

2019

Passat

Volkswagen

Midsize car. Family-size fun.

Whether on your daily commute or out and about on the weekend, there's a lot of family time to be had in the 2019 Volkswagen Passat. The Passat offers plenty—touchscreen entertainment, VW Car-Net® App-Connect*, and available Driver Assistance** features. With so much going on inside the Passat, you won't have to look far for good times. Get ready, the fun's about to begin.

*Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Standard text and data usage rates apply. App-Connect features require compatible device, operating system, and mobile apps. See mobile device and app providers app providers for terms and privacy. **Driver Assistance features are not substitutes for attentive driving. See Owner's Manual for further details and important limitations.

Live midsize to the fullest.

Leading a full life? Well, then the Passat is here to fulfill your needs. Starting with the eye-catching lines and refined styling. Inside, there are comfortable seats for mom and dad as well as more than enough rear legroom for the kids. Looks as though you can please everyone. And have a really good time doing it.

LED headlights and taillights

Available attractive LED headlights with LED Daytime Running Lights help illuminate your drive as well as highlight your sense of style. The available LED taillights on the Passat have been styled with precise contours that perfectly flow with its design lines.

Wolfsburg Edition

With so much preloaded fun, like 17" 10-spoke alloy wheels, leatherette seating surfaces with heated front seats, Wolfsburg badging and floor mats, and VW Car-Net App-Connect* for your smartphone, you might forget to fully appreciate the helpful Driver Assistance** features also already installed.

*Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Standard text and data usage rates apply. App-Connect features require compatible device, operating system, and mobile apps. See mobile device and app providers for terms and privacy. **Driver Assistance features are not substitutes for attentive driving. See Owner's Manual for further details and important limitations.

FEATURES

Automatic headlights
 60/40-split folding rear seat
 17" 10-spoke alloy wheels
 Multi-function steering wheel
 Heated front seats
 Leatherette seating surfaces

AVAILABLE FEATURES

Power tilting/sliding sunroof
 19" twin 5-spoke alloy wheels
 Remote start*
 Climatronic® dual-zone automatic climate control
 Carbon fiber pattern trim
 Frameless, auto-dimming rearview mirror

R-Line

The available Passat SE R-Line trim steps up the bold and sporty attitude for even the most sophisticated drivers. With a sporty front and rear bumper, 19" wheels, and performance design cues, you may notice an increase in double takes.

Keyless access with push-button start*

With your key in your pocket, you can unlock the door of your Passat as you grip the handle. Then once you're inside, with the press of the brake and the push of the start button, you're ready to go.

Hands-free Easy Open trunk

Hands full? With your keys in your pocket, just kick your foot under the rear bumper and the available hands-free Easy Open trunk unlocks and opens.

Rear legroom

Ensure family-size fun by providing more than three feet of rear legroom, which leads to plenty of smiles and happy faces. You'll surely give it two legs up.

Turbocharged engine

Energetic and powerful, the 2.0L TSI® engine has 174 hp and 184 lb-ft of torque. It's quick, fun, and efficient on the highway.* In short, it's a turbocharged win-win-win.

Paddle shifters

With this pair of available steering wheel-mounted paddle shifters located a mere flick away from your fingertips, you can shift quickly without taking a hand off the wheel. Suddenly shifting out of first is second nature.

6-speed automatic transmission with Sport mode

The available automatic 6-speed transmission cruises you from 0 to 60 and back down so smoothly,** you'll feel like a pro. And if that isn't sporty enough for you, switch into Sport mode for a more active feel advancing through the gears.

More get-up-and-whoa.

The Passat has what you're looking for while you're out and about — excitement, agility, and a powerful turbocharged engine. That's 2.0 liters of performance plus the tools to match with available sporty paddle shifters at your fingertips. You'll look the part too, with available R-line details like a unique front bumper, chrome door trim, and steel pedal caps.

Technology that's a family affair.

Innovation always comes along for the ride. Enjoy features like Volkswagen Car-Net App-Connect,* which lets you access your compatible smartphone's music, maps, messaging, and more on your dash. Get directions to your next destination from the available touchscreen navigation. Fill the cabin with sound from the available Fender® Premium Audio System. You'll see how the Passat really does have your family's interests in mind.

androidauto

*Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Standard text and data usage rates apply. App-Connect features require compatible device, operating system, and mobile apps. See mobile device and app providers for terms and privacy.

FEATURES

1 front USB data port

2 rear USB charging ports

Bluetooth® technology with audio streaming for compatible devices

AVAILABLE FEATURES

Fender Premium Audio System

VW Car-Net Guide & Inform*

VW Car-Net Security & Service**

Volkswagen Car-Net App-Connect†

VW Car-Net App-Connect allows you to connect your compatible smartphone with Apple CarPlay®, Android Auto™, or MirrorLink® to access select apps on the touchscreen display. From streaming music to mobile apps, it can be accessed on the touchscreen.

Composition Media touchscreen sound system

Conduct your favorite music with features like Bluetooth technology with audio streaming and a CD player.

Discover Media touchscreen navigation system

Navigation gets even more savvy with a sleek 6.33" touchscreen display with a 3-month trial subscription to SiriusXM® Traffic and SiriusXM Travel Link®*. It can also pair with multiple compatible phones via Bluetooth technology, and it offers VW Car-Net App-Connect. It's modern technology made more accessible.

*Always pay careful attention to the road, and do not drive while distracted. SiriusXM audio and data services each require a subscription sold separately, or as a package, by Sirius XM Radio Inc. If you decide to continue service after your trial, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-888-539-7474. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. More help behind the scenes.

Once you discover the Driver Assistance features available in the Passat, you'll quickly enjoy advanced peace of mind. Like Rear Traffic Alert — or Forward Collision Warning and Autonomous Emergency Braking (Front Assist), which helps to stop your vehicle when an emergency is detected.* Just two of the ways the Passat keeps the good times rolling, by helping to keep you and your family on the right side of happy.

*Driver Assistance features are not substitutes for attentive driving. See Owner's Manual for further details and important limitations.

Lane Keeping System (Lane Assist)*

When moving, the available Lane Keeping System (Lane Assist) can sense if you start to drift into another lane without using the turn signal. Within the limits of the system, Lane Assist can help steer to help keep you in the current lane.

Park Distance Control (Park Pilot)*

The available Park Distance Control has sensors that can help alert you as you back out of or drive into a parking spot. Audible signals and the optical parking system on the display indicate how much space you have behind and, on some vehicles, in front of the vehicle when parking. The frequency of the signal tone increases as the vehicle draws closer to the obstacle. If you get too close, a continuous tone sounds as a warning. The display provides additional information to the driver by showing the position of obstacles.

Blind Spot Monitor*

When driving, if you attempt to change lanes, the Blind Spot Monitor can help alert you to cars that may be in your blind spot. The Active Blind Spot Monitor (available when vehicle is equipped with Lane Assist) on select models can also counter-steer within the limits of Lane Assist to help keep you in your lane if you attempt to change lanes when a vehicle is in your blind spot.

Rear Traffic Alert*

Rear Traffic Alert comes in handy when you're backing up. It has sensors that can alert you to vehicles crossing in your path when in reverse and can even help brake the vehicle if needed.

Forward Collision Warning and Autonomous Emergency Braking (Front Assist)*

The Forward Collision Warning (included in Front Assist) system has a radar sensor in the front to help monitor traffic and can alert you acoustically and visually to a potential front-end collision with the vehicle moving ahead. If it senses that a collision is imminent, Autonomous Emergency Braking (included in Front Assist) can support the driver with increased brake pressure or, if the driver does not react at all, it can apply the brakes automatically.

Adaptive Cruise Control (ACC)*

Available Adaptive Cruise Control (ACC) helps the vehicle maintain a preset speed and distance from the car in front of you. When activated, if the car in front of you speeds up or slows down, the sensors can detect the change and your car follows suit.

Helps you stay out of trouble.

Peace of mind comes in different forms on the Passat with its multiple safety features. And it also comes with America's Best Bumper-to-Bumper Limited Warranty.*

Rear View Camera System

Benefit from the view of a wide lens when you want it. It can help you see obstacles when backing up, a feature so helpful you'll wonder how you ever managed without it.

Safety cage

Front and rear crumple zones help absorb crash energy, while a rigid safety cage helps deflect it away from the driver and passengers.

Automatic Post-Collision Braking System**

Not every collision brings a car to stop. That's why our vehicles include the Automatic Post-Collision Braking System. It can also help slow the vehicle down after a collision, helping reduce the chance of any additional impacts.

Intelligent Crash Response System (ICRS)†

In the event of a collision that deploys the airbags,† the ICRS can turn off the fuel pump, unlock the doors, and activate the hazard lights. It helps react if you might not be able to.

Seven stability-enhancing systems

From Electronic Brake-pressure Distribution (EBD), which helps maintain appropriate stopping power during a hard-braking situation, to Electronic Stability Control (ESC), which can adjust engine throttle and apply corrective forces to the wheels that need them most, your vehicle is equipped with a total of seven stability-enhancing systems.

*6 years/72,000 miles (whichever occurs first) New Vehicle Limited Warranty on MY2018 and newer VW vehicles, excluding e-Golf. Claim based on manufacturers' published data on length and transferability of car and SUV Bumper-to-bumper/Basic warranty only. Not based on other separate warranties. See owner's literature or dealer for warranty exclusions and limitations. **The features discussed are designed to help mitigate the effects of certain collisions, and are not a substitute for attentive driving. Please see Owner's Manual for further details and important limitations. †The Intelligent Crash Response System (ICRS) will only activate in a collision where the airbags deploy or safety belt pretensioners activate. Not all collisions cause airbags to deploy or safety belt pretensioners to activate. ††Airbags are supplemental restraints only and will not deploy under all crash circumstances. Always use safety belts and seat children only in the rear, using restraint systems appropriate for their size and age.

America's Best Bumper-to-Bumper Limited Warranty**

The People First Warranty*

6 Years/72,000 Miles · Transferable
Bumper-to-Bumper · Limited Warranty

Learn more at vw.com/warranty.

Cost of ownership

The 6 years or 72,000 miles New Vehicle Limited Warranty reduces the cost of owning a Volkswagen†

Peace of mind

Every Volkswagen is designed with quality in mind. So our 6 years/72,000 miles (whichever occurs first) New Vehicle Limited Warranty isn't just extensive, it's proof of our confidence.*

Coverage

You're covered by the warranty for 6 years or 72,000 miles (whichever comes first)*

The smart choice

Considering the length of the virtual bumper-to-bumper coverage and the ability to transfer the remainder of the coverage to the next owner, The People First Warranty beats the competition every time.*

Transferable

Your vehicle remains covered even if transferred to a new owner. So long as the vehicle is less than 6 years old and has traveled fewer than 72,000 miles, the remainder of the warranty coverage transfers to the subsequent vehicle owner.*

Bumper-to-Bumper Limited Warranty

In general, the warranty provides practically bumper-to-bumper coverage for repairs to correct a defect in manufacturer's material or workmanship (i.e., mechanical defects).*

*6 years/72,000 miles (whichever occurs first) New Vehicle Limited Warranty on MY2018 and newer VW vehicles, excluding e-Golf. Remainder of warranty coverage transfers to subsequent vehicle owner. See owner's literature or dealer for warranty exclusions and limitations. **Claim based on manufacturers' published data on length and transferability of car and SUV Bumper-to-bumper/Basic warranty only. Not based on other separate warranties. †Claim based on 5 years/75,000 miles cost of ownership analysis comparing 6 years/72,000 miles (whichever occurs first) limited warranty and 3 years/36,000 miles (whichever occurs first) limited warranty.
