Go punish some rocks. Go humble a stream. If Mother Nature can dish it out, the Grand Vitara can take it. Roads? No thanks. Not necessary.

Drive responsibly: Buckle up for safety—don't drink and drive. WARNING: Sport Utility Vehicles handle differently from ordinary passenger cars. Avoid sharp turns and abrupt maneuvers. Always wear your seatbelt. For specific details, please read your Owner's Manual for on- and off-road driving tips. To avoid injury from an airbag, always place children 12 years old and under in the rear seat; always move both driver and passenger seats as far back from airbag as practical; never transport a child in a rear-facing child seat in the front seat; and always use the seatbelts and buckle up properly. Always keep cargo loads within specified weight limits, distribute cargo evenly and secure it from shifting.
