

2006 SUZUKI XL-7

suzuki.com

getaway vehicle

Good news: having kids doesn't mean you have to get domesticated. If you still listen to the call of the wild, it's good to know that making tracks outta here might actually be more fun with the 2.5 kids along for the ride. Now, of course, you need more stuff and more space to make the adventure work. Not a problem. Just get into the right escape vehicle. The 2006 XL-7.

MSRP Starting at: **\$21,999***

*MSRP does not include freight, government fees or dealer charges. XL-7 Premium Package shown in Shining Red Pearl, MSRP \$25,499. Some features may not be available on some models. Please refer to Specifications pages for complete information.

MORE power.... style... comfort.. & safety

Under the hood? A standard V6.

The 185-hp, 2.7-liter, 24-valve, DOHC V6 engine gives the XL-7 a towing capacity of up to 3,000 pounds.

Instant 4WD at the push of a button.

The available DriveSelect Push Button 4WD System makes it easy to say, "I'm outta here!"

5-speed automatic transmission.

The 5-speed electronically controlled automatic transmission takes on highways and back-country roads with equal ease. (Standard on EX, optional on LX)

See the light.

When the weather turns sour the XL-7 Premium will brighten your way with standard fog lamps.

Let the sunshine in.

Make the most of a sunny day with the power tilt-and-slide sunroof, another standard feature on the XL-7 Premium.

16" aluminum-alloy wheels.

Standard 16" aluminum-alloy wheels add a sporty elegance to the look of your SUV.

Accessories galore.

Bike carriers, cargo boxes, mud guards... give your XL-7 added style and convenience with genuine Suzuki accessories.

Room to move.

When you choose the option of third-row seating, you get room for seven adults as well as rear air conditioning. Plus, the seats quickly and easily fold down for those times you need extra cargo space.

Keep your hands on the wheel.

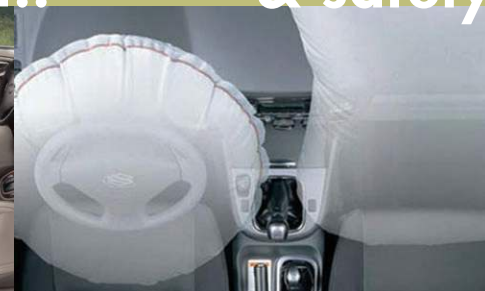

Integrated audio controls on the steering wheel are easy to operate and help keep your eyes on the road ahead.

Make your own kind of music.

A 6-disc CD changer, 7 speakers, 2 tweeters and a subwoofer make the XL-7 Premium ready to rock! And every Suzuki is XM-ready.

Cleaner, fresher air.

The automatic climate control system with micron air-filtration cuts down on airborne pollen and dust.

Smart airbags.

Advanced dual-stage front airbags deploy with less force depending on need. The front passenger-seat weight-sensing airbag is designed to deactivate if your passenger is of a lighter weight.

Powerful anti-lock brakes.

The Antilock Braking System (ABS) with Electronic Brakeforce Distribution (EBD) helps prevent wheel lockup for greater steering control. It also assists in slippery conditions by balancing the front and rear braking forces.

Impact-tested tough.

Side-impact door beams and front/rear impact-absorbing zones are designed to help control the energy in a collision.

Tire-pressure sensors.

The Tire Pressure Monitoring System (TPMS) alerts you when tire pressure is low to help increase the life of your tires.

america's #1 warranty

AMERICA'S #1 WARRANTY
100,000 MILES • NO DEDUCTIBLE • FULLY TRANSFERABLE

See your local dealer for full details.

Suzuki's 100,000-mile/7-year Powertrain Limited Warranty: Every 2006 Suzuki comes standard with **America's #1 Warranty**, a fully transferable, \$0-deductible, 100,000-mile/7-year powertrain limited warranty. **Duration:** Covers 100,000 miles or 7 years, whichever comes first. This provides owners over 14,000 miles of coverage per year. Most competitive warranties cover only 10,000-12,000 miles per year. **Fully Transferable:** Can be transferred from owner to owner, adding value at the time of resale or trade-in. **No Deductible:** If any repairs to covered components are necessary within 100,000 miles or 7 years, there is zero charge for parts and labor.

Suzuki's New Vehicle Limited Warranty: Covers all components of the vehicles as supplied by Suzuki for 36 months or 36,000 miles, whichever comes first. The battery is covered for 24,000 miles. There is no deductible. Any repairs to correct defects in materials will be made with no charge for parts or labor. Should original body sheet-metal panels develop perforation due to corrosion, they're covered for 36 months, with no limit on mileage. Tires are covered by a separate warranty from the tire manufacturer. **Roadside Assistance Program:** Covers any new Suzuki vehicle during the 36,000-mile/3-year New Vehicle Limited Warranty period. Roadside Assistance is available 24 hours a day, 365 days a year, in the U.S. and Canada. **Courtesy Vehicle Program:** The Warranty Repair Courtesy Vehicle Program is administered through Suzuki dealers and Enterprise Rent-A-Car. If a Suzuki vehicle is rendered inoperable, unsafe or illegal to operate due to a defect in materials or workmanship, and is required to stay overnight at a Suzuki dealer to complete a warranty repair during the 36,000-mile/3-year New Vehicle Limited Warranty period, your Suzuki dealer will provide a courtesy rental vehicle for up to five days through Enterprise Rent-A-Car.

*Tire Pressure Monitor Footnote: It is not a substitute for regular tire-pressure inspections. Tire pressures should be checked at least monthly using a tire-pressure gauge. Maintaining the recommended tire pressure can help avoid performance problems, tire damage and premature tire wear. See the Owner's Manual for additional details.

© American Suzuki Motor Corporation 2006 • P.O. Box 1100, Brea, CA 92822-1100 • 1-877-MY-SUZUKI (1-877-697-8985)

Drive responsibly: Buckle up for safety—don't drink and drive. WARNING: Sport Utility Vehicles handle differently from ordinary passenger cars. Avoid sharp turns and abrupt maneuvers. Always wear your seatbelt. For specific details, please read your Owner's Manual for on- and off-road driving tips. To avoid injury from an airbag, always place children 12 years old and under in the rear seat; always move both driver and passenger seats as far back from airbag as practical; never transport a child in a rear-facing child seat in the front seat; and always use the seatbelts and buckle up properly. Always keep cargo loads within specified weight limits, distribute cargo evenly and secure it from shifting. Pricing, specifications and equipment based on information available at the time of file posting, subject to change without notice and may differ in each sales area. Some vehicles shown with optional equipment. For more details on 2006 options, accessories, specifications and prices, contact your local Suzuki dealer. Suzuki, the "S" logo, Suzuki and Suzuki model names are Suzuki trademarks or ®. "Tread Lightly®" on public and private land. Along with concerned conservationists everywhere, Suzuki urges you to preserve your future off-road driving opportunities by showing respect for the environment, local laws and the rights of others.
