OUTBACK

The Subaru Outback. Go where love takes you.

SUBARU

Inspiring out-of-office memos since '95.

Meet the 2022 Subaru Outback.

The first Outback wasn't just a way to get out there, but a reason to see something new—to have an adventure. That was 1995, and still the Outback continues to push ahead. From its advanced technologies and safety systems to its capable engineering, this SUV lets you know the outdoors is waiting. So take a personal day—or two.

Most Adventurous

With standard Subaru Symmetrical All-Wheel Drive, 8.7 inches of ground clearance and a direct-injection SUBARU BOXER® engine, the 2022 Outback is designed for peace of mind on long drives, achieving up to 33 MPG¹—better AWD fuel economy than the Honda Passport, Ford Edge and Jeep Grand Cherokee.² For next-level capability, you can opt for a turbocharged engine³—or get it standard with the new Outback Wilderness,TM which features 9.5 inches of ground clearance.

Most Reliable

Built on the strength of the Subaru Global Platform, the Outback has had years of experience on all types of terrain. Its record speaks for itself—97% of Subaru Outback vehicles sold in the last 10 years are still on the road today.⁴

Safest

The 2022 Outback takes an active role in helping you stay safe, thanks to innovations such as standard Subaru EyeSight® Driver Assist Technology,⁵ which includes Advanced Adaptive Cruise Control with lane centering. There's also the DriverFocus® Distraction Mitigation System to help reduce distracted or drowsy driving.^{3,6}

Most Advanced

More options means more ease. An 11.6-inch touchscreen³ makes it intuitive to find the app you need, while SUBARU STARLINK® Multimedia lets you connect just about anywhere through standard Apple CarPlay® and Android Auto™ integration. Technologies such as Remote Engine Start with Climate Control help make the Outback a place of comfort.^{3,7}

Farther doesn't have to feel longer.

To keep distances engaging, the Outback delivers far-reaching connectivity. With its 11.6-inch touchscreen,¹ you have simple, easy access to SUBARU STARLINK® Multimedia, featuring standard Apple CarPlay® and Android Auto™ integration. For passengers, built-in Wi-Fi capability^{1,2} offers a wide range of entertainment possibilities. Once everyone votes on what music to play, the Harman Kardon® premium audio system will bring that song to life through 12 speakers and a 576-watt-equivalent amplifier.¹

Welcoming you, personally.

From the moment you sit behind the wheel, available DriverFocus® recognizes you and automatically adjusts the Outback to your preferences.^{1,3} This includes driver seat settings, climate controls, side mirrors and even your choices for which vehicle system information appears on the screen.

1 Availability varies by trim level. See your retailer for details. 2 Activation and subscription required. Internet access is purchased separately through AT&T with monthly, per gigabyte, and unlimited data options available. Existing AT&T customers have the option to add a line to their AT&T Mobile Share plan. See your retailer for details. 3 The DriverFocus® Distraction Mitigation System is a driver recognition technology designed to alert drivers if their attention to the road wavers or if the driver's face appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See Owner's Manual for complete details on system operation and limitations.

Find a place that makes you
forget to take a selfie.

The Outback is engineered to help you discover what's out there. When pavement is scarce, you can count on standard Subaru Symmetrical All-Wheel Drive, X-MODE® with Hill Descent Control and class-leading ground clearance.¹ For packing up with ease, there are roof rails with integrated retractable roof crossbars.² Plus, the Outback has a towing capacity of up to 3,500 pounds,³ meaning you can bring all your must-haves—and fun-to-haves, too.

All-New 2022 Outback Wilderness™

Your itinerary becomes anywhere in the Outback Wilderness—an Outback that's heightened, quite literally, with 9.5 inches of ground clearance. Rugged cladding and Anodized Copper-finish accents reveal its bold nature, while its capable engineering drives the point home. For more fun while taking on the terrain, the Outback Wilderness is equipped with a further advanced dual-function X-MODE® system, now designed to work at higher speeds. This is combined with off-road-optimized gearing as well as increased approach, departure and breakover angles for tackling a greater variety of surfaces. The Outback Wilderness also has ladder-type roof rails for increased roof load capacity and comes with additional tow points for greater confidence when heading out.

¹ Comparison based on competitor information from manufacturer websites for 2021 model-year vehicles within the IHS Markit Non-Luxury CUV segment and current at time of printing. ² Availability varies by trim level. See your retailer for details. ³ Outback XT trim levels only. Trailer brakes may be needed. Some safety features, including X-MODE®, Blind-Spot Detection and Rear Cross-Traffic Alert, may not function properly when towing. See your retailer for details.

An extra set of eyes every time you drive.

Every Outback includes standard Subaru EyeSight® Driver Assist Technology.¹ Equipped with a comprehensive suite of innovative safety features, EyeSight® looks ahead, alerts you to potential dangers and can even intervene to help you avoid a collision.

The 2022 Outback is a 2021
IIHS Top Safety Pick+
(except Outback Wilderness™)

EyeSight® reduces the
rate of rear-end crashes
with injuries by up to **85%**²

Pre-Collision Braking

Can help slow and bring your Outback to a full stop if necessary.

Advanced Adaptive Cruise Control with Lane Centering

Automatically helps keep you centered in your lane, at a safe distance behind the car in front of you — even in traffic and around curves.

Lane Departure and Sway Warning

Can alert you if you drift to the edge of your lane and begin to cross into another.

Pre-Collision Throttle Management

Can reduce engine power to help give you more time to react and to help minimize the possible impact force and frontal impact damage.

¹ EyeSight® is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See Owner's Manual for complete details on system operations and limitations. ² Based on data from 2013–2015MY Subaru models equipped with EyeSight® through 2014. From an Insurance Institute of Highway Safety report published January 2016.

DriverFocus® Distraction Mitigation System

Every day in the U.S., more than 1,000 people are injured in crashes reported to have involved a distracted driver.¹ As an industry leader in safety, Subaru developed the DriverFocus® Distraction Mitigation System,^{2,3} one of the first technologies of its kind. Engineered for both new and experienced drivers, it works together with Subaru EyeSight® to help detect distracted or drowsy driving. If the driver's attention strays from the road for too long, DriverFocus® can deliver visual and auditory alerts to bring attention back to the road.

¹ Centers for Disease Control and Prevention, citing National Center for Statistics and Analysis. Distracted Driving: 2015, in Traffic Safety Research Notes. DOT HS 812 381. March 2017, National Highway Traffic Safety Administration: Washington, D.C. ² The DriverFocus® Distraction Mitigation System is a driver recognition technology designed to alert drivers if their attention to the road wavers or if the driver's face appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See Owner's Manual for complete details on system operation and limitations. ³ Availability varies by trim level. See your retailer for details.

Detect, alert, **protect.**

Advanced Safety Features

The Outback represents the very latest in Subaru safety, down to the strong core of its Subaru Global Platform. For better visibility, there are standard LED Steering Responsive Headlights with High Beam Assist and an available 180-Degree Front View Monitor.¹ Thanks to a wide range of active safety technologies, peace of mind is possible just about anywhere.

Blind-Spot Detection

Using radar sensors, Blind-Spot Detection^{1,2} warns you with a visual indicator on your side mirror if the system detects a vehicle in your blind spot. Another feature of this system, Lane Change Assist, alerts you with a flashing indicator on your side mirror if it senses a vehicle approaching at a higher speed in a neighboring lane and you signal for a lane change.

Rear Cross-Traffic Alert

Rear Cross-Traffic Alert^{1,2} uses radar sensors to help warn you of traffic approaching from the side as you are backing up, utilizing a flashing visual indicator on your side mirror and Rear-Vision Camera display as well as an audible warning.

Reverse Automatic Braking

Reverse Automatic Braking^{1,3} can detect objects directly behind your vehicle when backing up at a low speed and can help bring the Outback to a stop should an object be detected within its range and the brakes have yet to be applied. There's also the Rear-Vision Camera to help you keep an eye out.

SUBARU STARLINK® Safety and Security

The Outback features the latest STARLINK® Safety and Security^{1,4} system, which can alert a first responder in an emergency, help police locate your vehicle if it's stolen and more. To get you started, new Outback drivers enjoy a free three-year STARLINK® Safety Plus trial, which includes Advanced Automatic Collision Notification, Enhanced Roadside Assistance, SOS Emergency Assistance and more.

1 Availability varies by trim level. See your retailer for details. 2 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 3 The Reverse Automatic Braking System is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner's Manual for complete details on system operation and limitations. 4 Activation with subscription required. Includes a 3-year trial subscription to Safety Plus services and a 6-month trial subscription to Safety and Security Plus services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. Not available in all states. See your retailer for details.

Rest stops aren't the only
chances to stretch.

Expanding Possibility

Space goes a long way in the Outback, and with 109.0 cubic feet of passenger volume,¹ it's roomier than the Jeep Grand Cherokee, Honda CR-V and Toyota RAV4.² A vast cargo area offers the convenience of a Hands-Free Power Rear Gate³ and the versatility of a 60/40-split folding rear seatback. When it comes to comfort, you can set the perfect temperature even before you step in, thanks to Remote Engine Start with Climate Control.^{3,4} Once inside, you're welcomed by genuine Nappa leather⁵ and a 10-way power driver seat.³ There's also an 8-way power front-passenger seat,³ along with heated³ and ventilated front seats,⁵ heated rear seats³ and even a heated steering wheel.³ When the moment calls for calm, you'll have as much as you need—this is the quietest Outback interior yet.

2022 Outback | Trim Levels

Outback

- 182-hp 2.5-liter 4-cylinder SUBARU BOXER® engine with direct-injection and auto start-stop technology
- EyeSight® Driver Assist Technology¹
- Subaru Symmetrical All-Wheel Drive with Active Torque Vectoring
- Lineartronic® CVT (Continuously Variable Transmission) with 8-speed manual-mode paddle shifters
- X-MODE® featuring Hill Descent Control
- Auto-on/off LED Steering Responsive Headlights with High Beam Assist
- LED fog lights
- 17-inch aluminum-alloy wheels
- Roof rails with integrated retractable crossbars and 4 tie-down points
- Cloth upholstery
- 6-way manually adjustable driver seat and 4-way manually adjustable front-passenger seat
- SUBARU STARLINK® Dual 7.0-inch Multimedia with Apple CarPlay® and Android Auto™ integration, SiriusXM®² and SiriusXM Travel Link,®² dual USB input ports, 4 speakers, AM/FM stereo, Bluetooth® audio streaming and hands-free phone connectivity, and auxiliary jack
- Automatic climate control
- Driver and front-passenger auto-up/down power windows
- Cargo-area tray, 4 tie-down hooks and 2 grocery bag hooks
- Front- and rear-passenger seatbelt warning light/chime and rear-seat reminder
- Rear-Vision Camera

Outback Premium

- Includes Outback key features and adds:**
- Body-color side mirrors with integrated turn signals
 - Privacy glass
 - All-Weather Package: Heated exterior mirrors, 3-mode heated front seats, windshield wiper de-icer
 - 10-way power-adjustable driver seat with lumbar support
 - SUBARU STARLINK® 11.6-inch Multimedia Plus with Apple CarPlay® and Android Auto™ integration, SiriusXM®² and SiriusXM Travel Link,®² 6 speakers, AM/FM stereo, Bluetooth® audio streaming and hands-free phone and text messaging connectivity
 - 4G LTE Wi-Fi capability³
 - Dual rear-seat USB charge ports and A/C vents
 - Dual-zone automatic climate control system
 - Leather-wrapped steering wheel and shifter handle
 - Center console 12-volt power outlet
 - Lifting and retractable cargo-area cover
 - STARLINK® Safety and Security enabled⁴: Includes features and services such as Advanced Automatic Collision Notification, Remote Engine Start with Climate Control⁵ and Concierge Services

Outback Onyx Edition XT

- Includes Outback Premium key features and adds:**
- 260-hp 2.4-liter 4-cylinder direct-injection turbocharged SUBARU BOXER® engine with auto start-stop technology
 - Lineartronic® CVT (Continuously Variable Transmission) High Torque with 8-speed manual-mode paddle shifters
 - Dual-Mode X-MODE® with Snow/Dirt and Deep Snow/Mud modes
 - 3,500-lb. towing capacity⁶
 - Dual exhaust outlets
 - 18-inch aluminum-alloy wheels with black finish
 - Crystal Black Silica front grille
 - Crystal Black Silica finish exterior mirrors with integrated turn signals
 - Black badging
 - Hands-Free Power Rear Gate with vehicle lock button
 - Full-size spare tire
 - Gray StarTex® water-repellent upholstery with green contrast stitching
 - 8-way power-adjustable front-passenger seat
 - Heated outboard rear seats
 - Keyless Access with Push-Button Start and PIN-code vehicle access
 - Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert⁷
 - 180-Degree Front View Monitor
 - Auto-dimming rearview compass mirror with HomeLink®
 - 8 cargo-area tie-down hooks

Outback Wilderness™

- Includes Outback Premium key features and adds:**
- 260-hp 2.4-liter 4-cylinder direct-injection turbocharged SUBARU BOXER® engine with auto start-stop technology
 - Advanced Dual-Mode X-MODE® with Snow/Dirt and Deep Snow/Mud modes, low speed/low ratio gradient control and medium-to-high-speed gravel/dirt functions
 - 9.5 inches of ground clearance
 - 3,500-lb. towing capacity⁶
 - 4 tow points with Anodized Copper-finish covers
 - Dual exhaust outlets
 - 17-inch aluminum-alloy wheels with matte black finish and Yokohama® Geolander® All-Terrain tires
 - Hexagonal LED fog lights
 - Outback Wilderness-design front and rear bumper covers, fender flares and side cladding
 - Outback Wilderness-design front grille
 - Matte-black, anti-glare hood decal
 - Ladder-style roof rails with increased load-carrying capacity, 4 tie-down points and Anodized Copper-finish accents
 - Subaru Wilderness badging on front doors and rear gate
 - Black badging and window moldings
 - Hands-Free Power Rear Gate with vehicle lock button
 - Full-size spare tire
 - Outback Wilderness Gray StarTex™ water-repellent upholstery with Anodized Copper-finish accents and contrast stitching
 - Outback Wilderness-design all-weather floor mats
 - Outback Wilderness gauges with color LCD display and Anodized Copper accents
 - Aluminum-alloy pedal covers
 - LED rear gate light
 - 8-way power-adjustable front-passenger seat
 - Heated outboard rear seats
 - Keyless Access with Push-Button Start and PIN-code vehicle access
 - Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert⁷
 - 180-Degree Front View Monitor
 - Auto-dimming rearview compass mirror with HomeLink®
 - 8 cargo-area tie-down hooks

Outback Limited

- Includes Outback Premium key features and adds:**
- 18-inch aluminum-alloy wheels
 - Silver metallic finish front and rear bumper underguards
 - Hands-Free Power Rear Gate with vehicle lock button
 - Automatic tilt-down passenger side mirror
 - Keyless Access with Push-Button Start and PIN-code vehicle access
 - Leather-trimmed upholstery
 - 8-way power-adjustable front-passenger seat
 - Adjustable driver-seat thigh support
 - Two-position memory driver seat and exterior mirrors
 - Heated outboard rear seats
 - Harman Kardon® 576-watt-equivalent premium audio system with 12 speakers
 - Auto-up/down front and rear windows
 - Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert⁷
 - Reverse Automatic Braking⁸
 - Auto-dimming rearview compass mirror with HomeLink®

Outback Touring

- Includes Outback Limited key features and adds:**
- DriverFocus® Distraction Mitigation System¹⁰
 - Automatic power-folding exterior mirrors with Satin chrome
 - Roof rails with silver finish integrated retractable crossbars and 4 tie-down points
 - Body-color door handles with chrome inserts
 - Crystal Black Silica finish pillar trim
 - 180-Degree Front View Monitor
 - Power moonroof
 - Java Brown Nappa leather-trimmed upholstery
 - High-grade leather-wrapped steering wheel
 - 3-mode ventilated front seats
 - Heated steering wheel
 - SUBARU STARLINK® 11.6-inch Multimedia Navigation with 3 years of free map updates, SiriusXM,®² SiriusXM Traffic®⁹ and SiriusXM Travel Link,®⁹ and CD player
 - 8 cargo-area tie-down hooks

Outback Touring XT

- Includes Outback Touring key features and adds:**
- 260-hp 2.4-liter 4-cylinder direct-injection turbocharged SUBARU BOXER® engine with auto start-stop technology
 - Lineartronic® CVT (Continuously Variable Transmission) High Torque with 8-speed manual-mode paddle shifters
 - 3,500-lb. towing capacity⁶
 - Dual exhaust outlets
 - Sound-insulating front door glass

Subaru has the highest Brand Loyalty in the automotive industry for two years in a row.¹¹

Subaru vehicles hold their value better than any other brand.¹²

The 2021 Subaru Outback has been named a Consumer Guide® Best Buy Award Winner two years in a row.¹³

The Subaru Outback was named 2021 Best Resale Value in its class by Kelley Blue Book.¹⁴

1 EyeSight® is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. (continued)

Outback

Outback XT

(continued)

Auto-Dimming Exterior Mirrors with Approach Light. Designed to enhance nighttime driving safety by working in unison with the Auto-Dimming (Interior) Mirror to reduce headlight glare. Upon approaching the vehicle or unlocking your doors with the keyless entry system, LED lights in each exterior mirror illuminate the ground next to and towards the rear of the vehicle.

Requires Auto-Dimming (Interior) Mirror.

Mud Flaps. Provides a protective barrier to help protect your Outback from the elements while also preventing minor road debris from kicking up behind your vehicle. Durably constructed and designed to minimize water, dirt and mud spray. Includes the Outback logo. Special edition designed for Outback Wilderness™ includes a stylish mountain scene molded into the lower portion of the product.

Trailer Hitch. Engineered and crash tested to meet the same rigorous safety standards as the rest of the Outback. Heavy-duty 2-inch receiver rated at 3,500 lbs. towing capacity, 350 lbs. tongue weight for the 2.4L Turbo XT and Outback Wilderness models, and 2,700 lbs. towing capacity, 270 lbs. tongue weight for the naturally aspirated 2.5L.

Trailer hitch requires the hitch and harness for proper operation and safety compliance.

Wireless Charger. No untangling required. The Wireless Charger is a Qi Certified Device with Intelligent Charging Profiles, battery protection, temperature control and short circuit safe guards. Works with all Qi and Samsung Fast Charge enabled devices. Anti-slip rubber insert keeps your device in place.

Cargo Sidewall Protector. Durably constructed to protect the rear cargo area and wheel well trim panels. Engineered for precise fit and can be easily removed for cleaning. The Cargo Sidewall Protectors provide optimal protection when used in conjunction with the Rear Seatback Protector and factory-installed Cargo Tray. Set of two.

Remote Engine Starter. Lets you start the Outback from a distance of up to 400 feet (depending on obstructions), allowing the interior to reach a more comfortable temperature upon entry. This Genuine Subaru Accessory is an alternative for customers who do not enroll in STARLINK® Safety and Security Plus.

Rear Seatback Protector. Provides additional protection to the rear seatback when lowering the seats to transport larger cargo.

Use in conjunction with the Cargo Tray for maximum protection.

Door Scuff Protector: A durable, easy-to-clean plastic shell that protects your doors from common scuffs and scrapes. The unique texture compliments the design of the Outback. Comes in a set of four.

Body Side Molding. Attractive color-matched moldings coordinate with the styling of the vehicle while helping to protect doors from unsightly dings.

Thule® Portable Step. Get the extra height you need to easily access your rooftop accessories. The Thule® Portable Step is made of heavy duty steel and includes rubber bumpers to help prevent wheel scrapes and scuffs. Conveniently folds into a carrying bag for easy storage.

Seat Cover – Rear. Keep your second row tidy with the custom-fitted rear seat cover. Machine-washable, water-resistant and latch-accessible, this seat cover is great for kids, pets and life on the go. Made with a polyester front and polyurethane-coated back.

All-Weather Floor Liners. Custom-fitted, high-wall floor liners help protect carpeting from spills, snow, sand, mud, dirt and moisture. Liners are engineered for a precise fit and tested for durability.

Outfit your **Outback.**

2022 Outback | Owner Benefits

Once you're part of our family, we'll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru retailer and other services are just a phone call away. And to protect you over the long haul, we offer Added Security® (ask for it by name). It includes extended service agreements and maintenance plans to help protect your car for up to 10 years or 100,000 miles. They're the only mechanical and maintenance plans backed by Subaru, and because we've been backing them for more than 30 years, they're agreements you can trust. Your retailer has full coverage details.

At Subaru, we're committed to building a lasting, rewarding relationship with you and the world we share. We start by building our vehicles to last—in fact, 97% of Subaru Outback vehicles sold in the last 10 years are still on the road today.¹⁵ We also share your desire for a cleaner, greener world. In 2004, Subaru of Indiana Automotive, Inc. (SIA) became the first manufacturing facility in the U.S. to reach zero-landfill status—nothing from its manufacturing efforts ever goes into a landfill. Subaru is also headquartered in a zero-landfill office in Camden, N.J.

000475 038000 102000 157000 248000

Love means being more than a car company. The **Subaru Love Promise** is our vision to show love and respect to all people at every interaction with Subaru. Together with our retailers, we are dedicated to making the world a better place.

¹ Trailer brakes may be needed. Some safety features, including X-MODE®, Blind-Spot Detection and Rear Cross-Traffic Alert, may not function properly when towing. See your retailer for details. ² 2022 EPA fuel economy estimates. Includes 4-month trial subscription. See your retailer for details. ⁷ Activation and monthly subscription sold separately. Includes 3-year trial subscription. See your retailer for details. ⁸ EyeSight® is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. The Pre-Collision Braking System is designed to provide automatic braking that either prevents a collision or reduces the severity of a frontal impact. Pre-Collision Throttle Management is designed to reduce acceleration and minimize the severity of certain frontal impacts. Advanced Adaptive Cruise Control and Brake Light Recognition are designed to assist the driver and are not substitutes for safe and attentive driving. Lane centering function operates only when used in conjunction with Advanced Adaptive Cruise Control. The Lane Departure and Sway Warning operates only when the lane markings are visible, and its effectiveness depends on many factors. See Owner's Manual for complete details on system operation and limitations. ⁹ Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. ¹⁰ The Reverse Automatic Braking System is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner's Manual for complete details on system operation and limitations. ¹¹ The DriverFocus® Distraction Mitigation System is a driver recognition technology designed to alert drivers if their attention to the road wavers or if the driver's face appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See Owner's Manual for complete details on system operation and limitations. ¹² Activation with subscription required. Includes a 3-year trial subscription to STARLINK® Safety Plus services and a 6-month trial subscription to STARLINK® Safety and Security Plus services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. Not available in all states. See your retailer for details. ¹³ Requires Keyless Access with Push-Button Start. See your retailer for details. ¹⁴ The Supplemental Restraint System (SRS) (airbags) affords the driver and the front passenger additional protection in moderate to severe frontal and side-impact collisions and outboard 2nd-row passengers additional protection in moderate to severe side-impact collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in one of the rear seats. See Owner's Manual for recommended seating position. ¹⁵ Based on Experian Automotive vehicles in operation vs. total new registrations for MY2011–2020 as of December 2020.

These brochures were printed with vegetable-based inks and produced using a "Green Printing Process." The Forest Stewardship Council® (FSC®) is an international organization that brings people together to find solutions which promote responsible stewardship of the world's forests and environments.

By producing these brochures in a green way rather than by traditional methods, we saved 82 trees preserved for the future; 18,000 gallons of wastewater flow saved; 400 lbs solid waste not generated; 47,000 lbs net greenhouse gases prevented; 35,000,000 BTUs energy not consumed. Calculations provided by Environmental Paper Network. FSC® is not responsible for any calculations on saving resources by choosing this paper.

This brochure is printed in the U.S.A. on 10% recycled paper. ©2021 Subaru of America, Inc. 22.OBKSRB.525 (DSGN-P495, 180K, 4/21, KSL)
