Golf SportWagen

America's Best
Bumper-to-Bumper
Limited Warranty**

The People First Warranty*

6 Years/72,000 Miles · Transferable
Bumper-to-Bumper · Limited Warranty

Volkswagen

*6 years/72,000 miles (whichever occurs first) New Vehicle Limited Warranty on MY2018 and newer VW vehicles, excluding e-Golf. See owner's literature or dealer for warranty exclusions and limitations. **Claim based on manufacturers' published data on length and transferability of car and SUV Bumper-to-Bumper/Basic warranty only. Not based on other separate warranties.

The Sportier Utility Vehicle.

You can't forget the unfettered joy of your first red wagon. So we updated ours with a sporty look, available 4MOTION® all-wheel drive, and let's just say, a bit more cargo space. Then we added a turbocharged engine under the hood to make sure every drive is a fun one. You won't be able to wait for your first drive home. The longest way you know.

FEATURES

- 1.4L TSI® turbocharged engine
- LED Daytime Running Lights (DRL)
- LED taillights
- Automatic headlights
- Rain-sensing windshield wipers
- Black roof rails

AVAILABLE FEATURES

- LED headlights with Adaptive Front-lighting System (AFS)
- Power tilting/sliding panoramic sunroof
- 1.8L TSI turbocharged engine (S 4MOTION only)
- 17" alloy wheels

8-speed automatic transmission with Tiptronic® and Sport mode

Available only on FWD models, 8-speed automatic transmission offers acceleration and smooth gear changes. But if you're looking for more control, shift manually in Tiptronic mode and, to customize your drive further, drop it into Sport mode to amplify the fun.

4MOTION all-wheel drive

The available 4MOTION all-wheel-drive system transfers torque between the front and rear wheels. In normal driving conditions, power is delivered to the front wheels. But 4MOTION can also send torque to the rear axle when it's needed. Talk about a power move.

Full space ahead.

The Golf SportWagen brings even more, inside and out. There are redesigned front and rear bumpers, plus standard LED Daytime Running Lights to show off its good looks. And 66.5 cubic feet of cargo space (with the 60/40-split rear seats folded down) show off its versatility.

androidauto

V-Tex leatherette seating surfaces

They don't just look great. Available V-Tex leatherette is also comfortable, easy to clean, and has a premium feel.

8" touchscreen sound system

This available feature lets you experience your music through more than one of the senses. With voice control and an intuitive proximity sensor behind a clear glass display, you'll see, feel, and hear the difference.

Volkswagen Car-Net® App-Connect*

VW Car-Net App-Connect allows you to connect your compatible smartphone with Apple CarPlay®, Android Auto™, or MirrorLink® to access select apps on the touchscreen display. From streaming music to mobile apps, it can all be accessed on the touchscreen.

66.5 cubic feet of cargo space with rear seats folded down**

Expand the cargo space inside by simply dropping the rear seatbacks and start loading up all that roomy 66.5 cubic feet of space.

FEATURES

6.5" touchscreen sound system

Leather-wrapped, multi-function steering wheel

Bluetooth® technology with audio streaming for compatible devices

USB port

AVAILABLE FEATURES

Heated front seats

Keyless access with push-button start†

SiriusXM® All Access with 3-month trial subscription††

Apple CarPlay integration for your iPhone shown.

*Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Standard text and data usage rates apply. App-Connect features require compatible device, operating system, and mobile apps. See mobile device and app providers for terms and privacy. Android and Android Auto are trademarks of Google LLC. Apple CarPlay is a registered trademark of Apple Inc. MirrorLink is a registered trademark of the Car Connectivity Consortium LLC. **Always ensure cargo is properly secured. See Owner's Manual for details. †See Owner's Manual for further details and important warnings about the keyless ignition feature. Do not leave vehicle unattended with the engine running, particularly in enclosed spaces. ††Always pay careful attention to the road, and do not drive while distracted. SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. Please see the SiriusXM Customer Agreement at www.siriusxm.com for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. Don't pass up a chance for greater peace of mind.

Driver Assistance features can help give you more confidence on your drive.

Lane Keeping System (Lane Assist)*

High Beam Control (Light Assist)*

Blind Spot Monitor*

Rear Traffic Alert*

The available Rear Traffic Alert comes in handy when you're backing up. It has sensors that can alert you to vehicles crossing in your path when in reverse, and can even help brake the vehicle if needed.

Adaptive Cruise Control (ACC)*

Available Adaptive Cruise Control (ACC) helps the vehicle maintain a preset speed and distance from the car in front of you. When activated, if the car in front of you speeds up or slows down, the sensors can detect the change and your car follows suit.

Lane Keeping System (Lane Assist)*

When moving, the available Lane Keeping System (Lane Assist) can sense if you start to drift into another lane without using the turn signal. Within the limits of the system, Lane Assist can help steer to help keep you in the current lane.

Blind Spot Monitor*

When driving, if you attempt to change lanes, the available Blind Spot Monitor can help alert you to cars that may be in your blind spot. The Active Blind Spot Monitor (available when vehicle is equipped with Lane Assist) on select models can also counter-steer within the limits of Lane Assist to help keep you in your lane if you attempt to change lanes when a vehicle is in your blind spot.

Rear Traffic Alert*

High Beam Control (Light Assist)*

Available High Beam Control (Light Assist) helps provide better visibility on dark roads by turning on your high beams at certain speeds. A camera mounted at the base of the rearview mirror turns your high beams on when conditions warrant it on dark or poorly lit roads. It then turns them off again if another car approaches or drives in front of you.

Forward Collision Warning and Autonomous Emergency Braking (Front Assist)*

The available Forward Collision Warning (included in Front Assist) system can help monitor traffic and can alert you acoustically and visually to a potential front-end collision with the vehicle moving ahead. If it senses that a collision is imminent, Autonomous Emergency Braking (included in Front Assist) can support the driver with increased brake pressure or, under certain circumstances, it can apply the brakes automatically. The available Pedestrian Monitoring (included in Front Assist) feature can warn of pedestrians crossing in front of the vehicle and, under certain circumstances, can brake automatically to help prevent or mitigate the outcome of a collision with a pedestrian if the driver doesn't respond adequately to the warnings.

America's Best Bumper-to-Bumper Limited Warranty**

Cost of ownership

The 6 years or 72,000 miles New Vehicle Limited Warranty reduces the cost of owning a Volkswagen.†

Peace of mind

Every Volkswagen is designed with quality in mind. So our 6 years/72,000 miles (whichever occurs first) New Vehicle Limited Warranty isn't just extensive, it's proof of our confidence.*

Coverage

You're covered by the warranty for 6 years or 72,000 miles (whichever comes first).*

The smart choice

Considering the length of the virtual bumper-to-bumper coverage and the ability to transfer the remainder of the coverage to the next owner, The People First Warranty beats the competition every time.*

Transferable

Your vehicle remains covered even if transferred to a new owner. So long as the vehicle is less than 6 years old and has traveled fewer than 72,000 miles, the remainder of the warranty coverage transfers to the subsequent vehicle owner.*

Bumper-to-Bumper Limited Warranty

In general, the warranty provides practically bumper-to-bumper coverage for repairs to correct a defect in manufacturer's material or workmanship (i.e., mechanical defects).*

*6 years/72,000 miles (whichever occurs first) New Vehicle Limited Warranty on MY2018 and newer VW vehicles, excluding e-Golf. Remainder of warranty coverage transfers to subsequent vehicle owner. See owner's literature or dealer for warranty exclusions and limitations. **Claim based on manufacturers' published data on length and transferability of car and SUV Bumper-to-bumper/Basic warranty only. Not based on other separate warranties. †Claim based on 5 years/75,000 miles cost of ownership analysis comparing 6 years/72,000 miles (whichever occurs first) limited warranty and 3 years/36,000 miles (whichever occurs first) limited warranty.
