Jetta

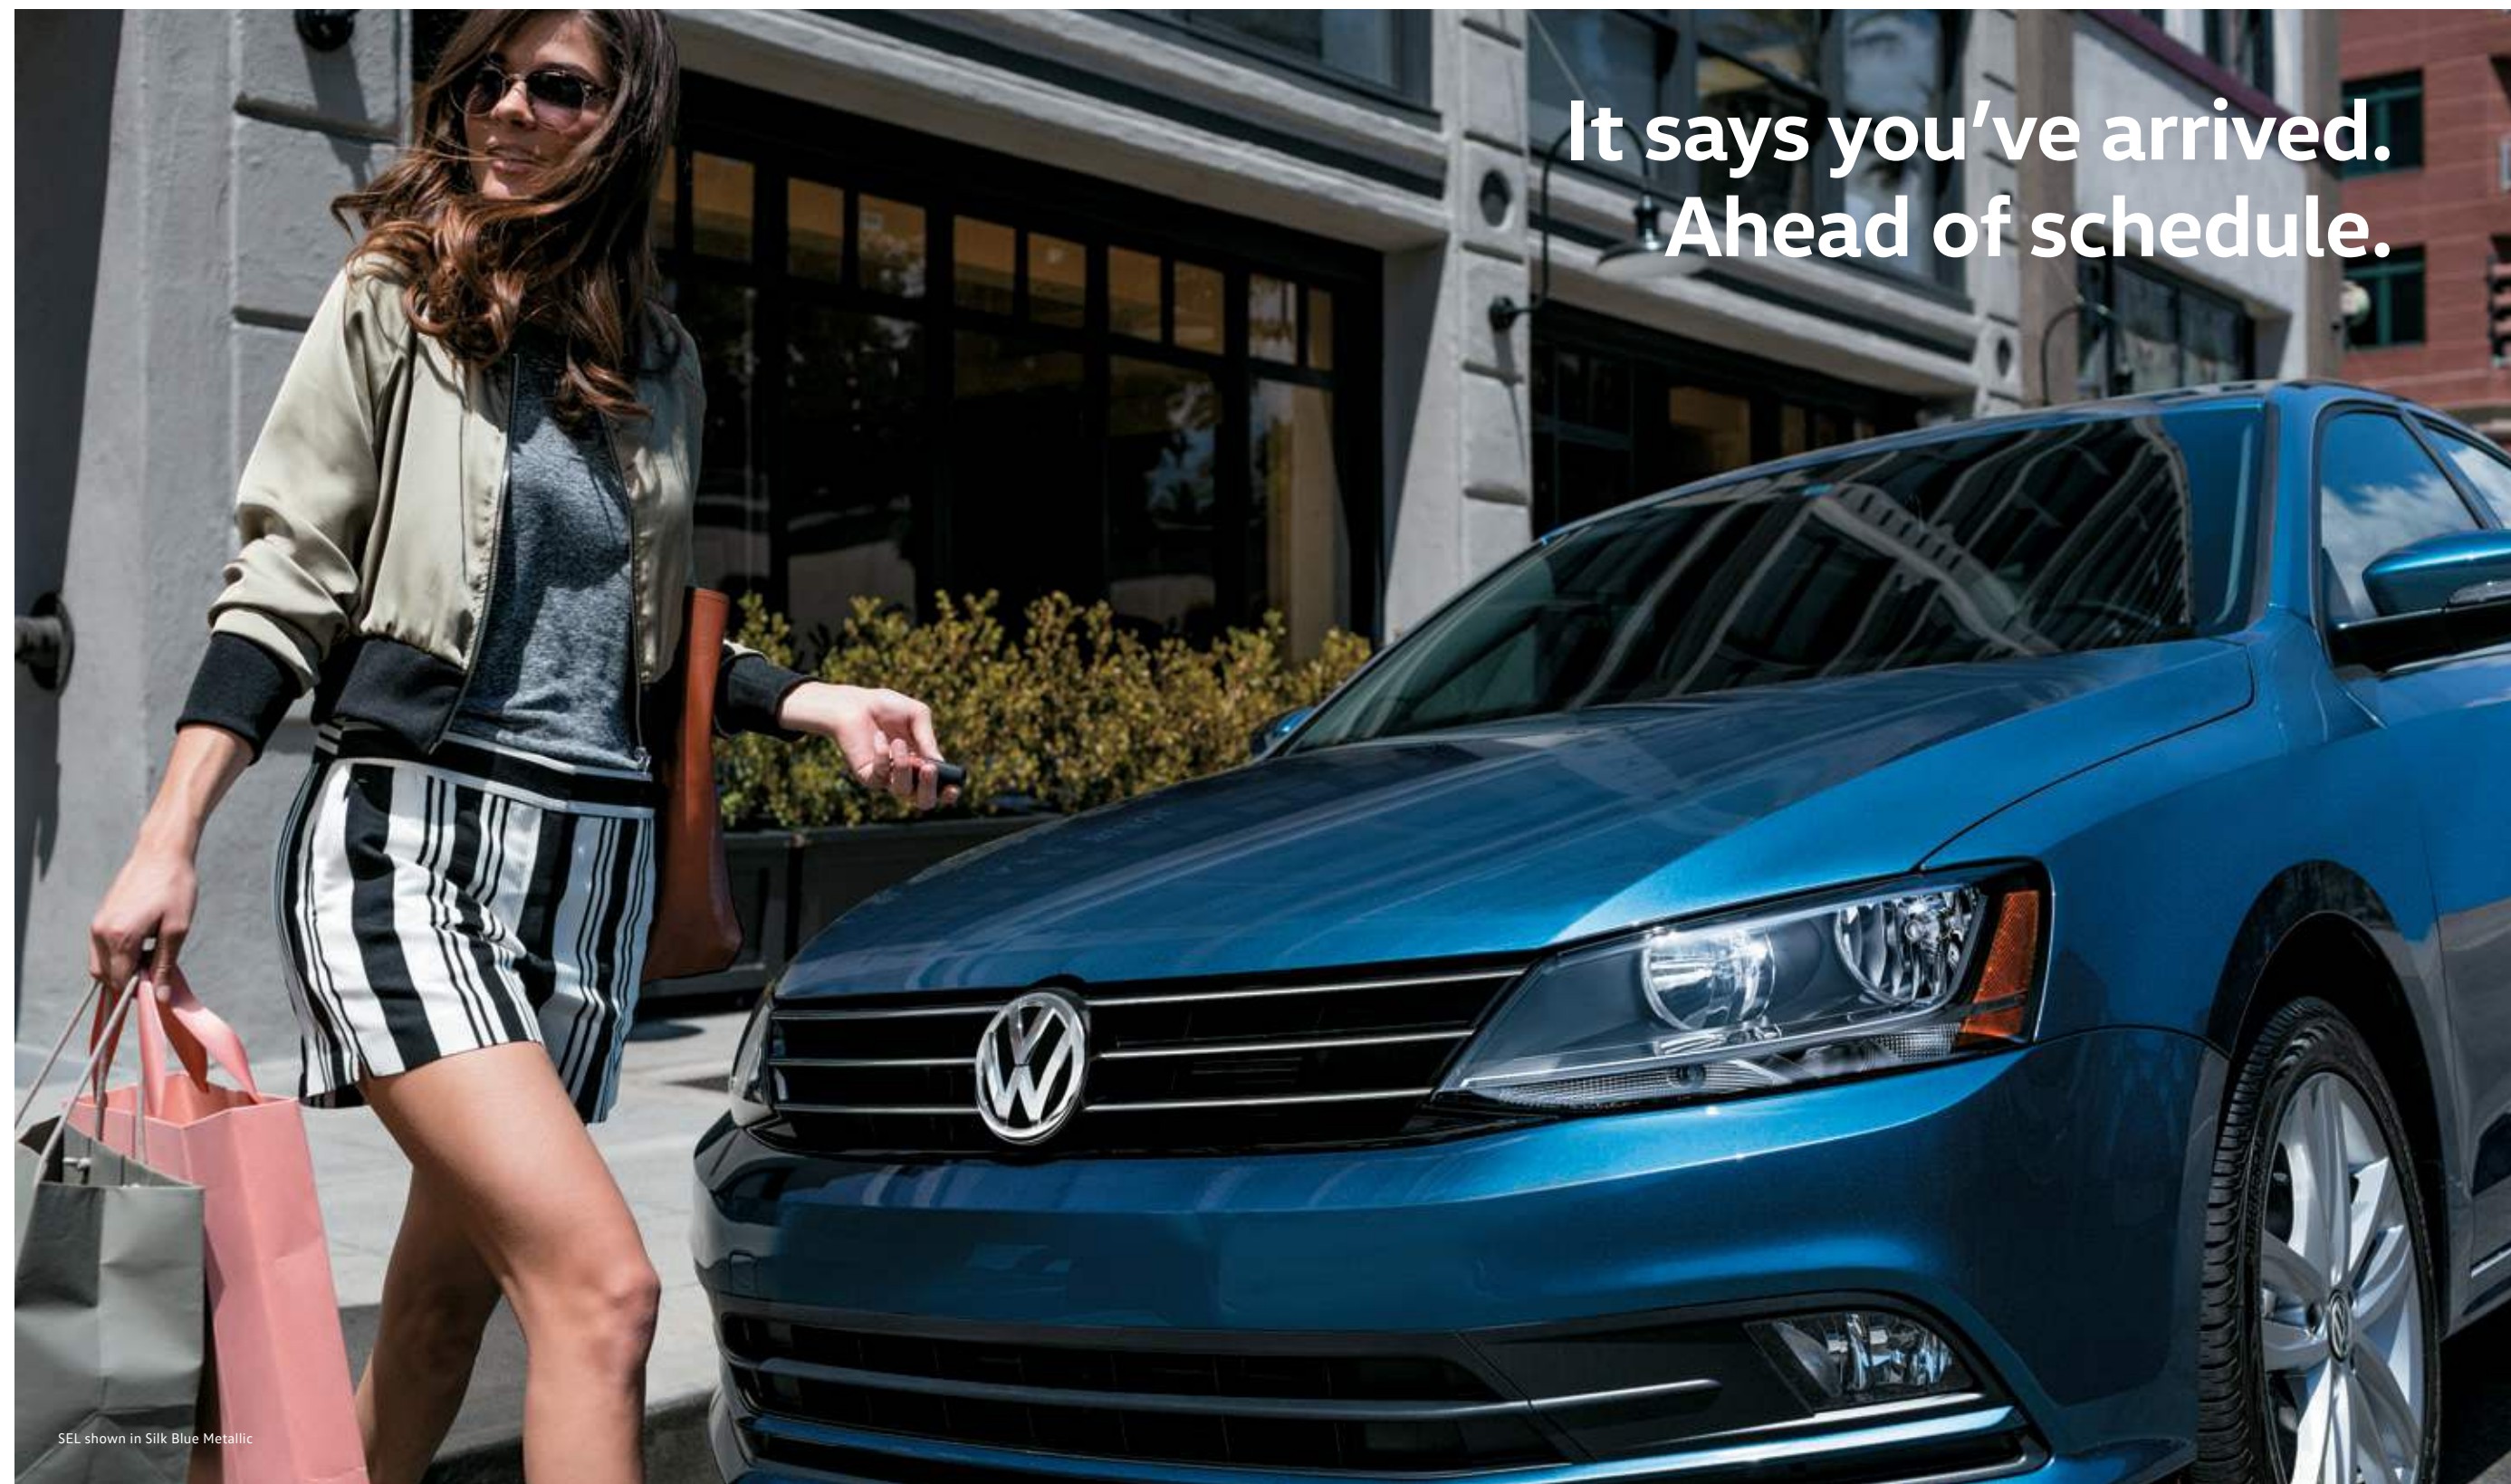

Volkswagen

Jetta

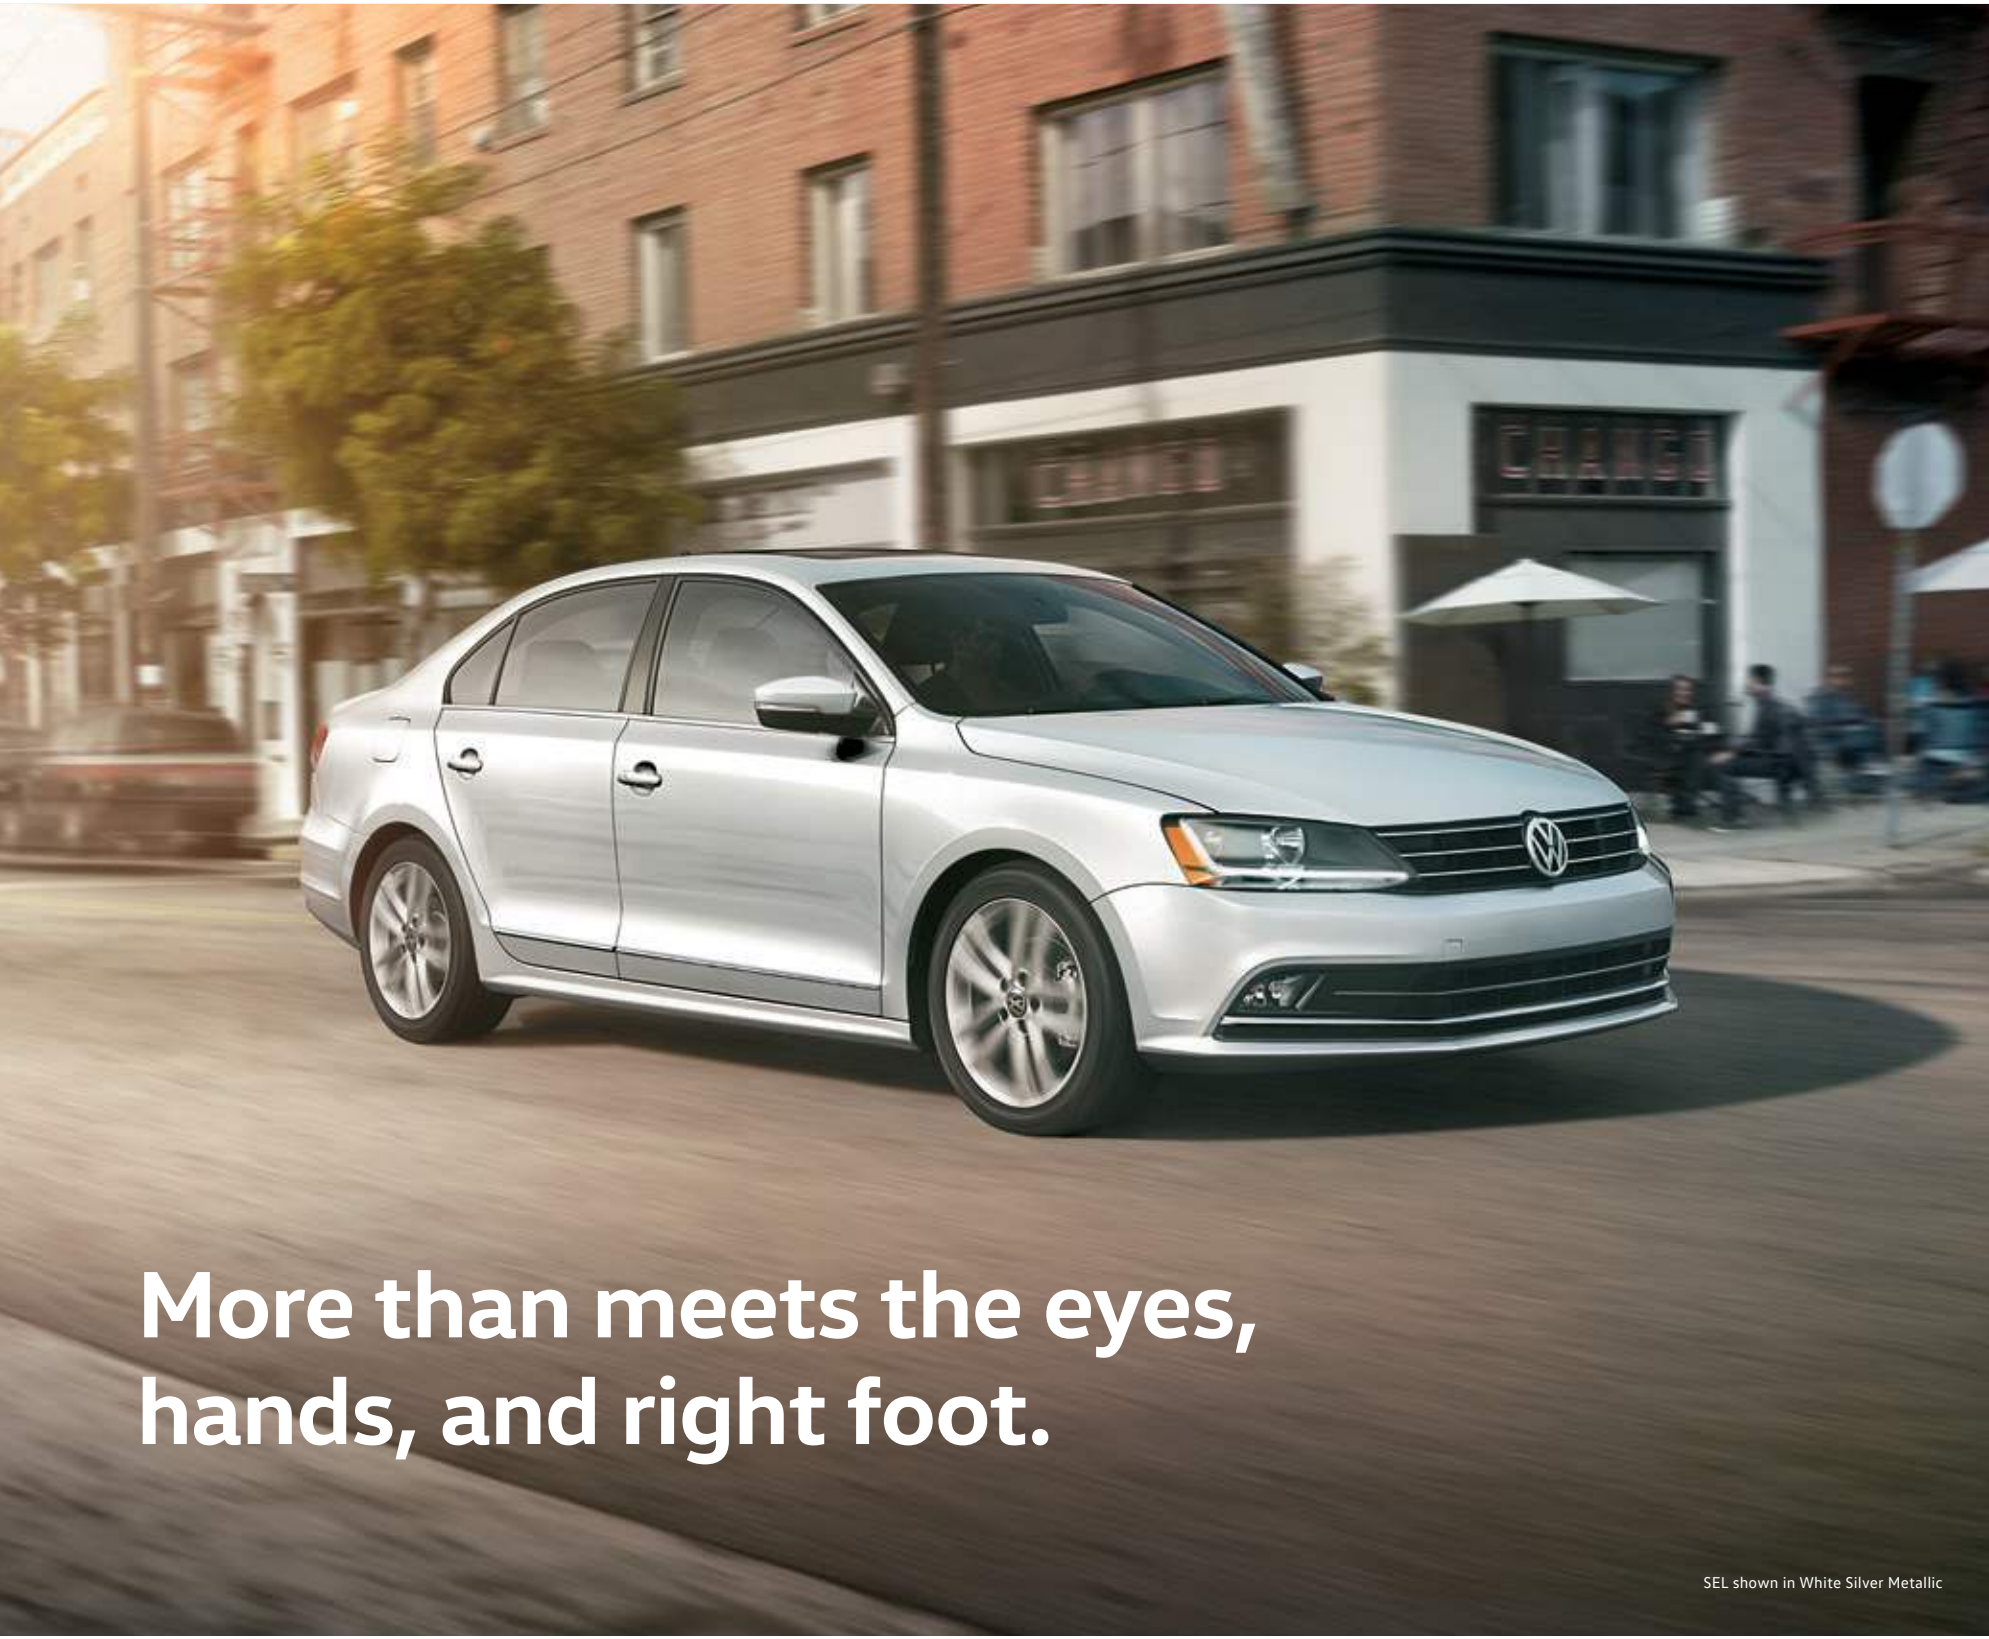

Actually, your timing is perfect. Because whether you're looking for straight-up performance, eye-catching good looks, or advanced technology, the Jetta delivers it all with Volkswagen style. And the Jetta has that little something special the others are missing — you know, a genuine you-can't-wait-to-drive-it personality. Now that you've arrived, make every mile more memorable.

It says you've arrived.
Ahead of schedule.

SEL shown in Silk Blue Metallic

More than meets the eyes,
hands, and right foot.

SEL shown in White Silver Metallic

The sleek, athletic profile of the Jetta stands out. But it's what you experience once you get inside that sets it miles apart. It's built to be sporty and fun to drive with all kinds of perks, like heated power side mirrors and available distinctive 17" alloy wheels that are an excellent example of substance with style.

AVAILABLE FEATURES

- Foglights
- Side mirrors with integrated turn signals
- 17" alloy wheels
- Power tilting/sliding sunroof
- LED taillights

Laser seam welding

By using the process of laser seam welding instead of spot welding, select seams on a Volkswagen are stronger and more precise. Which translates to a solidly built car.

Heated power side mirrors

Even the side mirrors on a Jetta can bring the heat. So if the visibility starts to fog up, these can help give you a clear view.

LED Daytime Running Lights (DRL)

Light up the drive ahead without sacrificing style. LED Daytime Running Lights add a sleek look to the front end as well.

[vw.com/models/jetta/section/design](https://www.vw.com/models/jetta/section/design)

Raising expectations, every chance it gets.

Congrats on your step up. Enjoy enough room for passengers to sit comfortably or for you to stash more in the trunk. The 6-way adjustable front seats are comfortable and feature available luxurious V-Tex leatherette seating surfaces. Add the multi-function steering wheel and available dual-zone climate control, and the Jetta has even more ways it can add to your comfort zone.

FEATURES

Cruise control
Multi-function steering wheel

AVAILABLE FEATURES

Heated front seats
6-way power-adjustable driver's seat
V-Tex leatherette seating surfaces
Rear seat pass-through
Leather-wrapped steering wheel, shift knob, and hand brake
Air-conditioned glovebox

Multi-function trip computer

Be in the know with the multi-function trip computer. Conveniently positioned directly in front of you on the dashboard, it's a quick way to view important trip information.

Climatronic® dual-zone automatic climate control

Some like it hot. Some like it cold. Thankfully, with available dual-zone climate control, you and your passenger can sit in your own comfort zone.

SEL shown in Titan Black V-Tex leatherette

A smart investment in technology.

The technology in the Jetta offers things you need, from compatible smartphone integration and available Volkswagen Car-Net® App-Connect* to the things you want, like the available Fender® Premium Audio System. It's technology made more mobile.

FEATURES

- Bluetooth® technology with audio streaming for compatible devices
- USB port
- Rearview Camera System

AVAILABLE FEATURES

- Fender Premium Audio System
- SiriusXM® Satellite Radio with 3-month trial subscription**
- Rain-sensing windshield wipers

Keyless access with push-button start†

With available keyless access, you can lock, unlock, and start your car without taking keys out of your pocket. Press the brake and push the start button, and your engine's running and ready.

vw.com/models/jetta/section/technology

Volkswagen Car-Net Guide & Inform**

With available Car-Net Guide & Inform, you can access gas prices, weather, sports scores, and more through SiriusXM Travel Link® services with a 3-month trial subscription. You also get SiriusXM® Traffic with a 3-month trial subscription, which offers real-time traffic information and puts your info front and center.

Volkswagen Car-Net Security & Service††

With your 3-month trial and then paid subscription, you can enjoy a host of available features that help you locate your last parked location‡, check if the doors are locked,‡ call for help in an emergency§ and even get vehicle health and diagnostic reports.

Volkswagen Car-Net App-Connect*

Available VW Car-Net App-Connect lets you link your compatible smartphone with Apple CarPlay™, Android Auto™, or MirrorLink® to use select apps on the touchscreen display of your Volkswagen. From streaming music to mobile maps, it can be accessed on the touchscreen.

Discover Media touchscreen navigation system

Navigation gets even more savvy with an available sleek 6.33" touchscreen display with voice control and a proximity sensor with a pop-up display that's easy to read. It can also pair with multiple compatible phones via Bluetooth technology, and it also offers VW Car-Net App-Connect.* It's modern technology made more accessible.

Composition Color touchscreen sound system

This system comes complete with a 5" color display and is MP3- and WMA-compatible. So you can enjoy the ease of Bluetooth technology with audio streaming with your compatible devices.

Composition Media touchscreen sound system

Boasting a 6.33" color display, the available touchscreen sound system has voice control and a proximity sensor that kicks in when your hand approaches and displays a pop-up menu that's easy to read. It can pair with multiple compatible devices via Bluetooth technology, and it also offers VW Car-Net App-Connect. Tune into what's new.

*Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Standard text and data usage rates apply. App-Connect features require compatible device, operating system, and mobile apps. See mobile device and app providers for terms and privacy. Android Auto is a trademark of Google Inc. Apple CarPlay is a trademark of Apple Inc. MirrorLink is a registered trademark of the Car Connectivity Consortium LLC. **Always pay careful attention to the road, and do not drive while distracted. SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Sirius, XM, and all related marks and logos are trademarks of Sirius XM Radio Inc. †See Owner's Manual for further details and important warnings about the keyless ignition feature. Do not leave vehicle unattended with the engine running, particularly in enclosed spaces. ††Verizon Telematics, Inc., is the VW Car-Net Security & Service service provider. Trial or paid subscription required. VW Car-Net Security & Service services require vehicle cellular connectivity and availability of vehicle GPS signal; certain services may collect location information. See Terms of Service, Privacy Policy, and other details at www.vw.com/carnet. Always pay careful attention to the road, and do not drive while distracted. ‡Requires VW Car-Net Mobile Application. Standard text and data rates apply. ‡Remote door lock available only on model year 2016 and newer vehicles. §Automatic Crash Notification may be enabled for up to 6 months without activating a trial or paid subscription; Manual Emergency Call feature and all other VW Car-Net Security & Service features require trial or paid subscription.

Never pass up a chance for peace of mind.

Talk about forward-looking. The Jetta delivers cutting-edge thinking like available Driver Assistance features that sense and adapt to driving conditions in a split second. The available Blind Spot Monitor is designed to alert you when you have vehicles in your blind spots.* You get the picture. And now, an alert.

1 Blind Spot Monitor*

The sensors on the available Blind Spot Monitor feature are able to sense what you might miss. When driving, if you attempt to change lanes, the Blind Spot Monitor can help alert you to other cars that may be in your blind spots.*

2 Rear Traffic Alert*

The available Rear Traffic Alert comes in handy when you're backing up. It has sensors that can alert you to vehicles crossing in your path when in reverse, and it can even brake for you in an emergency.*

3 Adaptive Cruise Control (ACC)*

The available Adaptive Cruise Control (ACC) helps maintain a relative distance from the car in front of you. If the car in front of you speeds up or slows down, the sensors can detect the change and your car follows suit.*

4 Forward Collision Warning and Autonomous Emergency Braking (Front Assist)*

The available Forward Collision Warning system (included in Front Assist) has a sensor in the front to help monitor traffic and can alert you to a potential collision. If a collision is imminent, Autonomous Emergency Braking (included in Front Assist) can help brake the car.*

5 Park Distance Control (Park Pilot)*

The available Park Distance Control (Park Pilot) has sensors that help you back out of or drive into a parking spot. Audible signals and the optical parking system on the display indicate how much space you have behind and in front of the vehicle when parking. If you get too close, an alert sounds as a warning. The display provides additional support for the driver by showing the position of obstacles.*

*Driver Assistance features are not a substitute for attentive driving. See Owner's Manual for further details and important limitations.

Rack up some serious smiles.

EPA estimates. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition.

Prime cornering office.

GLI shown in White Silver Metallic

From where you sit, you'll notice the GLI sits low and tight. And that makes every turn, every open freeway, and every endlessly curving country road a whole lot sweeter. Chalk it up to our passion for performance, along with the sport suspension and split 5-spoke 18" alloy wheels. It's true, the GLI is a lot of car. But you can handle it.

Your mileage will vary and depends on several factors, including your driving habits and vehicle condition.

A lot goes in before you do.

We spend hours engineering and testing safety features before they're ready for you. The Jetta is designed to help protect you from life's little (and big) surprises. It comes standard with a protective safety cage that provides rigidity with strategically placed crumple zones. Then there's active and passive safety features to help protect you.

Automatic Post-Collision Braking System

Not every collision brings a car to a stop. That's why our vehicles include the Automatic Post-Collision Braking System. It can help bring your car to a stop after a collision, helping reduce the chance of additional impacts.

Safety cage

Front and rear crumple zones help absorb crash energy, while a rigid safety cage helps deflect it away from the driver and passengers.

Seven stability-enhancing systems

From Electronic Brake-pressure Distribution (EBD), which helps maintain appropriate stopping power during a hard-braking situation, to Electronic Stability Control (ESC), which can adjust engine throttle and apply corrective forces to the wheels that need them most, there are in total seven stability-enhancing systems at your service.

Intelligent Crash Response System (ICRS)*

In the event of a collision that deploys the airbags,** the ICRS can turn off the fuel pump, unlock the doors, and activate the hazard lights. It helps react if you might not be able to.

Tire Pressure Monitoring System (TPMS)

Monitoring and maintaining proper air pressure in your tires helps with efficiency¹ and safety. The TPMS helps alert you to a loss of tire pressure so you can know when to add air.

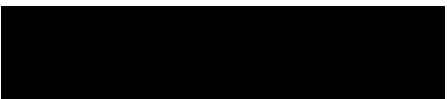

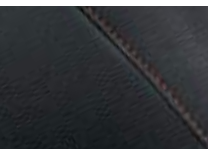

*The Intelligent Crash Response System (ICRS) will only activate in a collision where the airbags deploy or safety belt pretensioners activate. Not all collisions cause airbags to deploy or safety belt pretensioners to activate. **Airbags are supplemental restraints only and will not deploy under all crash circumstances. Always use safety belts and seat children only in the rear, using restraint systems appropriate for their size and age. '28 city/40 highway mpg (2017 Jetta 1.4L TSI, 5-speed manual transmission). EPA estimates. Your mileage will vary and depends on several factors, including your driving habits and vehicle condition.
