Jetta GLI

America's Best Bumper-to-Bumper Limited Warranty**

The People First Warranty*

6 Years/72,000 Miles · Transferable
Bumper-to-Bumper · Limited Warranty

Volkswagen

*6 years/72,000 miles (whichever occurs first) New Vehicle Limited Warranty on MY2018 and newer VW vehicles, excluding e-Golf. See owner's literature or dealer for warranty exclusions and limitations. **Claim based on manufacturers' published data on length and transferability of car and SUV Bumper-to-Bumper/Basic warranty only. Not based on other separate warranties.

This much fun tends to get noticed.

The all-new Jetta GLI is a celebration of torque and transmission, exhilaration, and a redesigned chassis to boot. With five head-turning colors to choose from, the combination of performance and design on the GLI will be like music to your gears.

228-hp 2.0L TSI® turbocharged engine

Boasting tons of turn-twisting torque and a powerful 4-cylinder 228-hp engine (achieved with premium fuel), the Jetta GLI comes ready to fire on all cylinders.*

DCC® adaptive chassis control

Available on the Jetta GLI 35th Anniversary Edition, DCC adjusts the optimal damping force, selectively applying it to the four wheels individually and offering three different settings of suspension firmness.

XDS® Cross Differential System with VAQ mechanical differential

VAQ continuously monitors performance indicators like vehicle speed, wheel rotation, and lateral G-forces.* This can help eliminate understeer by proactively making adjustments to help maintain optimum torque balance, transferring up to 100% of torque to one wheel. Now that's power with brainpower.

Chrome dual exhaust tips with rear lower sport diffuser

This exhaust system features twin exhaust tips framing a lower rear diffuser for your performance-seeking pleasure. Inside, a distinct roar helps raise excitement levels even further.

*Always obey local speed and traffic laws.

FEATURES

Electromechanical progressive power steering system

6-speed manual transmission

LED projector headlights with LED Daytime Running Lights (DRL)

Black honeycomb grille with red accents and GLI badging

18" twin 5-spoke machined alloy wheels

Rear spoiler

AVAILABLE FEATURES

Power tilting/sliding panoramic sunroof

Black roof (35th Edition only)

Black mirror caps (35th Edition only)

Black rear spoiler (35th Edition only)

18" twin 5-spoke dark gray alloy wheels with red accent (35th Edition only)

Jetta GLI 35th Anniversary Edition

We took 35 years of style and performance and condensed them into this limited-edition powerhouse that's truly a cause for celebration.

Performance brakes

Large ventilated disc brakes with high-performance stopping power. Striking red calipers help them stand out. Not that you'll need any help standing out.

Performance Monitor

View your vitals in real time. This available monitoring system relays performance information like multi-directional G-forces,* boost pressure, and engine power usage.

7-speed automatic DSG® transmission with Tiptronic® and Sport Mode

Add some automatic adrenaline to your ride home. The available 7-speed DSG automatic transmission allows rapid shifting up and down with paddle shifters located just a finger's reach from the steering wheel.

*Always obey local speed and traffic laws.

Objects in mirror are as envious as they appear.

While sitting comfortably in your Jetta GLI, you'll be sitting in the lap of technology. Stylish design, intuitive connections, and thoughtful amenities are everywhere you look.

10-color customizable interior ambient lighting

What color sounds good today? Magenta? Orange? Blue? Pick one, and you can create a whole new mood instantly.

Leather-wrapped, multi-function sport steering wheel

In addition to steering, it can also control your music while looking great and feeling good to the touch. Talk about a multitasker.

GLI interior styling

Experience the truly unique in the Jetta GLI. Surround yourself with black decor, GLI-specific accents, and stainless steel pedal caps. Not to mention red LEDs on the door sills and a pop of red contrast stitching to let you know you made a bold choice.

Driver-focused interior

We call it a driver-focused interior. You'll call it the "I can't believe I get all this cool stuff" interior. Either way, you'll wish you had a longer commute.

Comfort sport seats with contrast stitching

Comfort, say hi to style. Comfortable sport seats feel great and look just as good draped in a confident Titan Black with red contrast stitching.

Ventilated front seats

These available ventilated surfaces help cool you down when the weather gets warm.

Leather seating surfaces

Want to make a bold statement? Available black leather with a pop of red at the seams will take care of that.

Volkswagen Car-Net® App-Connect*

VW Car-Net App-Connect allows you to connect your compatible smartphone with Apple CarPlay®, Android Auto™, or MirrorLink® to access select apps on the touchscreen display. From streaming music to mobile apps, it can be accessed on the touchscreen.

Apple CarPlay integration for your iPhone shown.

FEATURES

- 6.5" touchscreen sound system
- Multifunction Display (MFD) with trip computer
- Bluetooth® technology with audio streaming for compatible devices
- USB port
- Heated front seats

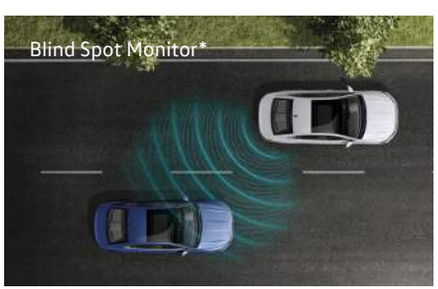
AVAILABLE FEATURES

- Volkswagen Digital Cockpit
- 8" touchscreen sound system
- BeatsAudio®
- Remote start**
- Climatronic® dual-zone climate control

*Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Standard text and data usage rates apply. App-Connect features require compatible device, operating system, and mobile apps. See mobile device and app providers for terms and privacy. Android and Android Auto are trademarks of Google LLC. Apple CarPlay is a registered trademark of Apple Inc. MirrorLink is a registered trademark of the Car Connectivity Consortium LLC. **See Owner's Manual for further details and important warnings about the keyless ignition feature. Do not leave vehicle unattended with the engine running, particularly in enclosed spaces.

Don’t pass up a chance for peace of mind.

Driver Assistance features can help give you more confidence on your drive.



Rear Traffic Alert*

Rear Traffic Alert comes in handy when you’re backing up. It has sensors that can alert you to vehicles crossing in your path when in reverse, and can even help brake the vehicle if needed.

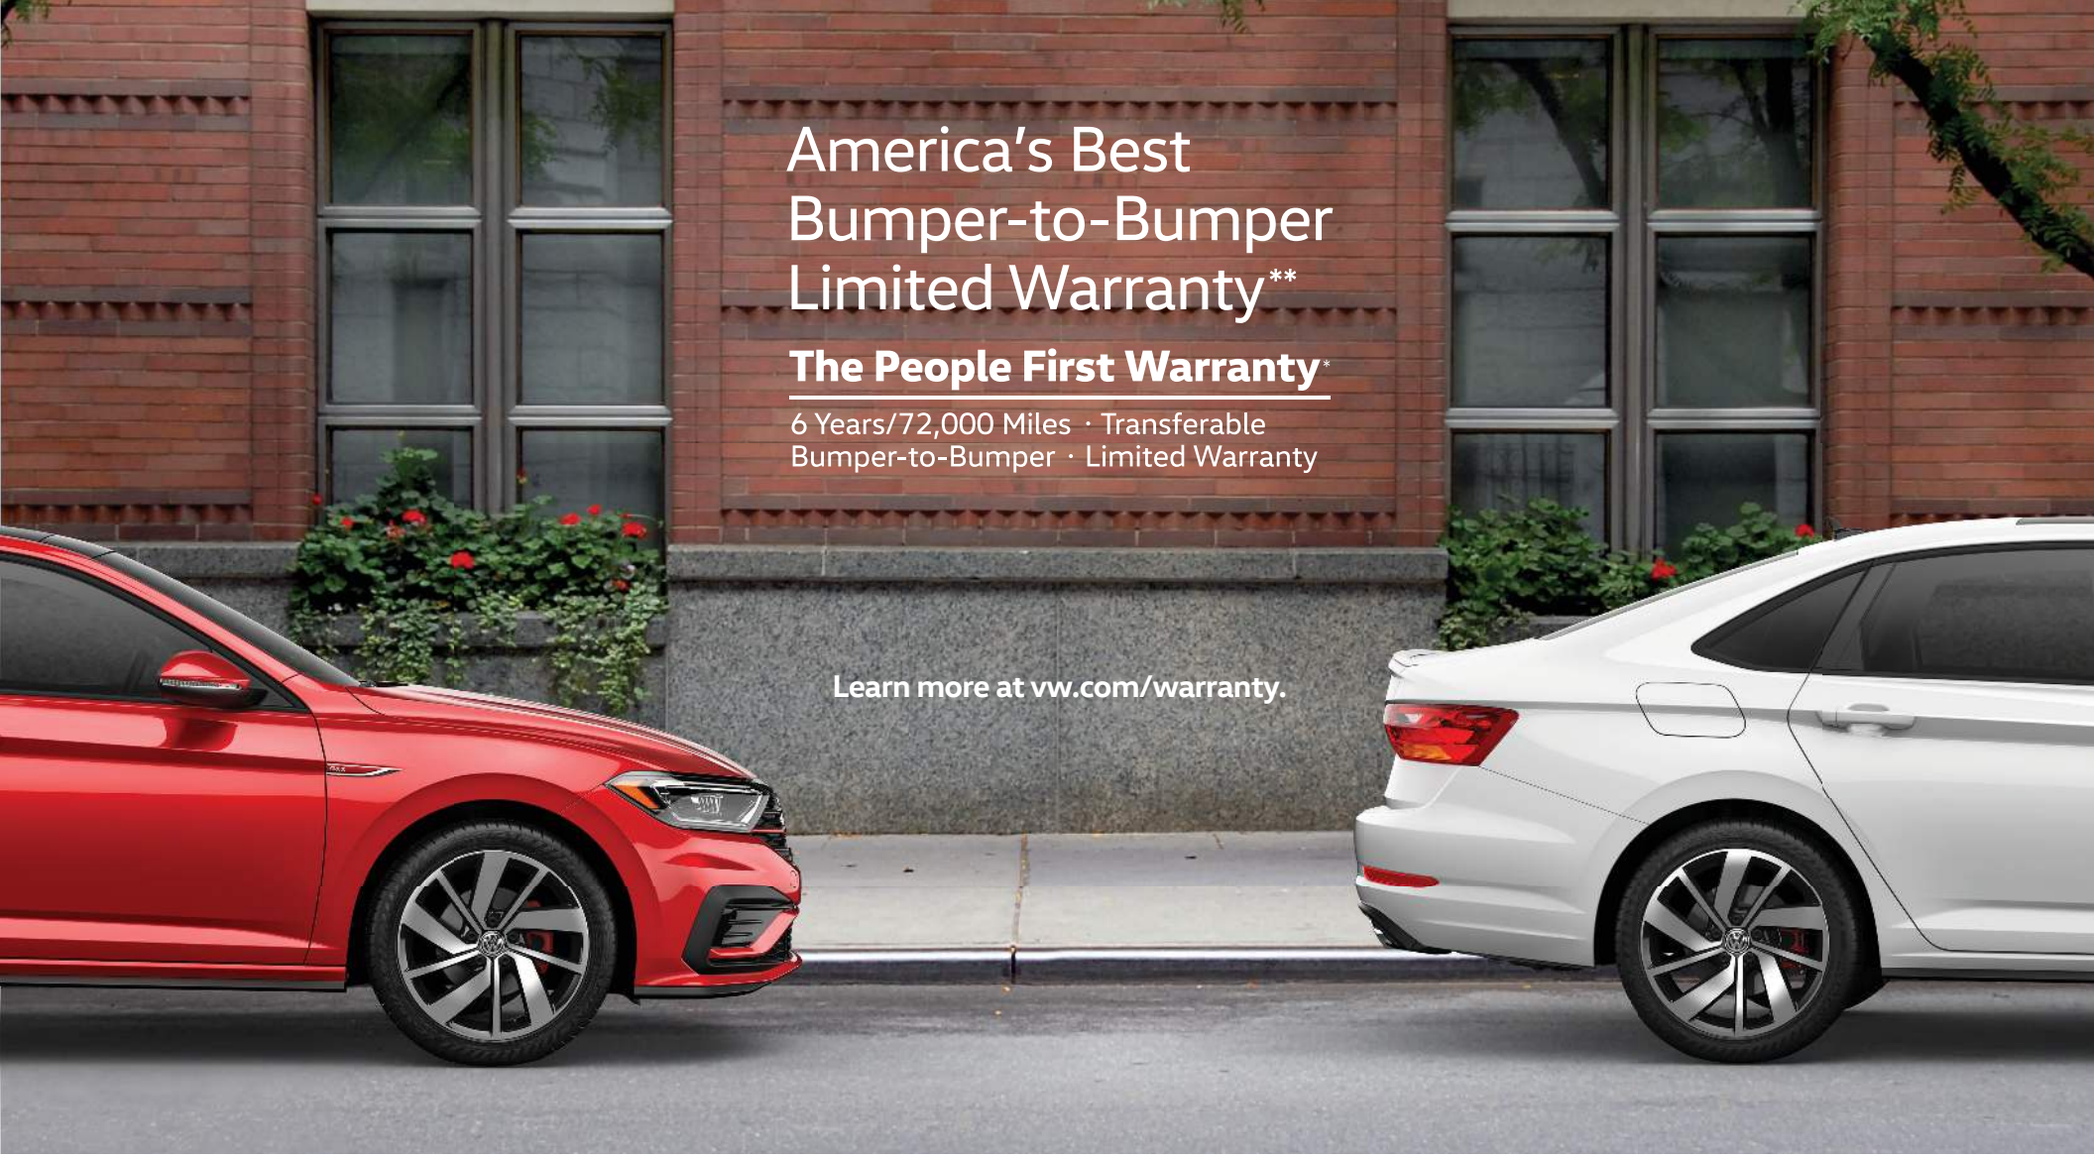
Forward Collision Warning and Autonomous Emergency Braking (Front Assist)*

The Forward Collision Warning (included in Front Assist) system has a radar sensor in the front to help monitor traffic and can alert you acoustically and visually to a potential front-end collision with the vehicle moving ahead. If it senses that a collision is imminent, Autonomous Emergency Braking (included in Front Assist) can support the driver with increased brake pressure or, if the driver does not react at all, it can apply the brakes automatically.

Blind Spot Monitor*

The sensors on the Blind Spot Monitor are able to help sense what you might miss. When driving, if you attempt to change lanes, the Blind Spot Monitor can help alert you to cars that may be in your blind spot.

*Driver Assistance features are not substitutes for attentive driving. See Owner’s Manual for further details and important limitations. Each image shown is a dramatization for illustration purposes only.



Cost of ownership

The 6 years or 72,000 miles New Vehicle Limited Warranty reduces the cost of owning a Volkswagen.†

Peace of mind

Every Volkswagen is designed with quality in mind. So our 6 years/72,000 miles (whichever occurs first) New Vehicle Limited Warranty isn't just extensive, it's proof of our confidence.*

Coverage

You're covered by the warranty for 6 years or 72,000 miles (whichever comes first).*

The smart choice

Considering the length of the virtual bumper-to-bumper coverage and the ability to transfer the remainder of the coverage to the next owner, The People First Warranty beats the competition every time.*

Transferable

Your vehicle remains covered even if transferred to a new owner. So long as the vehicle is less than 6 years old and has traveled fewer than 72,000 miles, the remainder of the warranty coverage transfers to the subsequent vehicle owner.*

Bumper-to-Bumper Limited Warranty

In general, the warranty provides practically bumper-to-bumper coverage for repairs to correct a defect in manufacturer's material or workmanship (i.e., mechanical defects).*

*6 years/72,000 miles (whichever occurs first) New Vehicle Limited Warranty on MY2018 and newer VW vehicles, excluding e-Golf. Remainder of warranty coverage transfers to subsequent vehicle owner. See owner's literature or dealer for warranty exclusions and limitations. **Claim based on manufacturers' published data on length and transferability of car and SUV Bumper-to-bumper/Basic warranty only. Not based on other separate warranties. †Claim based on 5 years/75,000 miles cost of ownership analysis comparing 6 years/72,000 miles (whichever occurs first) limited warranty and 3 years/36,000 miles (whichever occurs first) limited warranty.

The vehicle's electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The system is designed to provide you with suggested routes to location addresses, destinations, and other points of interest. Changes in street names, construction zones, traffic flow, points of interest, and other road system changes are beyond the control of Volkswagen of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route. Periodically, the mapping is updated and a new DVD will be required in order to maintain the latest navigation information available to us. These will be available for purchase from time to time at additional cost. For further information regarding any Volkswagen model, please call 1-800-DRIVE-VW or just look us up at vw.com.
