

02 HIGHLANDER

Highlander in Millennium Silver Metallic

AN UNEXPECTED BIT OF COMFORT IN THE RUGGED WORLD OF THE SUV.

Getting back to nature can be inspiring, but doesn't always follow a set script. That's why we created the 2002 Highlander. A sport utility vehicle that makes scouting that ideal outdoor location a little less challenging and a lot more comfortable. Check the video frames: You'll notice Highlander doesn't look like the rest of the SUVs on the road. It doesn't drive like them either. An available 220-horsepower V6 VVT-i engine and full-time 4-wheel drive help you pull through the rough spots in the road. Anti-lock Brakes (ABS) and the available Vehicle Skid Control (VSC)¹ plus TRAC Traction Control provide a level of safety you'd expect from a Toyota. Not just for you and your passengers, but for whatever you happen to be transporting. And with the versatility of rear seats that recline and fold flat, creating over 81 cubic feet of cargo space, that could be just about anything. Get the picture?

¹See Additional Options section for more information on Vehicle Skid Control (VSC)

STANDARD FEATURES

HIGHLANDER

- Deluxe 3-in-1 AM/FM ETR/Cassette/CD with 6 speakers and fixed mast antenna
- Defroster-linked CFC-free air conditioning
- Fabric-trimmed semi-flat reclining front captain's chairs with height-adjustable headrests and 6-way adjustable driver's seat

- Center console with 2 adjustable cup holders, storage compartment and floor-level storage tray
- Driver and front passenger air bag Supplemental Restraint System (SRS)*
- Anti-lock Brake System (ABS) with Electronic Brake-force Distribution (EBD) and Brake Assist¹
- Multi-reflector halogen headlamps with auto-off feature
- Washer-linked variable intermittent windshield wipers
- Rear window with electric defogger and intermittent window wiper
- UV reduction glass windshield
- Color-keyed power remote outside mirrors, grille, door handles, front and rear bumpers, and body side moldings
- P225/70R16 tires on 5-spoke styled steel wheels
- Full-time 4-wheel drive (4WD models)
- Power windows and door locks
- Analog instrument cluster with speedometer, tachometer, water temperature and fuel gauge meters; LCD odometer with twin tripmeters; and seatbelt disconnect, air bag, door-ajar, battery, oil pressure, brake, check engine, washer fluid and low-fuel level warning lights
- Digital quartz clock
- Cruise control
- Dual sun visors with vanity mirrors and sliding extensions
- Maplight
- Illuminated entry system
- Cigarette lighter with front and rear ashtrays
- Tilt steering wheel
- Fabric-trimmed doors with integrated speakers, map pockets and courtesy lamps
- Remote hood and fuel-filler door releases
- Two rear door dual bottle holders
- One front and one cargo area 12-volt auxiliary power outlets
- Cargo area grocery bag hooks
- Full-size spare tire

Standard steel wheel

Available aluminum alloy wheel

LIMITED

(In addition to/in place of above Standard Features)

- JBL Premium 3-in-1 AM/FM ETR/Cassette/CD with 8 speakers and in-glass FM diversity antenna
- Anti-theft and engine immobilizer systems
- CFC-free automatic digital climate control system with integrated multi-information display
- P225/70R16 tires on 6-spoke aluminum alloy wheels with full-size spare tire on aluminum alloy wheel
- Driver's seat with 5 power controls for 8-way adjustment, plus lumbar support
- Multi-function remote keyless entry system
- Auto on/off headlamp feature
- Daytime Running Lights (DRL)
- Integrated fog lamps
- Heated color-keyed power remote outside mirrors
- Color-keyed front and rear mudguards
- Roof rack system
- Color-keyed rear spoiler
- Privacy glass on rear side, quarter and tailgate windows
- Dual sun visors with illuminated vanity mirrors and sliding extensions
- Chestnut wood-grain-style interior trim
- HomeLink®² universal transceiver
- Leather-trimmed steering wheel and shift lever
- Cargo area tonneau cover

Limited standard aluminum alloy wheel

¹See Specifications page for more information on Brake Assist.

*The Toyota driver, front passenger and front seat-mounted side-impact air bags are Supplemental Restraint Systems (SRS). The driver and front passenger air bags are designed to inflate in a severe frontal collision. The side-impact air bags are designed to inflate in severe side-impact collisions. In all other accidents, the air bags will not inflate. To decrease the risk of injury from a deploying air bag, always wear seatbelts, sit upright in the middle of the seat as far back as possible from the air bag modules and do not lean against the door. Do not put objects in front of an air bag or around the seat-back. Do not use rearward-facing child seats in any front passenger seat. The force of a deploying air bag SRS may cause serious injury or death. Please see your Owner's Manual for further instructions.

OPTIONAL PACKAGES

- **Appearance Package¹** — includes aluminum alloy wheels with full-size spare tire on aluminum alloy wheel, color-keyed front and rear mudguards and privacy glass on rear side, quarter and tailgate windows
- **Towing Prep Package and converter** — includes upgraded radiator, transmission oil cooler, 130-amp alternator and trailer prewiring; 4-cylinder models add: 3,000-lb. towing capacity, engine oil cooler and 120-watt fan coupling; V6 models add: 3,500-lb. towing capacity, 80-watt fan coupling and power steering oil cooler
- **Convenience Package¹** — includes multi-function remote keyless entry system and tonneau cover
- **Quick Order Package²** — includes multi-function remote keyless entry system; privacy glass on rear side, quarter and tailgate windows; and tonneau cover
- **Preferred Package³** — includes driver seat with 5 power controls for 8-way adjustment plus lumbar support, engine immobilizer and anti-theft system alarm prewire, illuminated vanity mirrors and HomeLink®⁴ universal transceiver
- **Leather Trim Package⁵** — includes leather-trimmed seats and door trim, 8-way adjustable driver's seat (5 power adjustments including power lumbar support), and fore and aft headrest adjustments

ADDITIONAL OPTIONS

- Daytime Running Lights (DRL)⁶
- Heated dual color-keyed power remote outside mirrors⁶
- Privacy glass on rear side quarter and tailgate windows⁶
- Power tilt/slide moonroof with sunshade⁷
- Roof rack system⁶
- Aluminum alloy wheels — includes full-size spare tire on aluminum alloy wheel⁶
- Color-keyed front and rear mudguards⁶
- Limited-slip differential⁸
- Vehicle Skid Control (VSC)⁹ + TRAC Traction Control¹⁰
- Towing hitch¹¹
- Driver's seat with 5 power controls for 8-way adjustment, plus power lumbar support
- Driver and front passenger seat-mounted side-impact air bag Supplemental Restraint System (SRS)¹²
- Anti-theft system alarm prewire⁵
- Driver and front passenger heated seats^{5, 13}
- JBL Premium 3-in-1 AM/FM ETR/Cassette/CD with 8 speakers and in-glass FM diversity antenna⁵
- JBL Premium 3-in-1 AM/FM ETR/Cassette/CD with 6-disc in-dash changer, 8 speakers and in-glass FM diversity antenna⁵

¹V6 models only.

²4-cylinder models only.

³Requires Convenience or Quick Order Packages.

⁴HomeLink® is a registered trademark of Johnson Controls, Inc.

⁵Available on Limited models only.

⁶Standard on Limited models.

⁷Requires aluminum alloy wheels or Appearance Package on base Highlander models.

⁸4WD models only. Not available with Vehicle Skid Control + TRAC.

⁹ Toyota Vehicle Skid Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your Owner's Manual for further details.

¹⁰Not available with limited-slip differential.

¹¹Requires Towing Prep Package.

¹²See Safety Features section for more information on Toyota's driver and front passenger air bag and front seat-mounted side-impact air bag Supplemental Restraint Systems (SRS).

¹³Requires Leather Trim Package.

¹⁶Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions.

¹⁷Includes weight of occupants, equipment and cargo.

¹⁸Do not exceed the Gross Combined Weight Rating for your vehicle. For each model, a Class III or IV receiver hitch and sway control device are either required or recommended additional equipment. See your Toyota dealer for GCWR limits, additional required equipment and a copy of the Toyota Trailing Guide.

¹⁹Preliminary mileage estimates determined by Toyota. Final EPA mileage estimates not available at time of printing. See your Toyota dealer for details.

Some vehicles are shown with available equipment.

Toyota Highlanders are designed to meet most off-road driving requirements. Abusive use may result in bodily harm or damage. Toyota encourages responsible operation to protect you, your vehicle and the environment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. Towing receiver hitches/ball mount kits are not intended to provide crash protection.

For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle. Specifications, standard features and available equipment are based upon information available at the time of printing, are subject to change without notice, are for mainland U.S.A. vehicles only and may differ in the state of Hawaii and in other regions.

Have you logged 100,000, 200,000 or more miles on your Toyota with the original engine, transmission and drive-train? If you have, give us a call at 1-800-GO-TOYOTA and tell us your story. toyota.com
