

TOYOTA

2021 Mirai

2021 MIRAI

Innovation is power.

The 2021 Toyota Mirai's all-new sleek design is as innovative as its engineering. Lower, longer and wider, Mirai's aerodynamic stance and premium rear-wheel-drive platform deliver an exciting ride. And inside, its luxurious and tech-focused cabin seats five comfortably. All Mirai needs is around five minutes at the hydrogen pump to refuel¹ and you're ready to hit the road in style.

Limited shown in Heavy Metal² and Limited shown in Hydro Blue² with available 20-in. Super Chrome aluminum alloy wheels. Below left: Limited interior shown in White SofTex^{®3} trim. Below right: Limited shown in Hydro Blue² with available 20-in. Super Chrome aluminum alloy wheels.

See numbered footnotes in Disclosures section.

OWNER BENEFITS

More reasons to go hydrogen.

Mirai comes equipped with a comprehensive Owner Experience Program offering world-class services. When it comes to going hydrogen, the pros outweigh the cons.

Extended ToyotaCare coverage

More ToyotaCare, more peace of mind. Enjoy our no cost normal factory scheduled maintenance plan for three years, or 35,000 miles, whichever comes first, and no cost enhanced Roadside Assistance for three years, regardless of mileage.⁴

Toyota FCEV and Hybrid Battery Warranty

Every new Mirai has an 8-year/100,000-mile Fuel Cell Electric Vehicle (FCEV) warranty on key Fuel Cell Electric Vehicle components⁵ and a 10-year/150,000-mile hybrid battery warranty.⁵²

HOV carpool sticker

Enjoy life in the fast lane. Mirai is eligible for an HOV Carpool Sticker.⁶

Flexible rental

For the first three years of ownership, Mirai's complimentary 21-day Rental Experience gives you flexibility when you need it most.⁷

Complimentary fuel

Mirai comes with up to \$15,000 or 6 years' worth of complimentary fuel for purchases and up to \$15,000 or 3 years' worth of complimentary fuel for leases.⁸

Referral program

Spread the word about Mirai and you may be eligible for Rewards when someone you know leases or purchases a new 2021 Mirai.⁶⁸

24/7 call support

Around-the-clock help when you need it most. Every Mirai comes with 24/7 Customer Call Support for the duration of ownership.

EXTERIOR

The purest expression of elegance.

Lower, longer and wider, Mirai's modern stance is the perfect mix of sporty and luxury.

Limited shown in Hydro Blue² with available 20-in. Super Chrome aluminum alloy wheels. Below left: Limited shown in Hydro Blue² with available 20-in. Super Chrome aluminum alloy wheels. Below right: Limited shown in Hydro Blue² with available 20-in. Super Chrome aluminum alloy wheels.

LED taillights

Mirai's taillight design is nothing short of iconic. Made up of energy-efficient and durable LED bulbs, these taillights shine bright for enhanced road safety at night.

Wheel design

Standard on XLE, 19-in. twin-spoke aluminum alloy wheels elegantly accent Mirai's modern look. And on Limited, you can choose from standard 19-in. black machined-finish aluminum alloy wheels or available 20-in. Super Chrome aluminum alloy wheels.

INTERIOR

Purposefully designed.

Mirai's craftsmanship is on display with every detail.

Interior design

Available satin-silver or copper-colored accents make Mirai's interior as refined as its engineering. And premium touches like available perforated, embossed SoftTex®-trimmed³ seating show this interior was put together with purpose — right down to the last stitch.

Three-zone automatic climate control

Little innovations can make a big difference. With Mirai's available three-zone automatic climate control, driver and passengers can set their temperature in one of three zones: driver's side, passenger side and rear.

Heated and ventilated seats

Mirai's available heated and ventilated front and rear seats help keep everyone comfortable — no matter the season.

Dual Panoramic View Moonroof

Above the front and rear seats, Mirai's available dual fixed Panoramic View Moonroof lets natural light shine in for an added level of openness. With the sunlight shining in, you're ready for whatever's next.

Incredibly interactive.

Mirai's advanced tech helps you feel more connected and in control on every drive.

Limited interior shown in White SofTex^{®3} trim.
Right: Limited interior shown in White SofTex^{®3} trim.
Always drive safely and obey traffic laws.

12.3-in. touchscreen display

Mirai's 12.3-in. touchscreen display is a blank canvas ready to be customized. It's easy to set up with your favorite apps and, with such a large display, multiple screens can be shown simultaneously. Dynamic Navigation⁹ also comes standard for the first three years, so you can follow directions while your copilot puts on a playlist. You can even make calls hands-free using *Bluetooth*^{®10} wireless connectivity.

Color Head-Up Display

With your hands on the steering wheel and your eyes on the road, Mirai's available color Head-Up Display (HUD) casts your speed, turn-by-turn directions, and Hybrid System Indicator info right into your line of sight.

Bird's Eye View Camera

Mirai's available Bird's Eye View Camera with Perimeter Scan¹¹ helps you check your surroundings for hazards. It uses four cameras, one on each side of the vehicle, to display a bird's-eye view onto the touchscreen display. When you're parked and using the Moving View setting, Mirai creates an animated virtual view from above to give you a bigger picture of what's around.

Limited interior shown in White SofTex^{®3} trim.

Limited shown with available 20-in. Super Chrome aluminum alloy wheels.
Below right: Mirai Fuel Cell Power Control Unit shown.

FUEL CELL ELECTRIC

Advanced to its core.

Mirai generates power by combining hydrogen with oxygen from the outside air. On the road, hydrogen from the fuel tank and air entering from the intake grille meet in the Fuel Cell Stack. There, a chemical reaction involving the oxygen in the air and hydrogen creates electricity — powering Mirai. In the end, the only by-product is water. And with an added hydrogen tank, Mirai XLE has an EPA-estimated range rating of up to 402 miles¹² for every fill-up.¹

How do I fill up Mirai?

Refueling Mirai is simple. There's a pump and a nozzle, just like at a gasoline station. As you pump in the hydrogen, it travels to carbon-fiber-reinforced fuel tanks where it's stored. After around five minutes,¹ you'll be ready to hit the road.

Amplify your drive.

Take advantage of smarter and convenient technologies designed to simplify your everyday life. From a suite of services that are there for you 24/7 to an immersive audio multimedia system, you can stay connected to your world.

Connected Services

Our available suite of Connected Services¹³ provides added convenience and peace of mind.

- ✓ **Safety Connect®**
Emergency SOS assistance and 24/7 Toyota Roadside Assistance.^{14, 15}
- ✓ **Service Connect**
Get personalized maintenance updates and vehicle health reports.¹⁶
- ✓ **Remote Connect**
Start, lock/unlock your doors and more, using your compatible smart device.¹⁷
- ✓ **Wi-Fi Connect**
Turn your Toyota into a hotspot with 4G connectivity.¹⁸
- ✓ **Destination Assist**
24/7 live agent assistance to locate your next destination.¹⁹

To view included trial details, please visit toyota.com/connected-services.

Audio Multimedia

Make every drive more personal. By utilizing your vehicle's touchscreen display and audio multimedia capabilities, you'll always have access to what you want. Whether it's listening to your favorite playlist or finding the most scenic route to your destination, you'll enjoy the latest in connectivity and technologies that are all about you.

Apple CarPlay®

Bring along a familiar face. With Apple CarPlay²⁰ compatibility, you can use your compatible iPhone²¹ with the audio multimedia system to get directions, make calls, send and receive messages, and listen to music — all while staying focused on your commute.

Android Auto™

Stay connected on the road. By pairing your compatible Android™²² phone with the audio multimedia system, Android Auto™²³ lets you access your Google Assistant, get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

SiriusXM® All Access 3-month trial subscription

Enjoy listening to what you want to hear. With SiriusXM²⁴ you get the deepest variety of ad-free music, more sports coverage than anywhere else, exclusive talk channels, every kind of comedy, and the most complete news coverage.²⁵

Amazon Alexa

Almost anywhere the road takes you, Amazon Alexa²⁶ connectivity follows. With a smartphone connection and the Toyota+Alexa app, all you have to do is ask Alexa to play music, listen to audiobooks, hear the news, check weather, control smart-home devices and more.

JBL®

Feel the difference and hear the truth. Designed specifically for Toyota, JBL²⁷ finely tunes each speaker to the interior of the vehicle. Just turn up the volume to hear the crisp, rich, vibrant sound come through.

TOYOTA SAFETY SENSE™ 2.5+ (TSS 2.5+)

Peace of mind comes standard.

Toyota Safety Sense™ 2.5+ (TSS 2.5+)²⁸ is the latest bundle of active safety features included on many new Toyota vehicles at no additional cost. These innovative features were designed to help protect you and your passengers from harm.

Pre-Collision System with Pedestrian Detection²⁹

Full-Speed Range Dynamic Radar Cruise Control³⁰

Lane Departure Alert with Steering Assist³¹

Automatic High Beams³²

Lane Tracing Assist³³

Road Sign Assist³⁴

MIRAI MODELS

XLE

Includes these key features

Mechanical/Performance

- ✓ Toyota Fuel Cell System (TFCS)
- ✓ Permanent magnet AC synchronous electric motor, 182 hp, 221 lb.-ft.
- ✓ Rear-Wheel Drive (RWD)
- ✓ ECO, Normal and Sport driving modes
- ✓ Front and rear multi-link suspension
- ✓ Front and rear ventilated disc brakes
- ✓ 76 city/71 highway/74 combined est. mpg³⁵

Exterior Features

- ✓ Bi-beam auto-leveling LED headlights
- ✓ Multi-LED front and rear turn signal indicators, Daytime Running Lights (DRL), clearance lights and side marker lights etched with Mirai logo
- ✓ LED taillights and rear combination lights
- ✓ Satin-black front grille
- ✓ 19-in. twin-spoke aluminum alloy wheels with P235/55R19, 8J all-season tires
- ✓ Color-keyed heated power-folding outside mirrors with turn signal indicators, blind spot warning³⁶ and puddle lights
- ✓ Color-keyed roof-mounted shark-fin antenna

Interior Features

- ✓ Seating for up to five
- ✓ Heated SofTex[®]-trimmed³ front seats include:
 - 8-way power driver's seat and 4-way power front passenger seat
- ✓ Leather tilt/telescopic steering wheel, Bluetooth[®]¹⁰ hands-free phone and voice-command controls
- ✓ Dual zone automatic climate control
- ✓ One USB media port, three USB charge ports³⁷
- ✓ 8-in. color Multi-Information Display (MID)
- ✓ Smart Key System³⁸ with remote keyless entry
- ✓ Auto-dimming rearview mirror and HomeLink[®]³⁹ universal transceiver

Audio Multimedia

- ✓ Premium Audio includes:
 - 12.3-in. touchscreen and 14 JBL[®]²⁷ speakers
 - Android Auto[™]²³ & Apple CarPlay[®]²⁰ compatible
 - SiriusXM[®]²⁴ with 3-month All Access trial subscription²⁵
- ✓ Connected Services¹³ with Safety Connect[®]¹⁴

Safety/Convenience

- ✓ Toyota Safety Sense[™] 2.5+ (TSS 2.5+)²⁸
- ✓ Star Safety System[™]
- ✓ Blind Spot Monitor (BSM)³⁶ with Rear Cross-Traffic Alert (RCTA)⁴⁰
- ✓ Electric Parking Brake (EPB)⁴¹ with Brake Hold⁴²
- ✓ Hill Start Assist Control (HAC)⁴³
- ✓ Active Cornering Assist (ACA)
- ✓ Backup camera⁴⁴

Options/Packages

- ✓ Advanced Technology Package includes:
 - Bird's Eye View Camera¹¹
 - Front and Rear Parking Assist with Automatic Braking (PA w/AB)⁴⁵
 - Front-seat footwell illumination

Limited

Adds to or replaces features offered on XLE

Mechanical/Performance

- ✓ Toyota Fuel Cell System (TFCS)
- ✓ Permanent magnet AC synchronous electric motor, 182 hp, 221 lb.-ft.
- ✓ Rear-Wheel Drive (RWD)
- ✓ ECO, Normal and Sport driving modes
- ✓ Front and rear multi-link suspension
- ✓ Front and rear ventilated disc brakes
- ✓ 67 city/64 highway/65 combined est. mpg³⁵

Exterior Features

- ✓ Dual fixed Panoramic View Moonroof with power sliding shade
- ✓ 19-in. black machined-finish aluminum alloy wheels with P235/55R19, 8J all-season tires
- ✓ Rain-sensing variable windshield wipers
- ✓ Black roof-mounted shark-fin antenna

Interior Features

- ✓ Heated and ventilated perforated SofTex[®]-trimmed³ front and rear seats includes:
 - 8-way power driver's seat and front passenger seat with memory function
- ✓ Leather tilt/telescopic steering wheel with memory, audio, Bluetooth[®]¹⁰ hands-free phone and voice-command controls
- ✓ Multi-color ambient lighting
- ✓ Digital rearview mirror and HomeLink[®]³⁹ universal transceiver
- ✓ Three-zone automatic climate control
- ✓ Rear touchscreen control panel with climate control function, sunshade toggle, seat heating and ventilation, and audio controls
- ✓ Rear-window sunshades
- ✓ Active Sound Control (ASC)

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Fuel-Cell-System-Related Component Coverage: Fuel Cell System components, including the Battery ECU, FC Air Compressor, FC Boost Converter, FC ECU, H2 tanks, FC PCU (Power Control Unit), FC System, HF ECU (H2 Fueling ECU), and Power Management ECU (HV ECU).

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.

FC Battery: FC battery is covered for 10 years or 150,000 miles, whichever comes first. Warranty coverage is subject to terms and conditions. Refer to applicable *Warranty and Maintenance Guide* for details.

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

DISCLOSURES

1. Fueling time varies with hydrogen fueling pressure and ambient temperature. 2. Extra-cost color. 3. SofTex® is a registered trademark of Toyota Motor Sales, U.S.A., Inc. 4. ToyotaCare for Mirai covers normal factory scheduled maintenance for three years or 35,000 miles, whichever comes first. Certain models require a different maintenance schedule as described in their Maintenance Guide. 24-hour Roadside Assistance is also included for three years, unlimited mileage. Roadside Assistance does not include parts and fluids. Valid only through Authorized Mirai Fuel Cell Dealers. See an Authorized Fuel Cell Dealer for details and exclusions. Valid only in the continental U.S. 5. Valid only at Authorized Mirai Fuel Cell Dealers in the continental United States. See dealer for details and exclusions. 6. Use of CA HOV lanes (single occupant permitted). Eligibility for government incentives, including any rebate and/or sticker, is based on income and is subject to change at any time. See cleanvehiclerebate.org for more details. 7. The twenty-one complimentary days will expire after the third year and any unused days will not carry over. 8. Customers who lease a 2021 Mirai will receive complimentary fuel for three years or \$15,000, whichever comes first. Customers who purchase or finance a 2021 Mirai through June 30, 2021 receive an additional three years to use the \$15,000 of fuel. Complimentary fuel term begins as of card activation or 90 days after Mirai lease or purchase commencement date, whichever is earlier. Fuel card is nontransferable. The Mirai is a hydrogen-powered fuel cell electric vehicle that must be fueled at hydrogen stations conforming to the latest Society of Automotive Engineers (SAE) hydrogen fueling interface protocol standards or laws that may supersede such SAE standards. See <https://cafcp.org/stationmap> for current hydrogen fueling station locations. 9. Dynamic Navigation depends on an operative telematics device, a cellular connection, navigation map data and GPS signal strength, and other factors outside of Toyota's control, which can limit system functionality or availability. Services not available in every city or roadway. Use common sense when relying on information provided. Service may vary by vehicle and region. Registration is required. Terms of Use apply. See *Owner's Manual* and <https://toyota.com/connected-services> for additional limitations and details. To learn about Toyota's data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. 10. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc., and any use of such marks by Toyota is under license. A compatible Bluetooth®-enabled phone must first be paired. Phone performance depends on software, coverage and carrier. 11. The Bird's Eye View Camera does not provide a comprehensive view of the area surrounding the vehicle and you should also look around the vehicle, using mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. 12. EPA-estimated 402 Total Driving Range rating for 2021 Mirai XLE and 357 Total Driving Range rating for 2021 Mirai Limited. Use for comparison purposes only. Your mileage will vary for many reasons, including refueling practices, your vehicle's condition and how/where you drive. See www.fueleconomy.gov. 13. Connected Services depends on an operative telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Toyota's control, all of which can limit system functionality or availability, including access to response center and emergency support. Service may vary by vehicle and region. Subscription required after trial. Terms of Use apply. Data charges may apply. Apps and services subject to change at any time without notice. See *Owner's Manual* and <https://toyota.com/connected-services> for details. To learn about Toyota's data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. Stolen vehicle police report required to use Stolen Vehicle Locator. 14. Safety Connect® depends on an operative telematics device, a cellular connection, GPS signal strength and other factors outside of Toyota's control, all of which can limit system functionality or availability, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Some features may require the Toyota app. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. Service may vary by vehicle and region. See usage precautions and service limitations in *Owner's Manual* and at toyota.com/connected-services/ for additional details. To learn about Toyota's data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. 15. Requires adequate cellular coverage and GPS signal strength. May not work in all areas. Service may vary by vehicle and region. See Toyota Dealer for details and exclusions. 16. Information provided is based on the last time data was collected from the vehicle and may not be up to date. Service Connect depends on an operative telematics device, a cellular connection, navigation map data, GPS signal strength and other factors outside of Toyota's control, which can limit functionality or availability. Service may vary by vehicle and region. Registration required. Service subject to change at any time without notice. Terms and conditions of subscription service agreement apply. See usage precautions and service limitations in *Owner's Manual* and at toyota.com/connected-services/ for additional details. To learn about Toyota's data collection, use, sharing and retention, please visit <https://www.toyota.com/privacyvts/>. 17. Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Toyota's Remote Connect depends on an operative telematics device, a cellular connection, GPS signal strength and other factors outside of Toyota's control, which can limit system functionality and availability. Service may vary by vehicle and region. Registration and Toyota app download required. Subscription required after trial. Terms of Use apply. Data charges may apply. Remote start/stop not available on manual-transmission-equipped vehicles. Services subject to change at any time without notice. See usage precautions and service limitations in *Owner's Manual* and at <https://www.toyota.com/connected-services/> for additional details. To learn about Toyota's data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. 18. Eligible vehicle and wireless service required. Coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/toyota for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. 19. Destination Assist depends on an operative telematics device, a cellular connection, navigation map data and GPS signal strength and other factors outside of Toyota's control, which can limit system ability functionality or availability. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Services subject to change at any time without notice. Terms of Use apply. See *Owner's Manual* and toyota.com/connected-services/ for additional limitations and details. To learn about Toyota's data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. 20. Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected with an approved data cable into the USB media port. Apple CarPlay® is a registered trademark of Apple Inc. 21. iPhone® is a registered trademark of Apple Inc. All rights reserved. 22. Android is a trademark of Google LLC. 23. Vehicle user interface is a product of Google and its terms and privacy statement apply. To use Android Auto on your audio display, you'll need an Android Auto compatible vehicle and Android phone. For phone compatibility visit: <https://www.android.com/autof/>. Requires compatible smartphone connected with an approved data cable into the USB media port, and data plan rates apply. Apps and services vary by phone carrier and are subject to change at any time without notice. Android, Android Auto and Waze are trademarks of Google. 24. SiriusXM® audio services require a subscription sold separately by Sirius XM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Current information and features may not be available in all locations, or on all receivers. ©2021 Sirius XM Radio Inc. SiriusXM and all related marks and logos are trademarks of Sirius XM Radio Inc. 25. SiriusXM All Access trial length and service availability may vary by model, model year or trim. 26. Amazon, Alexa and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Certain functions require adequate signal strength and smartphone technology/connectivity. Not all Amazon Alexa functionality is available for in-vehicle use. See applicable app for details. Download of the Toyota+Alexa app is required to begin in-vehicle use of Alexa. Data charges may apply for certain functions. Apps, prices and services subject to change at any time without notice. To learn more, go to <https://www.toyota.com/audio-multimedia>. To learn more about Toyota's data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. 27. JBL® is a registered trademark of Harman International Industries, Inc. 28. Toyota Safety Sense™ effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for additional limitations and details. 29. The Pre-Collision System (PCS) with Pedestrian Detection (PD) is designed to determine if impact is imminent and help reduce impact speed and damage in certain frontal collisions involving a vehicle or a pedestrian. PCS w/PD is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, size and position of pedestrian and weather, light and road conditions. See *Owner's Manual* for additional limitations and details. 30. Full-Speed Range Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. Vehicles with manual transmission have regular DRCC. See *Owner's Manual* for additional limitations and details. 31. Lane Departure Alert with Steering Assist is designed to read visible lane markers under certain conditions. It provides a visual and audible alert and slight steering force when lane departure is detected. It is not a collision-avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. 32. Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness, requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details. 33. Lane Tracing Assist (LTA) is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. See *Owner's Manual* for additional limitations and details. 34. Do not rely exclusively on Road Sign Assist (RSA). RSA is a driver support system that utilizes the vehicle's forward-facing camera and navigation system (when data is available) to recognize certain road signs and provide information to the driver via the multi-information display and/or Head-Up Display. Effectiveness is dependent on road, weather, vehicle and sign conditions. Use common sense when using RSA and do not drive distracted. See *Owner's Manual* for additional limitations and details. 35. EPA-estimated 76 city/71 hwy/74 combined MPGe for 2021 Mirai LE and XLE; EPA-estimated 67 city/64 hwy/65 combined MPGe for 2021 Mirai Limited. MPGe is the EPA-equivalent of gasoline fuel efficiency for electric-mode operation. Use for comparison purposes only. Your MPGe/miles per kilogram will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. 36. Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details. 37. May not be compatible with all mobile phones, MP3/WMA players and like models. 38. The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. 39. HomeLink® and the HomeLink® house icon are registered trademarks of Gentex Corporation. 40. Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details. 41. When the system is on, Automatic Electric Parking Brake is designed to automatically engage the Electric Parking Brake under limited conditions. It may not hold the vehicle under all conditions and does not function when the vehicle is in Reverse. Automatic Electric Parking Brake is not a substitute for manual use of the Electric Parking Brake. See *Owner's Manual* for additional limitations and details. 42. When the system is on, Brake Hold is designed to keep the brakes engaged after the driver brings the vehicle to a complete stop. It may not hold the vehicle under certain conditions and does not function when the vehicle is in Reverse. Brake Hold is not a substitute for safe and attentive driving. See *Owner's Manual* for additional limitations and details. 43. Hill Start Assist Control is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. 44. The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm

DISCLOSURES

rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **45.** At speeds of 9 mph or less, Front and Rear Parking Assist with Automatic Braking (PA w/AB) is designed to assist drivers in avoiding potential collisions with nearby static objects when the vehicle is in Drive or Reverse and approaching crossing vehicles when the vehicle is in Reverse. Do not overly rely on PA w/AB. Always look around outside the vehicle and use mirrors to confirm clearance. Certain vehicle and environmental factors, including an object or vehicle's shape, size and composition, may affect the system's effectiveness. See *Owner's Manual* for additional limitations and details. **46.** The Intelligent Parking Assist system requires driver brake control. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for additional limitations and details. **47.** Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. **48.** Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print). **49.** Genuine Toyota Paint Protection Film by 3M™ is designed for specific sections of the vehicle most prone to chipping and may vary depending on vehicle model. Select applications may require an additional charge. Toyota Genuine Accessory Warranty only applies when installation is performed by a trained Toyota-approved installer. See Toyota dealer for details. **50.** Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system, avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns. **51.** Rated for 12 volts/10 amps. See *Owner's Manual* for additional limitations and details. **52.** For Toyota hybrid, plug-in hybrid, and fuel cell and battery electric vehicles beginning with model year 2020, the hybrid (HV) battery is covered for 10 years from original date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See *Owner's Warranty and Maintenance Guide* for details. **53.** The Safety Connect® trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. **54.** The Service Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial. Service Connect renewal will be included when Safety Connect, Remote Connect or Destination Assist connected service renewal is selected. Service Connect is not renewable as a stand-alone service. **55.** The Toyota Remote Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. Terms of Use apply. **56.** The Wi-Fi Connect trial begins at the time of activation and expires when 2GB of data is used or when the 3-month period ends. After the trial period expires, enrollment in a paid subscription is required to access the service. Terms and conditions apply. **57.** The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in a paid subscription is required to access the service. **58.** Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **59.** Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See *Owner's Manual* for additional limitations and details. **60.** Smart Stop Technology® operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology® is not a substitute for safe and attentive driving and does not guarantee instant stopping. See *Owner's Manual* for additional limitations and details. **61.** Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details. **62.** Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Customer Experience Center at 1-800-331-4331. **63.** The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to www.aloa.org to find a qualified locksmith in your area who can perform high-security key service. **64.** The Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See *Owner's Manual* for additional limitations and details. **65.** For information regarding the Federal and California Emission Control Warranties, and Tire Limited Warranties, please see the applicable Warranty and Maintenance Guide. Emission coverages vary under Federal and California regulations. **66.** Date and mileage limitations refer to whichever occurs first from the date of purchase. Warranty coverage is subject to other terms and conditions. Refer to applicable Warranty and Maintenance Guide for full details. **67.** For Toyota hybrid, plug-in hybrid, and fuel cell and battery electric vehicles beginning with model year 2020, the hybrid (HV) battery is covered for 10 years from original date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See *Owner's Warranty and Maintenance Guide* for details. **68.** Restrictions apply. For current Mirai owners or lessees and their referrals who purchase or lease a new 2021 Mirai. Current Mirai owners/lessees must complete and submit a Mirai Referral Form through <https://www.toyota.com/mirai/referral> prior to referral's purchase or lease. Rewards are subject to availability. Please allow up to 45 days for receipt of Rewards. This program may be altered at any time or terminated without notice. Program ends 12/31/21. For more information see Mirai Referral Program Got Questions at <https://www.toyota.com/mirai/referral>. **69.** The Dynamic Navigation three year trial period begins on the original date of purchase or lease of a new vehicle. After the trial period expires, enrollment in paid subscription is required to access the service.

Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order.

Color(s) depicted may vary based on multiple factors, including ambient lighting and the format in which it is being viewed (e.g., computer, mobile device or print).

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Vehicles shown may be prototypes, shown using visual effects and/or shown with options. Actual models may vary.
