

XL7

SUZUKI 07

THE SUV INSPIRED BY LIFE

Your daily routine is anything but. One day you're commuting to work. The next, you're biking, skiing or out on the town. The ideal way to go? The all-new, next-generation Suzuki XL7. It's a revolution in midsize SUVs. Sleek, graceful design coupled with refined versatility result in an SUV with a wow factor that's off the charts. The 2007 Suzuki XL7. It's truly inspired.

SHOULDN'T EVERY MOMENT BE THE TIME OF YOUR LIFE?

Some people seize the day. Others seize the moment. If that's your nature, the XL7 is your SUV. Outside, it's a celebration of progressive, imaginative styling. The inside? Dripping in available luxury refinements like front heated leather seats, automatic climate control and heated mirrors. The XL7 clearly defines a new direction for the midsize SUV. Every moment of every day.

XL7 Limited with Platinum Touring Package shown. Some features may not be available on some models. Please refer to Specifications pages for complete information.

Automatic Climate Control Just set your ideal temperature and the XL7 keeps it right where you like it. **Power Sunroof** Let the sun shine in. **Rear-Seat A/C** Please all of the people all of the time with their own heating and air conditioning controls. *Some features may not be available on some models. Please refer to Specifications pages for complete information.*

A high-angle, wide shot of the interior of a Suzuki XL7 SUV. The image shows the front and second rows of seats, which are upholstered in light-colored leather with dark stitching. The dashboard, center console, and door panels are visible, featuring wood-grain trim and silver accents. The steering wheel is on the right side of the vehicle. The overall lighting is soft and even, highlighting the textures of the leather and the design of the interior components.

LIFE HAPPENS. BE PREPARED.

There is a discerning group of people who want more from an SUV than basic functionality. They need room and security for a growing family, or simply more cargo space for a lifestyle that never slows down. XL7 delivers, with all the comfort and room you need and a wide range of seating configurations, including the availability of three rows of seats for seven, a 6-way power driver's seat and heated leather seats. The Suzuki XL7. It adapts to wherever life takes you.

LUXURY AND TECHNOLOGY, ACROSS THE BOARD.

Dashing, isn't it? Finely appointed, stylishly designed and technologically advanced. Optional luxury amenities that surround you could include a leather-wrapped steering wheel, polished woodgrain trim, premium audio system and your choice of a navigation or rear DVD entertainment system. There's a wealth of new experiences to explore in the world. The inside of the XL7 is a good place to start.

XL7 Limited with Platinum Touring Package shown. Some features may not be available on some models. Please refer to Specifications pages for complete information.

Fold-Flat Front Passenger Seat Useful for extra-long cargo, a work space for your business, you name it. **Steering-Wheel-Mounted Audio Controls** Search for a better song, turn up the volume, all without lifting a finger off the steering wheel. **Rear-Seat DVD Entertainment System** Got kids? Gotta have this one. Keep backseat drivers content and quiet. **XM® Satellite Radio-Equipped** Once you have it, you'll never want to live without it. **Navigation System** Find a specific address or just the nearest pizza takeout—XL7's touch-screen navigation system with voice-prompt commands makes it easy to find your way. *Some features may not be available on some models. Please refer to Specifications pages for complete information.*

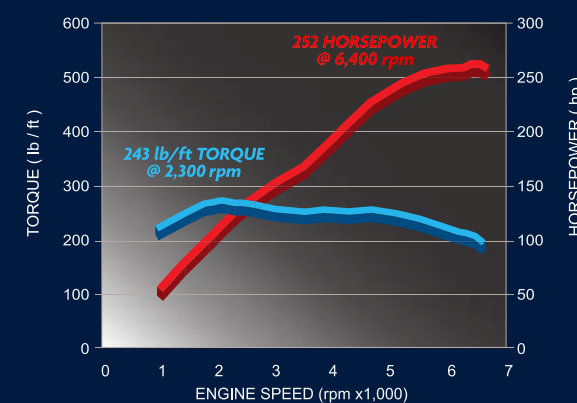

YOU WORK 9-5, BUT YOU LIVE 24/7.

XL7 Limited with Platinum Touring Package shown. Some features may not be available on some models. Please refer to Specifications pages for complete information.

SOME PEOPLE CALL IT ADVANCED TECHNOLOGY.
WE SIMPLY CALL IT SUZUKI PERFORMANCE.

XL7's sophisticated style is matched by what's under the hood. At the heart of this ingenious SUV lies a standard 3.6-liter, V6 DOHC powerplant with variable valve timing (VVT) rated at an impressive 252 hp. In plain English, this means the XL7 delivers the performance you need, when you need it. Hitch this power to a 5-speed automatic transmission with manumatic shifting, 4-wheel independent suspension and available full-time AWD and what do you get? A highly capable, finely engineered alternative to the traditional midsize SUV.

Manumatic Transmission A 5-speed automatic transmission with manumatic shifting gives you the ability to take control on a whim. **Powerful Engine** XL7 jumps when you say so, with an easily accessible 252 horsepower and 243 lb.-ft. of torque. **4-Wheel Independent Suspension** Better performance and comfort. Enough said. **Nivomat® Self-Leveling Suspension** The rear suspension on 7-passenger models is designed to automatically compensate for larger loads. **ABS with EBD** A sophisticated anti-lock brake system (ABS) features electronic brake-force distribution (EBD) to maximize stopping power, even in slick conditions. *Some features may not be available on some models. Please refer to Specifications pages for complete information.*

Stability and Traction Controls An Electronic Stability Program (ESP®)[†] combines with a traction control system (TCS) to help keep the XL7 pointed in the right direction. **Tire Pressure Monitoring System (TPMS)** Proper individual tire-pressure readings enhance performance, safety and fuel economy. XL7 keeps an eye on it for you. See Specifications pages for more information. **Airbags** Front- and side-curtain airbags with rollover sensors are always at the ready, just in case. **Unibody Construction** Means car-like comfort and control, while high-strength steel and full-length underbody rails provide added safety and durability. *Some features may not be available on some models. Please refer to Specifications pages for complete information.*

[†]ESP® is a registered trademark of DaimlerChrysler AG.

SAFE AND SOUND. ALL AROUND.

The all-new XL7 surrounds you with visionary design, real-world adaptability, refined amenities and agile performance. Obviously, our attention to safety has to measure up. With the latest safety advances, including a standard tire pressure monitoring system (TPMS) and an Electronic Stability Program (ESP®)[†] with traction control system (TCS), the XL7 gives you the confidence and security to drive safely. Can you fast forward through life and still play it safe? Yes. Just take the wheel of the XL7.

XL7 Limited with Platinum Touring Package shown. Some features may not be available on some models. Please refer to Specifications pages for complete information.

THE NEXT-GENERATION XL7

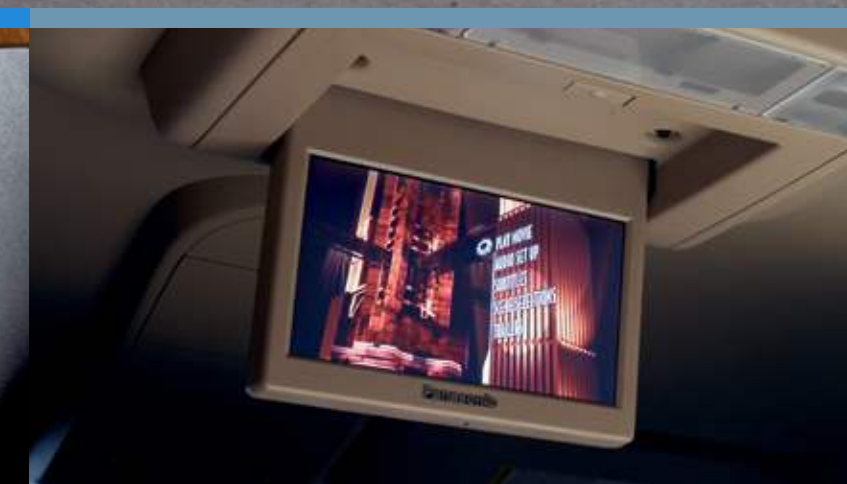

Everybody conquers life in their own style. That's why we offer a variety of options and packages for the XL7. Each one comes equipped with its own distinct features and personality. So find the XL7 that fits you. And go.

XL7 Limited with Platinum Touring Package shown. Some features may not be available on some models. Please refer to Specifications pages for complete information.

Navigation System Select this feature and you'll get turn-by-turn directions.
DVD Entertainment System Everybody will want first dibs on the back seat, with the rear-seat DVD entertainment system. Fortunately, with dual-media playback, front-row passengers can also enjoy the in-dash CD with subwoofer.
Alloy Wheels 16- and available 17-inch alloy wheels get great points for style and performance. *Some features may not be available on some models. Please refer to Specifications pages for complete information.*

¹Rear-seat DVD entertainment system not available with sunroof. ²Required XM® subscription sold separately. All fees and programming subject to change. Subscriptions subject to Customer Agreement available at xmradio.com. XM service only available in the 48 contiguous United States. The XM name is a registered trademark of XM Satellite Radio, Inc. ³Selecting the optional Platinum Touring Package deletes rear-seat DVD entertainment system. ⁴Late production availability. ⁵Optional with DVD entertainment system. ⁶ESP® is a registered trademark of DaimlerChrysler AG. ⁷The tire pressure monitoring system (TPMS) is not a substitute for regular tire pressure inspections. Tire pressures should be checked at least monthly using a tire pressure gauge. Maintaining the recommended tire pressure can help avoid performance problems, tire damage and premature wear. See the Owner's Manual for additional details. Make sure to go to suzukiauto.com for the latest specifications information.

AMERICA'S #1 WARRANTY

100,000 MILES/7 YR • NO DEDUCTIBLE • FULLY TRANSFERABLE

Why is it America's #1? It's the only 100,000-mile/7-year powertrain limited warranty around that doesn't have a deductible and is fully transferable for the life of the warranty. That's huge, and that's why the other guys don't talk about deductibles and transfer capability. No deductible means covered repairs are covered—you don't pay anything for parts and labor. Fully transferable means the warranty can pass from one owner to the next, increasing resale and trade-in value when it's time to buy your next car. With coverage extended for 100,000 miles or 7 years, whichever comes first, you can average a more than a reasonable 14,000 miles per year. The strength of this long-term powertrain protection is compounded by a 36,000-mile/3-year new-vehicle limited warranty that also has no deductible and covers everything from the dome light to the exhaust pipe (except the battery, which is covered for 24,000 miles, and tires, which are covered by the tire manufacturer's warranty), and includes comprehensive 24-hour Roadside Assistance as well as a convenient Courtesy Vehicle Program. So...that's why we can say it's America's #1. Sounds good, doesn't it!

100,000-Mile/7-Year Powertrain Limited Warranty: Every 2007 Suzuki comes standard with America's #1 Warranty: a 100,000-mile/7-year, fully transferable, \$0-deductible, powertrain limited warranty. **Duration:** Covers 100,000 miles or 7 years, whichever comes first. This provides owners over 14,000 miles of coverage per year. **Fully Transferable:** Unlike many other warranties, ours can be transferred from owner to owner, adding value at the time of resale or trade-in. **No Deductible:** If any covered repairs are necessary within 100,000 miles or 7 years, whichever comes first, there is no charge for parts and labor. **Suzuki's New-Vehicle Limited Warranty:** Covers all components of the vehicles as supplied by Suzuki for 36 months or 36,000 miles, whichever comes first. The battery is covered for 24,000 miles. Tires are covered by a separate warranty from the tire manufacturer. There is no deductible. Any repairs to correct defects in materials will be made with no charge for parts or labor. Should original body sheet-metal panels develop perforation due to corrosion, they're covered for 36 months, with no limit on mileage. **Roadside Assistance Program:** Covers any new Suzuki vehicle during the 36,000-mile/3-year new-vehicle limited warranty period. Roadside Assistance is available 24 hours a day, 365 days a year, in the U.S. and Canada. **Courtesy Vehicle Program:** The Warranty Repair Courtesy Vehicle Program is administered through Suzuki dealers and Enterprise Rent-A-Car. If a Suzuki vehicle is rendered inoperable, unsafe or illegal to operate due to a defect in materials or workmanship, and is required to stay overnight at a Suzuki dealer to complete a warranty repair during the 36,000-mile/3-year new-vehicle limited warranty period, your Suzuki dealer will provide a courtesy rental vehicle for up to five days, for up to \$30 a day, through Enterprise Rent-A-Car.

Drive responsibly: Buckle up for safety—don't drink and drive. WARNING: Sport Utility Vehicles handle differently from ordinary passenger cars. Avoid sharp turns and abrupt maneuvers. Always wear your seatbelt. For specific details, please read your Owner's Manual for on- and off-road driving tips. To avoid injury from an airbag, always place children 12 years old and under in the rear seat; always move both driver and passenger seats as far back from airbag as practical; never transport a child in a rear-facing child seat in the front seat; and always use the seatbelts and buckle up properly. Always keep cargo loads within specified weight limits; distribute cargo evenly and secure it from shifting. Specifications and equipment based on information available at time of printing, subject to change without notice or obligation and may differ in each sales area. All model comparisons based on manufacturers' Web sites as of 7/06. Some vehicles shown with optional equipment. For more details on 2007 options, accessories, warranty and specifications, contact your local Suzuki dealer. Suzuki, the "S" logo, and Suzuki model names are Suzuki trademarks or ®. "Tread Lightly!" on public and private land. Along with concerned conservationists everywhere, Suzuki urges you to preserve your future off-road driving opportunities by showing respect for the environment, local laws and the rights of others. Whether you buy or lease a Suzuki vehicle, American Suzuki Financial Services can assist you with the process. Ask your dealer which lease or purchase plan best suits your needs.
