

2023
Crosstrek

Love is out there.® Find it in a Crosstrek.

SUBARU

Adventure: its second coat of paint.

Meet the 2023 Crosstrek.

When you drive a new Crosstrek off the lot, it will be clean—alarmingly clean. But not for long. With the ability to travel over 500 miles on a single tank,¹ a spontaneous adventure suddenly seems well within reason. Soon your Crosstrek will get those mud accents it deserves.

Capable

In the Crosstrek, “hard to get to” becomes “easy to reach” with standard Subaru Symmetrical All-Wheel Drive and 8.7 inches of ground clearance. For even further capability, available features include dual-function X-MODE^{®2} and a 182-hp SUBARU BOXER[®] engine.³

Durable

A Subaru lasts because of its engineering. The SUBARU BOXER engine’s horizontal design offers better balance than other engine types and creates less vibration, which can lead to less wear and tear. It’s one of the reasons why 97% of Subaru Crosstrek vehicles sold in the last 10 years are still on the road today—more than Honda CR-V, Toyota RAV4 or Jeep Compass.⁴

Connected

For adventures and commutes alike, you have simple, intuitive access to your music and apps through SUBARU STARLINK[®] Multimedia with standard Apple CarPlay[®] and Android Auto[™] integration. You can even use your phone to set the perfect temperature before you get in, thanks to available Remote Engine Start with Climate Control.^{3,5}

Safe

The Crosstrek is designed to heighten all-around awareness. Subaru EyeSight[®] Driver Assist Technology^{3,6} features Advanced Adaptive Cruise Control with Lane Centering to help you stay within lane markings and keep a safe distance from the car in front of you. There’s also available SUBARU STARLINK Safety and Security^{3,7} to connect you to help when you need it most.

Crosstrek Premium in Ice Silver Metallic with optional and accessory equipment.

Far never
felt so close.

There's a moment when you realize there are no other cars in sight—it's bound to happen when you have standard Subaru Symmetrical All-Wheel Drive and up to 34 highway MPG.¹ An adventure has begun and you're going to need all 8.7 inches of ground clearance—that's more than the Jeep Compass offers.² Terrain might get steep and slippery, but the Crosstrek has X-MODE with Hill Descent Control.³ You'll hold your ground.

1 EPA-estimated fuel economy for 2023 Crosstrek Sport and Limited trims with Lineartronic CVT at 34 highway MPG. Actual mileage may vary. See your retailer for details. 2 Comparison based on information from manufacturer website for 2022 Jeep Compass and is accurate at time of printing. 3 Requires Lineartronic CVT.

The Crosstrek Special Edition.

Proving ruggedness and style can be in the same place at once, the Crosstrek Special Edition complements the outdoors with its Desert Khaki paint color, Crystal Black Silica accents and 17-inch dark gray wheels. The feeling inside is elevated by an exclusive red and black interior—so each journey can be something you look forward to.

Looks don't always deceive.

The Crosstrek Sport

Not only does the Crosstrek Sport look capable. It was built that way—with 182 horsepower delivered by its SUBARU BOXER engine and the unyielding traction of dual-function X-MODE, a system that includes terrain-specific settings designed to take on snow and dirt or deep snow and mud.

Crosstrek Sport in Plasma Yellow Pearl with optional and accessory equipment.

Your outdoor home base.

Inside the Crosstrek Sport, conveniences come in all sizes. A high-powered LED rear gate light is a welcome convenience when car camping, and StarTex® water-repellent upholstery is easy to clean if the adventure gets muddy.

Ready for what you are.

Crosstrek Limited in Horizon Blue Pearl with optional and accessory equipment.

Cargo Versatility

The Crosstrek takes the process out of packing up. You have up to 55.3 cubic feet of cargo room and a host of versatile features to work with, including a wide rear gate opening, standard roof rails and a cargo-area tray¹—in case your gear gets wet or muddy. There's also a 60/40-split flat-folding rear seatback to accommodate longer items and a passenger or two on the same trip.

¹ Availability varies by trim level. See your retailer for details. ² Accessory equipment shown.

Small just got **spacious.**

Make a **connection.**

Simple, intuitive, road-trip ready.

Your music and apps are always along for the ride with SUBARU STARLINK Multimedia, featuring standard Apple CarPlay® and Android Auto™ integration. An available 8.0-inch screen¹ makes it all easily accessible, while a 432-watt-equivalent Harman Kardon® premium audio system gives your playlist a clear, detailed polish as it sings through eight speakers.¹ Thanks to Remote Engine Start with Climate Control,^{1,2} you can use your phone to set the perfect temperature even before you step in.

Crosstrek Limited with Black Leather and optional equipment.

An extra set of eyes **every time you drive.**

Pre-Collision Braking

A driver ahead unexpectedly hits the brakes or cuts you off. EyeSight^{1,2} warns you, applies brakes to help avoid impact and, at lower speeds, can even help you stop your Crosstrek.

Advanced Adaptive Cruise Control with Lane Centering

This system helps keep you centered in your lane, at a safe distance behind the car in front of you—even in traffic and around curves.

Lane Departure and Sway Warning with Lane Keep Assist

You accidentally drift to the edge of your lane and begin to cross into another. EyeSight^{1,2} watches for lane markers and can alert you with visual and audible warnings before you leave your lane. And when activated, Lane Keep Assist can even help steer you back into your proper course.

Pre-Collision Throttle Management

This system reduces power to your engine to help you avoid accidentally accelerating into the car in front of you while merging or if you unintentionally put your Crosstrek in Drive instead of Reverse.

1 Availability varies by trim level. See your retailer for details. 2 EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. Advanced Adaptive Cruise Control and Brake Light Recognition are designed to assist the driver and are not substitutes for safe and attentive driving. Lane Keep Assist operates only when the lane markings are visible, and system effectiveness depends on many factors. Lane centering function operates only when used in conjunction with Advanced Adaptive Cruise Control. See Owner's Manual for complete details on system operations and limitations.

Protect what you love.

Safety is more than a duty for us—it's a passion. That's why every Crosstrek is built on the Subaru Global Platform with a strong Ring-shaped Reinforcement Frame. To help improve driver visibility, available LED Steering Responsive Headlights¹ can help you see around corners, and High Beam Assist can automatically dim and activate your high beams as needed.¹

Blind-Spot Detection

Using radar sensors, Blind-Spot Detection warns you with a visual indicator on your exterior mirror if it senses a vehicle in your blind spot. Another feature of this system, Lane Change Assist, alerts you with a flashing indicator on your exterior mirror if it senses a vehicle approaching at a higher speed in a neighboring lane and you signal for a lane change.^{1,2}

Rear Cross-Traffic Alert

Rear Cross-Traffic Alert uses radar sensors to help warn you of traffic approaching from the side as you are backing up, utilizing a flashing visual indicator on your exterior mirror and Rear-Vision Camera display as well as an audible warning.^{1,2}

Reverse Automatic Braking

Reverse Automatic Braking can detect objects directly behind your vehicle when backing up at a low speed and can help bring the Crosstrek to a stop if it detects an object within its range and the brakes have yet to be applied. There's also the Rear-Vision Camera to help you keep an eye out.^{1,3}

SUBARU STARLINK Safety and Security

The Crosstrek features the latest STARLINK Safety and Security^{1,4} system, which can alert a first responder in an emergency, help police locate your vehicle if it's stolen and more. To get you started, new Crosstrek drivers enjoy a free three-year STARLINK Safety Plus trial, which includes Advanced Automatic Collision Notification, Enhanced Roadside Assistance, SOS Emergency Assistance and more.

¹ Availability varies by trim level. See your retailer for details. ² Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. ³ The Reverse Automatic Braking System is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See Owner's Manual for complete details on system operation and limitations. ⁴ Activation with subscription required. Includes a 3-year trial subscription to Safety Plus services and a 6-month trial subscription to Safety and Security Plus services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. Not available in all states. See your retailer for details.

Subaru. **Most Trusted Brand** eight years running, according to Kelley Blue Book’s KBB.com.¹

According to Forbes, Subaru is among the **Top 10 Brands** consumers love.²

Subaru is **ranked #1 in quality** in the automotive industry.³

97% of Subaru Crosstrek vehicles sold in the last 10 years are still on the road today, more than Honda CR-V, Toyota RAV4 or Jeep Compass.⁴

The Subaru Crosstrek is **#1 in its class**, according to Motor Trend.⁵

The Subaru Crosstrek has the **Best Resale Value** in its class for three years running, according to Kelley Blue Book’s KBB.com.⁶

2023 Crosstrek | Trim Levels

Crosstrek

- 152-hp 2.0-liter 4-cylinder SUBARU BOXER engine with direct-injection
- Subaru Symmetrical All-Wheel Drive with Active Torque Vectoring
- 6-speed manual transmission or optional Lineartronic® CVT (Continuously Variable Transmission) with auto start-stop technology, X-MODE with Hill Descent Control and SI-DRIVE Engine Performance Management System
- 17-inch alloy wheels
- Roof rails in black finish
- Cloth upholstery

- Black carbon-fiber-patterned interior accent trim
- 6-way manually adjustable driver seat and 4-way manually adjustable front-passenger seat
- SUBARU STARLINK 6.5-inch Multimedia with Apple CarPlay® and Android Auto™ integration, high-resolution LCD touchscreen display, 4 speakers, AM/FM stereo, USB input port, Bluetooth® audio streaming and hands-free phone connectivity, and auxiliary jack
- Driver and front-passenger auto up/down power windows
- Automatic climate control system with air filtration
- Rear-Vision Camera

Crosstrek Premium

Includes Crosstrek key features and adds:

- Auto-on/off headlights
- Fog lights

Body Side Molding. Attractive color-matched moldings coordinate with the styling of the vehicle while helping to protect the doors from unsightly dings.

Splash Guards. Helps protect vehicle paint finish from stones and road grime. Engineered to help reduce wind noise and aerodynamic drag, and rigorously tested to withstand weather and driving conditions. Set of four.

All-Weather Floor Liners. Custom-fitted, high wall design floor liners help protect the vehicle carpet from accidental spills, snow, sand, mud, dirt and moisture. All-Weather Floor Liners are precision-engineered to ensure a precise fit and withstand a series of functional and durability evaluations.

Footwell Illumination Kit. Illuminate the dark corners of the front floor area and upgrade the interior ambience of your Subaru with a gentle blue glow. The Footwell Illumination Kit is integrated with the vehicle's light management system to brighten and dim in conjunction with the vehicle's interior lighting. LED lights install securely into designated, prearranged locations.

Introducing Genuine Subaru
Pet-friendly Accessories.

Pet Harness. Keep your dog safe with this crash-tested Pet Harness, certified by the Center for Pet Safety for dogs from 18 to 90 pounds. Manufactured by Sleepypod® in signature Subaru blue, the Pet Harness can also be used for walking your dog. Available in S, M, L or XL.

Seat Cover – Rear. Keep your back seat tidy with this custom-fitted seat cover, made with water-resistant heavy-duty materials.

Console Lid Protector. Protects the center console lid surface from nail scratches and puncture holes, while providing a comfortable armrest for front seat passengers.

License Plate Frame – Pet Lover. Share your love for your furry, scaly or feathered friends with our Pet Lover license plate frame. Available in either matte black or polished stainless steel.

Pet Carrier and Mobile Pet Bed. This multi-functional, ultra-plush pet bed also doubles as a carrier to safely transport your pet in comfort. Manufactured by Sleepypod®, this accessory is crash-tested and certified by the Center for Pet Safety.

Pet Ramp. Give your canine companion easy access to your Subaru. Manufactured by 4pets®, the sturdy, foldable Pet Ramp supports up to 220 lbs. and is especially suited to senior dogs and those with mobility issues, thanks to its non-slip design and high-grip ridged surface.

Pet Travel Bowl. This portable container makes it easy to bring your pet's food and water on the go. Manufactured by Sleepypod®, the Pet Travel Bowl includes a base compartment for ice to help keep your pet's water cool and wet food fresh.

Collapsible Pet Kennel – Medium. Portable, compact and lightweight, the Collapsible Pet Kennel, manufactured by Thule®, is ideal for travel and for everyday transport. Includes a carrying handle for easy transport and two pockets to carry your pet's personal cargo.

Crossbar Set – Aero. Increase your vehicle's cargo-carrying capabilities by adding a crossbar set. These aero-style crossbars may be used in conjunction with Genuine Subaru roof attachments and carriers.

Rear Seatback Protector. Provides additional protection to the rear seatbacks when lowering the seats to transport larger cargo.

LED Upgrade – Map and Dome Lights. Enhance the illumination of your standard interior map and dome lights with brighter, whiter and crisper LED lighting. The LED Upgrade accessory is developed and tested to vigorous Subaru standards for seamless operation, uninterrupted functionality and to help ensure the safety of your vehicle's electrical infrastructure.

Auto-Dimming Mirror with Compass and HomeLink®. This upgraded Auto-Dimming Mirror detects glare and darkens automatically to protect your vision while featuring an 8-point digital compass. Three backlit HomeLink® buttons can be programmed to operate most garage doors, security gates, home lighting and more. Can also provide you with the last status of your garage door (open or closed) if programmed to a compatible opener featuring two-way communication.

Remote Engine Starter. Allows vehicle to start from the convenience of home or the office (up to 400 feet away depending on obstructions) so that the vehicle interior temperature is more comfortable upon entry.

Rear Bumper Cover. Helps protect the upper surface of the painted bumper from scratches and dings.

Trailer Hitch. Rated at 200 lbs. tongue weight with 1,500 lbs. of towing capacity. Engineered to the same rigorous standards as the rest of the Crosstrek.

Hitch ball not included. Ball mount sold separately. Trailer brakes may be required.

Auto-Dimming Exterior Mirrors with Approach Light. To enhance nighttime driving safety, these mirrors are designed to reduce headlight glare, by dimming based on the level of light detected by the Auto-Dimming (Interior) Mirror. They also help illuminate the ground before you enter your vehicle, thanks to LED lights located behind the Subaru logo in each mirror.

Requires Auto-Dimming (Interior) Mirror.

Let nothing hold you back.

¹ Impreza Limited 5-door shown. The use of tie-down straps is required while the vehicle is in motion.

2023 Crosstrek | Owner Benefits

Once you're part of our family, we'll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. If you have trouble on the road, a tow to the nearest Subaru retailer and other services are just a phone call away. And to protect you over the long haul, we offer Added Security[®] (ask for it by name). It includes extended service agreements and maintenance plans to help protect your car for up to 10 years or 100,000 miles. They're the only mechanical and maintenance plans backed by Subaru, and because we've been backing them for more than 30 years, they're agreements you can trust. Your retailer has full coverage details.

At Subaru, we're committed to building a lasting, rewarding relationship with you and the world we share. We start by building our vehicles to last—in fact, 97% of Subaru Crosstrek vehicles sold in the last 10 years are still on the road today.¹⁶ We also share your desire for a cleaner, greener world. In 2004, Subaru of Indiana Automotive, Inc. (SIA) became the first manufacturing facility in the U.S. to reach zero-landfill status—nothing from its manufacturing efforts ever goes into a landfill. Subaru is also headquartered in a zero-landfill office in Camden, N.J.

000475 038000 102000 157000 248000

Love means being more than a car company. The **Subaru Love Promise** is our vision to show love and respect to all people at every interaction with Subaru. Together with our retailers, we are dedicated to making the world a better place.
