

2024 Ascent

The 3-row Subaru Ascent. Love is now bigger than ever.®

SUBARU

Ascent Onyx Edition Limited in Cosmic Blue Pearl.

Dream bigger.

When you're ready for life's next big adventure, the 2024 Ascent is ready to take you to new heights. The Ascent is our largest and most versatile Subaru ever, with three rows and seating for up to eight.¹ It's packed with advanced technologies, from active safety systems to entertainment features. And for 2024, the Ascent takes its presence to the next level—from its stylish trim and accents to the cutting-edge look of its wheels.¹

Capable

Whatever size or shape your next adventure takes, the Ascent is ready. It features standard Subaru Symmetrical All-Wheel Drive while delivering up to 26 highway MPG,² and it can tow up to 5,000 lbs.³ With 8.7 inches of ground clearance and available dual-function X-MODE[®] with Hill Descent Control,¹ you can reach even more destinations.

Safe

When it comes to safety, Subaru never stops innovating. That's why the Ascent includes the latest EyeSight[®] Driver Assist Technology⁴ and LED Steering Responsive Headlights. A 360-degree Surround View Monitor¹ and a Smart Rear-View Mirror¹ are also available to enhance all-around awareness and peace of mind.

Connected

Wherever you're sitting in the Ascent, you can stay connected—and with up to eight USB ports,^{1,5} you always have a place to plug in. Accessing your music and apps is simple and seamless, thanks to standard SUBARU STARLINK[®] Multimedia, featuring an 11.6-inch touchscreen along with wireless Apple CarPlay[®] and Android Auto[™] integration.

Long-lasting

Our rigid Subaru Global Platform helps give the Ascent long-lasting durability, thanks to its high-strength steel construction. That's just one of the reasons why 96% of Subaru vehicles sold in the last 10 years are still on the road today—more than Honda or Toyota brands.⁶

Fits a lifetime of
memories.

Three rows. Seats 7 or 8.

With up to 153.2 cubic feet of passenger space¹ and plenty of seating options, the three-row Ascent welcomes everyone. Available second-row captain's chairs² give you easy access to the third row while seating up to seven. If you select the second-row bench, you can seat up to eight.² No matter the configuration, the inside of the Ascent is where the journeys—and the great stories—begin.

Right-sized for **your day** as well as **your destination**.

The largest, most versatile Subaru ever.

The Ascent is designed to adapt to the size and shape of your journey, whether it's an everyday errand or a special weekend outing. Its two rows of 60/40-split flat-folding seats allow for a wide range of cargo and seating configurations. There's also up to 75.6 cubic feet of cargo space,¹ plus under-floor storage, if you need it. Though its space is expansive, you can still feel close to your rear-seat passengers, thanks to the Cabin Connect² voice amplification system. And thoughtful details like a Power Rear Gate with lock button,² standard raised roof rails and 19 cup holders mean the Ascent can take on whatever your day demands.

¹ 72.8 cubic feet with available panoramic power moonroof. ² Availability varies by trim level. See your Subaru retailer for details. ³ Accessory equipment shown.

Meet the **Ascent Onyx Edition Limited.**

Bold just got bolder with the unmistakable Ascent Onyx Edition Limited. Its striking black accents and black-finish 20-inch wheels offer a unique presence, while its dual-function X-MODE system delivers purpose. Inside, the stylish and functional theme continues. Natural light beams through the panoramic moonroof, and green-stitched StarTex® water-repellent upholstery lets you know pets, family and adventure are all welcome.

An extra set of eyes every time you drive.

The Ascent features the latest Subaru EyeSight Driver Assist Technology,¹ now with Automatic Emergency Steering² and a wide-angle mono camera that provides an enhanced range of visibility for better detection. Equipped with a comprehensive suite of innovative safety features, EyeSight looks ahead, alerts you to potential dangers and can even intervene to help you avoid a collision.

Pre-Collision Braking

Can help slow and bring your Ascent to a full stop if necessary.

Advanced Adaptive Cruise Control with Lane Centering

Automatically helps keep you centered in your lane, at a safe distance behind the car in front of you—even in traffic and around curves.

Pre-Collision Throttle Management

Can reduce engine power to help give you more time to react and to help minimize possible impact force in case of a collision.

Lane Departure and Sway Warning with Lane Departure Prevention

If you accidentally begin to drift to the edge of your lane, EyeSight can alert you with visible and audible warnings before you cross over the lane markers. And when activated, Lane Departure Prevention can even help steer you back into your lane.

¹ EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. See your Owner's Manual for complete details on system operations and limitations. ² Automatic Emergency Steering requires Blind-Spot Detection. Availability varies by trim level. See your Subaru retailer for details.

Every day in the U.S., more than 1,000 people are injured in crashes reported to have involved a distracted driver.¹ As an industry leader in safety, Subaru developed the DriverFocus[®] Distraction Mitigation System,^{2,3} one of the first technologies of its kind. Engineered for both new and experienced drivers, it works together with EyeSight to help detect distracted or drowsy driving. If the driver's attention strays from the road for too long, DriverFocus can deliver visual and auditory alerts to bring attention back to the road.

¹ Centers for Disease Control and Prevention, citing National Center for Statistics and Analysis. Distracted Driving: 2015, in Traffic Safety Research Notes. DOT HS 812 381. March 2017, National Highway Traffic Safety Administration: Washington, D.C. ² The DriverFocus Distraction Mitigation System is a driver recognition technology designed to alert drivers if their attention to the road wavers or if the driver's face appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See your Owner's Manual for complete details on system operation and limitations. ³ Availability varies by trim level. See your Subaru retailer for details.

The road may waver,
but not your priorities.

Safety that meets the highest expectations.

We know what's most important to you when you drive, and that's why safety is at the top of our minds, too. The Ascent is assembled in the U.S.A. and built on the resilient Subaru Global Platform with some of the most advanced active safety systems on the market. Standard LED Steering Responsive Headlights with High Beam Assist help make nighttime driving even safer. Plus, a 360-degree Surround View Monitor¹ and a Smart Rear-View Mirror¹ are available to help enhance all-around awareness and peace of mind.

Blind-Spot Detection

Using radar sensors, Blind-Spot Detection^{1,2} warns you with a visual indicator on your exterior mirror if the system detects a vehicle in your blind spot. Another feature of this system, Lane Change Assist, alerts you with a flashing indicator on your exterior mirror if it senses a vehicle approaching at a higher speed in a neighboring lane and you signal for a lane change.

Rear Cross-Traffic Alert

Rear Cross-Traffic Alert^{1,2} uses radar sensors to help warn you of traffic approaching from the side as you are backing up, utilizing a flashing visual indicator on your exterior mirror and Rear-Vision Camera display as well as an audible warning.

Reverse Automatic Braking

Reverse Automatic Braking^{1,3} can detect objects directly behind your vehicle when backing up at a low speed and can help bring the Ascent to a stop if it detects an object within its range and the brakes have yet to be applied. There's also the Rear-Vision Camera to help you keep an eye out.

SUBARU STARLINK Safety and Security

The Ascent features the latest STARLINK[®] Safety and Security^{1,4} system, which can alert a first responder in an emergency, help police locate your vehicle if it's stolen and more. And to get you started, new Ascent drivers enjoy a free three-year STARLINK Safety Plus subscription, which includes Advanced Automatic Collision Notification, Enhanced Roadside Assistance, SOS Emergency Assistance and more.

¹ Availability varies by trim level. See your Subaru retailer for details. ² Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. ³ The Reverse Automatic Braking System is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See your Owner's Manual for complete details on system operation and limitations. ⁴ Activation with subscription required. Includes a 3-year trial subscription to Safety Plus services and a 6-month trial subscription to Safety and Security Plus services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. Not available in all states. See your Subaru retailer for details.

More ways to bring passengers together.

Family time is quality time, and the Ascent helps make it exceptional. SUBARU STARLINK Multimedia features a standard 11.6-inch touchscreen along with wireless Apple CarPlay® and Android Auto™ integration for simple, seamless access to your music and apps. Thanks to built-in Wi-Fi capability^{1,2} and up to eight USB ports^{1,3} throughout the cabin, it's easy for passengers to stream their favorite content and keep all their devices charged and connected. And the available Harman Kardon® 792-watt-equivalent, 14-speaker premium audio system offers a crisp, authentic listening experience.¹

“Are we there yet?”
said no one.

Subaru designed the Ascent with high tech for low stress—so you can find moments of serenity on each journey. At 54 inches, the available panoramic moonroof¹ is the largest ever offered on a Subaru, bathing the cabin in soothing, natural light. There are three separate climate control zones, including air vents in each row. Plus, heated and ventilated front seats,¹ second-row heated seats,¹ and rear-seat climate controls¹ are all available for easily customizable comfort. Thanks to the convenience of available Remote Engine Start with Climate Control,^{1,4} you can set the perfect temperature inside even before you step in.

Cabin Connect¹ is the newest way the Ascent brings passengers together. This voice amplification system makes it easy to speak to your rear-seat passengers, so you can save your outdoor voice for the outdoors.

1 Availability varies by trim level. See your Subaru retailer for details. 2 Internet access is purchased separately through AT&T with monthly, per gigabyte, and unlimited data options available. Existing AT&T customers have the option to add a line to their AT&T Mobile Share plan. 3 Accessory equipment required. See your Subaru retailer for details. 4 Requires Keyless Access with Push-Button Start. Not available in all states. See your Subaru retailer for details.

Embrace the unexplored.

Memories are made on outings like these, and the Ascent is engineered to get you there. It features standard Subaru Symmetrical All-Wheel Drive and a direct-injection turbocharged SUBARU BOXER® engine that gets up to 26 highway MPG¹ and delivers 260 hp and 277 lb-ft of torque, making it capable of towing up to 5,000 lbs.² Thanks to its 8.7 inches of ground clearance and standard X-MODE with Hill Descent Control, that dream trip is now more real than ever.

2024 Ascent | Trim Levels

Ascent

- 260-hp Direct-Injection Turbocharged SUBARU BOXER engine
- EyeSight Driver Assist Technology¹ with wide-angle mono camera
- Subaru Symmetrical All-Wheel Drive with Active Torque Vectoring
- Lineartronic® CVT (Continuously Variable Transmission) High Torque with 8-speed manual-mode paddle shifters
- X-MODE featuring Hill Descent Control
- Crystal Black Silica exterior mirrors
- 18-inch aluminum-alloy wheels with silver finish
- 2,000-lb. towing capacity¹
- Auto-on/off LED Steering Responsive Headlights with High Beam Assist
- Raised roof rails
- Auto-on/off wiper-linked headlights
- Second-row bench seat (8 passengers)
- Cloth upholstery
- 6-way manually adjustable driver seat. 4-way manually adjustable front-passenger seat.
- SUBARU STARLINK 11.6-inch Multimedia Plus with wireless Apple CarPlay® and Android Auto™ integration, SiriusXM®³ and SiriusXM® Travel Link®.³ 6 speakers, USB-A and USB-C input ports, Bluetooth® audio streaming and hands-free phone connectivity
- USB-A and USB-C second-row charge ports
- Tri-zone automatic climate control system with air filtration
- EyeSight Driver Assist Technology³: Pre-Collision Braking System, Pre-Collision Throttle Management, Lane Departure and Sway Warning, Advanced Adaptive Cruise Control with Lane Centering
- 8 airbags (SRS)¹⁶: Dual-stage deployment driver and front-passenger, driver's knee, front-passenger seat cushion, front and rear outboard occupant side curtain with rollover sensor, and seat-mounted front side impact
- 19 cup and bottle holders
- Cargo-area under-floor storage
- Cabin-view mirror
- Rear-Vision Camera
- Driver and front-passenger auto-up/down power windows
- Rear-seat reminder
- Whiplash-reducing front seats with height- and tilt-adjustable head restraints
- Front- and rear-passenger seatbelt warning light and chime
- Height-adjustable 3-point front seatbelts with double pretensioners and adaptive load limiters. 3-point rear seatbelts with pretensioners and load limiters.
- LATCH system: Lower Anchors and Tethers for Children

Ascent Premium

- Includes Ascent key features and adds:**
- 5,000-lb. towing capacity¹
 - 18-inch aluminum-alloy wheels in gray with machine finish
 - Body-color exterior mirrors with integrated turn signals
 - Privacy glass
 - 8-way power-adjustable driver seat
 - Spill-resistant cloth upholstery
 - Leather-wrapped steering wheel and shift lever handle
 - Second-row climate controls
 - 4G LTE Wi-Fi capability⁵
 - STARLINK Safety and Security enabled¹⁴: Advanced Automatic Collision Notification, SOS Emergency Assistance, Enhanced Roadside Assistance, Maintenance Notifications, Monthly Vehicle Health Report, Diagnostic Alerts, Remote Engine Start with Climate Control,¹⁵ Remote Lock/Unlock, Concierge Services and more
 - Blind-Spot Detection with Lane Change Assist and Rear Cross-Traffic Alert¹¹
 - Automatic Emergency Steering¹⁰
 - All-Weather Package: Heated exterior mirrors, windshield wiper de-icer and 3-mode heated front seats
 - One-touch interior illumination

Optional Package

Option Package (OP12): • Power Rear Gate • Keyless Access with Push-Button Start • Auto-dimming rearview compass mirror with HomeLink® • Reverse Automatic Braking¹³ • Captain's chairs or bench seat

Ascent Onyx Edition

- Includes Ascent Premium key features and adds:**
- Dual-mode X-MODE with Snow/Dirt and Deep Snow/Mud modes
 - 5,000-lb. towing capacity¹
 - 20-inch aluminum-alloy wheels in black finish
 - LED fog lights
 - Black window trim surround
 - Crystal Black Silica front grille, front bumper air ducts, exterior mirrors, roof spoiler and tailgate trim
 - Black badging
 - Panoramic power moonroof
 - Power Rear Gate with vehicle lock button
 - Gray StarTex water-repellent upholstery with green stitching
 - Second-row captain's chairs (7 passengers)
 - 360-degree heated steering wheel with green stitching and black accents
 - Black interior accent trim with green stitching on dash and doors
 - Onyx branded floor mats with green stitching
 - Reverse Automatic Braking¹³
 - Keyless Access with Push-Button Start
 - Auto-dimming rearview compass mirror with HomeLink®
 - Stowable cargo-area cover

Ascent Limited

- Includes Ascent Premium key features and adds:**
- Dual-mode X-MODE with Snow/Dirt and Deep Snow/Mud modes
 - 5,000-lb. towing capacity¹
 - 20-inch aluminum-alloy wheels in dark gray with machine finish
 - LED fog lights
 - Lower door cladding with chrome accents
 - Power Rear Gate with vehicle lock button
 - Leather-trimmed upholstery
 - Black interior accent trim with silver stitching on dash and doors
 - Second-row captain's chairs or bench seat
 - 12-way power-adjustable driver seat with 4-way lumbar support
 - 4-way power-adjustable front-passenger seat
 - Adjustable driver-seat thigh support
 - Two-position memory driver seat and exterior mirrors
 - Dual-mode heated second-row seats and 360-degree heated steering wheel
 - Second-row retractable sunshades
 - DriverFocus Distraction Mitigation System¹²
 - Reverse Automatic Braking¹³
 - Keyless Access with Push-Button Start
 - Auto-dimming rearview compass mirror with HomeLink®
 - 2 USB-A third-row charge ports

Option Package

Option Package (OP23): • SUBARU STARLINK 11.6-inch Multimedia Navigation • Satin chrome automatic power-folding exterior mirrors • 360-degree Surround View Monitor • Stowable cargo-area cover • Captain's chairs or bench seat

Ascent Onyx Edition Limited

- Includes Outback Premium key features and adds:**
- 5,000-lb. towing capacity¹
 - 20-inch aluminum-alloy wheels in black finish
 - Black window trim surround
 - Crystal Black Silica front grille, front bumper air ducts, exterior mirrors, roof spoiler and tailgate trim
 - Black badging
 - Panoramic power moonroof
 - SUBARU STARLINK 11.6-inch Multimedia Navigation System, SiriusXM®,⁷ SiriusXM® Traffic®⁸ and SiriusXM® Travel Link®⁸
 - Harman Kardon® 792-watt-equivalent premium audio system with 14 speakers
 - Gray StarTex water-repellent upholstery with green stitching
 - Second-row captain's chairs (7 passengers)
 - Steering wheel with green stitching and black accents
 - Black interior accent trim with green stitching on dash and doors
 - Onyx branded floor mats with green stitching
 - 360-degree Surround View Monitor
 - Cabin Connect
 - Stowable cargo-area cover

Ascent Touring

- Includes Outback Limited key features and adds:**

● Standard

● Standard ○ Optional — Not equipped □ Available retailer-installed accessory

Body Side Molding. Attractive, color-matched moldings coordinate with the styling of the vehicle while helping to protect doors from unsightly dings.

Rear Seatback Protector. Provides additional protection to the rear seatbacks when lowering the seats to transport larger cargo. Also available for captain's chairs and 2nd-row bench.

Use in conjunction with the Cargo Tray for maximum protection.

LED Upgrade. Enhance the illumination of your interior lights with brighter, whiter and crisper LED lighting. This accessory is developed and tested to vigorous Subaru standards for seamless operation.

All-Weather Floor Liners. Custom-fitted, high wall design floor liners help protect the vehicle carpet from accidental spills, snow, sand, mud, dirt and moisture. All-Weather Floor Liners are precision-engineered to ensure a precise fit and withstand a series of functional and durability evaluations to help ensure the liners will not warp, fade or tear.

Set includes front, rear and 3rd-row footwell liners.

Introducing Genuine Subaru
Pet-friendly Accessories.

Pet Harness. Keep your dog safe with this crash-tested Pet Harness, certified by the Center for Pet Safety for dogs from 18 to 90 pounds. Manufactured by Sleepypod® in signature Subaru blue, the Pet Harness can also be used for walking your dog. Available in S, M, L or XL.

Seat Cover – Rear. Keep your second and third row tidy with this custom-fitted seat cover, made with water-resistant heavy-duty materials. Also available for captain's chairs and 3rd-row bench.

Console Lid Protector. Protects the center console lid surface from nail scratches and puncture holes, while providing a comfortable armrest for front-seat passengers.

Rear Bumper Protector Mat. Helps protect top surface of rear bumper when your pets enter and exit the vehicle.

Pet Carrier and Mobile Pet Bed. This multi-functional ultra-plush pet bed doubles as a carrier to safely transport your pet in comfort. Manufactured by Sleepypod®, this accessory is crash-tested and certified by the Center for Pet Safety. Suitable for pets 15 lbs. and under.

Pet-friendly Padded Cargo Liner. Thick padding and a durable polyester shell provide a comfortable resting area for your pet while protecting the cargo and seatback areas. This accessory includes a foldout bumper protector and is compatible with the 60/40 seats up or down.

Collapsible Pet Kennel. Portable, compact and lightweight, the Collapsible Pet Kennel, manufactured by Thule®, is ideal for travel and for everyday transport. Includes a carrying handle for easy transport and two pockets to carry your pet's personal cargo. Available in medium and large.

Pet Ramp. Give your canine companion easy access to your Subaru. The sturdy, foldable Pet Ramp supports up to 220 lbs. and is especially suited for senior dogs and those with mobility issues, thanks to its non-slip design and high-grip ridged surface.

Sunshade – 3rd Row. For maximum sun protection, extend the use of sunshades to the 3rd row. When in use, these sunshades dull sun glare and reduce temperatures, as well as provide UV-A/B protection to keep your rear passengers comfortable.

Wireless Charger. This Qi® Certified Device has intelligent charging profiles, cell phone battery protection, temperature control technology and short circuit safe guards. Compatible with all Qi-enabled devices.

Auto-Dimming Exterior Mirrors with Approach Light. Designed to enhance nighttime driving safety by reducing headlight glare. Upon approaching the vehicle or unlocking your doors with the keyless entry system, LED lights in each exterior mirror illuminate the ground next to the vehicle's doors.

Door Scuff Protector. A durable, easy-to-clean plastic shell protects your doors from common shoe scuffs and other scrapes when entering and exiting your vehicle.

Thule® Portable Step. Get the extra height you need to easily access your rooftop accessories. This portable step is made of heavy-duty steel and includes rubber bumpers to help prevent wheel scuffs. Conveniently folds into a carrying bag for easy storage.

Cargo Net. Neatly holds cargo and prevents it from sliding while the vehicle is in motion.

Cargo Tray. Helps protect the trunk area from stains and dirt while providing a surface that helps reduce the shifting of cargo while driving.

Trailer Hitch. Subaru hitches are engineered and crash-tested to meet the same rigorous safety standards as the rest of the Ascent. Rated at 500 lbs. tongue weight, 5,000 lbs. maximum towing capacity, with base trim levels rated at 200 lbs. tongue weight and 2,000 lbs. maximum towing capacity.

Hitch ball not included. Ball mount sold separately. Trailer brakes may be required by your state for heavier loads. Consult your Owner's Manual for more information.

To take it all in, first you have to **take it all.**

2024 Ascent | Owner Benefits

Once you're part of our family, we'll be there for you. Every Subaru comes with 24-hour roadside assistance for 3 years or 36,000 miles. And to protect you over the long haul, we offer Added Security®, which helps protect your car for up to 10 years or 100,000 miles with extended service agreements and maintenance plans backed by Subaru. And because we've been backing them for more than 30 years, they're agreements you can trust. Your retailer has full coverage details.

For us, love is about the commitments we make. The Subaru Love Promise® is our vision to show love and respect to all people and the planet we all share. Subaru is headquartered in a zero-landfill office in Camden, N.J., and in 2004, Subaru of Indiana Automotive, Inc. (SIA) became the first manufacturing facility in the U.S. to reach zero-landfill status—nothing from its manufacturing efforts ever goes into a landfill.

1 Maximum towing capacity varies by trim level. Trailer brakes may be needed. Some safety features, including Blind-Spot Detection, Rear Cross-Traffic Alert, Smart Rear-View Mirror and X-MODE, may not function properly during towing. See your Owner's Manual for details. 2 2024 EPA fuel economy estimates. Actual mileage may vary. 3 The glass information listed represents calculated reference values, and may not represent actual values determined by testing. 4 Available only with other features. See Optional Equipment listing. 5 Activation and subscription required. Internet access is purchased separately through AT&T with monthly, per gigabyte, and unlimited data options available. Existing AT&T customers have the option to add a line to their AT&T Mobile Share plan. See your Subaru retailer for details. 6 Passenger-side third-row USB-A charge ports standard on Limited, Onyx Edition Limited and Touring trim levels. Driver-side third-row USB-A charge ports available as an accessory for all trim levels. 7 All SiriusXM® services require a subscription, sold separately by SiriusXM after the trial period. Your SiriusXM service will automatically stop at the end of your trial unless you decide to subscribe. If you decide to continue service, the subscription plan chosen will automatically renew and be charged according to your chosen payment method at the then-current rates. Fees and taxes apply. See the SiriusXM® Customer Agreement & Privacy Policy at www.siriusxm.com for full terms and how to cancel, which includes online methods or calling 1-866-635-2349. Available in the 48 contiguous United States, D.C., and Puerto Rico (with coverage limits and capable receiver). Visit <http://www.siriusxm.com/FAQS> for most current service area information. Availability of some services and features is subject to device capabilities and location restrictions. All fees, content and features are subject to change. SiriusXM and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. 8 Activation and monthly subscription sold separately. Includes 3-year trial subscription. Not available in all states. See your Subaru retailer for details. 9 EyeSight is a driver assist technology, which may not operate optimally under all driving conditions. The driver is always responsible for safe and attentive driving. System effectiveness depends on many factors such as vehicle maintenance, weather and road conditions. The Pre-Collision Braking System is designed to provide automatic braking that either prevents a collision or reduces the severity of a frontal impact. Pre-Collision Throttle Management is designed to reduce acceleration and minimize the severity of certain frontal impacts. Advanced Adaptive Cruise Control, Brake Light Recognition and Automatic Emergency Steering are designed to assist the driver and are not substitutes for safe and attentive driving. Automatic Emergency Steering availability varies by trim level and works in conjunction with and after Pre-Collision Braking has been activated by providing steering support at speeds lower than 50 mph to try and help avoid a collision. Lane centering function operates only when used in conjunction with Advanced Adaptive Cruise Control. Lane Departure and Sway Warning with Lane Departure Prevention operates only when the lane markings are visible, and its effectiveness depends on many factors. See your Owner's Manual for complete details on system operation and limitations. 10 Automatic Emergency Steering requires Blind-Spot Detection. Not available on Ascent base trim. 11 Blind-Spot Detection, Lane Change Assist and Rear Cross-Traffic Alert are systems designed to assist the driver by monitoring the rear and side areas of the vehicle during a lane change or reversing and are not a substitute for safe and attentive driving. 12 The DriverFocus Distraction Mitigation System is a driver recognition technology designed to alert drivers if their attention to the road wavers or if the driver's face appears to turn away. The driver is always responsible for safe and attentive driving. System effectiveness may be affected by articles of clothing worn on the head or face. See your Owner's Manual for complete details on system operation and limitations. 13 The Reverse Automatic Braking System is designed to assist the driver by detecting objects, to help avoid a possible collision, when the vehicle is moving in a low speed reverse direction. The system will provide automatic vehicle braking, if an obstacle is detected within its range. This system is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as vehicle maintenance, weather and road conditions. Always exercise caution and use vehicle mirrors and the Rear-Vision Camera when backing up. See your Owner's Manual for complete details on system operation and limitations. 14 Activation with subscription required. Includes a 3-year trial subscription to Safety Plus services and a 6-month trial subscription to Safety and Security Plus services. The Concierge plan can be purchased annually or monthly. A credit card on file will be required for specific packages and for renewal purposes. Not available in all states. See your Subaru retailer for details. 15 Requires Keyless Access with Push-Button Start. Not available in all states. See your Subaru retailer for details. 16 The Supplemental Restraint System (SRS) (airbags) affords the driver and the front passenger additional protection in moderate to severe frontal and side-impact collisions and outboard 2nd-row passengers additional protection in moderate to severe side-impact collisions. This system provides supplemental protection only, and seatbelts must be worn in order to avoid injuries to out-of-position occupants upon airbag deployment and to provide the best combined protection in a serious accident. Children should always be properly restrained in one of the rear seats. See your Owner's Manual for recommended seating position. 17 Compared to all other measured mass-market automotive companies in the 2022 American Customer Satisfaction Index (ACSI®) surveys of customers rating their own automotive company's performance. The #1 rating is shared with one other automotive company. ACSI and its logo are registered trademarks of the American Customer Satisfaction Index LLC. 18 Based on Experian Automotive nonluxury vehicles in operation vs. total new registrations for MY2013-2022 as of December 2022. 19 MOTOR TREND Buyer's Guide Ultimate Car Rankings Spring-Summer 2023 © 2023 MOTOR TREND GROUP, LLC. 20 Warm Ivory Cloth only available with optional equipment. See your Subaru retailer for details.

These brochures were printed with vegetable-based inks and produced using a "Green Printing Process." The Forest Stewardship Council® (FSC®) is an international organization that brings people together to find solutions which promote responsible stewardship of the world's forests and environments.

By producing these brochures in a green way rather than by traditional methods, we saved 45 trees preserved for the future; 10,000 gallons of wastewater flow saved; 200 lbs solid waste not generated; 26,000 lbs net greenhouse gases prevented; 20,000,000 BTUs energy not consumed. Calculations provided by Environmental Paper Network. FSC® is not responsible for any calculations on saving resources by choosing this paper.

This brochure is printed in the U.S.A. on 10% recycled paper. ©2023 Subaru of America, Inc. 24.ASCSRB.525 (DSGN-P735, 80K, 8/23, KSL)
