Golf

Volkswagen

Your turbocharged, amenity-packed compact **has arrived.**

The Golf knows how to carry itself, as well as your things. There's a thoughtfully designed cargo area that helps keep you organized. Not to mention LED taillights, LED Daytime Running Lights (DRL), and a panoramic sunroof to help you stand out from the crowd. This Golf has what you want to keep up with city life.

Iconic exterior design

Introduced over 40 years ago, the design of the Golf, with its distinct C-pillars, has stood the test of time. It's what happens when you get it right the first time.

Heated front seats

Looking to turn up the heat? Three settings can help keep you and your front passenger comfy and warm.

LED Daytime Running Lights

LED Daytime Running Lights (DRL) give your front headlights a sleek look that will be hard to miss.

FEATURES

- 147-hp, 1.4L TSI® turbocharged engine
- LED taillights
- Automatic headlights
- Adjustable cargo floor
- Leatherette-wrapped, multi-function steering wheel
- Rain-sensing windshield wipers
- V-Tex leatherette seating surfaces
- 16" split-V alloy wheels

Power tilting/sliding panoramic sunroof

Take a drive on the brighter side of life. Open up the available panoramic sunroof that both tilts and slides to let the sun shine down on you.

Keyless access with push-button start*

Available keyless access lets you lock, unlock, start, and drive your car without ever having to take your keys out of your pocket. Press the brake and push the start button, and your engine's running and ready for action.

52.7 cu. ft. of cargo space with 60/40-split folding rear seats

Configure your space to make the most of the cargo area. The 60/40-split folding rear seats with release levers fold down easily for maximum space. Fold those rear seats down and get 52.7 cu. ft. of space to play with. Fit your gear with ease.

Always ensure cargo is properly secured. See owner's manual for details.

*See Owner's Manual for further details and important warnings about the keyless ignition feature. Do not leave vehicle unattended with the engine running, particularly in enclosed spaces.

Technology goes to town.

You're really going places. And the Golf has the tools to help make the ride more enjoyable. Access select apps from your compatible smartphone right on your dash. Music, mapping, messaging, and more can be accessed via voice control thanks to App-Connect.* And your world (at least the digital one) looks brighter from the 6.5" touchscreen sound system with glass display.

*Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Standard text and data usage rates apply. App-Connect features require compatible device, operating system, and mobile apps. See mobile device and app providers for terms and privacy.

App-Connect*

Volkswagen Car-Net App-Connect allows you to connect your compatible smartphone with Apple CarPlay®, Android Auto™, or MirrorLink® to access select apps on the touchscreen display. From streaming music to mobile apps, it can be accessed on the touchscreen.

Volkswagen Car-Net

Where did I last park? Did I lock the door? The available VW Car-Net Security & Service feature and trial subscription can show you, as well as handle bigger tasks like calling for help.

FEATURES

- 6.5" touchscreen sound system
- Bluetooth® technology with audio streaming for compatible devices
- USB-C port
- Keyless access with push-button start**

*Always pay careful attention to the road, and do not drive while distracted. Not all features available on all operating systems. Standard text and data usage rates apply. App-Connect features require compatible device, operating system, and mobile apps. See mobile device and app providers for terms and privacy. **See Owner's Manual for further details and important warnings about the keyless ignition feature. Do not leave vehicle unattended with the engine running, particularly in enclosed spaces.

Don't pass up a chance for greater peace of mind.

Driver Assistance features can help give you more confidence on your drive.

Front Assist*

The Forward Collision Warning (included in Front Assist) system can help monitor traffic and can alert you acoustically and visually to a potential front-end collision with the vehicle moving ahead. If it senses that a collision is imminent, Autonomous Emergency Braking (included in Front Assist) can support the driver with increased brake pressure or, if the driver does not react at all, it can apply the brakes automatically. Pedestrian Monitoring (included in Front Assist) feature can warn of pedestrians crossing in front of the vehicle and, under certain circumstances, can brake automatically to help prevent or mitigate the outcome of a collision with a pedestrian if the driver doesn't respond adequately to the warnings.

Blind Spot Monitor*

The Blind Spot Monitor is a feature that can sense what you might miss. If you attempt to change lanes, Blind Spot Monitor can help alert you to other cars that may be in your blind spot.

Rear Traffic Alert*

Rear Traffic Alert comes in handy when you're backing up. It has sensors that can alert you to detected vehicles crossing in your path when in reverse and can even help brake the vehicle if needed.

Do not leave vehicle unattended with the engine running, particularly in enclosed spaces. ††Driver Assistance features are not substitutes for attentive driving. See Owner's Manual for further details and important limitations.

©2020 Volkswagen Group of America, Inc. Printed in the USA. Volkswagen of America, Inc., believes the information and specifications in this brochure to be correct at the time of printing. Specifications, standard features, options, fabrics, and colors are subject to change without notice. Some features may be unavailable when your vehicle is built. Some vehicles are pictured with options that may be available at extra cost or may not be available on some models. Ask your dealer about the availability of options and verify that the vehicle you select includes the equipment you ordered. Tires are supplied and warranted by their manufacturer. "Volkswagen," the Volkswagen logo, and "Golf" are registered trademarks of Volkswagen AG. "Bluetooth" is a registered trademark of Bluetooth SIG, Inc. Volkswagen navigation depends on the signals from the worldwide Global Positioning Satellite network. The vehicle's electrical system, and existing wireless and satellite technologies, must be available and operating properly for the system to function. The system is designed to provide you with suggested routes to location addresses, destinations, and other points of interest. Changes in street names, construction zones, traffic flow, points of interest, and other road system changes are beyond the control of Volkswagen of America, Inc. Complete detailed mapping of lanes, roads, streets, toll roads, highways, etc., is not possible, therefore you may encounter discrepancies between the mapping and your actual location. Please rely on your individual judgment in determining whether or not to follow a suggested navigation route. Periodically, the mapping is updated and an update will be required in order to maintain the latest navigation information available to us. Updates will be available for purchase from time to time at additional cost. For further information regarding any Volkswagen model, please call 1-800-DRIVE-VW or just look us up at vw.com.
