INSPIRING PERFORMANCE.
EMPOWERING COMFORT.
REASSURING CARE.
THE VOLVO S80. AN UNUSUALLY INVIGORATING EXPERIENCE.

VOLVO S80

SCANDINAVIAN LUXURY WITH AN ABSOLUTELY UNIQUE STYLE AND PERSONALITY. METICULOUSLY ENGINEERED DOWN TO THE SMALLEST DETAIL, IT BRINGS EUROPEAN AUTOMOTIVE PERFECTION INTO A NEW ERA. IT CARRIES ITS PRECIOUS CARGO WITH EXQUISITE REFINEMENT AND CONSIDERATION, WHILE REWARDING THE DRIVER WITH THE FINEST OF DRIVING EXPERIENCES. TECHNOLOGY CULMINATES IN SUPERB SAFETY, LAVISH COMFORT, INSPIRING PERFORMANCE AND – NOT LEAST – ENVIRONMENTAL CONCERN. JUST AS YOU WOULD EXPECT FROM THE REFINED VOLVO LUXURY SEDAN.

TO DRIVE

THE VOLVO S80 OFFERS A TEMPTING COMBINATION OF HARMONY AND PACE. THE POISE, THE STABILITY, THE AGILITY – THE S80 RESPONDS SMOOTHLY TO YOUR COMMANDS, ADDING TO THAT SUPERIOR FEELING OF BEING IN CONTROL. JUST SIT BACK, TURN UP THE VOLUME OF THE AUDIO SYSTEM AND ENJOY THE TRIP.

The smooth, powerful five- or six-cylinder turbocharged engine, with 208 hp or 268 hp, responds alertly and produces a steady surge of power across its entire range. The very latest engine technology with continuously variable valve timing gives added bite to the acceleration while keeping fuel consumption and exhaust emissions firmly under control.

The responsive automatic transmission in the 2.5T and 2.5T AWD makes for a superbly smooth and comfortable ride. The T6 features the Geartronic automatic transmission, which also allows you to shift gears manually when you are in the mood for more active driving.

THE EXTREMELY TORSIONALLY RIGID BODY IS COMBINED WITH A WELL-BALANCED CHASSIS. ADD IN A SOPHISTICATED FIVE- OR SIX-CYLINDER TURBO ENGINE, RESPONSIVE AUTOMATIC TRANSMISSION AND PRECISE STEERING – THE VOLVO S80 IS BUILT TO INSPIRE AT ALL TIMES. BECAUSE WHAT MAKES IT A SPIRITED DRIVE ALSO PLAYS A VITAL ROLE IN THE SAFETY IT PROVIDES.

The design of the front suspension promotes quick and precise steering response and makes the car remarkably reassuring and relaxing on straight and twisting roads alike, irrespective of the road surface. It also helps further stabilize the car if you have to brake hard.

The sophisticated multi-link rear suspension contributes to the excellent riding comfort and ensures well-balanced behavior on the road. Its design also enhances the car's supple steering characteristics – in a curve, the rear wheels steer slightly in the same direction as the front wheels for added stability.

VOLVO S80 2.5T AWD

A FIVE-CYLINDER 208-HP TURBO ENGINE AND ELECTRONICALLY-CONTROLLED ALL-WHEEL DRIVE. EXPECT WORLD-CLASS ALL-ROAD CONFIDENCE IN THE SUPREMELY CAPABLE VOLVO S80 2.5T AWD – UNCOMPROMISING HARMONY AND STYLISH POISE WHATEVER THE CONDITIONS.

WHEN THE ROAD IS DRY

The electronically controlled all-wheel drive system in the Volvo S80 2.5T AWD gives you superior roadholding and tractive force under all driving conditions. It responds extremely quickly, making it possible to balance understeering and oversteering tendencies with exceptional precision.

For example, during rapid acceleration or fast cornering, power is seamlessly distributed between the front and rear wheels in a fraction of a second to give you maximum driving stability. Behind the wheel, you won't even be aware that the AWD system is at work – you'll simply enjoy that superb feeling of total control.

The AWD system is controlled by an electronic management system that constantly monitors the speed of the wheels, throttle position, engine torque, engine speed, the optional DSTC system, and the brakes in order to always respond optimally to current driving conditions.

WHEN THE ROAD IS SLIPPERY

The advantages of Volvo's AWD system are particularly noticeable on slippery roads. Since the pair of wheels with the best traction always receives most of the power, the car is outstandingly stable. And making your way on slippery road surfaces is no problem. The AWD system's short reaction time provides immediate power to the wheels that are needed to help get started and maintain control, even under difficult conditions. At low speeds, Volvo's anti-spin system, TRACS, ensures that the wheel with the best traction gets the most power.

If you are cruising on straight, dry roads, the car is almost entirely front-wheel driven for optimum stability and fuel economy.

If the front wheels show any tendency to spin, the AWD system responds instantly by redistributing up to 50% of the power to the rear wheels for maximum traction and stability.

If one or both wheels on one side of the car spin, more power goes instantly to the wheels on the opposite side with the best traction.

When braking, the car disengages drive to the rear wheels the instant you touch the brake pedal, thereby maximizing control and roadholding.

If you carry heavy loads, the rear wheels receive more power to maximize driving stability.

ACTIVE CHASSIS WITH FOUR-C

THE VOLVO S80 PROVIDES AN INSPIRING BALANCE BETWEEN EXCEPTIONAL COMFORT AND DYNAMIC DRIVING CHARACTERISTICS. FOR AN EVEN MORE REFINED DRIVING EXPERIENCE, YOU CAN ADD VOLVO'S ADVANCED FOUR-C CHASSIS TECHNOLOGY. THE ELECTRONICALLY CONTROLLED SUSPENSION SYSTEM ADAPTS CONTINUOUSLY TO SUIT YOUR DRIVING STYLE, SPEED, AND THE CURRENT ROAD CONDITIONS. AND TO SWITCH FROM RELAXED CRUISING TO A MORE SPIRITED SPORTS MODE, JUST PRESS A BUTTON.

The Active Chassis with Four-C Technology (Continuously Controlled Chassis Concept) continuously adjusts the suspension to maintain optimum comfort and responsive handling in all driving situations. It is a semi-active suspension system with continuously controlled shock absorbers by Monroe-Öhlins, featuring

two dynamic chassis modes – Comfort and Sport. As you drive, the system collects huge amounts of data about the way the car moves and behaves. It analyses the information and responds instantly by adjusting each shock absorber individually to suit the road and driving conditions. All this takes place with

extreme precision up to 500 times a second. Moreover, Four-C interacts dynamically with the DSTC system, the engine, brakes, steering and other functions – all to maximize response and match handling characteristics to the driving style of your choice.

COMFORT

When the road is slippery or bumpy, or when you drive in the city or just want a relaxed cruise, the Comfort chassis mode insulates the car's occupants from irregularities in the road surface. The system prioritizes low damping forces for smooth, gentle body movements and exceptional riding comfort.

DRIVING AHEAD

The Four-C system continually analyses speed, wheel movements, steering wheel position and other parameters, adjusting each shock absorber individually at lightning speed to suit the road and driving conditions.

DRIVING ON BUMPY ROADS

The shock absorbers adjust immediately to provide the most comfortable ride possible – the car virtually floats over bumps in the road.

SPORT

For more active driving on normal roads with a dynamic combination of sportiness and comfort. The system prioritizes somewhat harder damping and faster activation than in the Comfort mode. This results in more controlled body movements for precise road behavior with quicker steering response and tenacious grip on the road.

BRAKING

The moment you brake, the shock absorbers re-adjust to keep the body virtually level throughout the braking sequence. The result is enhanced control and maximum traction for the shortest possible stopping distance.

ENTERING A CURVE

As the car enters a curve, the Four-C system trims the shock absorbers so the car steers securely into the corner, quickly and with poise.

MID-CORNER

When cornering, the Four-C system ensures stable and responsive handling throughout the curve.

● = Shock absorber, maximum damping

○ = Shock absorber, minimum damping

TO LIVE WITH

WHILE THE DRIVER ENJOYS A PERFECTLY TAILORED ENVIRONMENT, EACH PASSENGER RESIDES IN HIS OR HER OWN PRIVATE SPHERE OF SUPERIOR COMFORT AND DISCREET LUXURY. THE VOLVO S80 IS A COMFORTABLE, INVIGORATING PLACE TO BE – HOUR AFTER HOUR, MILE AFTER MILE.

“GOOD DESIGN IS NOT ONLY A MATTER OF STYLING THE SURFACE. IT IS JUST AS IMPORTANT TO MAKE THE PRODUCT EASY TO UNDERSTAND AND USE. IF THE PRODUCT IS NOT FUNCTIONAL, IT CAN'T BE BEAUTIFUL.”

(THE VOLVO DESIGN PHILOSOPHY)

"CARS ARE DRIVEN BY PEOPLE. THE GUIDING PRINCIPLE
BEHIND EVERYTHING WE MAKE AT VOLVO, THEREFORE,
IS – AND MUST REMAIN – SAFETY."

ASSAR GABRIELSSON AND GUSTAF LARSON,
THE FOUNDERS OF VOLVO.

TO BE SAFE

THE VOLVO S80 IS DESIGNED TO PROVIDE COMPLETE DRIVER CONFIDENCE AND OCCUPANT PROTECTION. AN ERGONOMIC DRIVER'S ENVIRONMENT AND SOPHISTICATED TECHNOLOGY MAKE IT EASIER TO PREDICT AND AVOID POTENTIALLY DANGEROUS TRAFFIC SITUATIONS. A WELL-BALANCED CHASSIS AND ACTIVE STABILITY-ENHANCING SYSTEMS HELP GIVE YOU CONTROL UNDER A WIDE VARIETY OF CONDITIONS. AND SHOULD AN ACCIDENT BE UNAVOIDABLE, YOU AND YOUR PASSENGERS ARE PROVIDED ENHANCED PROTECTION BY ONE OF THE AUTOMOTIVE WORLD'S MOST EFFECTIVE SAFETY SYSTEMS. THE VOLVO S80 STANDS ALONE IN ITS CLASS – ALLOWING YOU TO ENJOY THE EXPERIENCE TO THE FULL.

The powerful anti-locking disc brakes help ensure a short stopping distance under a wide variety of circumstances and withstand tough use without fading. You can brake hard and steer quickly out of trouble at the same time. The ABS brakes are supplemented by EBD (Electronic Brakeforce Distribution) which regulates braking force to the rear wheels. If the car has DSTC, the brakes are equipped with EBA (Emergency Brake Assistance). If you do not press the brake pedal hard enough, EBA immediately steps in and provides just the right amount of braking force needed to bring the car to a standstill in the shortest possible distance.

STC (Stability and Traction Control) increases driving safety on twisting roads and in slippery conditions. If one of the driven wheels shows any tendency to lose traction, power to that wheel is cut at lightning speed so that it quickly regains traction. The optional DSTC (Dynamic Stability and Traction Control) is an anti-skid system that responds instantly when it detects any tendency to skid, reducing engine power and braking the appropriate wheels, to help you maintain smooth control over your car. DSTC is standard on T6 and T6 Premier.

As darkness descends, you will appreciate the powerful and effective low and high beam headlights. And for an even broader and longer beam of light, you can add Bi-Xenon headlights. Integrated front and rear side-marker lights make it easier for other road-users approaching from the side to see your car.

AT VOLVO, WE BELIEVE THAT IT'S THE WHOLE RATHER THAN THE PARTS THAT DETERMINES HOW SAFE A CAR IS. THE VOLVO S80 IS VERY MUCH THE PRODUCT OF THIS BELIEF – EVERYTHING INTERACTS HARMONIOUSLY TO HELP KEEP YOU OUT OF HARM'S WAY.

SAFETY CAGE

The robust safety cage is designed as an interactive web of steel beams that surround the occupants to help withstand crash forces.

DEFORMATION ZONES

Front and rear deformation areas help dissipate collision forces to help reduce the effects on the car's occupants.

COLLAPSIBLE THREE-STAGE STEERING COLUMN

In the event of a frontal collision, the steering column is designed to collapse and help prevent injuries to the driver.

ADAPTIVE AIRBAGS

The driver and front passenger airbags assist in protecting the head, face and chest in a frontal collision. They monitor the force of the impact and adapt inflation to the severity of the collision, with full or reduced pressure, depending on the force of the impact. If the collision force is not sufficient to trigger the airbag, only the seat belt pre-tensioner is activated. The passenger airbag is automatically connected or disconnected by sensors that monitor the weight of the person in the front passenger's seat.

ENERGY-ABSORBING INTERIOR

All the panels and the sides of the doors are padded with energy-absorbing materials to help reduce the risk of injury to the car's occupants.

ANTI-SUBMARINING SEATS

The front and rear seats are shaped to help keep occupants from sliding under and out of their seat belts during a collision.

WHIPS (WHIPLASH PROTECTION SYSTEM)

WHIPS helps reduce the risk of whiplash injury by cradling the spine and neck in a controlled way if the car is hit from behind at low speeds. It is built into the front seats and activated by a sufficiently severe impact.

PERSONAL SECURITY

AT VOLVO, PROVIDING FOR YOUR PERSONAL SAFETY IS A NATURAL EXTENSION OF OUR DEVOTION TO YOUR DRIVING SAFETY. AND SO, A NUMBER OF CRITICAL FEATURES HAVE BEEN ADDED TO THE VOLVO S80 TO HELP YOU AVOID THREATENING SITUATIONS.

SIPS (SIDE-IMPACT**PROTECTION SYSTEM)**

SIPS distributes crash forces in a side impact across a larger part of the car's body in order to help minimize the strain on the occupants. The IC (Inflatable Curtain) for all the car's occupants, and the front side airbags help reduce the risk of injury to the head, chest and hips. The rear doors feature energy-absorbing blocks that help distribute incoming collision forces in a side impact.

SIDE-IMPACT AIRBAGS

Side airbags offer enhanced chest protection. They are fitted in the outer edge of the front seat backrests, not in the doors, so that they are always by your side.

IC (INFLATABLE CURTAIN)

IC (Inflatable Curtain) offers occupant protection irrespective of whether you are in the front or rear seat. It inflates in certain side impacts to help protect the heads of all outboard occupants. For added safety during multiple collision sequences or collisions of longer duration, it stays inflated for up to three seconds.

**SEAT BELTS WITH PRE-TENSIONERS**

All five seats have head restraints and three-point seat belts with pre-tensioners. In a collision, the seat belts are pulled taut to help keep passengers properly positioned. The front seat belts then slacken slightly so that the occupants are restrained by the airbags in a more controlled manner.

CHILD SAFETY

Volvo has designed this vehicle with the safety of children in mind. Smaller children up to the age of three, however, travel most safely in a rearward-facing child seat. The integrated booster cushion helps ensure that the seat belt is at the right height for somewhat older children. The rear outboard seats are equipped with ISOFIX/LATCH anchors to ensure quick and correct installation and removal of child seats.

PROTECTED FUEL TANK

The fuel tank is strategically placed in front of the rear axle, which helps protect it in the event of a rear-end collision.

The S80 expands the scope of personal protection. Approach and Home Safe lighting with ground lighting in the outer side view mirrors illuminates the area around the car and allows greater safety when approaching or departing the vehicle. An electronic immobilizer and door locks that withstand most break-in attempts help protect against theft. To prevent access by breaking a window, the side windows are made of penetration-resistant laminated glass. A security system with sensors in the doors, hood and trunk activate an alarm if someone should ever try to break into the vehicle. And in the event of trouble – press the panic

button in the remote control and the alarm is sounded. If you add Volvo On Call Plus, help is always close at hand in an emergency. If any of the airbags or seat belt pre-tensioners are deployed, the Volvo On Call Plus service center is alerted automatically. To receive assistance, you can also alert the service center manually by pressing a button. An integrated telephone is included (std T6 and T6 Premier). And to increase your capacity to drive away from a threatening situation, even with a punctured tire, your Volvo can be equipped with Self Supporting Run-Flat Tires, SST (included in the Run Flat Tire Package).

TO CARE

CONCERN FOR THE ENVIRONMENT IS PART OF THE DRIVING EXPERIENCE IN THE VOLVO S80. YOU GET A FUEL-EFFICIENT CAR WHICH MEETS STRICT ULEV OR ULEV II EMISSION STANDARDS. IT IS QUITE SIMPLY MORE ENJOYABLE TO DRIVE A CAR THAT TAKES THE ENVIRONMENT INTO CONSIDERATION.

CLEAN INSIDE

A cabin air filter ensures that dust, exhaust particles and pollen do not enter the cabin through the ventilation system. The Dual Zone Electronic Climate Control system (ECC) can be supplemented with an interior air-quality system that monitors incoming air and ensures that the carbon monoxide content does not rise too high inside the cabin, for instance when you drive on congested city streets, in traffic jams or in tunnels. The air quality system also shields the car's occupants from certain unpleasant odors and from gases such as nitrogen oxide, ground-level ozone and hydrocarbons. In order to make life more pleasant for allergy sufferers and asthmatics, all the fabrics meet the requirements of the Öko-Tex* ecological standard. Moreover, several interior components are tested with regard to contact allergies.

* Öko-Tex is an international standard that guarantees that textiles and leather are free from allergenic substances, health-impairing materials and harmful emissions.

CLEAN OUTSIDE

High-efficiency engines reduce fuel consumption, thereby also reducing emissions of carbon dioxide, a greenhouse gas. Advanced engine emission control technology eliminates 95-98 percent of carbon monoxide, hydrocarbons and nitrogen oxides from the exhaust gases. The catalytic converter is positioned right beside the engine so that it provides full exhaust conversion more quickly after a cold start. The T6 engine already meets ULEV emission standards, while the 2.5T engine meets the even stricter ULEV II standards. The engines also feature a special catalytic coating on the radiator, PremAir®, which converts up to 75 percent of the harmful ground-level ozone that passes through the radiator into pure oxygen.

PremAir® is a registered trademark of Engelhard Corporation.

CLEAN ALL ITS LIFE

In the Volvo S80, environmental care is built in from the initial design and engineering stages. The car is built in one of the automotive world's cleanest factories, and 85 percent of each car can be recycled. Volvo Cars' also provides an environmental product declaration (EPD) – a tool that helps you choose a Volvo model on the basis of its overall environmental impact throughout its lifetime. The environmental product declaration can be viewed on epd.volvocars.se

CLEAN BROCHURE

At Volvo, concern for the environment is important in every aspect of what we do. This brochure is 100 percent recyclable. The paper is manufactured in North America utilizing the Sustainable Forestry Initiative. No paper pulp material is harvested from old-growth forests or rain forests, and it is chlorine-free. The inks and coatings utilized for print are vegetable and water-based. Even the shipping cartons contain 50 percent post-consumer waste and are also 100 percent recyclable.

CONTRIBUTING TO SUSTAINABLE DEVELOPMENT

Volvo Cars aims to be a leader in corporate citizenship – ensuring a balance between the needs of the company, its customers, society, and future generations. Environmental responsibility is an important part of this effort, and so too is a far-reaching undertaking to safeguard society's interests, in Volvo's role as an employer and as a builder of that society; both independently and together with other companies, authorities and organizations. Our annual "Corporate Citizenship" report is available on www.volvocars.com/citizenship. And to recognize and reward ordinary Americans who go above and beyond the call of duty, we created the Volvo for Life Awards program, see www.volvoforlifeawards.com

KNOWING YOU'RE SURROUNDED BY CONSIDERATION ...

... DRIVING FOR HOURS AND HOURS JUST TO FEEL ALIVE.

FINALLY, REACHING YOUR DESTINATION ...

... RELAXED AND REGENERATED IN YOUR VOLVO S80.

VOLVO S80 T6 PREMIER

THE HIGHLY DISTINGUISHED VOLVO S80 T6 PREMIER ELEVATES COMFORT TO NEW HEIGHTS. THE LAVISH AND AIRY INTERIOR PROVIDES SPACE ENOUGH FOR RELAXED TRAVELING – ON BUSINESS OR JUST FOR PLEASURE. SEVERAL UNIQUE PREMIER OPTIONS HEIGHTEN THE AMBIENCE STILL FURTHER.

THE PREMIER AMBIENCE

The specially designed seats are upholstered in soft leather with contrasting piping, extra padding, contouring and extended legroom contribute to the first-class comfort. Hand-sanded, cultivated walnut wood trim and exclusive floor mats with extra thick pile are also part of the ambience.

For the ultimate long trip experience, there is the Volvo RSE (Rear Seat Entertainment) system designed exclusively for the S80 T6 Premier. Just relax in the rear seat and enjoy the latest film on DVD or play an electronic game – both at the same time or one on each screen. You can also watch TV* or connect other electronic media such as a PC or video camera. Audio reproduction comes courtesy of the car's rear speakers or the RSE system's separate wireless IR headphones.

And for that extra touch of luxury, you can add electrically heated outboard rear seats, a built-in refrigerator and a storage compartment with bottle opener and two hand-cut glasses made of the finest Swedish crystal.

* You will get the best TV reception when the car is at a standstill. While on the move, picture quality may vary depending on reception conditions.

THE PREMIER SELECTIONS

EXTENDED STANDARD EQUIPMENT FOR THE VOLVO S80 T6 PREMIER

- Center armrest
- Coat hangers on both left and right front head restraints
- Electrically heated front seats
- Enhanced rear seating comfort
- Extended legroom for rear seat passengers
- Genuine wood trim in panels and gear-lever knob
- Headlamp wiper/washers
- IAQS (Interior Air Quality System)
- Key integrated remote control
- Mono-chromatic exterior trim
- Mud flaps, front
- Premier carpets and floor mats
- Premier soft leather upholstery with contrasting piping
- Power glass moonroof
- Rain sensor
- Rear Seat Entertainment system (RSE) including:
 - two 7-inch TV/video wide-screens in the front head restraints
 - DVD/CD player
 - 68 channel capacity TV tuner
 - auxiliary panel and 12 V power outlet in rear center armrest
 - two sets of wireless IR headphones
 - remote control
- Storage pockets, front edge of rear seat cushion
- Umbrella holder on the inside of the trunk lid
- Unique front grille
- Wood-trimmed steering wheel

UNIQUE OPTIONS FOR THE VOLVO S80 T6 PREMIER

- Bi-Xenon headlamps
- Electrically heated rear seats
- In-dash 6 CD Audio System with Premium Sound 300 watt speaker package and Dolby Surround Pro Logic II®
- Power rear window sunblind
- Refrigerator behind the rear center armrest, including storage compartment in the armrest with two crystal glasses and a bottle opener
- Volvo Navigation System

PREMIER TAUPE/LIGHT TAUPE INTERIOR (8F91)

Premier Soft leather upholstery in Taupe/Light Taupe, wood trim in panels and gear-lever knob, wood-trimmed steering wheel.

PREMIER GRAPHITE INTERIOR (8F70)

Premier Soft leather upholstery in Graphite, wood trim in panels and gear-lever knob, wood-trimmed steering wheel.

PREMIER OAK/LINEN WHITE INTERIOR (8F3L)

Premier Soft leather upholstery in Linen White, wood trim in panels and gear-lever knob, wood-trimmed steering wheel.

TO CREATE YOUR VERY OWN VOLVO S80

CHOOSING THE VOLVO S80 IS A HIGHLY PERSONAL MATTER. YOUR VOLVO IS AVAILABLE IN A NUMBER OF MODELS, EACH WITH ITS OWN ENGINE, POWERTRAIN, AND EQUIPMENT LEVEL. THIS MAKES IT EASY TO CHOOSE THE S80 THAT'S JUST RIGHT FOR YOU. AND WHATEVER MODEL YOU CHOOSE, YOU CAN ENHANCE THE EXPERIENCE WITH ONE OR MORE OF VOLVO'S OPTION PACKAGES, AND SPECIALLY DESIGNED OPTIONS AND ACCESSORIES.

WWW.VOLVOCARS.US

THE S80 SELECTION

IN A VOLVO S80, THE POWERTRAIN AND CHASSIS INTERACT TO PROVIDE A HARMONIOUS BALANCE BETWEEN RESPONSE AND COMFORT. THE SMOOTH, POWERFUL FIVE- OR SIX-CYLINDER TURBO ENGINE GIVES YOU INSTANT ACCESS TO ITS FULL POWER POTENTIAL. LOW INTERNAL FRICTION AND THE VERY LATEST ENGINE TECHNOLOGY, FEATURING VARIABLE VALVE TIMING, COMBINE GOOD PERFORMANCE WITH MODERATE FUEL CONSUMPTION, WHILE AT THE SAME TIME MEETING STRICT EMISSIONS STANDARDS.

2.5 T 2.5 T 2.5

VOLVO S80 2.5T (208 HP)

Provides a beautifully balanced and spirited driving experience. The five-cylinder 2.5-liter turbocharged engine gives you access to full engine torque (236 ft./lbs.) from as low as 1500 rpm – so you can start off quickly and will seldom need to shift down, for example when passing slower moving vehicles. The very latest advances in engine technology with variable valve timing for both intake and exhaust valves (Dual CVVT) ensures excellent performance and cleaner exhaust emissions under all driving conditions. With highly efficient combustion and emission control, this engine meets the very strict ULEV II emission requirements. A five-speed adaptive automatic transmission is standard.

2.5 T AWD 2

VOLVO S80 2.5T AWD (208 HP)

Adds yet another dimension to your driving experience. Volvo's electronically-controlled all-wheel-drive system is optimized to provide superior roadholding and dependable tractive force whatever the road conditions. Drive is distributed at lightning speed between the front and rear wheels as conditions change – depending on what is needed to maintain driving stability and traction, even under difficult conditions. The experience is further enhanced by the sophisticated 208-hp five-cylinder light-pressure turbo engine and five-speed adaptive automatic transmission.

S T6 T6 T6 T

VOLVO S80 T6 (268 HP)

The sophisticated Scandinavian flagship sedan. Powered by a remarkably smooth in-line six-cylinder 2.9-liter turbo engine with overwhelming thrust. The engine pumps out its full torque potential (280 ft. lb) from just 1800 rpm, and then continues to pull like a turbine across the full range of engine speeds. Dual turbochargers and variable timing for both intake and exhaust valves (Dual CVVT) promote superb performance and ensure that the engine meets the strict ULEV emission requirements. The engine is mated to a four-speed Geartronic automatic transmission which allows manual gearshifts. The speed-dependent power steering in the S80 T6 provides progressively less assistance as speed increases, thereby improving steering precision and enhancing road feedback. The T6 also features the DSTC anti-skid system.

PREMIUM PACKAGE*

A Volvo offers you long, relaxed drives and more spirit in your daily life. The Premium Package will provide you with some necessities for that extra ambience and convenience.

- Leather seating surfaces
- Power glass moonroof
- Real wood inlays
- Power passenger seat

*Only available on 2.5T and 2.5T AWD.
Standard on T6.

CONVENIENCE PACKAGE*

The wide range of considerate and practical features makes life with your Volvo a truly enjoyable experience. And by adding the Convenience Package, you expand your freedom even more.

- Homelink
- Auto dimming mirror
- Grocery bag holder
- Leather handbrake

*Only available on
2.5T and 2.5T AWD.
Standard on T6.

CLIMATE PACKAGE*

In a Volvo you're always prepared to deal with the ever-changing forces of nature. And to increase comfort when driving in cold, rain or snow – simply add the Climate Package.

- Heated front seats
- Headlamp wiper
- Rain sensor

*Standard on T6 Premier.

SPORT PACKAGE*

Inspiring dynamics are always at hand, whenever you're in the mood. And with the Sport Package, you'll further enhance your driving experience.

- T6 sport seats (front & rear)
- 17" INTERCEPTOR alloy wheels

*Only available on
2.5T and 2.5T AWD.

WARM WEATHER PACKAGE*

Regardless of the weather – your Volvo will always provide a comfortable ride. And by adding the Warm Weather Package, you'll enjoy the sunny days even more.

- Rear window suncurtain
- Rear door suncurtains
- Infra-red reflective front windshield
- Interior air quality system

*Only available on T6.

RUN FLAT TIRE PACKAGE

A package to help increase both driving and personal safety. This system makes it possible to continue driving even with a punctured tire. Please note that the reinforced sidewalls on tires of this type result in a somewhat firmer* ride compared with conventional tires.

- Self Supporting Tires
- Tire pressure monitoring system
- 17" ORESTES alloy wheels
- DSTC (standard on T6)

* May be most noticeable on rough
or uneven road surfaces.

AUDIO AND ENTERTAINMENT

DOLBY® PRO LOGIC SPEAKERS (OPTIONAL)

Specially designed for the Volvo S80 in collaboration with speaker specialists Dynaudio to give you superior sound, without compromise. The speakers' extremely pure sound reproduction and relaxed dynamic nature across the entire register, combined with a powerful 4x75 W amplifier, add to the experience – so you can simply relax and enjoy a musical experience of absolute world class.

DOLBY SURROUND PRO LOGIC® II SYSTEM (OPTIONAL)

The latest generation Dolby® Surround system with center speaker and digital sound processor recreates authentic sound from recordings and ensures that everyone in the car hears the music with the same natural quality. The system provides a clear, open and natural three-dimensional sound with a true sense of presence. It's an audio experience that is unique in the automotive world – like having the best seats in the concert hall.

Included in Premium Sound.

MEMORABLE EXPERIENCES ARE PART OF THE PURPOSE OF OWNING A VOLVO S80. THE SOPHISTICATED AUDIO SYSTEM SUITS YOUR VOLVO PERFECTLY AND PRODUCES A QUALITY SOUND THAT YOU FEEL THROUGHOUT YOUR BODY. AND IF YOU CHOOSE THE 325 W PREMIUM SOUND WITH DOLBY SURROUND PRO LOGIC® II, YOU AND YOUR PASSENGERS CAN ENJOY A PARTICULARLY CONVINCING SOUND EXPERIENCE – VIRTUALLY LIKE HAVING THE ENTIRE ORCHESTRA ALONG FOR THE RIDE.

AUDIO PERFORMANCE (STANDARD)

An easy to use and great-sounding standard system with RDBS radio, built-in single-CD player and six speakers. The following are included in the standard equipment:

- HU-650 RDBS radio with built in 4x25 W amplifier and single-CD player
- 6 speakers

Can also be supplemented with a separate 10-CD changer and CD storage in the glove compartment.

DOLBY SURROUND PRO LOGIC® II SYSTEM

Uncompromising sound of absolute world class for the discerning music lover. Volvo's most sophisticated audio system with nine Premium Sound speakers, an advanced Premium Sound amplifier and Dolby Surround Pro Logic® II. The speakers' power durability and excellent transient reproduction in combination with the amplifier's high capacity result in exceptional resolution and perfect dynamics. The Dolby® Surround system offers a uniquely realistic and three-dimensional audio experience whether you are sitting in the front or rear seats.

Dolby Surround Pro Logic® II System includes:

- HU-850 RDBS radio with built in 6-CD changer
- 9 Premium Sound speakers (Dynaudio)
- Dolby Surround Pro Logic® II with centre speaker and digital sound processor
- Premium Sound amplifier, 4x75 W plus 25 W for the center speaker
- Premium Sound digital sound processor

Can also be supplemented with a separate 10-CD changer and CD storage in the glove compartment.

 Loudspeaker

* The Dolby and Pro Logic trademarks are the property of Dolby Laboratories.

PARK ASSIST, REAR

Makes it safer and easier to reverse, for instance when backing into a space between two cars. A pulsating tone inside the cabin rises to a steady signal when the object is approximately 1 foot (25 cm) behind your rear bumper.

**POWER GLASS MOONROOF**

Makes the interior feel extra light and airy. Touch a button – and you open or close the moonroof. And if the sun is too strong, you can always close the built-in sun shade.

Included in the Premium Package.

**BI-XENON HEADLIGHTS**

Give you even more effective low and high beams, with a broader, longer and more pleasant beam throw under all lighting conditions. Low beam height is adjusted automatically to provide the best possible light pattern when the car is heavily loaded.

Requires the Climate Package.

FACTORY-INSTALLED OPTIONS

THE SENSE OF QUALITY AND CARE – AND KNOWING THAT YOU GET THE VOLVO THAT SUITS YOUR LIFESTYLE. CUSTOMIZE YOUR CAR WITH THE OPTIONS THAT BEST MEET YOUR DEMANDS AND DESIRES, AND YOU'LL SOON BE BEHIND THE WHEEL OF YOUR INDIVIDUALLY TAILORED S80.

**VOLVO NAVIGATION SYSTEM**

The Volvo Navigation System can guide you anywhere with precise audio and visual directions. Using the global positioning satellite system, a liquid crystal 6.5-inch display shows your location on a map and plots the best route. Controls are conveniently located on the steering wheel. When not in use, the screen retracts into the dashboard. All map-based information is stored on a DVD.

Also available as an Accessory.

**DSC ANTI-SKID SYSTEM (DYNAMIC STABILITY AND TRACTION CONTROL)**

Enhances driving stability on slippery roads. The system automatically counteracts a skid as it starts, well before you even notice. Any skidding tendency is countered smoothly and effectively by the system braking one or more wheels or reducing engine power as necessary to retain control. The system also includes EBA (Emergency Brake Assistance), which helps shorten the stopping distance in emergency braking.

Standard on T6 and T6 Premier.

ACCESSORIES

VOLVO'S ACCESSORIES HELP YOU MAKE YOUR S80 EVEN MORE SUITED TO YOUR PERSONAL NEEDS. THEY ARE THE ONLY ONES THAT HAVE BEEN TESTED TO MEET VOLVO'S EXACTING SAFETY, QUALITY AND ENVIRONMENTAL REQUIREMENTS. YOU CAN ALSO REST ASSURED THEY'RE A PERFECT MATCH TO THE TECHNOLOGY AND DESIGN OF YOUR VOLVO.

PLEASE NOTE: It is not possible to reproduce exact original shades in this brochure. Ask your Volvo retailer to show you samples.

As part of our commitment to the environment, the paper used in this brochure is recycled, and color choices were printed directly on the page. This eliminates the need for chemically treated color chips. A small thing perhaps, but then, every little bit helps.

WELCOME TO OUR FAMILY

BEING A VOLVO OWNER IS ABOUT MORE THAN JUST OWNING AN AUTOMOBILE. IT'S ABOUT BEING TREATED IN A CARING, RESPONSIVE AND RESPECTFUL MANNER EVERY TIME YOU INTERACT WITH OUR COMPANY. ALL OF US ARE COMMITTED TO MAKING EVERY ASPECT OF YOUR VOLVO EXPERIENCE A REWARDING ONE. SO AFTER THE NEW CAR SMELL BEGINS TO FADE, YOU'LL STILL BE EXCITED ABOUT OWNING A VOLVO.

**CARE
BY VOLVO**

VOLVO CAR FINANCE NORTH AMERICA

If you purchase or lease your Volvo through Volvo Car Finance North America, you can take advantage of services designed to make financing simple and convenient. Quick Debit, for instance, enables you to have your monthly payment automatically debited from a designated bank account. For more information, call 1-800-770-8234 or visit www.volvofinance.com

CARE BY VOLVO® ON CALL ROADSIDE ASSISTANCE

Whenever you need us, we're just a phone call away. Our nationwide network of retailers and authorized service providers are ready to assist. Whether you require roadside assistance or maps and routing information for your next trip, refer to your Care By Volvo® On Call Card and dial 1-800-63-VOLVO – anytime, day or night. Your complimentary four-year membership activates the moment you become a Volvo owner.

THE VOLVO OWNERS' CIRCLE

Driving is not the only rewarding part of owning a Volvo. As a member of the Volvo Owners' Circle, you'll have access to information designed exclusively for Volvo owners. This unique online resource includes frequently asked questions, special offers, a resale value wizard, and your own Virtual Glove Box – complete with an owner's manual and more.

VOLVO NEW CAR WARRANTY

Your new car warranty provides comprehensive coverage for four years or 50,000 miles, whichever occurs first. Additional warranties cover corrosion, seat belts, the supplemental restraint system, emission systems, genuine Volvo replacement parts and genuine Volvo accessories. Should you encounter any problem with your Volvo, simply contact the nearest retailer for assistance. Where your warranty ends, Volvo Increased Protection (VIP) plans begin. To purchase the additional protection of a VIP plan, contact your local retailer.

CARE BY VOLVO® FACTORY SCHEDULED MAINTENANCE

Volvo is committed to a premium ownership experience for its customers. To further enhance your ownership experience, all 2005 models year Volvos sold in the United States will include Care By Volvo® Factory Scheduled Maintenance. This program provides scheduled maintenance coverage for the first 3 years or 36,000 miles, is designed to complement your Volvo Warranty, and will help ensure trouble free operation of your Volvo. Optional program enhancements are available that will allow you to customize coverage to meet your driving needs. See your Volvo retailer for details.

VOLVO GENUINE SERVICE

The best way to ensure superior performance year after year is to bring your Volvo to your authorized retailer for regular maintenance. Our service advisors and factory-trained technicians are uniquely qualified to maintain your automobile. With the aid of advanced Volvo diagnostics, they follow all prescribed factory maintenance outlined in your service interval manual. Genuine Volvo Service is our ongoing commitment to you: to keep your Volvo performing smoothly long after other cars have given up.

CARE BY VOLVO INSURANCE SERVICES

This exclusive Care by Volvo Insurance Services program* is designed to help you secure automobile insurance coverage at preferred rates available to Volvo owners. Our highly experienced, licensed insurance agents are ready to help you find the right coverage from a broad selection of top insurance providers – providers who recognize what makes you unique as a Volvo driver. Best of all, you get all the advantages of shopping around for special rates with one simple call to 1-877-VOLVO-05 or one simple form at www.volvocars.us/insurance
