to warn you before you leave your lane, and it can even help steer you back into your proper course, thanks to Lane Keep Assist.

Pre-Collision Throttle Management

This system reduces power to your engine to help you avoid accidentally accelerating into the car in front of you while merging, or if you unintentionally put your Impreza in Drive instead of Reverse.

EyeSight[®] reduces rear-end
crashes with injuries by **85%**²

¹ The 2020 IIHS Top Safety Pick applies to trim levels with EyeSight[®] and Steering Responsive Headlights. ² Based on data from 2013–2015MY Subaru models equipped with EyeSight[®] through 2014. From an Insurance Institute of Highway Safety report published January 2016. ³ EyeSight[®] is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operation and limitations.

Thinking ahead.
Even before you do.

Enhanced Safety

Ready for whatever may come, the Impreza offers peace of mind with innovative systems like SUBARU STARLINK® Safety and Security,^{1,2} which includes Advanced Automatic Collision Notification. You'll have extra awareness with the standard Rear-Vision Camera, strong protection with the rigid Ring-shaped Reinforcement Frame, and reassurance with seven standard airbags³ You can also opt for LED Steering Responsive Headlights with High Beam Assist² to help give you maximum visibility.

Blind-Spot Detection

Using radar sensors, Blind-Spot Detection^{2,4} warns you with a visual indicator on your side mirror if it senses a vehicle in your blind spot. Another feature of this system, Lane Change Assist, alerts you with a flashing indicator on your side mirror if it senses a vehicle approaching at a higher speed in a neighboring lane and you signal for a lane change.

Rear Cross-Traffic Alert

Rear Cross-Traffic Alert^{2,4} uses radar sensors to help warn you of traffic approaching from the side as you are backing up, utilizing a flashing visual indicator on your side mirror and Rear-Vision Camera display as well as an audible warning.

Reverse Automatic Braking

Reverse Automatic Braking^{2,5} can detect objects directly behind your vehicle when backing up at a low speed and can help bring the Impreza to a stop if it detects an object within its range and the brakes have yet to be applied. There's also the Rear-Vision Camera to help you keep an eye out.

SUBARU STARLINK® Safety and Security

The Impreza features STARLINK® Safety and Security,^{1,2} which can alert a first responder in an emergency, help police locate your vehicle if it's stolen and more. To get you started, new Impreza drivers enjoy a free three-year STARLINK® Safety Plus subscription, which includes Advanced Automatic Collision Notification, Enhanced Roadside Assistance, SOS Emergency Assistance and more.

1 Activation with subscription required. Includes a 3-year trial subscription to Safety Plus services and a 6-month trial subscription to Safety and Security Plus services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. See your retailer for details. 2 Availability varies by trim level. See your retailer for details. 3 Always wear seatbelts. Children should be properly restrained in the rear seat. 4 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 5 Requires EyeSight.® The Reverse Automatic Braking System is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner's Manual for complete details on system operation and limitations.

Cargo Net. Neatly holds cargo and prevents it from sliding while the vehicle is in motion.

Body Side Molding. Attractive, color-matched moldings coordinate with the styling of the vehicle while helping to protect doors from unsightly dings.

Seat Cover – Rear. Keep your second row tidy with the custom-fitted rear seat cover. Machine-washable, water-resistant and latch-accessible, this seat cover is great for kids, pets and life on the go. Made with a polyester front and polyurethane-coated back.

Auto-Dimming Exterior Mirrors. Enhance nighttime driving safety by adding the Auto-Dimming Exterior Mirrors with Approach Light.* Upon approaching the vehicle or unlocking your doors with the keyless entry system, LED lights located behind the Subaru logo in each exterior mirror will illuminate the ground next to and towards the rear of the vehicle. During nighttime driving, the Auto-Dimming Exterior Mirrors will reduce headlight glare by dimming in unison with the Auto-Dimming (Interior) Mirror, creating a safer driving experience. Dimming level is regulated by the level of light detected from the Auto-Dimming (Interior) Mirror.

*Requires Auto-Dimming (Interior) Mirror.

Rockford Fosgate® Audio Upgrade. Get ready to not only hear your music but feel it, too. The Rockford Fosgate® Audio Upgrade elevates the standard Impreza audio system to a whole new level with an amplifier, upgraded speakers, and an integrated digital signal processor tuned to align the system to your liking.
Not applicable to trim levels with Harman Kardon® premium audio system with amplifier.

SUBARU STARLINK® Entertainment Anywhere. The STARLINK® Entertainment Anywhere package is available to make every trip in your Impreza even more enjoyable. With two Apple iPad® 32GB Wi-Fi models, you and your passengers have endless opportunities to stay connected, engaged and entertained. Passengers can also utilize the built-in 4G LTE Wi-Fi capability to stream their favorite content or search the web. This premium entertainment experience—which also includes two sets of Harman Kardon® Bluetooth® Headphones and two OtterBox Defender Series iPad Cases—is a great value and can be enjoyed wherever your travels take you.

Please see your local retailer for details on how to purchase. Components of the Entertainment Anywhere Kits are not Genuine Subaru Accessories and are not covered under any Subaru limited warranties. Any service or warranties on those components are extended by their individual manufacturers. Apple and iPad are registered trademarks of Apple Inc. All sales are final. No returns will be accepted. Headphones shown are prototype.

Cargo Tray. Removable tray helps to protect the cargo area from stains, dirt and other messes while providing a surface that helps reduce the shifting of cargo while driving.

Door Edge Guards. Help protect your door edges from dings and chips with custom-fit, body color-matched, stainless steel Door Edge Guards. They help preserve the appearance of your Subaru while seamlessly blending into the door design.

Rear Seatback Protector. Provides additional protection to the rear seatbacks when lowering the seats to transport larger cargo. Use in conjunction with the Cargo Tray for optimal protection.
5-door trim levels only.

Auto-Dimming Mirror with Compass and HomeLink® This upgraded Auto-Dimming Mirror detects glare and darkens automatically to protect your vision while featuring an 8-point digital compass. Three backlit HomeLink® buttons can be programmed to operate most garage doors, security gates, home lighting and more. It can also provide you with the last status of your garage door (open or closed) if programmed to a compatible opener featuring two-way communication.

Side Sill Plates. Metallic finished panels add some protection and dress up the sill plates of the Impreza.
Set of four.

Splash Guards. Helps protect vehicle paint finish from stones and road grime. Engineered to help reduce wind noise and aerodynamic drag. Splash Guards undergo a series of durability tests to help withstand weather and driving conditions.
Set of four.

All-Weather Floor Liners. Custom-fitted, high wall design floor liners help protect the vehicle carpet from accidental spills, snow, sand, mud, dirt and moisture. All-Weather Floor Liners are precision-engineered to ensure a precise fit and withstand a series of functional and durability evaluations to help ensure the liners will not warp, fade or tear.
Not intended for use on top of Carpeted Floor Mats.

LED Upgrade – Map and Dome Lights. Enhance the illumination of your standard interior map and dome lights with brighter, whiter and crisper LED lighting. The LED Upgrade accessory is developed and tested to vigorous Subaru standards for seamless operation, uninterrupted functionality and to help ensure the safety of your vehicle's electrical infrastructure.

Let nothing hold you back.

When your passion is even bigger than your cargo area, Genuine Subaru active lifestyle accessory attachments manufactured by Thule® are a smart way to securely transport larger gear like bikes, skis, snowboards, kayaks, paddleboards and more. Each carrier safely attaches to your roof rack, and the available Thule® Portable Step can help you easily access everything.

2021 Impreza | Owner Benefits

Once you're part of our family, we'll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru retailer and other services are just a phone call away. And to protect you over the long haul, we offer Added Security® (ask for it by name). It includes extended service agreements and maintenance plans to help protect your car for up to 10 years or 100,000 miles. They're the only mechanical and maintenance plans backed by Subaru, and because we've been backing them for more than 30 years, they're agreements you can trust. Your retailer has full coverage details.

At Subaru, we're committed to building a lasting, rewarding relationship with you and the world we share. We start by building our vehicles to last. It's why 95% of Subaru Impreza vehicles sold in the last 10 years are still on the road today.¹⁴ We also share your desire for a cleaner, greener world. In 2004, Subaru of Indiana Automotive, Inc. (SIA) became the first manufacturing facility in the U.S. to reach zero-landfill status—nothing from its manufacturing efforts ever goes into a landfill. Subaru is also headquartered in a zero-landfill office in Camden, N.J.

See your retailer for details. 12 The Supplemental Restraint System (SRS) (airbags) affords the driver and the front and rear outboard passengers additional protection in moderate to severe frontal and side-impact collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in the rear seat. 13 Activation and required subscription sold separately. Includes 3-year trial subscription. See your retailer for details. 14 Based on Experian Automotive vehicles in operation vs. total new registrations for MY2010–2019 as of December 2019.
