Kitesurfing the waters of the Bahamas is one way to make your mark and **declare your independence**. But you only need to go as far as your SX4 to really show the world the stuff you're made of.

S X 4 S P O R T B A C K

The newest and sportiest member of the SX4 family, the SportBack® delivers superb handling, a unique style and a full load of features, such as the **sport suspension with KYB® shocks, quick-shifting 6-speed manual transmission, SmartPass™ keyless start and entry, and advanced navigation.**

S X 4 S P O R T S E D A N

Besides the knockout list of standard features you'll find in every SX4 model, the Sport Sedan® offers standard **Aero Body Package, 17-inch alloy wheels and a world-class touchscreen GPS navigation system** that's destined to become your totally indispensable personal travel assistant.

S X 4 C R O S S O V E R

Like the Sport Sedan, the Crossover® packs in some awesome standard features that make it an exciting SUV alternative. Check out its **roof rack rails with 110-lb capacity, Electronic Stability Program, 4-wheel disc brakes, rear wiper/washer and available heated seats.**

C O N T R O L

The available Electronic Stability Program² constantly monitors SX4's trajectory and the driver's steering input to detect skidding motion or loss of traction, then automatically adjusts throttle input and brake pressure to help maintain directional control.

T R A C T I O N

2WD sends power only to the two front wheels. Use this mode primarily on dry pavement. By the way, it gets you optimal fuel economy.

i-AWD Auto constantly monitors traction in changing conditions. When the i-AWD system detects slippage in the front wheels, torque immediately shifts to the rear wheels for all-wheel traction and increased stability.

i-AWD Lock gives 50/50 front and rear torque distribution for best traction in snow and mud. Full i-AWD Lock traction is maintained until the vehicle reaches cruising speed (36 mph), and then it automatically switches over to i-AWD Auto.

Emperor penguins make treks of up to 75 miles across their stark, white landscape for food and find their way home again **with pinpoint accuracy**. Their lives depend on it. Seems we're not too different from penguins after all.

C O P I L O T

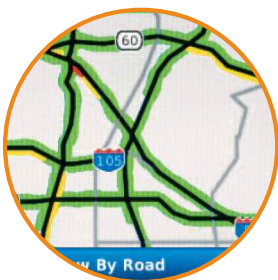

SX4 Sport is the most affordable vehicle with standard GPS navigation. Suzuki® TRIP™, which stands for Travel, Real-time traffic, Information and Play, is feature-packed for convenient, hassle-free driving. The navigation **is integrated into SX4's audio system** to make sure audio driving directions, available Bluetooth® calls and your favorite downloaded tunes come in loud and clear. Check out the adjustable **color touchscreen display, pre-loaded 2-D and 3-D maps, turn-by-turn voice directions, automatic routing, route planner, handy locator** and a pack of available real-time features that you'll love.

A V I G A T I O N

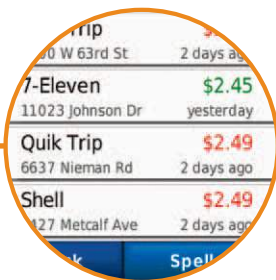

T O U R G U I D E

What a resource! TRIP contains **over 6 million standard points of interest, such as hotels, restaurants and even ATMs.** You can also get **1-year access to MSN Direct® services*** which include **real-time traffic, low-price gas finder, news, weather, stocks, airline arrival/departure times and more** — an assortment of informative real-time features you'll wonder how you ever left home without.

*Must activate service by 12/31/2010.

Move fast, stay informed and keep an eye on your portfolio with TRIP's available **up-to-the-minute traffic reports, news and stock information.**

Others may waste a gallon searching for the **lowest gas prices.** But not you. You're the savvy traveler to follow with the available low-price gas finder.

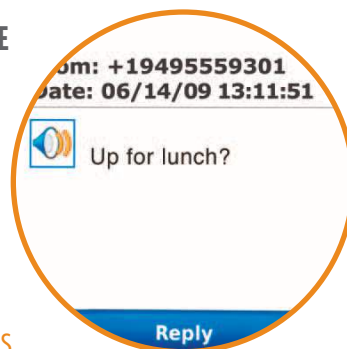

Jump in your car and hit the red carpet. You've got available real-time (or is it reel-time?) **movie listings with film titles, theaters and showtimes** at your fingertips.

TRIP's available local events gives you the inside vibe to the **hottest clubs and concerts.** But getting past the doorman — you're on your own there.

There's no sleight of hand. Your SX4 can hit the high country at sun-up, carry groceries home at 4:00 pm and still sit confidently in valet parking at your favorite restaurant in the evening.

S T O P !

The standard **Bosch® Anti-lock Braking System (ABS)** and **4-wheel ventilated disc brakes** help you maximize your control and stopping power to help keep you protected.

An available **automatic climate control system** is a luxury feature almost unheard of in this class.

Vanity visor extension is available to help keep the sun out of your eyes — whichever way you're going.

SX4's **dual-stage front, side and side-curtain airbags** **deploy and deflate** ten times faster than a hummingbird can flap its wings, which is just a blur.

SX4 Crossover i-AWD model gives you and your passenger available **heated seats**. Now that's toasty! Heated side mirrors are also available for those cold mornings.

Using the available **SmartPass™** **keyless start and entry system**, you can unlock your doors and start your engine without taking your key out of your pocket or handbag.

All this and music too? SX4's available **adaptor accessory** lets you plug in your iPod® to play your favorite tunes or catch up on the latest audio book.
