

2018 Jetta

Volkswagen

It says you've arrived. Ahead of schedule.

Actually, your timing is perfect. Because whether you're looking for straight-up performance, eye-catching good looks, or advanced technology, the Jetta delivers it all with Volkswagen style. And the Jetta has that little something special the others are missing — you know, a genuine you-can't-wait-to-drive-it personality. Now that you've arrived, make every mile more memorable.

The People First Warranty*

6 Years or 72,000 Miles
Bumper-to-Bumper • Limited Warranty

SEL shown in Titan Black V-Tex leatherette

Step in and take a step up.

You'll know it the second you're in the driver's seat or even the passenger seat — everything is at a whole different level. Take a look and you'll find the kinds of perks that will make your drive just a little more luxurious, like 6-way adjustable front seats and available dual-zone climate control. Once you get in, it'll be hard to get out.

Climatronic® dual-zone automatic climate control

With available dual-zone climate control, you can make your front passenger happy. Set the temperature and the system will keep it automatically.

Heated front seats

The available heated front seats can be warmed on cold nights or chilly mornings and offer three different settings to help you find your comfort zone.

SEL shown in Cornsilk Beige V-Tex leatherette

GLI shown

FEATURES

Multi-function steering wheel

60/40 split-folding rear seat

AVAILABLE FEATURES

6-way power-adjustable driver's seat

Rear seat pass-through

Cooled glovebox

Leather-wrapped steering wheel, shift knob, and hand brake

Premium color Multifunction Display (MFD)

V-Tex leatherette seating surfaces

Rack up some serious smiles.

Refined and spirited, the Jetta offers you many ways to enjoy the road. Choose from the lively 1.4L TSI®, a rev-happy 170-hp 1.8L TSI, or the extra thrill of the 210-hp 2.0L TSI engine (achieved with premium fuel). Each one packs enough turbocharged power to widen your grin.*

Jetta GLI

Meet the boundary pusher of the Jetta family. The Jetta GLI brings an extra dose of attitude with its 210-hp turbocharged engine, 18" wheels, LED taillights, and sport bumpers with integrated foglights.

GLI shown in White Silver Metallic

FEATURES

- LED Daytime Running Lights (DRL)
- 16" alloy wheels
- Heated power side mirrors

AVAILABLE FEATURES

- Chrome window trim
- Automatic headlights
- LED taillights
- 17" alloy wheels
- 18" alloy wheels
- Foglights
- Rain-sensing windshield wipers
- Rear spoiler
- Power tilting/sliding sunroof

PERFORMANCE FEATURES

- 4-corner independent suspension
- 1.4L TSI turbocharged engine with 150 hp and 184 lb-ft of torque

AVAILABLE PERFORMANCE FEATURES

- 1.8L TSI turbocharged engine with 170 hp and 184 lb-ft of torque
- 2.0L TSI turbocharged engine with 210 hp and 207 lb-ft of torque (achieved with premium fuel)
- 6-speed automatic transmission with Tiptronic® and Sport mode
- DSG® performance automatic transmission
- Lowered sport suspension

Jetta SE Sport

Every family has a rebel. The Jetta SE Sport is ours, with gloss black interior trim, a black headliner, black roof, black rear spoiler, black side mirror caps, and black 17" alloy wheels.

Jetta Wolfsburg Edition

Take one look at the sport bumper, 16" Linas alloy wheels, V-Tex interior, and special badging, and you'll know pretty quickly this Wolfsburg is packed.

Wolfsburg Edition shown in Black

*Always obey local speed and traffic laws.

A smart investment in technology.

The technology in the Jetta offers the things you want, from compatible smartphone integration to available Volkswagen Car-Net® App-Connect* and the available Fender® Premium Audio System. It's technology made more mobile.

Volkswagen Car-Net Guide & Inform**

Enjoy a host of available features like enhanced navigation with traffic, sports scores, weather information, and more. This is part of the SiriusXM® Traffic and SiriusXM Travel Link® 3-month trial subscription.

Volkswagen Car-Net Security & Service†

Where did I last park? Did I lock the door? The available VW Car-Net Security & Service feature and trial subscription can show you, as well as handle bigger tasks like calling for help.

Volkswagen Car-Net App-Connect*

VW Car-Net App-Connect allows you to connect your compatible smartphone with Apple CarPlay™, Android Auto™, or MirrorLink® to access select apps on the touchscreen display. From streaming music to mobile apps, it can be accessed on the touchscreen.

Composition Color touchscreen sound system

Conduct your favorite music with features like Bluetooth® technology with audio streaming, a CD player, and a 5" screen.

Composition Media touchscreen sound system

The available touchscreen sound system features SiriusXM® Satellite Radio, a 6.33" color display, and voice control. When your hand approaches, a proximity sensor kicks in and an easy-to-read pop-up menu is displayed.

Discover Media touchscreen navigation sytem

Navigation gets even more savvy with a sleek 6.33" touchscreen display and a 3-month trial subscription to SiriusXM Traffic and SiriusXM Travel Link.**

FEATURES

Bluetooth technology with audio streaming for compatible devices

USB port

Rear View Camera System

Multi-function trip computer

AVAILABLE FEATURES

Fender® Premium Audio System

SiriusXM Satellite Radio with 3-month trial subscription**

Keyless access with push-button start††

*Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Standard text and data usage rates apply. App-Connect features require compatible device, operating system, and mobile apps. See mobile device and app providers for terms and privacy. Android Auto is a trademark of Google Inc. Apple CarPlay is a trademark of Apple Inc. MirrorLink is a registered trademark of the Car Connectivity Consortium LLC. **Always pay careful attention to the road, and do not drive while distracted. SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees and programming subject to change. Sirius, XM, SiriusXM, and all related marks and logos are trademarks of SiriusXM Radio Inc. †Verizon Telematics, Inc., is service provider of VW Car-Net Security & Service. Available on select models. Trial or paid subscription required. VW Car-Net Security & Service services require vehicle cellular connectivity and availability of vehicle GPS signal; certain services may collect location information. Standard text and data rates apply. See Terms of Service, Privacy Policy, and other details at www.vw.com/carnet. Always pay careful attention to the road, and do not drive while distracted. ††See Owner's Manual for further details and important warnings about the keyless ignition feature. Do not leave vehicle unattended with the engine running, particularly in enclosed spaces.

Never pass up a chance for peace of mind.

You've got enough to think about when you're driving. So the Jetta can deliver advanced thinking, like available Driver Assistance features that help sense and adapt to driving conditions quickly. The available Blind Spot Monitor is designed to alert you when you have vehicles in your blind spot.* You get the picture. And now, an alert.

2 | Blind Spot Monitor*

The sensors on the available Blind Spot Monitor are able to sense what you might miss. When driving, if you attempt to change lanes, the Blind Spot Monitor can help alert you to other cars that may be in your blind spot.

3 | Forward Collision Warning and Autonomous Emergency Braking (Front Assist)*

The available Forward Collision Warning (included in Front Assist) system has a radar sensor in the front to help monitor traffic and can alert you acoustically and visually to a potential front-end collision with the vehicle moving ahead. If it senses that a collision is imminent, Autonomous Emergency Braking (included in Front Assist) can support the driver with increased brake pressure or, if the driver does not react at all, it can apply the brakes automatically.

4 | Park Distance Control (Park Pilot)*

The available Park Distance Control (Park Pilot) has sensors that can help alert you as you back out of or drive into a parking spot. Audible signals and the optical parking system on the display indicate how much space you have behind and, on some vehicles, in front of the vehicle when parking. The frequency of the signal tone increases as the vehicle draws closer to the obstacle. If you get too close, a continuous tone sounds as a warning. The display provides additional information to the driver by showing the position of obstacles.

1 | Rear Traffic Alert*

The available Rear Traffic Alert comes in handy when you're backing up. It has sensors that can alert you to vehicles crossing in your path when in reverse, and can even help brake for you if needed.

5 | Adaptive Cruise Control (ACC)*

Available Adaptive Cruise Control (ACC) helps the vehicle maintain a preset distance from the car in front of you. When activated, if the car in front of you speeds up or slows down, the sensors can detect the change and your car follows suit.

SEL shown in Pure White

*Driver Assistance features are not a substitute for attentive driving. Please see Owner's Manual for further details and important limitations.

A lot goes in before you do.

We spend long hours engineering and testing safety features before they're ready. The Jetta is designed to help protect you from life's little (and big) surprises. In addition to the standard protective safety cage that provides rigidity, there are also active and passive safety features to help protect you.

Safety cage

Front and rear crumple zones help absorb crash energy, while a rigid safety cage helps deflect it away from the driver and passengers.

Seven stability-enhancing systems

From Electronic Brake-pressure Distribution (EBD), which helps maintain appropriate stopping power during a hard-braking situation, to Electronic Stability Control (ESC), which can adjust engine throttle and apply corrective forces to the wheels that need them most, your vehicle is equipped with a total of seven stability-enhancing systems.

Intelligent Crash Response System (ICRS)*

In the event of a collision that deploys the airbags,** the ICRS can turn off the fuel pump, unlock the doors, and activate the hazard lights. It helps react if you might not be able to.

Tire Pressure Monitoring System (TPMS)

Monitoring and maintaining proper air pressure in your tires helps with efficiency and safety. The TPMS helps alert you to a loss of tire pressure so you can know when to add air.

2017 IIHS "Top Safety Pick" based on good ratings in the moderate overlap front, small overlap front, side, roof strength, and head restraint tests plus no less than an advanced rating for front crash prevention. For details, visit www.iihs.org. Government star ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.safercar.gov). *The Intelligent Crash Response System (ICRS) will only activate in a collision where the airbags deploy or safety belt pretensioners activate. Not all collisions cause airbags to deploy or safety belt pretensioners to activate. **Airbags are supplemental restraints only and will not deploy under all crash circumstances. Always use safety belts and seat children only in the rear, using restraint systems appropriate for their size and age.
