\$ = Standard
0 = Optional
— = Not Available

1. Torsen® is a registered trademark of Zexel Torsen, Inc.

2. Downhill Assist Control (DAC) is designed to help the driver maintain vehicle control and speed on steep, downhill descents. Hill Start Assist Control (HAC) is designed to help minimize backward rolling on steep ascents. Neither system is a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether DAC and HAC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details.

3. For weight-carrying towing only with V6 models; weight distributing on V8 models.

4. Not available with third-row seat package.

5. Requires leather-wrapped steering wheel and shift lever with integrated cruise and audio controls.

6. The Toyota DVD navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Changes in street names, road closures, traffic flow or other road system changes may affect the accuracy of the mapping software. Rely upon your common sense to decide whether or not to follow a specified route. Detailed coverage not available in every city. Optional periodic geographical updates available at an additional cost. See your *Navigation System Owner's Manual* and your Toyota dealer for further details.

7. Navigation available with third-row seat early 2005.

8. The backup camera, available only with the navigation system, does not provide a comprehensive view of the entire rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance.

9. Included with JBL audio.

10. Toyota's Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the Monitor System. See your *Owner's Manual* for details.

11. Cruise control's automatic cancellation function allows the speed to remain in memory even when the speed drops below minimum speed.

12. HomeLink® is a registered trademark of Johnson Controls, Inc.

4RUNNER OPTIONS
All Models

- Driver and front passenger seat-mounted side airbags and front- and second-row roll-sensing side curtain airbags (RSCA)⁶ with cutoff switch

- Color-keyed rear spoiler with center high-mount stop lamp (CHMSL)
- Daytime Running Lights (DRL)

SR5 Options

- JBL Synthesis 3-in-1 AM/FM Cassette/CD with ten speakers^{8,9}
- JBL Synthesis 3-in-1 AM/FM Cassette/6-disc in-dash CD changer and ten speakers^{8,9}
- Double-decker cargo system with net
- Black roof rails with black crossbars
- Leather-wrapped steering wheel and shift lever with integrated cruise and audio controls
- HomeLink^{®10} universal transceiver
- Driver and front passenger sliding sun visors with illuminated vanity mirror¹

- Anti-theft alarm system
- 115V AC power outlet
- Auto-dimming rearview mirror with compass
- Power tilt/slide moonroof with noise reduction technology and sunshade⁸
- 17-in. 5-spoke aluminum alloy wheels with P265/65R17 tires
- Third-row foldaway 50/50 split fold-down removable seats

Sport Edition Options

- JBL Synthesis 3-in-1 AM/FM Cassette/CD with ten speakers
- JBL Synthesis 3-in-1 AM/FM Cassette/6-disc in-dash CD changer and ten speakers
- Double-decker cargo system with net
- HomeLink^{®10} universal transceiver
- Driver and front passenger sliding sun visors with illuminated vanity mirror¹

- Anti-theft alarm system
- 115V AC power outlet
- Auto-dimming rearview mirror with compass
- Power tilt/slide moonroof with noise reduction technology and sunshade

Limited Options

- JBL Synthesis 3-in-1 AM/FM Cassette/CD with ten speakers⁸
- JBL Synthesis 3-in-1 AM/FM Cassette/6-disc in-dash CD changer and ten speakers⁸
- JBL AM/FM CD with DVD navigation system^{11,12} with backup camera¹³ and eight speakers
- Third-row foldaway 50/50 split fold-down removable seats

- Power tilt/slide moonroof with noise reduction technology and sunshade⁸
- Rear Height Control Air Suspension (V8 models)⁸ — includes X-REAS Sport Enhancement Suspension
- X-REAS Sport Enhancement Suspension

1. Included with driver and front passenger seat-mounted side airbags and front- and second-row roll-sensing side curtain airbags (RSCA) with cutoff switch.

2. Toyota Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details.

3. 4-wheel Traction Control (TRAC) in 4WD only. Rear-wheel TRAC in 2WD.

4. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions.

5. Toyota's Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the Monitor System. See your *Owner's Manual* for details.

6. The Toyota driver, front passenger, front seat-mounted side airbags and side curtain airbags are Supplemental Restraint Systems (SRS). The driver and front passenger airbags are designed to deploy in severe (usually frontal) collisions where the magnitude and duration of the forward deceleration of the vehicle exceed the design threshold. The side airbags and side curtain airbags are designed to deploy in certain types

of severe side-impact collisions. The front and rear side curtain airbags are also roll-sensing side curtain airbags (RSCA) and are designed to deploy at a severe tilt degree, roll or lateral G-force. In all other accidents, the airbags will not deploy. To decrease the risk of injury from a deploying airbag, always wear seatbelts, sit upright in the middle of the seat as far back as possible from the airbag modules and do not lean against the door. Do not put objects in front of an airbag or around the seatback. Do not use rearward-facing child seats in any front passenger seat. The force of a deploying SRS airbag may cause serious injury or death. Please see your *Owner's Manual* for further instructions.

7. On second-row outboard seats only.

8. Not available with third-row seat package.

9. Requires leather-wrapped steering wheel and shift lever with integrated cruise and audio controls.

10. HomeLink[®] is a registered trademark of Johnson Controls, Inc.

11. See Model Grade Features section 1 footnote 6 for more information on Toyota's touch-screen DVD navigation system.

12. Navigation available with third-row seat early 2005.

13. See Model Grade Features section 1 footnote 8 for more information on the backup camera.

Standard 17-in. 5-spoke aluminum alloy wheel

1. 2005 Manufacturer's Suggested Retail Price, excludes the Delivery, Processing and Handling Fee of \$540 for Cars and \$565 for Trucks, Vans and SUVs. (Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee.) Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, FL, GA, NC and SC is \$35 higher for Trucks, Sienna, and SUVs, and \$50 higher for all other Toyota vehicles. The Delivery, Processing and Handling Fee in AR, LA, MS, OK and TX is \$35 higher for all Toyota vehicles. Actual dealer price may vary. Pricing, specifications, standard features and available equipment are based on information available when this page was produced and are subject to change without notice.

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, front-wheel drive, rear-wheel drive, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable Owner's Warranty Information booklet for details.

Accessories: Accessories installed at the time of the new vehicle purchase are covered for 36 months/36,000 miles from the vehicle's in-service date, whichever occurs first, under the New Vehicle Limited Warranty.

Accessories installed by the dealer after the new vehicle purchase are covered for 12 months, regardless of mileage, from the accessory installation date, or the remainder of the New Vehicle Limited Warranty, whichever provides greater coverage.

Accessories purchased over the counter are covered for 12 months from the date of purchase. Car covers are warranted for 12 months from the purchase date and are not covered by the New Vehicle Limited Warranty.

TOYOTA FINANCIAL SERVICES*

Now that you're thinking about a Toyota, you may also want to consider leasing or financing the purchase of your new vehicle through your participating dealer and Toyota Financial Services (TFS). TFS offers a variety of high-quality finance and lease products to complement your lifestyle. At TFS we realize that purchasing or leasing a vehicle is a major commitment and we have developed some of the finest customer-focused finance and insurance solutions to help protect your interests over time. And in most cases, you may include the charge for these products in your finance or lease contract.

Toyota 4Runners are designed to meet most off-road driving requirements. Abusive use may result in bodily harm or damage. Toyota encourages responsible operation to protect you, your vehicle and the environment. Some vehicles are shown with available equipment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. Towing hitch receivers/ball mount kits are not intended to provide crash protection.

For Toyota Mobility program details, go to www.toyota.com/mobility or call the Toyota Customer Assistance Center at 1-800-331-4331.

Few companies can match the expertise, quality customer care and total value of TFS. Ask your Toyota dealer or go to www.toyotafinancial.com for details.

*Toyota Financial Services is a service mark of Toyota Motor Credit Corporation and Toyota Motor Insurance Services, Inc. Products are available to qualified customers through your participating Toyota dealer and Toyota Financial Services.

For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only (may differ in the state of Hawaii, Puerto Rico, the U.S. Virgin Islands and in other regions).

LEAVING A GOOD IMPRESSION

A

B

C

D

E

05 ACCESSORIES

A Sport Bumper Trim

Accentuate your 4Runner's rugged good looks with a Sport Bumper Trim.

B Wheel Locks

Wheels can make the vehicle. Keep your wheels where you need them — on your car.

C Hood Protector

Help keep your vehicle's windshield and hood free from debris with this aerodynamically designed Hood Protector.

D Roof Rack (SR5 only)

Designed to fit your active lifestyle, Toyota Roof Racks are engineered to complement your vehicle's styling.

E Premium License Plate Frames

Accessorize your vehicle with a high-quality license frame. Available in 24kt gold, chrome and black pearl finishes.

05 ACCESSORIES

F Xtreme Cargo Mat by Nifty Products

Protect your vehicle's original carpet with the Xtreme Cargo Mat. Rubberized slip-resistant surface is designed to minimize cargo shifting, while the molded outer edge creates a moisture barrier.

G Cargo Tote

This handy Cargo Tote helps keep your trunk organized.

H All-Weather Floor Mats

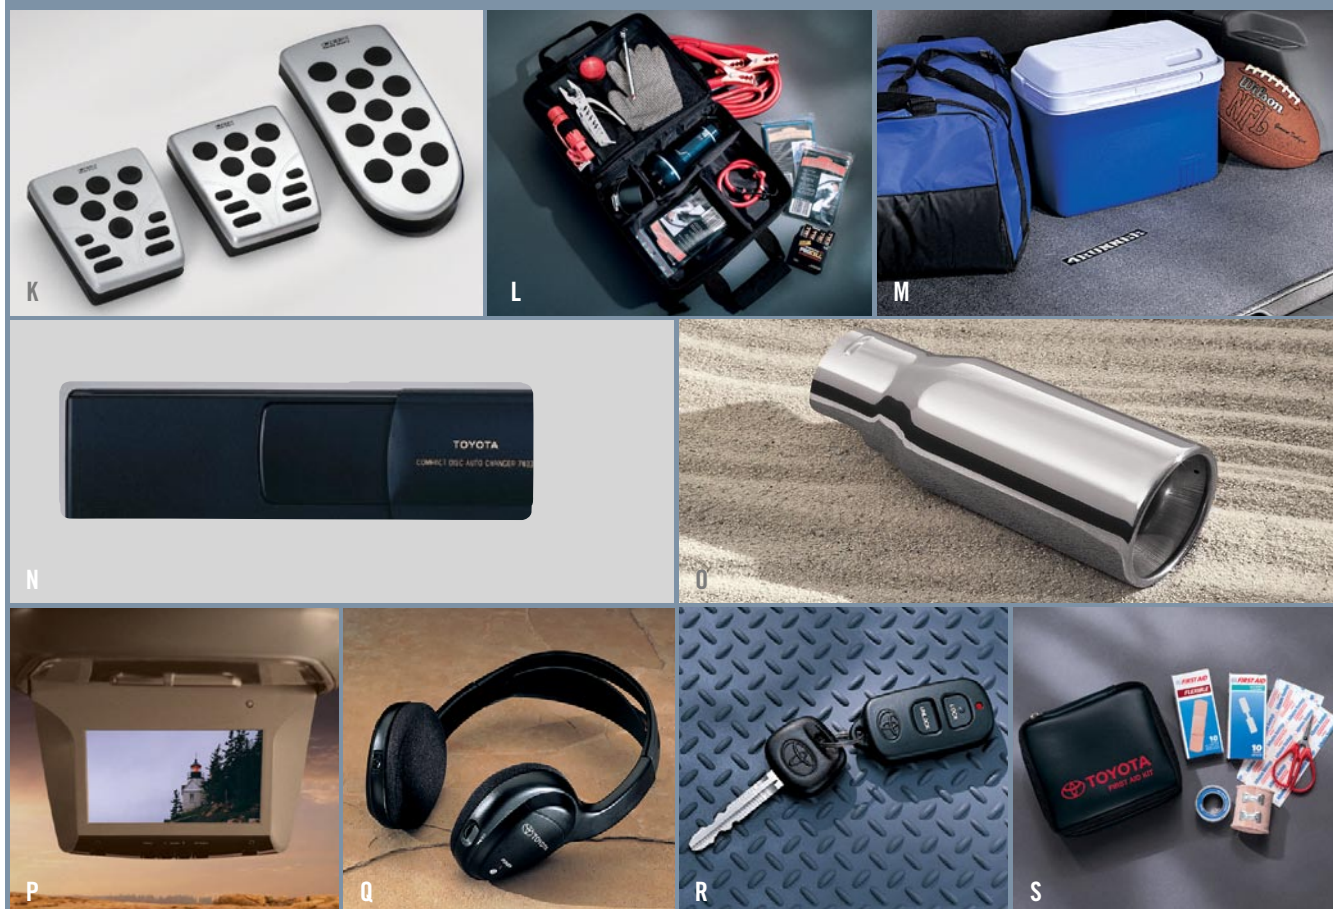

Made with heavy-gauge rubber, these floor mats are easy to rinse clean and provide the ultimate protection for your original carpet. All-Weather Floor Mats handle all types of weather.

I Carpeted Floor Mats

Color-coordinated floor mats protect your original carpeting while adding some flair with an embroidered 4Runner logo. The non-skid backing and positive retention clip help prevent them from sliding.

J Cargo Net

Don't you hate it when your stuff rolls around while you're driving? These Cargo Nets, the shelf-"spider" net, and the "envelope" net (shown), are your answer — they are easy to install and even easier to use.

05 ACCESSORIES

K Sport Pedals by OBX Racing Sports®

Replace your drab stock pedals with a set of Sport Pedals by OBX Racing. Available in sleek silver finish for automatic and manual transmission.

L Emergency Assistance Kit

Drive with the confidence of knowing that you are secure with your Emergency Assistance Kit. This basic emergency assistance kit contains jumper cables, multi-tool, flashlight, emergency blanket, duct tape, bungee cord, survival whistle, hose clamp and more...

M Cargo Mat

Lets face it, spills happen. Help protect both your cargo area and trunk with these custom mats. Non-skid backing helps keep them in place.

N Console Box-Mounted 6-Disc CD Changer

Upgrade your audio system with a Console Box-Mounted 6-Disc CD Changer that is operated from vehicle audio head unit. Enhances vehicle audio system to allow for increased CD playing capacity.

O Exhaust Tip by Valor

Polished stainless steel Exhaust Tips by Valor Manufacturing Inc. are made of Polishes 304 stainless steel and install easily with a single bolt installation (no drilling, cutting or welding required).
